Melanie's Thoughts

Melanie Wait
Principal

Welcome

Welcome to our 2013 school year. I would like to take this opportunity to extend a special welcome to our new families and of course welcome back our existing families. We are very lucky to have a parent body that shows so much support to our students and school.

The beginning of this year has been extremely settled. I have been thoroughly impressed with the outstanding behaviour and application of our students to their learning.

Swimming Carnival

On Wednesday we held our first Twilight Swimming Carnival, apart from the weather the carnival was a great success. As a school we were extremely impressed by the support our parents gave to students and our students' participation. We will

complete the Swimming Carnival Tuesday afternoon.

Welcome Afternoon tea

We would like to invite all families to a Welcome Afternoon Tea on Wednesday the 27th of February. This will give both parents and staff the opportunity to meet each other and help develop positive relationships for the coming school year. This afternoon tea will be held in the school kitchen from 3.15 to 4.30 pm.

Riverina Principal's Conference

Next week I will be attending the Riverina Principal's Conference. This is mandatory for all Riverina Principals and outlines the future priorities for the DEC.

School Photos

Next Wednesday we are holding our school photos. Don't forget to return your order forms. Students should wear their full school summer uniform, including black leather shoes.

Our Kindergarten students have settled in easily to our school.

GEM

This year in secondary we have added another layer to our student monitoring. Gauging Educational Merit (GEM) is a program where students are ranked in every subject each fortnight according to the application and behaviour during class. These rankings from each class are averaged to provide each student with a GEM average.

Gauging Educational Merit (GEM)

Class score	Description	GEM Average	Result
10	Outstanding effort		
9 +	High level of effort	9-10	Maintain average for a term to receive canteen voucher and certificate
8	Sound effort	8-9	Maintain average for a term to attend reward BBQ
7	Satisfactory effort		
6	Limited effort (causing some concern)		Monitoring in the subjects where your score is below 7, reporting to class teacher
5	Poor effort (unsatisfactory)	5-6	Monitoring in all classes, reporting to Mr. Nield daily. Extra curricula privileges may be removed
1	Poor effort & behaviour, non submission of tasks	1-5	Monitoring in all classes, reporting to Ms. Wait daily. Not allowed to attend excursion and extra curricula activities

School Bags

Tooleybuc Central School has school bags which are available to purchase from the front office.

Small \$50.00

Large \$55.00

Primary News

Simon Dunn (Assistant Principal)

Welcome back to school for another wonderful year. It is fantastic to see everyone back at school and settling in to new routines. We also must welcome another teacher to the Primary department. We are very lucky to have Miss Bruton with us for the whole year.

If you have any queries throughout the year please do not hesitate to contact the school. I am sure that it will be a wonderful year for everyone.

Swimming Carnival

It was fantastic to see so many families together, supporting and encouraging everyone who was participating in the various events. Unfortunately due to the weather we were not able to finish the carnival and the remaining races will be swum on Tuesday 19th February during normal school hours. The Primary students who will qualify for the District PSSA Swimming Carnival will be given a note that afternoon because the District event will be held next Friday, the 22nd of February. I am sorry for the late notice that this will give but we have no other option.

Madi, Kiara, TJ, Phoebe and Valerie get ready for their race.

The Swimming Carnival was enjoyed by all.

Primary boys get set to start their swimming race.

Tennis

This coming Wednesday we have four students who will be competing in the Riverina PSSA Tennis Pre Selection Trials. We wish Rachael, Madison, Murray and Jack all the best on the day.

Kindergarten

Andrea Hazlett (Class Teacher)

This is the biggest Kindergarten intake in quiet a few years with 17 in the class.

I am impressed by their enthusiasm and willingness to learn and 'have a go' at all aspects of the curriculum. Home readers are important and should be shared with a capable reader on a daily basis.

School lunches need to be nutritious, low GI foods are great as energy is needed but without the spikes and lows which occur with highly processed foods. We do fruit break at 10 am each morning so every child needs to bring a piece of fresh fruit to school.

All clothing and equipment needs to be clearly labelled including lunch boxes and drink bottles.

Kindergarten class are ready to start learning.

