## Melanie's Thoughts

Melanie Wait  
Principal

### Successful Term One

As Term One draws to a close I would like to thank all members of our school community for their support. Term One has been extremely busy with a number of sporting and general activities on offer for our students. Without the efforts of our teachers in their organisation and the support of our parents with travel we couldn't provide the quality opportunities for our students.

### Interim Reports

Today students from K – 10 received their Interim Reports. These reports provide an overview of student learning during Term One. There is also a flyer advertising our Three Way Interviews enclosed.

### Three Way Interviews

During the second week of next term we will be holding Three Way

Interviews. It is expected that all parents and students will participate in these interviews as they provide valuable information about ways to support your child to achieve their personal best.

### Good Friday Appeal

I would like to take this opportunity to congratulate the Tooleybuc community on their fundraising efforts for the Good Friday Appeal. I would also like to recognise the great number of students who were there 'Shaking the Tin' on Good Friday. I was extremely pleased by the support of our students and once again very proud of our school. Our casual dress day raised \$180 and we had 10 students represent our school for the Tin Shake.

### Staff Development Day

This term our teaching staff have two staff development days at the beginning of Term Two. The extra day is to support teachers in their implementation of the NSW Syllabuses containing the Australian Curriculum. All of our teaching staff will be travelling to Barham to participate in a workshop specifically designed to support teachers in the implementation of the new curriculum.

*A wave of orange greeted motorists as Tooleybuc students collected for the Children's Hospital Good Friday Appeal*

### Voluntary Contributions

Just a reminder that Voluntary Contributions are now payable to the school Front Office. This money is used to purchase texts books and consumables that directly support students in their education. While each families Voluntary Contributions are very reasonable, combined it is a significant amount of money for our school. Those students who study electives with subjects contributions must pay these fees.

### Love Bites

Our Year 10, 11 and 12 students have recently participated in a program called Love Bites. This program raises the awareness of Domestic Violence with the aim of empowering people if they are ever faced with these situations in the future. This was an extremely successful day and our students were extremely mature in their attitude to the course.

### Preliminary Exams

Our Focused HSC students have this week completed their Preliminary End of Course Exams. The beginning of Term Two sees students embark on their HSC course of study. Students need to ensure they are organised and ready to participate in their learning to a HSC level so they can ensure their success.

### ANZAC Day

Our School Captains once again will be representing our school at our local ANZAC Day Services. It is a privilege for our school to have the opportunity to support these events.

### Wanted to Buy:

### Facebook

Follow us on Facebook. Like our page 'Tooleybuc Central School' and keep up to date with school events.

### Merit Scheme

To reward our students' positive behaviour Tooleybuc Central School runs a strong Merit Scheme. Students are awarded 'Merit Awards' during the school year and an accumulation of these merits equates to levels.

Bronze Level	10 Merits
Silver Level	Bronze plus and extra 20 Merits
Gold Level	Silver plus an extra 30 Merits.

Primary students are given a 'Lucky Dip' at the achievement of each level, secondary students are given a \$2.00 voucher to spend at the canteen, then primary and secondary are presented with a certificate at our Whole School Assembly. Those students who achieve Gold Level are invited to attend our End of Year Merit Excursion.

## Primary News

**Simon Dunn (Assistant Principal)**

What a wonderful term it has been at school. It has certainly been jam packed with lots of wonderful learning opportunities for all of the students in our school. I am sure that everyone will certainly enjoy their holidays.

### Western Riverina AFL Trials

On Thursday 28<sup>th</sup> March, Kade, Riley, Murray, Brett, Ben, Jack, Ryan, Brees and Sam travelled to Barooga to try out for the PSSA Western Riverina AFL team. The boys played as part of the Moulamein District team and they played very well, winning one of their games and having two other very close matches. The Moulamein District team played well as a team and all of the boys did a great job representing our school. I would like especially thank the parents for your willingness to take your children to these events.

### Easter Hat Parade

What an action packed day it was for the Easter Hat Parade. We were very lucky to have the preschool visit for the day and it certainly looked like they had a wonderful day. It was fantastic to see so many people dressed up for the Easter Hat Parade. It was obvious that everyone had put a lot of time and effort into creating their masterpieces.

