Melanie's Thoughts

Melanie Wait
Principal

Congratulations

Congratulations to Shane and Emma who were recently successful at the Riverina Athletics Carnival. Shane came second in the 1500 m and Emma broke both the shot put and discus records. They will both compete in Sydney in September.

Signing In

Just a reminder that all visitors to the school are required to sign in through the Front Office to comply with Work, Health and Safety regulations. If there is an emergency we need a register of everyone who is in the school so we know everyone is safe!

Working With Children Check

As of June the 15th the NSW requirements of Working with Children has changed significantly. If you haven't previously completed the Statutory Declaration then you must complete a NSW Working with

Children Check. More information is enclosed in this edition of The Bridge.

How2Learn

This week Ms Leeta Rutherford and Mr Bruce Nield attended the next stage of the How2Learn professional learning. It focused on ways to build students learning power and create lifelong learners.

Performance Night

Don't forget our 2013 Performance Night will be held at the Tooleybuc Sporting Club on Wednesday the 21st August @ 6 pm. It's set to be a fantastic night! Make sure you invite grandparents, aunties, uncles and anyone else you think might be interested!!!

Trial HSC Exams

During Week 7 (26th – 30th of August) Stage 6 students will be sitting their Trial HSC Examinations. A timetable for this will be distributed next Monday.

Orientation

Our first Kinder Orientation for Kinder 2014 will be held on Thursday the 29th of August. Students will visit our school from 9:00 am to 11:00 am.

Jess and Trazz compare their measurements with
Da Vinci's 'Vitruvian Man'

Transition

Our first Transition Day for Year 7, 2014 will be held on Tuesday the 27th of August. This is the first of three transition days where students will experience a day in the life of a secondary school student.

Jeans for Genes Day

Thank you to all those people who supported Jeans for Genes day – in total we raised \$134!

Merit Scheme

To reward our students' positive behaviour Tooleybus Central School runs a strong Merit Scheme. Students are awarded 'Merit Awards' during the school year and an accumulation of these merits equates to levels.

Bronze Level	10 Merits
Silver Level	Bronze plus and extra 20 Merits
Gold Level	Silver plus an extra 30 Merits.

Primary students are given a 'Lucky Dip' at the achievement of each level, secondary students are given a \$2.00 voucher to spend at the canteen, then primary and secondary are presented with a certificate at our Whole School Assembly. Those students who achieve Gold Level are invited to attend our End of Year Merit Excursion.

Performance Night 2013

Performance Night will be held on Wednesday the 21st of August at the Tooleybus Sporting Club. All students from Kindergarten to Year 10 are involved. If your child is unable to attend or can't be at the Tooleybus Sporting Club at 5.30 pm on the Wednesday night then please contact the school. Rehearsals are well under way and any absences will need to be accommodated now.

SRC

SRC will be heating lunches and toasting sandwiches in the cooking room for all secondary students starting from Monday the 29th of August 2013. All meals must be in a container that is microwave proof and ready to go. Sandwiches must be made and ready for toasting. The room will only be open for the first 10 minutes of lunch.

SRC Lunch Heating Roster

Cody, Jackson and Kristyn	Mon 29th August 2013

Cody, Jackson and Kristyn	Mon 12th August 2013
Shane Callum and Harry	Tues 13th August 2013

Getting kids into nature

Does it really matter if children are spending more of their time indoors rather than climbing trees and catching cicadas? According to the experts, the answer is a resounding "yes". Find out more:

Education &
Communities

Appendix 4

Information sheet for applicants

How to apply for a Working with Children Check Clearance

Note: Subject to conditions, existing child-related workers in the Department of Education and Communities are not required to apply for a Working with Children Check (WWCC) Clearance until the relevant compliance date as prescribed in the *Child Protection (Working with Children) Regulation 2013*. For further information, please contact your relevant human resources area for advice.

The application process for a WWCC Clearance is as prescribed by the Children's Guardian. For the full conditions, please visit the website at <http://www.kids.nsw.gov.au/>.

