Melanie's Thoughts

Melanie Wait
Principal

Welcome back to Term Four, we are looking forward to offering another term of wonderful activities to enhance the learning experiences of our students.

Excellent Excursions

This term our students are busy on our bi annual excursions. This week our Year 7/8 students have headed off to the Grampians to participate in an outdoor recreation camp which will help to build even stronger relationships, team work skills and resourcefulness. Next week Year 5/6 travel to Canberra to visit our national capital and discover more about parliament and our government. During Week 5, Year 3/4 students travel to Ballarat to discover more information about gold. Thank you to all the teachers who have attended these excursions without your support these experiences would not be possible. A special thank you must go to Mrs McKindlay for her hard work coordinating these excursions.

Parent Meeting

Next week, Leanne Bibby, Community Nurse will be holding a parent meeting.

This meeting will focus on helping parents discuss puberty and other issues surrounding these changes with their children. All parents are encouraged to attend, it will be an informal meeting with the opportunity to ask questions etc. We hope to see a large number of parents supporting this event.

PINK Breakfast

We will be holding our annual Pink Breakfast on Monday the 29th of October. For a gold coin donation, all school students and members of the local community are invited to join us from 8.15 am for breakfast. Students are also able to wear casual dress (pink) for a gold coin donation. All proceeds go to breast cancer research.

Dazzling Discus

Congratulations to Emma Berg who yesterday won the State 11 year girls discus with a personal best throw of 30.88 metres. Emma will now compete in the Nationals in November. Well done Emma. We are very proud of you.

Flying Start & Focused HSC (Beginning Week Six)

During Week 6 our 2013 Stage 6 students (our current Year 10) and Year 12 will begin their 2013 studies. Subject selections were due to be submitted this Friday. If your child hasn't returned

their selections, this needs to be completed ASAP. Students from Year 7 - 9 will participate in a Flying Start program. During this program students will participate in a range of activities designed to prepare them and support their learning in the 2013 school year. These activities will include diagnostic testing and support in literacy and numeracy, study skills, physical activity and a creative arts program including the making of a mural.

Year 10 Organisation

At the beginning of Week Six our Year 10 students will 'roll over' into their Stage Six (Year 11 program of study) they must however complete a number of things prior to the commencement of this course, these activities include 'All My Own Work' which is a program designed by the Board of Studies to help them to prepare for the expectations of HSC study and covers issues such as plagiarism. Students will undertake this program during Week 5 when they aren't participating in exams.

Year 7 - 10 Exams

Year 7 - 10 will participate in exams in their core areas, English, Maths, Science, HSIE and PDHPE during Week 5. Students will receive a timetable for these exams in the near future. Students should already be revising for their exams and creating summaries of their notes to help them prepare.

Merit Scheme

To reward our students' positive behaviour Tooleybuc Central School runs a strong Merit Scheme. Students are awarded 'Merit Awards' during the school year and an accumulation of these merits equates to levels.

Bronze Level	10 Merits
Silver Level	Bronze plus and extra 20 Merits
Gold Level	Silver plus an extra 30 Merits.

Primary students are given a 'Lucky Dip' at the achievement of each level, secondary students are given a \$2.00 voucher to spend at the canteen, then primary and secondary are presented with a certificate at our Whole School Assembly. Those students who achieve Gold Level are invited to attend our End of Year Merit Excursion.

Primary News

Simon Dunn (Assistant Principal)

It has been fantastic to see all of the children's smiling faces back at school ready for the last term of the year. As everything starts to become a lot busier the closer we get to Christmas it is important to remember to make time for reading every night. Reading is a skill, and like any other skill the more we practice the better we become.

Compulsory Hat Term

In accordance with the school's policy Term 4 is a compulsory hat wearing term. All students need to have a hat to be able to participate in activities that are on the oval. Please encourage your children to always keep a hat in their bag so that they always have the option of playing on the school ovals.

NSW PSSA Athletics Carnival

This week the NSW PSSA Athletics Carnival is being held in Sydney. Congratulations to Emma B on her Gold Medal and we wish her all the best as she is representing the State region in the 11 years Discus event.

Disco

On Wednesday afternoon a Disco was held for the Primary students. It was a fantastic afternoon with everyone having a ball learning some Zumba dance moves and getting involved. We certainly have some talented dancers. A big thank you to Sandra Scalora for organising the afternoon, Danny Andrews who was the DJ and to Tania Kirby for coming and teaching all of us some new dance moves.

Primary students showing their Zumbu moves.

Choir

If any students are interested in joining the Tooleybuc Central School choir then practises will be held during Monday's at lunch time.

Year 4/5/6

Balranald visit

On Friday 14th September the Year 5 and 6 students from Balranald travelled to Tooleybuc for a day of fun activities. It was fantastic to see so many of the students getting to know some new people from Balranald in preparation for the Canberra excursion where we will be spending the whole week together.

