## Melanie's Thoughts

Melanie Wait  
Principal

### Kinder Orientation

This Tuesday the 2<sup>nd</sup> of November (from 9 am – 1 pm) is our last Orientation for the Kindergarten class of 2011. If you know of anyone interested in sending their child to Tooleybuc Central School please let them know that this event is occurring. There will also be a parent meeting on that day beginning at 9 am.

### Performers are Prepared

Don't forget this Wednesday is performance night. This night will be an opportunity to showcase the wonderful skills of our students as well as review a range of work that has been produced throughout the year. Make sure you bring grandparents and friends to share in your child's performance.

### Fantastic Fundraising

This week has been a week of raising money for good causes. Monday saw us hold our annual Pink Breakfast. It was wonderful to see how many students and community members supported this cause raising over \$560 dollars. Today we held our Bandana Day fundraiser for CanTeen. Thank you for supporting these charities. We feel raising money for these events helps to students develop awareness and empathy.

### Parent Information Evening

A parent information night will be held on Thursday 4<sup>th</sup> November "Building Success For Life In The Early Years". This video conference will be held at the school at 5.30-6.30pm and will give positive parenting strategies.

### So Long, Farewell

Our Year 12 students will finish their exams on November the 5<sup>th</sup>. We will then be holding a farewell for them with their parents on Monday November 8<sup>th</sup>. We wish them all best as they prepare for the next stage in their life.

### Coles Vouchers

Thank you to all those people who have been collecting vouchers for the Coles School Sports Program. We have been overwhelmed by the response and are very grateful for everybody's efforts. These vouchers finish on October 31<sup>st</sup> and must be delivered to the school by November 5<sup>th</sup> so keep on collecting!

### Canberra Excursion

Last week our Year 5/6 students travelled to Canberra, they left Monday morning very excited and returned Friday full of chatter about the wonderful experiences they had. Thank you to Mrs Jenvey, Mr Naylor, Kaylene Gleeson and Tracey Main for accompanying the students.

### Outstanding Leadership

This Monday our prospective School Captains presented their speech about what makes them a good leader to the school. Both Jack Spinks and Sarah Dilges participated in these speeches and were outstanding!

Pink Breakfast Day

**Performance Night**

Don't forget, our Performance Night will be held next week on Wednesday the 3<sup>rd</sup> of November at the Tooleybuc Sporting Club Auditorium at 6.30pm. Our students have been practising hard and are looking forward to putting on a wonderful display.

**Merit Scheme**

To reward our students' positive behaviour Tooleybuc Central School runs a strong Merit Scheme. Students are awarded 'Merit Awards' during the school year and an accumulation of these merits equates to levels.

Bronze Level	10 Merits
Silver Level	Bronze plus and extra 20 Merits
Gold Level	Silver plus an extra 30 Merits.

Students are given a 'Lucky Dip' at the achievement of each level and presented with a certificate at our Whole School Assembly. Those students who achieve Gold Level are invited to attend our End of Year Merit Excursion.

**Home Study Timetable**

It is important that all students participate in a regular study routine. Below is a guide to assist your child in their organisation.

During this time students should be:

- Completing homework, projects, assignments, research
- Reading over class notes
- Summarising notes
- Re-reading old tests
- Completing old exam questions

Obviously some students may have things on some nights and therefore the timetable may be adapted to weekends or added to another night.

This timetable is a suggest study/homework timetable for students to follow. This will assist in the development of subject knowledge.

**Primary News**

The first few weeks of this term have flown by so quickly. It is hard to believe that we are almost in November. I have the opportunity to go along on the 5/6 excursion to Canberra last week. It was a wonderful learning experience for the students as they took in the sights and sounds of Canberra. I must say how proud I was of the way they represented the school. A big thankyou must go to Belinda McKindlay for all her organisation. Without her making bookings, chasing up buses, and making countless phone calls this trip would not have been possible. Students also received a

rebate called the *Parliment and Civic Education Rebate (PACER)*. This rebate is worth \$30 a child and significantly helped in lowering the cost of the excursion. Finally a big thank you must go to all the parents involved in fundraising for the

excursion. Your efforts are greatly appreciated and acknowledged.

**Important Dates:**

- Performance Night Wednesday 3<sup>rd</sup> November (week 4)
- Year 3/4 excursion to Ballarat Wednesday 10<sup>th</sup> – Friday 12<sup>th</sup> November
- Primary Assembly Friday 19<sup>th</sup> November (Week 6)
- Swim School Week 8

**Values**

Our Values for Week one was Integrity. Congratulations to the following students who have demonstrated these values:

- Kindergarten: Angela Mammone  
 Year 1/2: Cooper Andrews  
 Year 3/4: Sam Smith  
 Year 5/6: Jemima Bowring

Our Values for Week Two was Excellence. Congratulations to the following students who have demonstrated these values:

- Kindergarten: Emma Edelsten  
 Year 1/2: Ryan Domaille  
 Year 3/4: Lane Hodgson  
 Year 5/6: Kiera Edelsten

**Home Reading**

Home reading is an important aspect of your child’s literacy development. Each student in primary has a yellow home reading booklet where they record how much reading they have undertaken. Just 15 minutes of reading a night can make a huge difference to your child’s abilities.

**Performance Night**

Performance night will be held on Wednesday 3<sup>rd</sup> November at the Club. Classes have been very busy getting ready for these performances.

**Excursions**

Students in Year 3/4 will be off to Ballarat from Wednesday 10<sup>th</sup> to Friday 12<sup>th</sup> November. Students will visit Sovereign Hill as part of their

study on Gold. Just a reminder to parents that all money and notes need to be bought back into school by 1<sup>st</sup> November.

### Primary Assembly – Leaders 2011

The Primary assembly will be held on Friday 19<sup>th</sup> November in the MPC. This assembly will be slightly different to previous assemblies, as students in Year 5 who are considering being school leaders for 2011 will deliver a speech to students and parents. Students in Years 3-5 will then vote for the 2 young leaders whose roles will be to represent the primary department in ANZAC services, welcoming visitors and guests into the school and running the primary assembly. Students in Year 5 have received a note outlining this process.

### Swim School

Swim School will run from Monday 29<sup>th</sup> November to Friday 3<sup>rd</sup> December (Week 8). A note will be distributed to parents in the next few weeks regarding this program.

### No Hat Play in the Shade

Term 4 requires that all students wear a hat if they wish to play in the sun. Otherwise they play under the shelter or on the play equipment under the shade sail. It is important that your child have a hat to play to prevent sun burn. Also could you make sure the hat has a name to stop hats from being lost.

### Year 5-6 Happenings

After a very early start last Monday morning, Year 5-6, Kayleen Gleeson, Tracey Main, Mrs Jenvey and Mr Naylor set off for what was sure to be an exciting week in the national capital. Flood waters along the way didn't dampen the enthusiasm of the students.

After checking out the view of Canberra from the top of Mt Ainslie, we checked in to our accommodation. This was followed by a smorgasbord dinner and then off to the Australian Institute of Sport for a look at where some students they would like to go to be on a regular basis!

5/6 students in Canberra

Tanner & Jaide at the AIS

Tuesday saw us exploring the National Museum, the Royal Australian Mint, touring in the Embassies zone and of course visiting Parliament House. The students were fortunate to see the House of Representatives sitting on this day and were excited to lay eyes on the Prime Minister and others. A visit to the Electoral Education Centre afterwards allowed students to find out more about the process of elections. After a scrumptious dinner, we visited Cockington Green which has displays of miniature villages and also took a train ride.

Our future Parliamentarians

Wednesday was just as busy as Tuesday. At the National Capital Exhibition, students learned about how Canberra came about. This exhibition is in existence because Canberra will celebrate its centenary in 2013. Once leaving there we were taken on a drive along ANZAC Parade to look at the many memorials on show and then on to the Australian War Memorial where students learned about Australia's participation in past and present conflicts.

To lighten the mood we visited Questacon to see how science occurs in many aspects of life. Apparently the highlight was the 'free-fall slide' although 'Track Attack' had parents, staff and

students in stitches! After dinner, a challenging game of 10 pin bowling occurred.

We all found it a bit difficult to recover after such busy days. Thursday was not better. After some photo opportunities at Parliament House (old and new), we made our way to the National Film and Sound Archive. It was wonderful to see some very old film and to find out about the many achievements made by Australians in this field.

Once lunch was over, we visited the National Gallery and looked at some very fine pieces of art. Apparently one looked very much like a seat but wasn't!! To encourage those budding scientists, we visited the CSIRO Discovery where students looked at and explored science from a researcher's perspective. Who said stick insects weren't fun! After all the excitement, we just had to visit Black Mountain Tower. The views over Canberra and surrounds were magnificent. Back at our accommodation it was dinner and then a quiet night!

Friday - the last day of an event-filled week. After having breakfast and packing the bus we headed to Government House, the Governor General's official residence. We felt very privileged to be

allowed to look inside as well as walk around the grounds. Once we were finished here, we set off home.

## Secondary Report

### Pops and Suds

As part of the fundraising effort to help Year 11 get to Sydney for their cross KLA excursion, the students are running an additional canteen and car wash. On Mondays and Thursdays students will be selling cans, Paddle pops, Primas and Zooper Doopers out of the schools kitchen. Tuesdays after lunch and on Thursdays from 1 – 1.30 students will be washing cars for \$10 and 4WDs for \$15. Please support our students in their fundraising endeavours.

### Boys Being Boys

Next Friday our secondary students have the opportunity to participate in an active boys brunch. Here they will experience the benefits of maintaining a healthy and active lifestyle. Congratulations to Jackson Spinks who has been selected as a role model for this day.

### Trial Over

Our Year 10 students should be ramping up their study programs. After recently completing their trial School Certificate exams the students should be able to see the areas for improvement. We encourage our Year 10 students to keep working and work to the best of their ability as the exams approach.

### Marvellous Mathematicians

Year 7 are proving to be capable, dedicated and hard working mathematicians. No problem is too difficult and no competition too meaningless. Students have just completed work on angles, triangles and quadrilaterals. Throughout this topic students have been applying geometrical concepts through ICT, questions and hands on activities. As a class they have demonstrated the ability to reason through quite difficult concepts. The latest topic to be tackled is measurement. Estimation is proving to be a valuable skill and competition is rife between students vying for accuracy!

Year 10 are busily revising all course content ready for the upcoming exams. Algebra is

looking promising as is data. Further work needs to be undertaken on understanding financial maths.

Gamblers beware – Year 11 General Mathematics are on the case. Probability is the current topic leading in to a huge unit of work on financial mathematics. Students are currently applying the fundamental counting principle to a multitude of scenarios hoping to work out all the possible selections they could make from a restaurant menu.

Year 9 in the outdoor classroom.

### Year 8 Maths

So far this term, Year 8 have been investigating the ways of collecting data. We have been busy

collecting different types of data through the use of both census and sample surveys. We have also briefly touched on the ways of analysing our data; firstly transferring the data into a frequency distribution table which helps us to justify the conclusion of the survey. These surveys have helped us come to many conclusions for example year 8 created a survey to find out how many students in secondary live in town or on a farm. This survey concluded that 62% of secondary students live on a farm and 38% of secondary students live in town.

In the upcoming weeks we will be learning other ways of analysing data through a variety of graphs and tables which will help us further analyse the collected data.

### Yr 9 Maths

If you see a Year 9 student in the next couple of days ask to explain to you what **congruence** means or what the interior angle sum of a polygon is!!!

At the moment Year 9 is focusing on Deductive Geometry. Problem solving is paramount in this unit and the class is proving very adept.

Year 9 has been working steadily so far this term in preparation for their end of year exams. There is a bit of rivalry for the top of the class with potentially five students in the running for the top spot. I wish all of them the best of luck in the upcoming exams and would encourage them to start revising their notes NOW.

Kim Morton

## VOLUNTARY CONTRIBUTIONS 2010

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Current voluntary contributions	Infants and Primary	\$32.00
	Years 7 + 8	\$74.00
	Years 9 + 10	\$40.00

## **The Buzz on Breakfast**

There is a reason that breakfast is called 'the most important meal of the day.' The first meal of the day is known as breakfast as it breaks the overnight fast. Eating breakfast can boost your child's metabolism and energy levels for the day. Foods commonly eaten at breakfast, such as healthy cereals like Weet-bix, untoasted muesli or wholegrain breads, tend to be high in fibre, folate and B group vitamins.

Compared to regular breakfast skippers, children who eat breakfast are more likely to be of a healthy weight, eat healthier foods throughout the day, are less likely to snack on unhealthy options, and have more nutritious diets overall.

Eating breakfast can also have a positive effect on your child's performance at school. Breakfast helps learning as your child is better able to pay attention. Increased attention may also have the benefit of decreasing naughty class behaviour too!

If time is a problem, a simple piece of fresh fruit and a tub of yoghurt will do the trick. You can also try making a fruit smoothie for your child to drink on the way to school.
