Melanie's Thoughts

Melanie Wait
Principal

Three Way Interviews

Last week invitations were sent out for Three Way Interviews. It is important that all parents attend these interviews for each of their children. These meetings are valuable as they allow teachers, students and parents to sit down and discuss their child's progress. Meetings will formulate student goals and directions for their future. Please ensure you book your meeting times as soon as possible.

West Side Story

On Wednesday the 22nd of September we will take students to Melbourne to see West Side Story. This is very exciting for our students and teachers and we are looking forward to providing our students with an outstanding experience.

Year 12's Final Weeks

These last two weeks of school are Year 12's last weeks of school. It will be a very sad time as we farewell the students who have made a wonderful

contribution to our school. During the last few weeks there are a number of celebrations for these students. Our Senior Formal will be held on Thursday 23rd of September and on Friday the 24th of September we will hold a farewell morning tea for Year 12 and their parents, a whole School Assembly and muck up activities.

Uniform

Just a reminder that all students are expected to be in full school uniform at Tooleybuc Central School. Students are now able to wear their Winter or Summer uniform. From the beginning of Term Four students should be wearing their Summer Uniform, don't forget your hat!

Currently a number of students are wearing 'Billie' shoes. These are not acceptable. Students must wear black leather enclosed shoes.

Be Positive

Our Improvement Focus for the last two weeks of school is 'Be Positive'. With the end of the term approaching and students, parents and teachers becoming tired, it is easy for people to become negative. Our aim is, as a school to remain positive and encourage every one in the school community to continue to do their best and work hard.

During Transition Day all students were eager to do their best work.

Sporting Success

Our students have recently had a range of successes in the sporting arena. All students in primary must be congratulated on their efforts to win the Nyah Sports Day. A big congratulations also must go to our shuttle relay team who were successful and our seven age champions.

This is a fantastic effort. Congratulations also to those students who travelled to Albury to represent our school at the PSSA Regional Carnival. You all represented our school proudly.

Fundraising

A thank you must go out to all those parents who assisted in the Year 5/6 Canberra Excursion fundraising. We have raised a large amount of money to significantly lower the cost. Thank you for your support.

Technology

We are continuing to remain up to date with technology in the classroom and across our school. Recently we have purchased the following:

- Two more interactive whiteboards. These will be installed next week
- 22 new DER laptops. This will provide each primary class with 5 learning devices to be shared with the students and teachers.
- A new server. This will increase the speed of our network and safety of files.

National Solar School Program

Recently we received a grant valued at \$55000 as part of the National Solar School Program. The grant allowed for the installation of a number of solar panels for the school as well as sensor lighting in a large number of rooms to try and minimise our energy consumption.

Merit Scheme

To reward our students' positive behaviour Tooleybus Central School runs a strong Merit Scheme. Students are awarded 'Merit Awards' during the school year and an accumulation of these merits equates to levels.

Bronze Level 10 Merits
Silver Level Bronze plus and extra 20 Merits
Gold Level Silver plus an extra 30 Merits.

Students are given a 'Lucky Dip' at the achievement of each level and presented with a certificate at our Whole School Assembly. Those students who achieve Gold Level are invited to attend our End of Year Merit Excursion.

Home Study Timetable

It is important that all students participate in a regular study routine. Below is a guide to assist your child in their organisation.

During this time students should be:

- Completing homework, projects, assignments, research
- Reading over class notes
- Summarising notes
- Re-reading old tests
- Completing old exam questions

Obviously some students may have things on some nights and therefore the timetable may be adapted to weekends or added to another night.

This timetable is a suggest study/homework timetable for students to follow. This will assist in the development of subject knowledge.

Primary News

We have a number of events coming up over the next few weeks which may involve your child.