Who needs to apply

If you are required to obtain a Working with Children Check (WWCC) Clearance as a condition of employment or engagement in child-related work, and you are not an existing child-related worker in the Department, you must apply for the Clearance as issued by the Children's Guardian (if you don't have one already).

How to apply

- Complete the online application form which can be accessed at: <http://www.newcheck.kids.nsw.gov.au>.

If you cannot access the online system, call the Children's Guardian customer service on (02) 9826 7627 and an officer will complete the application form for you.

- Once you have made an application, you will receive an application number.
- Present your application number to a NSW motor registry or Government Access Centre, along with proof of identity (which consist of the same proof required when applying for a NSW drivers licence). For information about the **NSW Motor Registry** or **Government Access Centre** near you, telephone 13 22 13. See next page for a full list

of NSW Motor Registries and Government Access Centres.

- Once your application has been processed, the Children's Guardian will notify you of the outcome by email or post.

You will not be employed by the Department if you do not receive a WWCC Clearance number.

Cost

Non-volunteer clearance

A person with a non-volunteer clearance can be engaged in either paid or unpaid child-related work.

An application fee applies (\$80 as of 15 June 2013) which is paid for by the person applying for the clearance.

Volunteer clearance

A person with a volunteer clearance can be engaged in unpaid child-related work. An application fee does not apply.

What records are checked

The WWCC process obtains applicants' national criminal histories from CrimTrac. Records include: convictions (spent or unspent), charges (whether heard, unheard or dismissed) and juvenile records.

Workplace misconduct findings are also

considered. If a misconduct investigation finds that sexual misconduct, including grooming, or serious physical assault of a child has occurred, nominated reporting bodies must report this finding.

If the outcome of a WWCC is a clearance, the child-related worker will be subject to ongoing monitoring for relevant new records during the period that your WWCC Clearance is valid.

Validity

If you receive a WWCC Clearance, the Check is valid for 5 years (from the date it is granted), unless it is cancelled sooner by the Children's Guardian or if you surrender it sooner.

For further information on the application process:

Primary News

Simon Dunn (Assistant Principal)

Aspire Me Art Camp

Last week we travelled to Moulmein to participate in a 2 day art camp. We participated in different workshops that focused on different art making skills. Phoebe learnt about etching and carving techniques creating artworks of different types of plants and flowers.

Brees participated in workshops focused on porcelain clay and created vases, jewellery, tea lamps and flowers for the vases.

We both had a really good time and loved the after workshop activities and games. We got to meet lots of other students from lots of different schools. We would like to thank our parents for taking us and Moulmein Public School for hosting the event.
By Phoebe and Brees

Performance Night

Once again all the primary classes are developing their performances in preparation for Performance Night which is on Wednesday 21st August. If you are having difficulty getting any required equipment or clothing for the night please let your child's teacher know. We look forward to seeing you there on the night.

Debating

Our 5/6 debating team has been putting in a lot of effort in preparation for their upcoming debate against Deniliquin North Public School. I am sure that they put in a fantastic effort in representing our school and learn more about the art of debating.

Year Three/Four

Ashlea Bruton (Teacher)

Melbourne Zoo 2013

By Toni and Natalia

On Thursday the 18th of July, primary students from Tooleybuc Central School had an opportunity to visit the Melbourne Zoo. It was all because of the hard work that year 3/4 had done last term when we were studying the topic, 'The Rainforest'. Thanks to that, grades Kinder to Year 4 were able to experience the wonders' that the Zoo had to offer.

It was an early start with the bus leaving at 6.30am sharp. Fortunately, we were all organised and on time for our departure. We stopped at Marong to eat before we were on the road again with the Zoo in our sites. We were entertained with lots of great movies and a big thank you must go to the Ogle family for supplying them.

Year 3/4 observing the giraffe's and Zebra's.

Finally, we arrived at the Zoo and what an exciting atmosphere it was. We claimed our pavilion and sat down for some lunch. We then broke up into groups, ready to explore the exotic animals of the world. The majority of our class, especially Miss Bruton, loved the meerkats. We think Miss Bruton's group spent most of their time visiting and planning how to capture a meerkat for the classroom. We also were able to attend many animal shows including; the seals, the baboons, the penguins and the tigers. This gave us the opportunity of watching these amazing animals in action. The butterfly house was also a favourite. Inside was like a sauna and many students had butterflies all over them. We quickly learnt that the butterflies were big fans of the Hawthorn Football Club as they were obsessed with Campbell's Hawthorn hat. This also gave us a fabulous opportunity to experience a rainforest type environment and we were able to unlock our knowledge that we researched in Term 2.

Our day unfortunately came to an end with terrible weather forcing us back to our pavilion. This gave us the signal that it was time to leave. On our way home we stopped at Calder Park for dinner and by then everyone was EXHAUSTED! It was a quieter drive home with everyone fighting to stay awake but some were just too tired to fight it anymore.

On behalf of all the students that attended, we would like to thank all the parent volunteers and teachers for making this day possible.

Our favourite animal the Meerkat. Campbell and the butterflies.

Secondary News

Bruce Nield (Head Teacher)

Vitruvian Man

As part of Numeracy Week last week Year 8, 9 and 10 students worked collaboratively to prove Leonardo Da Vinci's theory of the Vitruvian Man. Some of Da Vinci's theories included:

- the length of the outspread arms is equal to the height of a man
- the maximum width of the shoulders is a quarter of the height of a man.
- palm is four fingers
- a foot is four palms
- a cubit is six palms
- four cubits make a man
- a pace is four cubit
- a man is 24 palms

Students measured a range of things and performed calculations to prove or disprove Da Vinci's theories.

Chelsea, Rachael, Prue and Ola take careful measurements.

Vitruvian Man

By Prue

Yesterday the Year 8, 9 & 10 tried to prove the theory of the Vitruvian man (the perfect man) right or wrong. I went with Ola and even though all our measurements probably weren't right in the first place we found out that we weren't the perfect person. We had to measure things like our height, foot length and arm span. The only things that were almost perfect for me were a palm is equal to four fingers and a foot is four palms. Everything else was out by quite a bit, like my arms were too short for my body, a foot is 1/7 of the body and a man is 24 palms. It was interesting to see if it would work (which in mine and Ola's case it didn't) but some other people like Jess Y were close.

Vitruvian Man

By Chelsea

We were trying to prove whether the Vitruvian man's way of thinking that a man (human) was perfect was true. We had to measure our height, arm span, length of foot, width of palm and width of four fingers. Then we had to test whether his theories were right. None of his theory for me were right but some of the measurements came close.

My height was 162 and 24 of my arms was 192 so that theory of his for me was not right.

One tenth of my height was 16.2 and the length of my hand was 18. It was supposed to be the same.

Jess and Trazz discuss their measurements

Pythagoras Theorem,

By Eden

Yesterday the Year 8, 9 and 10s engaged in doing an activity on Pythagoras Theorem, where we tried to prove if whether his equations were to scale, during the group talk we found out that some were right, some were 1 cm off and others were not even close to what we estimated.

Callum and John compare the height to their arm span.

TAS

David McCarron (TAS Teacher)

Year 7 TAS

Year 7 TAS spent second term designing and constructing "Masks of the World". Students were required to carry out some initial research before choosing a country on which to base their mask. Completed masks are currently on display in the school foyer. Year 7 have now rotated to Mrs Morton and are cooking.

Year 7 'Masks of the World' by Emma and Carlie

Year 8 TAS

Year 8 TAS have made a pleasing start to Term Three in Technology Mandatory. They are busy designing wooden puzzles for small children. Most students have just about finished their first introductory puzzle which will challenge some older people. Students are learning and gaining confidence in the use of a number of hand and power tools. All students will need to submit a portfolio of their learning at the end of the term.

Year 9/10 IT WOOD

Year 9/10 IT WOOD spent second term making a set of book ends from a set plan. Most students found parts of this task challenging. New skills were introduced including enlarging a diagram. Students also completed a practical test which contributed toward their report marks. This term students have moved on to constructing a kitchen organizer. Most

students are currently well ahead of schedule although final assembly may prove challenging.

Dog Bookend made in the Year 9/10 IT Wood Class.

Jess shaping her Dog Book End.

Agriculture – Term 3 2013

Year 9/10 Ag spent second term learning about a variety of winter crops. Students were actively involved in seed bed preparation and crop establishment. All students participated in crop sowing and were able to use the schools tractor and combine. Students also constructed and established their own vegetable gardens which are progressing well. Last week students attended an excursion to Speed Field days to view agricultural equipment and machinery. This term students are currently learning about Poultry. We recently split up the schools roosters into our newly constructed breeder pens. It is hoped we will be able to breed and incubate some of our own chickens this term. We also plan to purchase some quail to grow out and may visit the local pheasant farm.

John ploughing the paddock

Cody sowing the Ag Plot paddock.

Daniel caring for the poultry.

VET Primary Industries

Year 12 VET Primary Industries are now in their final term of their course with about seven important weeks left. During this time students will sit their trial HSC and complete their second compulsory week of work placement. Since the end of first term many of you may have noticed the transformation and development of the top block at the school. Primary Industries students have been instrumental in the development of this area and it has provided a tremendous resource for them to practice and enhance their skills. During second term students spent a day lamb marking at Ian Lockhart's which was important in developing their livestock husbandry skills. A similar activity is planned next week at one of the Hoare family farms. On Wednesday this week students will be travelling to Deniliquin to complete ATV training with TAFE. Last week students attended the Speed Field Days while last term they attended the Agricultural Innovation Field Days also at Deniliquin. Students are currently learning about farm chemical application and how to correctly calibrate equipment.

Adam positions a lamb ready for marking.

Cody and Ricky marking lambs.

Cody, Jakeb, Adam and Ricky check out the displays at the Speed Field days.

Year 7 TAS Food**Kim Morton (TAS Teacher)**

Year 7 have been undertaking lessons on

- Kitchen equipment and its usage.
- Safe and hygienic working procedures.
- Safe handling of food.
- How to read and follow a recipe.
- Cleaning up techniques including how to wash up properly.
- Using design when planning a children's party.

They have been enthusiastically preparing and enjoying eating pizzas, Anzac biscuits and pizza scrolls. They are working on designing a birthday party for the Year 1/ 2 class students. More details on this activity shall follow.

Max was able to show his skill when dealing with large quantities.

Ethan showed style when serving pizza scrolls.

Tom and Lane had good appetites for their pizza scrolls.

Laura enjoyed having a homemade hot lunch.

Food for the school day

Any parent of school-aged children knows how famished their kids are the minute they walk in the door from school. And the simple reason for that is learning makes you hungry. Or, to put it another way, children need to eat well if they are to learn well. Here is some advice to help feed developing brains.

<http://www.schoolatoz.nsw.edu.au/en/wellbeing/food/power-foods-for-kids>

Ten cybersafety tips every parent should know

Keeping your kids safe online is easy with a few simple precautions. Find out more:

**Facebook**

Follow us on Facebook. Like our page 'Tooleybuc Central School' and keep up to date with school events.

VOLUNTARY CONTRIBUTIONS 2013

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Technology Fee	All Years K to 12	\$10.00
Current voluntary contributions	Infants and Primary	\$40.00
	Years 7 + 8	\$85.00
	Years 9 + 10	\$45.00
	Years 11 + 12	\$45.00
Design and Technology/Technics:	Year 9 + 10	\$50.00 plus materials
	Year 11 + 12	\$50.00 plus materials
Design and Technology Food:	Year 9 + 10 elective	\$60.00
Hospitality	Year 11 & 12	\$7.00 per practical lesson

Wanted

Second hand uniforms in good condition. If your child has outgrown their uniform please consider donating it to the school.

LOST UNIFORMS

Please name your uniforms so we can return items that are misplaced.