Secondary News

Bruce Nield (Head Teacher)

It's been a great start to the year for our secondary school students, with many staff commenting to me on how focused students are on learning this year. With the introduction of the GEM monitoring system for secondary students this year, fortnightly evaluations on students' in-class performance will help to guide them towards reaching their potential in every class. GEM averages will be published on Monday for the term thus far.

Extra-curricula Activities

The school is offering several extra-curricula activities this term. Once again, we're running the ASX Schools' Sharemarket Game, where students trade on the markets in real time. Having learned last year that not properly researching your stocks can lead to disappointment, I know the students involved in this group this year will be on the ball with checking company information, especially Billabong. This group meets first half of lunch Tuesdays and Thursdays in Room 14.

We have also entered three teams from Years 5 to 10 into the Premier's Debating Challenge, with practise for potential team members now in session on the first half of Lunch Wednesdays and Fridays in Room 14. It was great to see a big turnout from Years 5 and 6 this week - with some evident potential amongst this group of students for a great team.

Drama Club, which also incorporates preparation for the Fairfax Festival, is running on the first half of lunch on Mondays in the Library.

Students can benefit greatly from being involved in extra-curricula activities using their knowledge and skills beyond the classroom. These activities also work to help them better understand and engage with the world as they grow. The start of the year is a good time for students to consider what more they could do outside of their classes to reach their potential and get involved.

English in Year 7 to Year 10

Chris Connellan (English Teacher)

Welcome back to school to all students in my Year's 7 to 10 English classes. It's great to see you all so eager to learn and develop your skills. It's going to be a busy term, but the first 4 weeks will see an emphasis on Journal Writing in all English classes.

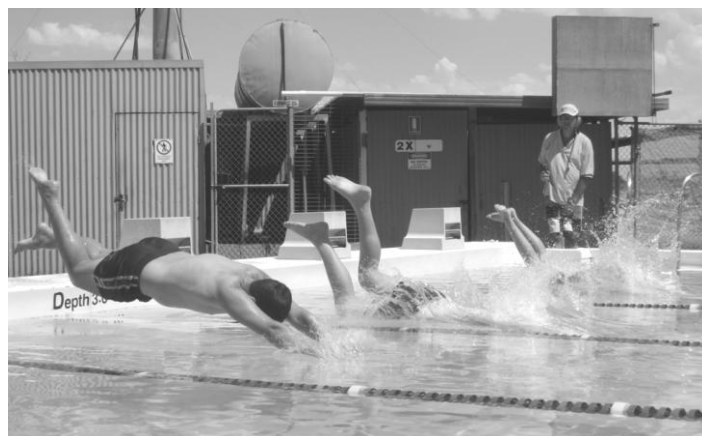

Keeping a journal gives students the opportunity to:

- Explore their thoughts, feelings, perspectives and ideas
- Experiment with creativity
- Experience and refine their writing in a variety of genres, text types and styles
- Become more coherent and sustained in their writing pieces
- Increasingly develop spelling, grammar and punctuation skills
- Expand their vocabulary usage

Language shapes our understanding of ourselves and the world. However, in the digital age, with so much emphasis on screen entertainment, as well as the concise and abbreviated forms of communication used in text, Twitter and Facebook posts, students today have less opportunities than ever before to develop their written language, outside formal school assessment tasks. It is hoped that our journal writing activities will give Tooleybuc Central School students continual practise in writing effectively and creatively.

Cooper, Rachael, Eden & Ola wore face paint to support their teams.

Secondary boys dive into the water for their race.

VOLUNTARY CONTRIBUTIONS 2012

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Technology Fee	All Years K to 12	\$10.00
Current voluntary contributions	Infants and Primary	\$40.00
	Years 7 + 8	\$85.00
	Years 9 + 10	\$45.00
	Years 11 + 12	\$45.00
Design and Technology/Technics:	Year 9 + 10	\$50.00 plus materials
	Year 11 + 12	\$50.00 plus materials
Design and Technology Food:	Year 9 + 10 elective	\$60.00
Hospitality	Year 11 & 12	\$7.00 per practical lesson

Helping kids beat the blues

Did you know that one in four children over 12 has significant depressive symptoms? Sometimes it's hard to know if your child has a real mental problem or is just suffering from teenage 'moodiness'.