Important Dates:

- Whole School Assembly - Mon 20th September
- Three Way Interviews - Tues 21st September

Values

Our Values for Week Six was Participation. Congratulations to the following students who have demonstrated these values:

Kindergarten: Montana Chamberlain
Year 1/2: Yazmyn Butcher
Year 3/4: Jack Main
Year 5/6: Trazz Smales

Our Values for Week Seven was Care. Congratulations to the following students who have demonstrated these values:

Kindergarten: Indianna Carter
Year 1/2: Sara Berg
Year 3/4: Rachael Grace
Year 5/6: Tanner Gleeson

Home Reading

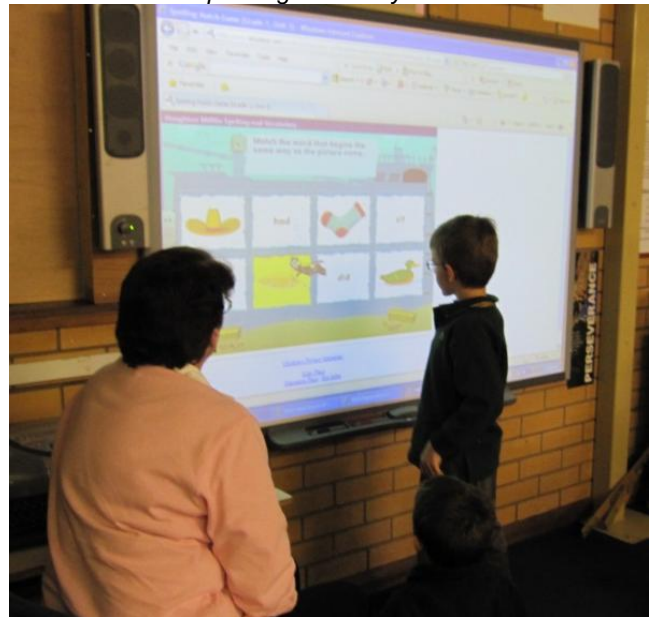

Home reading is an important aspect of your child's literacy development. Each student in primary has a yellow home reading booklet where they record how much reading they have undertaken. Just 15 minutes of reading a night can make a huge difference to your child's abilities.

Literacy & Numeracy Activities

Literacy & Numeracy day was celebrated on Wednesday 1st September. Students were split into mixed groups and rotated around each of the primary classrooms. Students were exposed to literacy and numeracy games/activities.

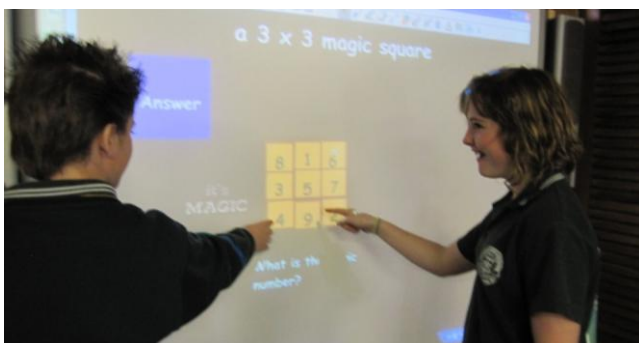

Miss Rutherford explaining an activity

Jack solves a problem on the Interactive Whiteboard.

Mrs Hazlett explains her activity

Billy and Neve use the Interactive Whiteboard for Numeracy.

Jenae and Tara solve a mathematical problem

Nyah Sports

The rain held off and a wonderful day was had by all. It was great to see all the students participating and having a good time in all the events. Mixing with other students from Manangatang, Nyah District and Piangil was also a highlight of the day. Tooleybuc had a very successful day. After all events had concluded, the relay was run and won by a determined Tooleybuc team. Congratulations to those students who ran and had a firm grip of the baton – Taylen Blachford, Ryan Domaille, Gladys Atkinson, Cooper Andrews, Valerie Atkinson, Manu Nimo, Jemma Thompson, Murray Ogle, Laura Domaille, Lane Hodgson, Chelsea Main, Leighton Wilkins.

Many of our students performed exceptionally well on the day. As a result we had 7 age champions out of a possible 14. Congratulations go to Ryan Domaille (6 Years Boy), Gladys Atkinson (7 Years Girl), Cooper Andrews (7 Years Boy), Brees Blachford (8 Years Boy), Murray Ogle (9 Years Boy), Laura Domaille (10 Years Girl) and Leighton Wilkins (11 Years Boy).

Age champions from Nyah Sports Day.

The many practises that our students have had over recent weeks duly paid off with Tooleybuc being declared the winner of the event. Congratulations to all students for a very successful day.

Student Challenge

Part of a new section of the newsletter will involve a student challenge section. There will be one question for the infants to solve and one for the primary to solve. The first 3 students from each section to bring me the correct answers to both of their questions receive a merit card and a pick from Mr Naylor's prize box. Primary students are not allowed to answer infant's questions and vice versa. Answers need to be submitted to Mr Naylor in writing with your name on it. **Remember you have to answer both questions!**

Last Fortnight Winners

Infants: Mackinnon Rogers
Primary: Taylar Borg

Infants Challenge

During a crazy weekend of paintball, four friends were having great fun. The paint came in blue, green, yellow and red. Coincidentally, the four friends had T-shirts in those same colours. Brenda used blue paint balls. The person in the green T-shirt used yellow paint balls. James was not wearing a red T-shirt. Diane used green paint balls and wore a blue T-shirt. Simon was the only person who used paint which was the same colour as his T-shirt. Can you tell which colour paint they each used and the colour of their respective T-shirts?

Primary Challenge

During the latest round of the Brain Bashers triathlon, Keith was fourth. Adrian is not the oldest, but is older than Duncan, who was not second. The child, who was next in age to the youngest, finished second. The child who finished in third place is older than the child who finished first. Billy is younger than the child who finished in third place. Can you determine who finished where and place the children in order of age?

Fox

Students in Kindergarten to Year Four went to see an operatic performance of the book 'Fox' by Margaret Wild on Tuesday 31st August. The performance surprised many students as it was an opera, meaning it was entirely sung.

Fox performers

Year One and Two

Literacy

This term the students have been undertaking Accelerated Literacy. The first text we studied was 'The Mouse-Deer and the Crocodile'. For one of the writing tasks based on this text the students used the writing plan generated by Margaret Graetz learning to write opening sentences for a story. The writing plan was when – where – there – action – who (personality, appearance, thing).

The following are some of the sentences created by the students to write sentences.

One really cold afternoon in the house there slept a happy small mouse. Ryan D

One day on a roof top there played an amazing large vampire. Toni

At night in the jungle there crept a big glad gorilla. Sara

Today in the sandpit there drove an awesome monster truck. Ryan G

Under the moonlight in a garden there lived a funny little prince and princess. Jenae

A long time ago in the garden there lived an upset fat bat. Tarini

Mathematics

This term the students have been busy exploring the various areas of maths. On Tuesday they have been undertaking Count Me in Groups, thank you Annette Blachford for coming in and helping with these maths groups. At the start of every lesson the students and I have been undertaking maths games on the interactive whiteboard using Notebook or online maths games. If anyone would like the web addresses for the games we play please contact me at school.

Science

The students have been undertaking the 'Collie's Garden Party' project. They have researched the twenty minibeasts invited to Collie's party and we have begun receiving the clues we need to use to work out the ten minibeasts invited to sleep over. If you would like to see for yourself 'Collie's Garden party' the website is:

http://www.cap.nsw.edu.au/Collie_2010/Collie-garden/index.html

Kiara placing the selected minibeasts on to the guest list

The Arts

This term the students have been undertaking the Visual Art unit 'Crazy Creatures'. In which they have been studying spiders and insects. They have also been fortunate enough to have sessions with an illustrator and visiting artist. With the illustrated they explore charcoal drawings, including drawing a cat face and a crazy face.

Ryan, Brees, Yazmyn, Natalia and Paddy with their crazy face drawings.

Sam and Sara with their cats drawings.

Hayden and Tarini students with their cats drawings

With the visiting artist the students undertook drawings involving the steps of colouring a picture with crayons, then painting over it with ink. Once the ink was dry the students used a ruler and skewer to scrape the ink away to reveal the crayon underneath.

Joseph, Corey and Kiara with their scraped art work.

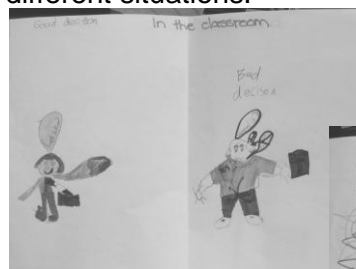

Three lucky students undertook encaustic which involved heating/melting bees wax, resin and pigments on a small special iron and either pressing it or pushing it onto special paper to create patterns.

Jenae, Cooper and Madison with their melted crayon art work.

Personal Development and Health

The students have been discussing 'making decisions'. As a part of this they have been working with a partner to create posters showing people making good and bad decisions for different situations.

By Tamara-Jade

Secondary Report

Welcome Year 6

The very enthusiastic members of our Year 6 class were welcomed for a day in the life of a secondary student this week. Lessons were had in Art, Food Technology and Sport so students could experience how lessons work in the secondary school.

Our Year 6 students proved how talented and creative they were across the day with a variety of art prints and drawings attempted and then taken home. For lunch the students created a stuffed baked potato and had a smoothie to wash it all down!

Not to be outdone competitively the students battled valiantly against students in Years 7 and 8 for the crown of Bootball Champion. Some of the more memorable moments included Billy's very inventive bowling style and the some spectacular catches made by Cooper.

Thank you to all students who participated in the day – their behaviour was outstanding and we are looking forward to having them as part of our secondary school in the coming year.

Ms Wait welcomes Year 6 students.

Year 6 show their artistic talents during Transition Day.

Tech Heads

Teachers have been fortunate this week in getting some extra support and insight into how to use the laptops in their classrooms. Thank you to Deb Morton for visiting and giving the secondary teachers some very valuable information that we look forward to using in the future.

One last push

It's coming to that time of the year when we are looking to saying goodbye to the amazing members of our Year 12 class. Having completed their trial exams to see what work they still need to complete, the gang should now be focused on that revision that will help them succeed in the upcoming exams. All of the Year 12 teachers are busily integrating revision into their lessons so that the remaining time left at school is valuable. We look forward to the extra work these students will be completing in the next few weeks.

Year 11 PDHPE

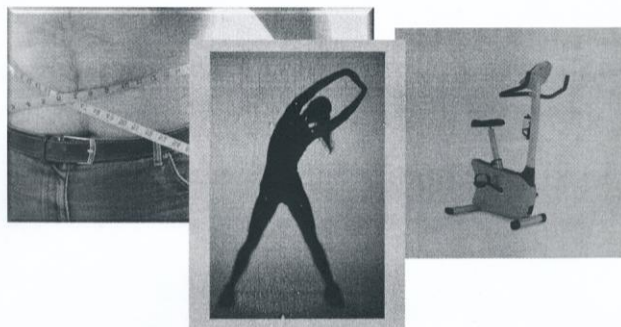

YOU CAN BE FIT WITHOUT EXERCISING

The condition of being fit, suitable or appropriate; the cultivation of an attractive and healthy physique; the ability to perform a function. (Source Wikitionary) Without physical exercise your body will lack the ability to perform a particularly large function such as lifting a heavy load repeatedly and will struggle to maintain an attractive or healthy physique. Exercise enables us to achieve these things. Regular exercise will ensure you stay fit by boosting your immune system to keep away diseases. It also boosts a number of ways to help keep you mentally fit such as

relieving stress and anxiety, boosts mood, energy gain and improves self esteem.

Hubpages.com state that *'The truthful answer is you can't. Proper nutrition and exercise are the primary components of good health. You actually have to get off your butt and sweat a little, and while you're at it put down the French fries.'* A combination of exercise such as cardiovascular exercise and strength training are a good set of combination to ensure you stay fit and no, the walk to and from the fridge doesn't qualify.

Immunisation

Final doses of Hep B and HPV and one off dose of Varicella for all for Year 7 students Tuesday September 21st.

Careers

Last week I had the pleasure in visiting our Year Ten students who were completing their first week of Work Experience. All students received excellent reports from their employers who have commented on qualities such as their willingness to work, initiative, ability to follow instructions and punctuality. Well done.

Year Ten comments on their experiences follow:

For my work experience I worked in the photo lab in Amcal I really enjoyed my time there I got to do lots of stuff like developing films printing, photos, serving customers and scanning /fixing photos. I really enjoyed my time at Amcal, it was a lot of fun and the people there were lovely.

Naomi Batty

Naomi Batty – Kent's Amcal, working in photo lab.

For my work experience I went to Swan Hill Suzuki and I really enjoyed my time there

While I was there I worked on bikes, taking the motors apart, fitting barkbusters to the front of rmx 450z and took the suspension out of a landcruiser etc. I would now like to go into a career in motorbike and car mechanics. I am hoping that I get an apprenticeship with them.

Mark Whitfield.

Mark Whitfield – Swan Hill Suzuki, small engine mechanics

For my work experience I went to the Tooleybuc Garage and I really enjoyed my experience. While I was there I engaged in a range of different things such as servicing cars fitting tires and customer service. After this experience I would now like to commence a career in mechanics.

By Brandon Monk

Brandon Monk – Tooleybuc Garage, assistant diesel mechanic.

Sarah Pyatt – Piangil Primary School, assistant in classroom.

For work experience I went to The Swan Hill Guardian. During my week at the Guardian I wrote articles, advertisements and did a little bit of filing. Every one was extremely nice and I learnt heaps of different things. I would definitely consider journalism as a career and can't wait for my next week of work experience.

Stephanie Walsh

I was also fortunate to be able to visit two of my Hospitality students completing Work Placement.

Kennedy completed two weeks gaining skills in front of house operations and in the kitchen. Extremely positive comments were made on Kennedy's ability to complete any task asked of

him, his excellent communication skills, his initiative and hard working nature. He hopes to revisit 'The Lake house' in 2011.

I just completed two weeks work experience at 'The Lake House Restaurant'. Some of my best experiences were working with the chefs and seeing how an exclusive restaurant runs. I improved my precision cutting, learnt how to make Duck Liver Parfait, lemon charlotte with citrus salad and many other delicious dishes. It was the best experience of my life and I hope to continue a career in this area in the future.

Kennedy Lockhart

Kennedy Lockhart at the Lake House, Daylesford.

I recently completed work placement at the Tooleybuc Sporting Club. I enjoyed my week, I got to meet new people, learn more skills in food preparation and I enjoyed cooking my own lunch using deep fryers, cutting vegetables and fruit, using the commercial dishwashers, setting up the salad bar, organising the desert area.

Thank you to the Tooleybuc Club for giving me the opportunity and thank you to Kat, Elle, Lois, Greg and Craig for teaching me these new skills.

Axel Hagley

Axel Hagley at Tooleybuc Sporting Club

Well done to both students.

Year Twelve Students

Some students have been busy completing VTAC applications and thinking through their options. It is important to consider a wide range of options and this sometimes requires one to think differently. With only two weeks remaining of school for Year Twelve it is imperative that students update their resumes, lodge all VTAC, UAC and SATAC applications, apply for special consideration, consider accommodation options, consider TAFE and other providers. Those hoping to gain employment should also be preparing and updating their portfolios to go with their resumes. Students should also practise their interviewing techniques, all of these things I can help you with, organise a time and visit the Careers Room.

Remember if you couldn't visit Universities/TAFEs on their Open Day you can organise to visit them at any time, Term Three holidays may be the perfect opportunity.

Year Twelve, concerned you may not get a high enough ATAR, what you can then do is complete the diploma of Tertiary Studies at Monash University in Arts, Business, Education, Information Technology, Nursing, Science or Media Arts. See pages 305, 316, 324, 328, 343, 347 of VTAC guide. Consider studying a related degree with a lower ATAR. You can then transfer (if you do well) to your desired degree later.

- Start with a TAFE course in a related field. Two years at TAFE often equals one year at University.
- Consider all country/rural campuses.

Website of the Fortnight

Looking for an apprenticeship or traineeship? Then group training may be able to help. See www.grouptraining.com.au .

Thinking of becoming an Aquarist – Melbourne. Aquarium run an information hands on day for students interested in marine sciences. Cost \$70.00
Information/bookings – www.melbourneaquarium.com.au .

Happy reading
Mrs Morton

- Most parts of the uniform are available from Clarks Gift Salon, except where stated

VOLUNTARY CONTRIBUTIONS 2010

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Current voluntary contributions	Infants and Primary	\$32.00
	Years 7 + 8	\$74.00
	Years 9 + 10	\$40.00
	Years 11 + 12	\$45.00

Stockists of School Uniform

Outdoors First

Garments will need to be ordered so they can be embroidered, however they are a very reasonable price and the turn around is very quick.

all materials & snack supplied

A CHANCE TO PURSUE FURTHER STUDIES

chances dare to dream Students in need of financial support to attend TAFE or University next year are encouraged to apply to Chances for Children in the current funding round.

To qualify for assistance, Project Worker, Fiona Mertz said “Students need to demonstrate that they have the potential to perform well in their chosen field and be able to show that their families would not otherwise be able to afford the costs associated with this.”

Mrs Mertz said “Chances make up the gap in funds needed to make a young person’s dream come true.”

Chances for Children assist young people with funds to ensure that they have the opportunity to fulfil their educational, sporting or musical potentials.

The current round of funding is open until Friday 8th October, 2010.

Applications are available through your School.

For further information about Chances for Children, contact Fiona Mertz at Mallee Family Care on 50324479.

National Child Protection week 2010 Sunday 5-Saturday 11 September

'When we know 33,000 children are abused each year, it's everyone's business.'

For information on National Child Protection Week go to the Napcan website www.napcan.org.au

Also watch ABC1TV on Thursday 9th September at 9.30pm for a very important program. Kids at Risk will feature the screening of a short film, *Polly and Me*, followed by a live studio discussion. *Polly and Me* depicts the life of an eight year old child who could be living in your street. Its purpose is to help break down the wall of silence about child abuse and neglect in 21st century Australia.

PIANGIL PRIMARY SCHOOL MARKET DAY

Sunday 24th of October
1.00pm – 4.00pm

STALL HOLDERS WANTED

\$5.00 per site plus a donation for the school raffle.

Book your site prior to Friday 27th of August to be included in advertising material.

Please ring the school on 03 5030 5466

or Juanita on 03 5038 8255 for bookings or further details.

PROPOSED ROAD CLOSURE – KORALEIGH

North West Irrigation Systems wishes to advise it intends to close the following roads at Koraleigh for the purposes of constructing a pipeline for the Bungunyah-Koraleigh Irrigation Trust.

- Eagles Lane between Koraleigh Rd & Lake View Rd from the 27th September to 6th October 2010
- Tolls Lane between Koraleigh Rd & Cox's Rd from 6th October to 15th October 2010.

Detours and traffic instructions will apply during this period. Details are available by contacting Geoff Schuler of North West Irrigation Systems on 0427 236921

'000'

If you have an emergency and need to call an ambulance and live in the Tooleybuc area, when asked

'Police, Fire, Ambulance'
Respond,

'Bendigo Ambulance'

This will minimise confusion as to where the ambulance will originate from and ensure a quick response.

student exchange
AUSTRALIA NEW ZEALAND

EXPERIENCE ANOTHER CULTURE BRING HOME A BROTHER OR A SISTER

In January 2011, students aged 15 – 18 years, from over 20 countries will be arriving in Australia to study at local schools for 2-10 months. Opportunities exist to act as a host family in a volunteer/unpaid capacity. Hosting can be on a temporary, short or long term basis.

Host families help provide our students with the chance to study and experience life in Australia. This is a great way to learn about another country and culture, establish a lifelong link to a family in another country and contribute to international goodwill. If your family can offer a friendly, supportive and caring home environment, contact us today.

To learn more about this opportunity call Student Exchange Australia New Zealand on 1300 135 331 or visit our website. <http://studentexchange.org.au/>

ADVERTISEMENTS
