Principal

Interim Reports

At the end of next week you will receive your child's interim report. These reports are an overview of their progress during the first term. The aim of these reports is to recognise students' successes and highlight any concerns so those problems can be rectified. Please discuss this report with your child.

NAPLAN

This week students in Year 3, 5, 7 and 9 have been participating in NAPLAN Trial Exams. Students have participated in these exams to help them understand the expectations of the test. If you would like to find out more information about these tests more information can be found at the following web site www.naplan.edu.au

Preliminary Exams

Our Stage Six students will sit their Preliminary Exams starting Monday. These exams will culminate their Preliminary course of study and their HSC content will begin at the

beginning of Term 2. These students should have been preparing for these exams over the past few weeks.

Whole School Assembly

This Monday we will hold our Whole School Assembly. This assembly is a chance to recognise the achievements of our students so far this term. Students are expected to wear full school uniform. It would be wonderful if all of our parents could attend this assembly to support our students.

Attendance

I have been extremely impressed with the attendance of our students this term. Over thirty students have received 100% attendance. This is fantastic and allows these students to have maximum potential of achieving their learning goals. Keep up the fantastic record!

Three Way Interviews

Our Three Way Interviews will be held on Tuesday the 24th of April. Our interviews will take a slightly different format this year. Each interview will have two parts, 5 minutes where your child outlines their achievements and areas for improvement and the final 5 minutes where parents and teachers discuss your child's progress. This change is due to feedback from both parents and teaching staff.

Ethan, Emma, Hannah, Laura, Demi and Sam at the Young Leaders Day

Tooleybuc Central School,
Murray Street, Tooleybuc,
NSW 2736

Ph (03) 50305422

Web:
www.tooleybuc-c.schools.nsw.edu.au/

We are also using an online booking system for reports this year. If you don't have internet access please contact the school and we will book them for you.

Welcome

On behalf of our school community I would like to welcome Mr Dave McCarron to our school. Dave has been appointed as our new Ag/TAS teacher and comes to us from Yanco Agricultural High School. Dave will begin day one of Term 2. Thank you to Miss Leeta Rutherford who has been filling this position in the interim.

Last day of term

On the last day of term students are invited to wear casual dress. The theme for this casual dress day is 'Pyjama's'. This day is to raise money for the Good Friday Appeal. The Year 9/10 PASS class will be running a BBQ lunch on the day, please make sure you have ordered your lunch so you don't miss out! Following our BBQ lunch there will be a short Primary Assembly, followed by our Easter Bonnet Parade. We also welcome our pre school students who will be sharing lunch and the parade with us.

Sporting Success

This term students have been extremely busy on the sporting field. It seems students have been travelling all over the country side dodging flood waters to compete. Some of our outstanding performances include: Laura Domaille being selected in the Riverina PSSA Netball team, Georgia Gleeson will represent our school as part of the Riverina Region at the State Swimming Carnival next week and Darcy Spinks who has made the Greater West Sydney (GWS) Under 16 Training Squad. These are all amazing achievements and show the wonderful things our students can achieve.

Superior Students

As Term One draws to end I must congratulate our students, especially our secondary students, on their excellent behaviour this term. There have been few behaviour concerns and students have been very working hard to achieve their goals. I am sure this has set down an excellent foundation for the rest of the year.

Uniform

As the cold mornings have begun there are a number of students wearing jumpers that aren't

school uniform. Just a reminder that students are expected to wear uniform at all times. If you are having difficulty getting jumpers, don't forget green polar fleece jumpers can be ordered and embroidered from Blue Sky. I look forward to all students being in uniform after the school holidays.

LOST UNIFORMS

Please name your uniforms so we can return items that are misplaced.

Wanted

Second hand uniforms in good condition. If your child has outgrown their uniform please consider donating it to the school.

Syzygy for 2011

Available from front office \$15.00

Icy Poles

Year 6 students are selling icy poles Monday to Wednesday at lunch time under the shade structure .50¢ each.

Book School Interviews Online

Dear Parents

Parent/Teacher/Student interviews will be held at **2:00 pm – 6:00 pm** on
Tuesday 24th April 2012.

You can now book interviews at times that suit **YOUR FAMILY BEST**.
 Go to www.schoolinterviews.com.au and follow these simple instructions.

BOOKINGS OPEN MONDAY 2nd APRIL at 9 am

BOOKINGS CLOSE FRIDAY 20th APRIL at 9 am

School event code

6CJ4J

Go

Go to

www.schoolinterviews.com.au

Enter THIS school event code.
 Then follow the 3 simple steps.