Listen to Professor Ian Hickie, from the Brain and Mind Institute at the University of Sydney, talking about depression in school age kids, how to recognise it and what you can do to help. Go to: www.schoolatoz.nsw.edu.au/wellbeing/health/managing-depression-in-children

HPV vaccination for boys to commence in NSW

Boys in NSW high schools will be offered human papillomavirus (HPV) vaccination from 2013 to provide protection against developing infections that can lead to cancer.

In 2013, the 3-dose course of vaccine will be offered to:

- Year 7 boys as part of the routine school-based vaccination program
- Year 9 boys as part of the national 'catch up' program in 2013 and 2014 only.

HPV vaccination has been offered to female students in Year 7 since 2007. In 2011, 81% of Year 7 girls received at least one dose of the three-dose course of HPV vaccine.

HPV is the name given to a group of viruses that affect both females and males. Most people who are sexually active will have a genital HPV infection at some time in their lives. HPV infection usually causes no symptoms and goes away by itself. However, in rare cases infection can cause life-threatening cancers. Almost all cases of cervical cancer and genital warts are due to HPV infection. HPV also causes cancers in other parts of the body, including the vulva, vagina, penis and anus.

The vaccine is highly effective in preventing the main types of HPV infection and is most effective when it is given to people before they are exposed to the virus. The vaccine is registered for use from 10 years of age and is **only provided free for male students who commence the course in Year 7 or Year 9.**

Parent Information Kits will be sent home to parents in early 2013. To consent to vaccination, parents are advised to read all the information provided, complete the Consent Form and return it to their child's school.

Students in Year 7 will also be offered vaccination against other diseases, including diphtheria-tetanus-whooping cough (dTpa), hepatitis B and varicella (chicken pox).

WAKOOL SHIRE AWARDS- NOMINATE TODAY

Nominations are now open for the 2013 Wakool Shire Business and Community Excellence Awards.

Wakool Shire Mayor, Cr Andrew Douglas said the Awards are a really simple way of letting people know their services and efforts are appreciated and highlight the equal significance of both business and community contribution.

„I encourage residents to collect a nomination form now and help acknowledge the dedication and hard work of the people in our community.“

„The categories aim at recognising all types of contributions made, so the awards are certainly open to everyone right across the Shire,“ he said.

Nominations are open in the following categories:

- 3SH Mixx Fm Best Retail Business
- Wakool Shire Best Trades or Professional Services Business
- Southern Cross Ten Best Tourism & Hospitality Business
- Wakool Shire Apprentice / Trainee of the Year Award
- Essential Energy Individual Customer Service Award
- cluBarham Most Outstanding Community Event
- Wakool Shire Agricultural Excellence Award
- Southern Cross Ten Most Outstanding Contribution made by a Community (not-for-profit) Group

The 2013 Award for Business and Community Excellence will be selected by the judges from the list of category winners.

Nominations must be received by Council by Monday March 11, 2013 at which time the formal judging process will commence.

Winners will be announced at a special presentation dinner on Thursday May 2, 2013 at the Barham Services Club.

“Through this opportunity for recognition we can continue to encourage and support the great efforts of people in the local area, so grab a form and nominate someone today,“ Cr Douglas said.

Nominations forms are available from Council offices in Barham and Moulamein, Wakool Café, Koraleigh P.O, Tooleybuc P.O or visit www.wakool.nsw.gov.au The 2013 Wakool Shire Business and Community Excellence Awards are proudly supported by Southern Cross Ten, Ace Radio, cluBarham, Essential Energy and YCC.

FAMILY LAW NETWORK AUSTRALIA

We have recently launched the website Family Law Network Australia. The website is a free information resource and referral service for family law matters. The information provided on our website could be very useful and of great benefit to the families who attend your school.

We would be most obliged if you could advise the parents and carers about our free service in your school newsletter and include a link to our website on the links page of your website.

We invite you to visit Family Law Network Australia at www.familylawmattersaustralia.com.au to assess the suitability of including our website on your links page. If you are happy to include a link to our website we would be most grateful if you do so by arranging for your webmaster to post the following code:
