## Melanie's Thoughts

Melanie Wait  
Principal

### Term Four

Welcome back to Term Four. This term there are again a wide range of wonderful activities on offer for our students. Please make sure you keep an eye on the calendar and in your child's bag for notes etc

### NAPLAN Analysis

Recently we have started to analyse our NAPLAN results as a school. As well as a number of individual students having extremely pleasing results, we have also had some outstanding school results. Some of these include:

- The Year 3 cohort (group) are above the national and state average in all areas (Reading, Writing, Spelling, Grammar and Punctuation and Numeracy)
- The Year 9 boy's Growth (improvement from Year 7) is 35 points better than the state growth in Writing

- The Year 3 cohort are 47 scaled points better than the state average in Reading, 10 points better in Writing, 5 points better in Spelling, 49 points better in Grammar and Punctuation and 31 points better in Numeracy
- 17% of Year 5 students in the top band for Reading and Grammar and Punctuation  
All Year 5 students grew in Spelling by over 25 points
- The Year 7 cohort's growth (improvement from Year 5) is 6 points better than state average in Reading, 4 points better in Spelling, 9 points better in Numeracy.
- The Year 9 cohort's growth is 10 points better than state average in Reading, 30 points better in Writing, 4 points better in Spelling, 6 points better in Grammar and Punctuation and 11 points better in Numeracy.

It is extremely pleasing to see the improvement that is occurring in student results across the school. We will continue to undertake a detailed analysis of both school and individual student results to ensure that we tailor the curriculum to meet the needs of the students, to ensure all students continue develop across the school.

Farewell to Year 12

### HSC Examinations

Yesterday our Year 12 Examinations began for students in Year 12. We wish our Year 12 class all the best in their exams and for their future.

### Nominations for School Captains

This week nominations for Senior School Captains were called from all students in Year 11 for the 2011 school year. Students are required to hand their nominations in to me on Monday the 18th of October. As part of the election process they will present a speech to the whole school at assembly on Monday the 25th of October. Students will also participate in an interview with school staff and a community member. We wish all our students the best of luck in this process.

### School Certificate

This term our Year 10 students will sit their School Certificate Examinations. Next week they will sit their Trial School Certificate Examinations to help them identify areas they need to prepare for. This week I have spoken with all students in Year 10 about their subject choices for Year 11 and the future directions. These meetings were extremely interesting and have allowed us to identify the best way to suit the needs of our students.

### Performance Night

Don't forget, our Performance Night will be held this Term on Wednesday the 3<sup>rd</sup> of November at the Tooleybuc Sporting Club Auditorium. Our students have been practising hard and are looking forward to putting on a wonderful display.

**Merit Scheme**

To reward our students' positive behaviour Tooleybus Central School runs a strong Merit Scheme. Students are awarded 'Merit Awards' during the school year and an accumulation of these merits equates to levels.

- Bronze Level 10 Merits
- Silver Level Bronze plus and extra 20 Merits
- Gold Level Silver plus an extra 30 Merits.

Students are given a 'Lucky Dip' at the achievement of each level and presented with a certificate at our Whole School Assembly. Those students who achieve Gold Level are invited to attend our End of Year Merit Excursion.

**Home Study Timetable**

It is important that all students participate in a regular study routine. Below is a guide to assist your child in their organisation.

During this time students should be:

- Completing homework, projects, assignments, research
- Reading over class notes
- Summarising notes
- Re-reading old tests
- Completing old exam questions

Obviously some students may have things on some nights and therefore the timetable may be adapted to weekends or added to another night.

This timetable is a suggest study/homework timetable for students to follow. This will assist in the development of subject knowledge.

## Primary News

We have already begun Term 4 flying and already it is busy. Last term students had been involved with: Young Leaders activities, Nyah Sports, Athletics Carnivals, Auskick clinics, Literacy & Numeracy day, Weed Warriors, Jump Rope for Heart, Artist visits and Author visits.

We also had an opportunity for parents to sit and discuss the progress of their child/ren with their teacher. I hope you found these interviews helpful and gave a better insight into the learning that takes place for your child. Students in years 3-5 have also received NAPLAN results. Please take the time to discuss these with your child's teacher.

Year 3/4: Cody Johnston

Year 5/6: Chelsea Main

Our Values for Week Ten was All Values. Congratulations to the following students who have demonstrated these values:

Kindergarten: Hiva Nimo

Year 1/2: Sara Berg

Year 3/4: Cody Johnston

Year 5/6: Prudence McKindlay

### Home Reading

Home reading is an important aspect of your child's literacy development. Each student in primary has a yellow home reading booklet where they record how much reading they have undertaken. Just 15 minutes of reading a night can make a huge difference to your child's abilities.

### Performance Night

Performance night will be held on Wednesday 3<sup>rd</sup> November at the Club. Classes have been very busy getting ready for these performances. More information will follow in the next few weeks about the night.

The children in Miss Rutherford's Year 1/ 2 and Mrs Hazlett's Kindergarten classes will need clothing appropriate for a bush dance theme. Denim jeans and a checked button through shirt would be ideal. Footwear needs to be something practical to bush dance in such as sports shoes. Not thongs, or slip on sandals. If you have a suitable wide brim hat in an Australian style that too would be great. If you have any questions feel free to ask Miss Rutherford or Mrs Hazlett.

### Excursions

Next week (Week 2) students in Year 5/6 will be in Canberra for a whole week taking in Parliament House, Questacon and many major educational attractions of the city. We wish them all the best for what should be a great week away.

Students in Year 3/4 will be off to Ballarat from Wednesday 10<sup>th</sup> to Friday 12<sup>th</sup> November. Students will visit Sovereign Hill as part of their study on Gold. Just a reminder to parents that all money and notes need to be bought back into school by 27<sup>th</sup> October.

### Primary Assembly – Leaders 2011

The Primary assembly will be held on Friday 19<sup>th</sup> November in the MPC. This assembly will be slightly different to previous assemblies, as students in Year 5 who are considering being school leaders for 2011 will deliver a speech to students and parents. Students in Years 3-5 will then vote for the 2 young leaders whose roles will

be to represent the primary department in ANZAC services, welcoming visitors and guests into the school and running the primary assembly. Students in Year 5 have received a note outlining this process.

### Swim School

Swim School will run from Monday 6<sup>th</sup> December to Friday 10<sup>th</sup> December (Week 8 and 9). A note will be distributed to parents in the next few weeks regarding this program.

### No Hat Play in the Shade

Term 4 requires that all students wear a hat if they wish to play in the sun. Otherwise they play under the shelter or on the play equipment under the shade sail. It is important that your child have a hat to play to prevent sun burn. Also could you make sure the hat has a name to stop hats from being lost.

### Year 5-6 Happenings

Students have begun a study of the amusing book, "Midnite: A Story of the Wild Colonial Boy" by Randolph Stow. The story tells about the challenges of a boy trying to find his way in the world after the death of his father and how his five animal friends lead him into and encourage his becoming a bushranger.

All students are beginning to become very excited about the excursion to Canberra next Monday. With an early start and a long drive I'm sure they will sleep very the first night! The excursion should provide students with an insight into the workings of the government as well as having the opportunity to visit a number of Canberra's attractions.

Rehearsals for our class play are progressing steadily. Students are full of enthusiasm and are endeavouring to portray the characters as closely as possible to that which the script requires. Our next task is to prepare some necessary props.

### Swan Hill Show Efforts

Congratulations to all students who entered the various sections of the Swan Hill Show this year. They wrote, and created a variety of artworks where some of these met with success. The successes are as follows –

## Secondary Report

### Teacher Team Triumphs

Congratulations need to go out to the very successful and athletic teacher team who dominated the end of term game of Ruckus ball. Unfortunately the Year 12 students had left their 'A' game at home and the teachers managed to set a blistering pace to victory. Despite the attempted sabotage Miss Hunt remains healthy and we hope that Frankie didn't lose too many brain cells in his multiple falls.

### Business time of year

The next few weeks are a very busy time in the secondary department with Years 10, 11 and 12 all out completing exams. We wish these students well in these exams and hope that their study programs prove to be effective. Good Luck to all of our Year 12 students who are completing their final HSC exams – a culmination of their schooling career! All of the staff and students of Tooleybuc Central School wish them well and hope that they achieve the results they are capable of.

### Personal Development, Health & Physical Education

Term Three was busy at Tooleybuc Central School and the PDHPE department was no exception. All of the students have been working towards improving both their theory and practical skills in this area.

### Year 7/8 PDHPE

Year 7 and 8 have been completing a unit on Healthy Eating Habits during Term 3. They had been assessing food label information, learning about the National Healthy Eating Guidelines and assessing their own diet based on this information. The students of Year 7 and 8 have designed and compared a seven day meal plan for themselves and their family as part of their assessment for this unit. I am pleased to say the students carried out this assessment to a very high standard.

In the practical arena, Year 7 and 8 have been sampling many different sports such as golf, netball, ultimate Frisbee, dodge ball and soccer. We completed Term 3 with field hockey.

### Year 9/10 PDHPE

Year 9 and 10 have been discovering what it means to be a resilient person. A resilient person is someone who can 'roll with the punches' and 'look on the bright side of life'. They have been brainstorming what characteristics a resilient person possesses and how they can become more resilient themselves.

The 10 characteristics of a resilient person are:

1. They are strong people who realise the importance of having a good social support system and are able to surround themselves with supportive friends and family.
2. They look at the bright side of a situation. They believe in their own strength and their ability to address and overcome any problem. During a crisis they are good to have around because of their optimism.
3. They have a spiritual practice. They have faith in themselves and the universe to overcome anything. (This doesn't mean you can't be resilient if you don't have a spiritual practice. It just means a connection has been found.)
4. They are childlike in their interest in what is going on. They are curious about situations. They experiment, wonder about things and laugh. They are not caught up in what was (the history). They focus on the new possibilities.
5. They are connected to what is most important to them in life (their values) and see meaning and purpose in what they do. Instead of getting emotional about a situation they align their thoughts and actions with their values.
6. They focus on the important things and don't fight things they cannot control. Resilient people save their energy to fight the battles that are necessary. They know what they control and what is out of their reach.
7. They take responsibility for their physical well being. That allows them to be physically and emotionally resilient. They eat healthy food, exercise and get enough rest. This buffers them from life's stresses.
8. When a problem arises they seek solutions. They can live with uncertainty and ambiguity

until they find the solution. This gives them room to grow.

9. They always see something negative as an opportunity to do something better or get something better. They consider adversity a challenge not a threat.
10. They don't take themselves too seriously. They have a sense of humor about life's challenges.

These students have also finished their practical unit of basketball very successfully. I am always pleasantly surprised by the amount of sporting talent at Tooleybuc Central School. The Spring

**Year 9 PASS**

Last term the students in Year 9 Pass researched the opportunities in the local area for athletes and participants with a disability. They worked on a database containing all the relevant information a person with a disability might need when researching sporting options. They have been participating in modified games to empathise with participants who have a disability. This has allowed them to identify barriers to participation and devise ways to overcome them.

They have also been learning the Sign Language Alphabet – ask one of them to sign you a message!

**Year 11 PDHPE**

The Year 11 students have been studying Fitness Choices. To investigate the local options for fitness choices we visited the Swan Hill Leisure Centre where the students participated in a variety of exercises and carried out an investigation of the services available and the cost.

I wish the year 11 the best of luck in their upcoming exams.

Anna Martin.

Secondary students are doing gymnastics during PDHPE.

## VOLUNTARY CONTRIBUTIONS 2010

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

## Tooleybuc Tennis Club

The Tooleybuc Tennis Club warmly invites all adults and kids to participate in the 2010/11 Nyah District Tennis Association playing season. We have a team for all ages and abilities. We are currently seeking players for division 2 and juniors (div 3). Subs are \$80 for Adults, \$40 for Juniors and \$200 for families.

Training will be held every Thursday evening, starting from the 8<sup>th</sup> October.

Please direct all enquiries to Kelli Edelsten on 50 388 234.

## '000'

If you have an emergency and need to call an ambulance and live in the Tooleybuc area, when asked

**'Police, Fire, Ambulance'**  
 Respond,

**'Bendigo Ambulance'**

This will minimise confusion as to where the ambulance will originate from and ensure a quick response.

## WAKOOL SHIRE COUNCIL 2010 CITIZENSHIP AWARDS

The Wakool Shire Council is once again inviting nominations for the following awards for 2010.

1. Citizen of the Year
2. Junior Citizen of the Year
3. Sportsperson or Sporting Achievement of the Year
4. Community Event of the Year

The aim of the awards is to recognise outstanding contributions to the local community, and to highlight the importance and significance of Australia Day.

Persons interested in nominating individuals or community events for the awards may obtain nomination forms from the Moulamein Office, Moulamein Business Centre, Barham Branch Office or Council's website: [www.wakool.nsw.gov.au](http://www.wakool.nsw.gov.au)

If you have any questions please contact Katie Byrne on 03 5887 5007. Completed nomination forms must be submitted to Council no later than Friday 29<sup>th</sup> October 2010. The awards will be presented to the recipients at their local Australia Day celebrations in 2011.

### THANK YOU FROM JUMP ROPE FOR HEART

On behalf of the Heart Foundation, the Jump Rope for Heart team would like to thank all the families and school community for their generous donations to the Jump Rope for Heart program at your school this year!

Not only have the students learnt some great skipping tricks while keeping physically active – but they have also had the chance to help us save lives.

We would like to acknowledge all the support from parents and teachers throughout the Jump Rope for Heart program this year. Thank you!

A special thank you also to Mrs Jenvey for coordinating the program. We are proud to announce that Tooleybuc Central School raised an amazing \$883.00!

*From the Jump Rope for Heart Team*

### WHERE DOES THE MONEY GO?

You will be shocked to know that cardiovascular disease is Australia's Number 1 Killer – and affects two out of every three families at your school.

Through fundraising with Jump Rope for Heart, schools across NSW have been able to help Australian students work towards better heart health by funding outstanding research projects, public education programs and engaging in physical activity.

Over 51 years since the Heart Foundation was established, we have been able to achieve so much, but we still have ambitious plans to continue reducing the enormous suffering caused by cardiovascular disease.

***Together – we will make a difference***