1 Enter your details

2 Choose teachers

3 Choose times

4:30 4:40 4:50

☒ ☐ ☐

☐ ☐ ☒

When you click **finish**, your interview timetable will be emailed to you automatically - **check your junk mail folder** if you do not receive your email immediately.

You can return to www.schoolinterviews.com.au at any time, and change your interviews - until bookings close.

BOOKINGS OPEN THIS MONDAY SO THAT ALL FAMILIES MAY BOOK AT THE SAME TIME

For parents that don't have access to the internet at home, at work, at a friend's house or on their phones, computer kiosks will be available at the library from Monday onwards, so that parents can still make their own bookings. Parents may send a note to school with the approximate times they require, or phone the school on 03 50305422. Students with written permission from parents may also have access to the kiosk. Interviews are strictly 10mins and spaces are limited. If you require more time, please contact your teacher directly to make alternative arrangements.

Parents can change their interview bookings, any time prior to the closing date, by re-visiting the www.schoolinterviews.com.au website, and using the event code. Parents wishing to change their interview times after the closing date, should contact the school directly on: 03 50305422.

We would love to hear what you think about online booking. If you get time, click on the "contact us" button on the www.schoolinterviews.com.au website, and leave some feedback - anonymously if you wish, but please include the school's name and suburb.

Asperger's Syndrome

The following information is for parents, families and friends of children who have already been diagnosed with Asperger's Syndrome. If you are concerned about your child's behaviour, please see your family doctor. Do not try to make a diagnosis yourself.

Asperger's Syndrome is a part of Autism Spectrum Disorder (ASD) and refers to children who have a high level of intellectual ability and function. Please read the Autism Spectrum Disorder fact sheet for more information about the various forms of Autism.

Signs and symptoms

Signs and symptoms may include:

An **obsessional interest in a subject**. For example, an obsession with bus timetables or natural disasters, but little or no interest in other subjects.

Poor social interactions - showing no interest in talking, playing or interacting with others in any way, despite the child's high level of language. However, this is not always the case and some children engage and interact well with others.

A **lack of common sense**. **Learning difficulties** and/or a delay in learning to speak. **Clumsiness or poor coordination skills**, compared with the agility that is often common in children with Autism.

The intellectual ability of children with Asperger's Syndrome can range from 'normal' to superior intellectual (IQ) levels. They often show a high level of language skills, but some may experience delays in learning to speak. As with any form of ASD, no two people with Asperger's Syndrome show exactly the same signs.

Associated difficulties

A child with Asperger's Syndrome may not be identified and therefore diagnosed until primary school because of their high level of language and special interests. Children with Asperger's Syndrome are likely to experience social difficulties during this time, such as participating in day-to-day life (e.g. playing with others). They are also more likely, than the general population, to experience medical conditions such as epilepsy, anxiety or depression.

Causes

The cause of Asperger's Syndrome in children is unknown. At this time, genes are thought to be involved. Research is continuing, with the aim of finding the cause and more treatment options.

Testing for Asperger's Syndrome

A diagnosis of Asperger's Syndrome is based on a specialist paediatrician and a psychologist assessing your child. As the symptoms vary greatly from person to person, there is no single test for Asperger's Syndrome. If you are concerned about your child's behaviour, please see your family doctor for a referral to a specialist paediatrician or psychologist. The Royal Children's Hospital Autism Assessment Team includes a paediatrician, psychologist and speech pathologist, who can assess your child's speech, language and other forms of development. An assessment includes a parent interview, and observation of your child's behaviour while in the company of other children. Your child's hearing will also be checked as this may be a cause of their difficulties. Your child may be tested for medical conditions that are known to be associated with ASD. Your doctor will discuss the need for tests with you. Ask any questions you may have about the tests and procedures required.

Treatment

Treatment varies to meet the individual needs of the child and the family. A child showing signs of Asperger's Syndrome will be referred to the relevant specialists, depending on the nature of the impairment/s. Treatment varies to meet the individual needs of the child and the family.

Treatment may include:

Special education settings - there are a number of early intervention programs and specialist schools.

Social skill development - Applied Behaviour Analysis (ABA) therapists work one-on-one with a child to help them 'learn how to learn' and to develop social and communication skills. For information on how to find a therapist, go to www.abia.net.au.