I would like to thank Bridget Matarazzo for constructing and donating the wonderful chocolate house and the parents that assisted with the cooking and running of the Barbecue lunch. Without your help the day would not have been as enjoyable as it was.

The students in Years 5 and 6 also did a wonderful job in running a tabloid activity during the afternoon for all of the other students and special visitors. Once again I was amazed by the support all of the parents gave by coming and experiencing the day with your children. It always brings a smile to their faces to see you there.

*Asiri and Paul did a wonderful job creating their own hats*

*Manu leads the parade for the Year 5/6 class.*

*Zoe, Jack and Emma were eager to show off their hats.*

*Kusi and Seno made their rabbit hats for the parade.*

I hope that everyone has a safe and wonderful holiday and I look forward to seeing everyone back and excited for Term 2.

## Kindergarten

### Andrea Hazlett (KindergartenTeacher)

The Kindergarten class has settled into the routine of school life very well. Every student has made considerable progress in all areas of the curriculum. I am thrilled by the way the class as a whole has been developing their commitment to learning during class literacy and numeracy sessions. I am grateful to the parents of my students for your willingness to support your children's reading with regular completion of home readers and the word sheets. Your positive interest directly affects your child's attitude towards learning in class.

Here are some writing samples, children have written without assistance.

## Secondary News

**Bruce Nield (Head Teacher)**

### Reflections on Term One

Term One was certainly been a positive start to the school year for students in Years 7-12. Students have demonstrated excellent behaviours across these years as whole and raised their level of performance throughout the term as indicated by a persistently rising average GEM score, for both students individually and all years as whole.

The greatest improvement has been made by Year 7 students as whole, with the largest increase of any year in their average GEM score. Shifting from having one teacher to over half a dozen is often quite a challenge for students as they transition from Year 6 to Year 7, but with support these students have developed noticeably in terms of their maturity and their approach to learning. They should be proud of their efforts.

For our senior students, they now prepare for the commencement of their HSC coursework. This is a time where students need to prioritise the different aspects of their lives around their long term goals. For some, it will involve more and more inquiries in their future employment and training opportunities. For others, it will mean an increased level of study outside of school hours and they prepare for their final examinations and aim to enter university. It is a great time for families to consider what their young people will be doing in 2014, and in partnership with the school, continue to develop their plans for their post-school years.

### Thanks

I could not let this term pass without thanking the many efforts of the Secondary staff this term in extra-curricular activities. We are blessed with enthusiastic and caring teachers who have co-ordinated or assisted with a large number of excursions for both sporting teams and other activities, all of which is entirely voluntary and unpaid time freely given to be away from their families. Those of you at the assembly today have seen the experiences that this provides for our students in the Term One Photostory.

### Technical and Applied Science

**David McCarron (Teacher)**

#### Year Seven TAS

Year Seven have made a pleasing start to the year in Technology Mandatory. They have been busy designing and constructing wind chimes. Students

have learnt to use a number of hand and power tools and are currently completing a portfolio of their work.

*Lane using the bandsaw.*

*Ethan checking his wind chimes.*

*Laura proudly showing her completed wind chimes.*

**Year 9/10 Industrial Technology****David McCarron (Teacher)**

These students have also made a pleasing start to the year. They are all very eager to learn how to use a variety of hand and power tools. Students have completed a number of mandatory safety tests and are just about finished their first project which is a bootjack.

I have been very impressed with the students attitude towards this subject and share their passion for hands on activities. Hopefully you will find the projects that the students make this year, useful and will not end up in the shed collecting dust.

*Caleb using the grinder to trim his project.*

**Careers****Kim Morton (Careers Teacher)**

Over the holidays it is a good chance for students to spend sometime thinking of a career which might interest them and understanding how they will reach their career goals. There is a mountain of information available including general career websites (listed below), University and TAFE websites, Career Expos, friends and relatives in addition to visiting myself in the Careers Room where there are many pamphlets and booklists available to help.

Some great Career Websites to explore include:

- [www.myfuture.gov.au](http://www.myfuture.gov.au)
- <http://jobsearch.gov.au>
- [www.jobguide.deewr.gov.au](http://www.jobguide.deewr.gov.au)
- [www.latrobe.edu.au/all-ways/findyourcareer](http://www.latrobe.edu.au/all-ways/findyourcareer)
- [www.whatdegreewhichuniversity.com](http://www.whatdegreewhichuniversity.com)

In considering 'How do I choose a career?' Think firstly about your interests, hobbies, abilities and values. What do you enjoy doing? How do you spend your spare time? What are you good at? What subjects do you enjoy at school? What is important to you?

Remember you will be likely to have several careers in your lifetime – so best to just think of the next 5 years or so.

Also consider the type of study you want to be involved with after completing school.

- Apprenticeship or traineeship
- University degree
- TAFE Certificate or diplomas are all alternatives.

Some recent labour market news!

- 37% of employees in Australia now work part time but of these 40% want more work.
- Youth unemployment (15 – 25 years) is now at 12.9%
- More work roles now require a University degree.
- The winners in terms of jobs are in areas such as health care, mining, aged care and education.

Year 12 students should be using the holidays to research information and to update their resumes. Mrs Morton shall be taking students out early next term to individually assist them with their career planning however some research needs to be done first.

Year 10 students will once again be preparing for their work experience for Term 3 and this will involve completing a resume and portfolio, applying for a job with a written application letter and undertaking a mock interview.

Year 9 students have spent Term 1 exploring their interests, values, goals with the help of the myfuture website some interesting and unusual occupations have been explored.

Upcoming Events.

Happy Holidays.

**GEM**

This year in secondary we have added another layer to our student monitoring. Gauging Educational Merit (GEM) is a program where students are ranked in every subject each fortnight according to the application and behaviour during class. These rankings from each class are averaged to provide each student with a GEM average.

**Gauging Educational Merit (GEM)**

Class score	Description	GEM Average	Result
10	Outstanding effort		
9 +	High level of effort	9-10	Maintain average for a term to receive canteen voucher and certificate
8	Sound effort	8-9	Maintain average for a term to attend reward BBQ
7	Satisfactory effort		
6	Limited effort (causing some concern)		Monitoring in the subjects where your score is below 7, reporting to class teacher
5	Poor effort (unsatisfactory)	5-6	Monitoring in all classes, reporting to Mr. Nield daily. Extra curricula privileges may be removed
1	Poor effort & behaviour, non submission of tasks	1-5	Monitoring in all classes, reporting to Ms. Wait daily Not allowed to attend excursion and extra curricula activities

## Why Can't I Skip My 20 Minutes of Reading Tonight?

Student "A"	Student "B"	Student "C"
reads 20 minutes each day	reads 5 minutes each day	reads 1 minute each day
3600 minutes in a school year	900 minutes in a school year	180 minutes in a school year

1,800,000 words

90<sup>th</sup> percentile

282,000 words

50<sup>th</sup> percentile

8,000 words

10<sup>th</sup> percentile

By the end of 6<sup>th</sup> grade Student "A" will have read the equivalent of 60 whole school days. Student "B" will have read only 12 school days. Which student would you expect to have a better vocabulary? Which student would you expect to be more successful in school...and in life?

(Nagy &amp; Herman, 1987)

## VOLUNTARY CONTRIBUTIONS 2013

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Technology Fee	All Years K to 12	\$10.00
Current voluntary contributions	Infants and Primary	\$40.00
	Years 7 + 8	\$85.00
	Years 9 + 10	\$45.00
	Years 11 + 12	\$45.00
Design and Technology/Technics:	Year 9 + 10	\$50.00 plus materials
	Year 11 + 12	\$50.00 plus materials
Design and Technology Food:	Year 9 + 10 elective	\$60.00
Hospitality	Year 11 & 12	\$7.00 per practical lesson

Put on by Jen Douglas from ABC Open. Just a notice at this stage re interest

If you could include my name, phone number and email, that would be great.

If we get enough interest we should be able to run a workshop as a free event.

**Dietetics, Swan Hill District****Nutritious after school snacks**

Children often need snacks after a busy day at school. Since snacks can be an important part of a child's diet it is important to make them nutritious. Here are some ideas for easy and nutritious snacks:

- Carrot or celery sticks with peanut butter
- Fresh, canned or dried fruit
- Low fat yoghurt or custard
- Glass of low fat milk, plain or with milo
- Sandwich, with salad fillings
- Crumpets, English muffins or toast with low fat toppings and/or low fat cheese
- Plain popcorn

Eat your fruit – don't drink it!  
It is better to eat a piece of fruit and drink water rather than drink juice. A platter of cut up fruit and a glass of plain milk is a nutritious and tooth-friendly snack to sit down and enjoy with your child!

**Practise to be a journalist**

This website could definitely make practising writing and spelling more interesting for all of us. Make a newspaper clipping with your own headline and story. Your child may even start imagining themselves as a publisher or journalist.

# Prohibited employment declaration

## Child Protection (Prohibited Employment) Act 1998

NEW SOUTH WALES  
DEPARTMENT  
OF EDUCATION  
AND TRAINING

The Child Protection (Prohibited Employment) Act 1998 makes it an offence for a person convicted of a serious sex offence (a prohibited person) or a Registrable Person under the Child Protection (Offenders Registration) Act 2000 to apply for, undertake or remain in, child-related employment. It does not apply if an order from the Industrial Relations Commission or the Administrative Decisions Tribunal, declares that the Act does not apply to a particular person.

**Section 5 of the Child Protection (Prohibited Employment) Act 1998 defines a serious sex offence as an offence involving sexual activity or acts of indecency that was committed in NSW and that was punishable by penal servitude or imprisonment of 12 months or more even if the sentence was not served, or, an offence involving sexual activity or acts of indecency that was committed elsewhere and that would have been an offence punishable by penal servitude or imprisonment for 12 months or more if it had been committed in NSW.**

**Child-related employment** means any employment that primarily involves direct contact with children where that contact is not directly supervised. Section 1 of the Child Protection (Prohibited Employment) Act 1998 specifies that child-related employment is employment:

- involving the provision of child protection services
- in pre-schools, kindergartens and child care centres (including residential child care centres)
- in schools or other educational institutions (not including universities)
- in detention centres (within the meaning of the Child (Detention Centres) Act 1987)
- in refuges used by children
- in wards of public or private hospitals in which children are patients
- in clubs, associations or movements (including of a cultural, recreational or sporting nature) having a significant child membership
- in any religious organisation
- in any entertainment venues where the clientele is primarily children
- as a babysitter or childminder that is arranged by a commercial agency
- involving fostering or other child care
- involving regular provision of taxi services for the transport of children with a disability
- involving the private tuition of children
- involving the direct provision of health services
- involving the provision of counselling or other support services for children
- on school buses
- at overnight camps for children.

### Under this Act:

- it is an offence for a prohibited person to **apply for, undertake or remain** in child-related employment
- employers **must** ask existing employees, both **paid** and **unpaid**, and preferred applicants for employment to declare whether they are a prohibited person or not
- all child-related employees **must** inform their employers if they are a 'prohibited person' or remove themselves from child-related employment. A prohibited person is someone who has been convicted of a serious sexual offence or, who has had a finding for a charge of serious sexual offence proven in court, even if a conviction was not recorded.
- penalties are imposed for non compliance.

**I am aware that I am ineligible to apply for, undertake or remain in, child-related employment if I have been convicted of a "serious sex offence" as defined in the Child Protection (Prohibited Employment) Act 1998 or if I am a "Registrable Person" under the Child Protection (Offenders Registration) Act 2000. I have read and understood the above information in relation to the Child Protection (Prohibited Employment) Act 1998 and understand my responsibilities and obligations under this Act.**

**I declare that I am not a person prohibited by the Act from seeking, undertaking, or remaining in child-related employment.**