Canberra Excursion

Next week the students in Years 5 and 6 will have an early departure and a full week of activities at different locations around Canberra. Please ensure that your child has everything that they will need for the excursion, including a packed lunch for the first day, the rest of the food will be supplied for the week.

Reward day

The last day of school last term was the Year 4/5/6 reward day. It was fantastic to see everyone joining in and enjoying themselves (I never expected that much popcorn to be eaten!). I look forward to everyone settling back into their learning so that we can celebrate everyone's effort again early this term.

Swan Hill Show Results

It was great to see so many of our students enter various pieces of art and handwriting in this year's show. A number of our students were successful in gaining prizes and must be congratulated for their efforts. Following are the results –

Fairfax

Although I was unable to attend due to illness, I have been reliably and frequently informed of the success of this year's Fairfax Drama Festival in Swan Hill, which most students from Years 7 and 8 participated in for four days of Week 10 last term. Special thanks are due to Belinda McKindlay for her organisation and commitment to this event as it provides a wonderful experience for our students. Thanks are also due to Susan Woods and David Giles who supervised students including overnight stays. Finally Year 9 Drama student John Steer deserves recognition for his assistance to staff and his leadership of our Stage 4 students. Students not participating in Fairfax also exercised their creativity in a Bridge building challenge, below is a photograph of the winners

Trazz, Connor and Andrew with their bridge design

Stuvac, HSC Exams and Junior Exams

As our HSC students commence Stuvac (Study Period) this week, parents and students are reminded that HSC teachers are still available for contact at the school to go over any concerns that arise for students in the course of their HSC exam preparation. Junior students will be having their examinations in Week Five, and as part of the school's Literacy Strategy, Summarising will be a focus skill for Term 4. When summarising, students need to focus not only on facts or methods, but also concepts or ideas they have learned in each of their courses. Rather than just remembering a fact, it is often more helpful to ask

a studying student, 'What does this fact help to prove?' or 'What can you do with this skill?'

Science

David Giles (Science Teacher)

Year 9/10 are studying a physics unit at the moment. This involves building models that are wind, solar and electrically powered. They will be required to explain how they work. The students will then do measurements to calculate the speed of their vehicles. I hope we will be able to move on to robotic controlled models. They will also be studying electricity and electrical circuits. These circuits can now be constructed on iPad applications which test them.

Year 8 will be doing ESSA tests soon. They have been doing practice sessions online. They have been studying Ecology in class. This involves looking at the environment and looking at all the organisms and their place in the web of life. We studied how plants and animals are adapted to the place in which they live.

Year 7 have finished a unit of work on classification and living things. This involved looking at plants and animals and using classification keys. We have now started a new unit called dynamic earth. This involves looking at the structure of the earth and the different types of rocks and minerals that make it up.

Ag Plot

The Agriculture plot would like donations of fencing materials i.e.: star pickets, strainer posts, ringlock, gates or barb wire. If you have any spare the school would appreciate your consideration.

Mural

The school will be completing a mural in Term 4 and we will require CDs and old LP records. If you have any that you no longer require could you please donate them to the front office.

VOLUNTARY CONTRIBUTIONS 2012

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Technology Fee	All Years K to 12	\$10.00
Current voluntary contributions	Infants and Primary	\$40.00
	Years 7 + 8	\$85.00
	Years 9 + 10	\$45.00
	Years 11 + 12	\$45.00
Design and Technology/Technics:	Year 9 + 10	\$30.00 plus materials
	Year 11 + 12	\$30.00 plus materials
Design and Technology Food:	Year 9 + 10 elective	\$60.00
Hospitality	Year 11 & 12	\$7.00 per practical lesson

LOST UNIFORMS

Please name your uniforms so we can return items that are misplaced.

Helping kids beat the blues

Did you know that one in four children over 12 has significant depressive symptoms? Sometimes it's hard to know if your child has a real mental problem or is just suffering from teenage 'moodiness'.

Listen to Professor Ian Hickie, from the Brain and Mind Institute at the University of Sydney, talking about depression in school age kids, how to recognise it and what you can do to help. Go to: www.schoolatoz.nsw.edu.au/wellbeing/health/managing-depression-in-children

Standard Mental Health First Aid (MHFA)

Just as physical first aid can save the life of an injured person, Mental Health First Aid (MHFA) can be life saving for a person suffering a mental illness. MHFA is the help provided to a person developing a mental health problem or in a mental health crisis. Mental Health problems covered include:

- Depression
- Anxiety disorders
- Psychotic disorders
- Substance Use disorder
- Eating Disorders(YMHFA)
- Non suicidal Self Injury (Self Harm).

Participants learn the signs and symptoms of these mental health problems, where and how to get help and what sort of help has been shown by research to be effective.

Youth Mental Health First Aid (YMHFA)

Participants will learn about adolescent’s development and the signs and symptoms of mental health problems, where to get help and what sort of help is shown by research to be effective. The mental health problems addressed include depression, anxiety, eating disorders, and psychosis and substance misuse.

Is working with Hair & Beauty for you?