- **Behaviour therapy** - a psychologist may help identify triggers for behavioural difficulties (such as outbursts) and advise the family how to develop ways to avoid or manage these behavioural issues.
- **Speech therapy** - speech pathologists help autistic children to connect with others through conversation by improving the child's language

- and social skills.
- **Environmental changes** — occupational therapists may help with picture cards (e.g. a picture of a bed that a child can point to if they do not speak) and other aids to help structure your child's home environment.

An action plan for the family may include information resources, parent training, strategies for family support and an action plan for the child.

Follow-up

The needs of the child and the family may change over time, and treatment will change to meet these needs.

Merit Scheme

To reward our students' positive behaviour Tooleybuc Central School runs a strong Merit Scheme. Students are awarded 'Merit Awards' during the school year and an accumulation of these merits equates to levels.

Bronze Level 10 Merits

Silver Level Bronze plus and extra 20 Merits

Gold Level Silver plus an extra 30 Merits.

Primary students are given a 'Lucky Dip' at the achievement of each level, secondary students are given a \$2.00 voucher to spend at the canteen, then primary and secondary are presented with a certificate at our Whole School Assembly. Those students who achieve Gold Level are invited to attend our End of Year Merit Excursion.

By Quinlan McKenzie

Primary News

Simon Dunn (Assistant Principal)

It is hard to believe that we are just about at the end of first term. The last fortnight has been very busy with lots of students representing our school with pride at several different events. Once again I must thank all of the parents that have been involved with transporting our students. These events are important as they provide opportunities for our students to experience new things and develop an understanding of how people living in the same country can have daily routines that can vary dramatically.

End of Term Assembly / Easter Bonnet Parade / Casual Dress Day

On Thursday the 5th of April there are several events happening. It is a casual dress day with a gold coin donation. The proceeds from this will be used to support the Royal Children's Hospital

At lunch time there is a Barbeque lunch being offered and all members of the school community are welcome. If you are coming and you have not put an order in for sausages and drinks can you please hand in an order to the front office as soon as possible so that we will be able to cater for everyone.

After lunch we will be holding the traditional Easter Bonnet Parade and the students from the Pre School will also be joining us. We will also be holding an End of Term Primary Assembly. I am looking forward to seeing you there and remember that you too are more than welcome to wear your pyjamas too!

Three Way Interviews

On Tuesday the 24th of April (first day back for term 2) we will be holding Parent Teacher Interviews. This year the time will be split evenly with half of the time with your child so that they have the opportunity to show you the wonderful work that they have been doing and the other time to provide an opportunity for discussion with your child not there. Please return the note as soon as possible if you would like to book an interview time.

The Griffith Netball Trials

By Laura and Demi

On the 26th of March Laura and Demi played a total of three games. Laura played C, GD and WD. Demi played GD, GK, WD and WA. The spectators thought that Laura played very well and was selected for the possibles and probables with another four people from their original team. Laura,

Bridie and Madison (players from the original team) made it to the level in Wagga Wagga on the first Friday of Term 2. Laura got in for playing well in centre, Bridie got in for shooting many goals as well as Madison. We wish these girls the best of luck in Wagga Wagga and hope that they do extremely well.

Western Riverina PSSA AFL Trials

By Lane, Tom, Riley, Jack, Ben and Murray

On Thursday the 22nd of March Lane, Tom, Riley, Jack, Ben and Murray travelled to Barooga to try out for the Western Riverina PSSA AFL Team. We played as part of the Moulamein District team and had a great time. We played four games on the day against LNG (Leeton, Narrandera and Griffith), Finley, Deniliquin and Oaklands. There were over 150 students competing on the day and we all had a great time. We would like to thank all of our parents for taking us there and Mr Marsh for organising us on the day.

Jack & Lane in their Western Riverina PSSA AFL Team uniform

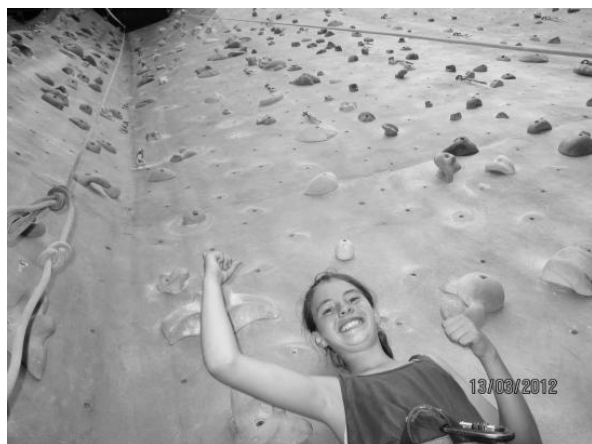

Tom and Murray in their Western Riverina PSSA AFL Team uniform

The Young Leaders Excursion 2012

By Hannah, Demi, Laura, Emma, Ethan and Sam

On Wednesday the 14th of March 6 awesome young leaders went to Melbourne via the train. When we arrived in Melbourne, we walked to the Melbourne Discovery. Then we walked to HARDROCK indoor rock climbing centre, where we learnt how to rock climb safely. Three of our students reached the top of the many walls in the

room; they were Laura, Sam and Hannah. They were very proud of their achievements.

Laura at the climbing wall

Hannah at the top of the climbing wall.

That evening we went to a shopping centre and we bought many things from a variety of shops. At the shops we also saw the clock “unfold” dramatically. After tea we went ten pin bowling at the Galactic Circus in Crown. We were split up into two teams. On the way back to Melbourne Discovery we encountered a pleasant surprise, we got the chance to feed wild possums.

The following day we walked down stairs to have breakfast. Afterwards we walked down to The Melbourne Convention Centre. There we saw 5 people speak about what they thought a leader was and compared it to a real life situation. Our speakers were; Mike Martin - Founder of the halogen foundation, Marita Cheng - Young

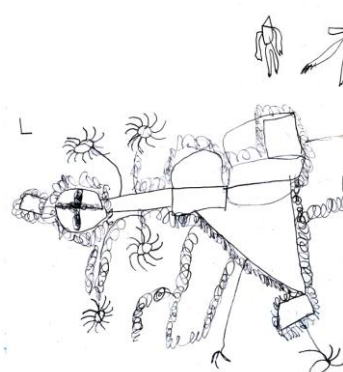

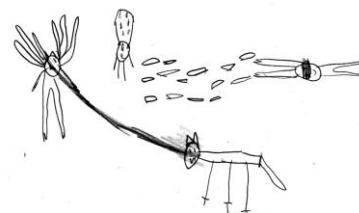

Australian of the Year/ founder of Robo gals, Loren Nicholson - he has about 5% eyesight and he rode from Perth to Sydney on a tandem bike with his also blind brother, Joy Smithers - founder of Shades4Aids/she used to be a model/she helped many young people (mainly babies) in Cambodia. And finally Andrew Swallow - Captain of the North Melbourne Football Club.

We caught a tram back to the Discovery Centre and got our bags. Then we got back onto the tram and went down to Southern Cross train station. We had time to go to the Sugar Station before we had to get onto the train. On the train, due to wet and rough weather our train was delayed by about 45 to 50 minutes. This meant that we arrived in Swan Hill by about 11:45pm. We then got our luggage and we all went home.

Kindergaren/Year One

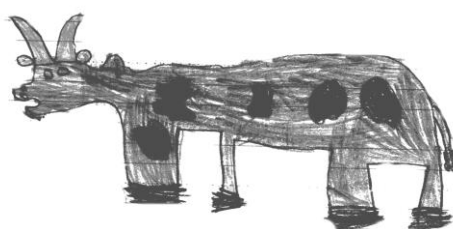

Kindergarten/Year One have been writing some interesting stories.

I am a fox. The fox got killed by the dragon. By Seno Fifita Raturala

This monster is destroying the world. It has chains, fire, water and steel. By Korban Bird

A zombie smelt a flower and the flower bit his nose. By Paul Scalora

I am a bull. I like to buck. I am strong. By Noah Everitt

Secondary News

Bruce Nield (Head Teacher)

Interim Reports

Parents are advised that Interim Reports for Year 7 to 10 will be released on student progress in Week 11. For our new parents, these reports are not the final semester reports but more a measure of progress achieved so far this term by students in the areas of achievement, application to study and behaviour. Teachers may request interviews with parents to discuss their child's progress in a course. This will be held first day back on, Tuesday 24th April 2012.

CAP Day at Deniliquin

As part of the schools improvement with the Country Areas Program (CAP), the 9/10 Drama class had the opportunity this fortnight to travel to Deniliquin for two days and receive training in film and documentary production from Colin Schumacher. Colin has years of industry experience and has previously worked as university lecturer at Charles Sturt University in television and film production. He was a very inspiring presenter and has significantly improved students' understanding of film.

As a result, the students in 9/10 Drama will now be working towards developing their own short film about Tooleybuc Central School and the community it serves. This project once completed in June will be able to be viewed on the school website.

Pictured left to right: Krystianne, John, Madison (above) and Georgia. Film production techniques including proper camera operation were a focus on the first day of training.

Personal Development, Health and Physical Education

Anna Martin (PDHPE Teacher)

It has been a busy Term 1 for the PDHPE/ Sports department at TCS. We have had some wonderful results from our students participating in a range of sports across the term. Particular mention should be made of Darcy Spinks selection in the Greater Western Sydney (GWS) team for AFL. It is great to see all of Darcy's (and his family) hard work pay off. Congratulations also goes out to Georgia Gleeson for once again qualifying to swim at the Combined High Schools State Swimming Tournament at Homebush Bay Olympic Park.

In the classroom...

Year 7 and 8 have been working hard, testing their individual fitness levels and identifying areas of strength and areas that need some attention! They have learnt various techniques for testing all types of fitness from flexibility to balance. They have put all of this knowledge to good use designing a training program to focus on areas they would like to improve.

Year 9 and 10 have been busy honing their presentation skills with an upcoming group assessment task. They have learnt the value of working as a team and being responsible for your share of the workload.

Out of the classroom they have been busy practising their athletics skills. Cody Stobauss jumped an impressive 147cm in high jump. I look forward to seeing them unleash their skills at the athletics carnival.

Year 9 and 10 Physical Activity and Sports Studies have been learning every system of the human body. Muscles, bones, respiratory, circulation – you name it, they have studied it!

Year 11 PDHPE should be very busy preparing for their upcoming preliminary exams. They have made the transition into the Focused HSC and have been working consistently to cover all the content in the various courses. Make sure you stay on top of your work boys.

Work Placement

Kim Morton (Careers Adviser)

Last Tuesday I had a very busy day visiting students in Boundary Bend, Tooleybuc, Nyah, Nyah West, Swan Hill and Murray Downs.

Students were completing work placements for Hospitality, Information Technology and Metals & Engineering. All employers who I spoke with were

very impressed in the maturity and effort students were putting in. Well done Year 11. Work Placement in addition to providing work readiness skills gives students a chance to complete skills specifically relevant to the VET course they are undertaking. All students completed a log book noting what they learnt for the week and their hours of work. These need to be handed into Mrs Morton as soon as possible.

It is important that students now consider where they would like to do their second compulsory week of work placement. Early Term 2, information shall be collected for this.

Adam at Pampa Engineering

Dear Parents,

Year 11 Hospitality students are running 'Tbucs Café' in Term 2, commencing Week 2. At recess students are be able to purchase a selection of cakes, banana bread, and slices \$2.50 each and beverages: milo for \$1.50, cappuccinos for \$2.50 hot chocolates for \$3.00 will be available.

For lunch students can purchase a cup of homemade soup for \$2.50 or some toasted sandwiches: cheese (\$2.00), cheese plus ham for \$2.50, cheese, ham and tomato, homemade sausage rolls are \$3.00, mini quiches are \$3.00.

Students may eat in (additional 50c).

Orders are to be in by Monday recess.

We hope you can support this project.

Year 11 Hospitality

VOLUNTARY CONTRIBUTIONS 2012

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year. These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Technology Fee	All Years K to 12	\$10.00
Current voluntary contributions	Infants and Primary	\$40.00
	Years 7 + 8	\$85.00
	Years 9 + 10	\$45.00
	Years 11 + 12	\$45.00
Design and Technology/Technics:	Year 9 + 10	\$30.00 plus materials
	Year 11 + 12	\$30.00 plus materials
Design and Technology Food:	Year 9 + 10 elective	\$60.00
Hospitality	Year 11 & 12	\$7.00 per practical lesson

National Youth Week 2012

Imagine. Create. Inspire is this year's theme for National Youth Week is held this year from 13-22 April. Hundreds of events are being held across NSW, and nationally, to celebrate the positive contributions 12-25 year-olds make to our society, and provide opportunities for young people to organise their own events. More info:

www.youthweek.nsw.gov.au/

Help for carers

Our Koori Kids Need Carers

Carers Needed Urgently

- Are you a person who would like to become a carer for our children?
- Can you provide a safe place to stay overnights, respite, short or long term?
- Do you have a working with childrens and national police check or willing to apply for one? If not we can help you apply.

If you answered Yes to any of the above, you are who we are looking for.

Be a carer today
Our kids need your help

Our Koori Kids Need Supplies Please give generously

- Do you have any nursery or furniture supplies that you no longer have use for, and are in good condition.
- Items such as cots, travel cots, bedding and general furniture.
- We will arrange collection of any donated items.

Your contribution will make a positive impact in the lives of children and carers in our local community.

You Can Make a Difference Today