Meet with professional hairdressers and beauty consultants and find out if you have what it takes to work in the hair and beauty industry. Demonstrations and some hands on opportunities will help you to discover if hair and beauty is your thing! Information on how to enrol in 2013 courses will be available on the night.

Date:
Wednesday 24th October

Sport and Recreation's Swim and Survive starting soon

Australian summers usually involve plenty of fun in and around the water, but no parent can forget how important it is to make sure children stay safe.

Sport and Recreation's Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs give wonderful results, and are great fun as well! Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW, including somewhere near you.

Our instructors are nationally qualified and screened for their suitability to work with children.

Prices for nine lessons are \$63 for school-aged children and \$46 for preschoolers (prices exclude pool entry fee).

**The search is on for Australia's
next slam champion!**

Speak, scream, howl, whisper even sing your poems, Stories, Lyrics, And Monologues in the Australian Poetry Slam 2012 – a live literary performance competition where the audience is the judge!

All heat contestants are given a microphone, a live audience and just two minutes to impress the judges with their original spoken word, poetry, hip hop, monologues and stories.

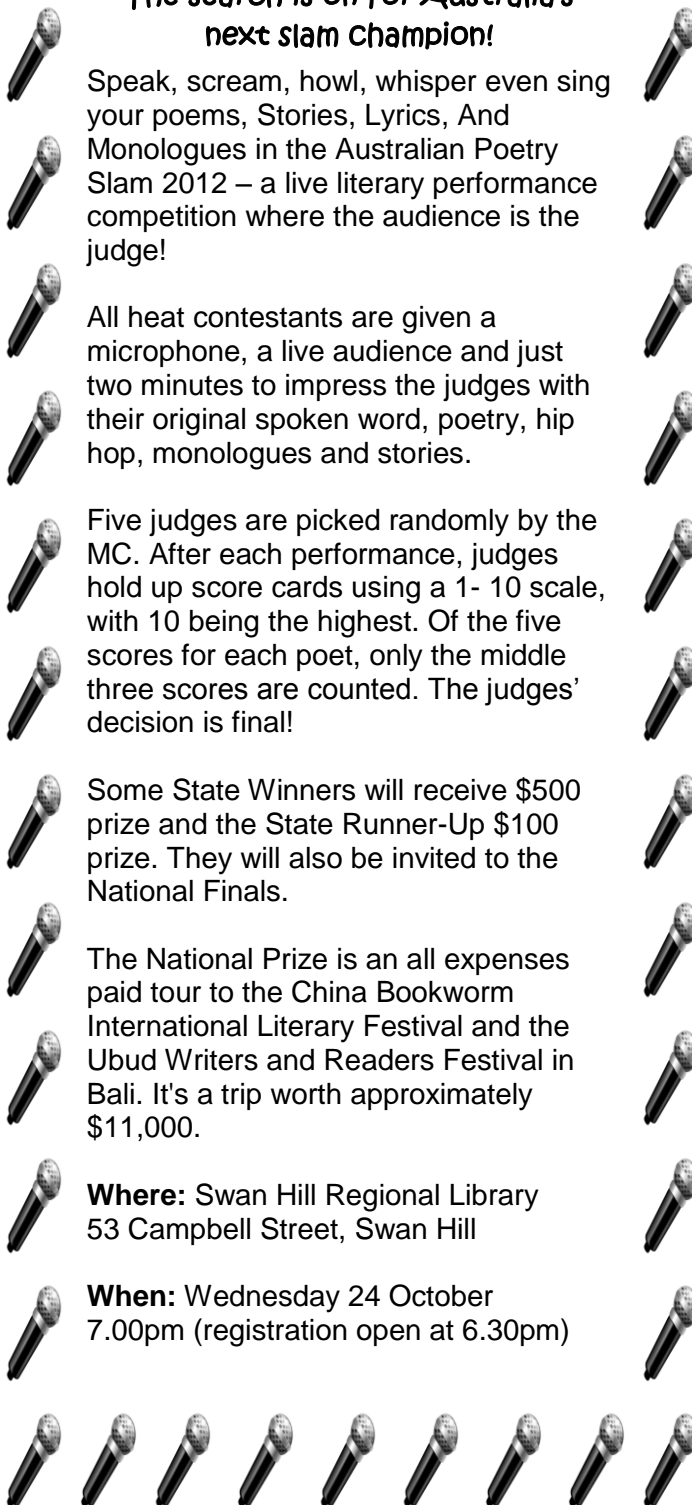

Five judges are picked randomly by the MC. After each performance, judges hold up score cards using a 1- 10 scale, with 10 being the highest. Of the five scores for each poet, only the middle three scores are counted. The judges' decision is final!

Some State Winners will receive \$500 prize and the State Runner-Up \$100 prize. They will also be invited to the National Finals.

The National Prize is an all expenses paid tour to the China Bookworm International Literary Festival and the Ubud Writers and Readers Festival in Bali. It's a trip worth approximately \$11,000.