STUDENT ASSISTANCE SCHEME APPLICATION FOR SUPPORT

If you would like an application for support please contact the school.

Canteen Menu 2013

Term 3

Lunch (all hot food must be ordered)

Pie	\$3.00
Sausage Roll	\$2.00
Party Pie	\$1.00
Mini Pizza (Ham & Pineapple or Ham & Cheese)	\$2.00
Dim Sims (soy sauce – no extra charge)	\$0.50
Chicken Nuggets	\$0.50
Tomato Sauce	\$0.20

Snacks (do not include in lunch order, students to purchase at lunch time)

Muffins (Double Choc)	\$1.60
Bulla Frozen Yogurt (Apricot, Strawberry and Fruit Salad)	\$1.60
Billabong Triple Swirl	\$1.50
Chips (Honey Soy)	\$1.00
Raspberry Twists	\$0.20

Drinks

Big M (Chocolate, Strawberry & Iced Coffee)	\$2.00
Play water - 350ml (purple, orange, lemonade, red)	\$2.00
Prima (as drink or frozen) (apple/blackcurrant and tropical)	\$1.20

Lunch orders are to be written on a paper bag including students name and year (with money inside). Orders are then to be taken to front office by students or sent with the rolls.

Please remember to include only hot food and drinks on student's lunch orders. All snacks are to be purchased from the canteen at lunchtime.

Please note Raspberry Twists are now **.20c** each

CANTEEN ROSTER

Term 3

16th Aug	Leanne Hoare	Larissa Andrews
23rd Aug	Simone Hodgson	Michelle Lightbody
30th Aug	Jenny Arblaster	Michelle Berg
6th Sep	Sue Domaille	Melissa Thompson
13th Sep	Kellie Edelsten	Sharon Rogers
20th Sep	Leisa Lyons	Jenny Arblaster

If you are unable to do duty on your rostered day please contact someone else on the roster and arrange a swap.

Contact Leisa Lyons on 0488 305071 if you have any queries.

Canteen duty is from
10:30 am until 2.30pm.

T-Bucs Café

The Café will open in Week 4 on Wednesday 7th August and will end at the end of the term.

It will be open every Wednesday recess.

The café will be run by the Work Studies class. The Work Studies class are gaining employability skills and learning about how a small business operates. We hope you can support this project. Students do not need to pre order but if wished Primary students can write out an order and place in a box at the Front Office by Wednesday morning.

Prices

Hot Chocolate	\$3.00
Cappuccino	\$2.50
Milo	\$1.50
Tea/Coffee	\$1.50
Cupcakes	\$2.00
Biscuits	\$1.50

GEM

This year in secondary we have added another layer to our student monitoring. Gauging Educational Merit (GEM) is a program where students are ranked in every subject each fortnight according to the application and behaviour during class. These rankings from each class are averaged to provide each student with a GEM average.

Gauging Educational Merit (GEM)

Class score	Description	GEM Average	Result
10	Outstanding effort		
9 +	High level of effort	9-10	Maintain average for a term to receive canteen voucher and certificate
8	Sound effort	8-9	Maintain average for a term to attend reward BBQ
7	Satisfactory effort		
6	Limited effort (causing some concern)		Monitoring in the subjects where your score is below 7, reporting to class teacher
5	Poor effort (unsatisfactory)	5-6	Monitoring in all classes, reporting to Mr. Nield daily. Extra curricula privileges may be removed
1	Poor effort & behaviour, non submission of tasks	1-5	Monitoring in all classes, reporting to Ms Wait daily Not allowed to attend excursion and extra curricula activities

Why Can't I Skip My 20 Minutes of Reading Tonight?

By the end of 6th grade Student "A" will have read the equivalent of 60 whole school days. Student "B" will have read only 12 school days. Which student would you expect to have a better vocabulary? Which student would you expect to be more successful in school...and in life?

(Nagy & Herman, 1987)

Leaving your children at home alone

All parents make the decision to leave their child at home alone sooner or later. And although parents may worry at first, most kids will be fine on their own when the appropriate time comes, so long as some guidelines are followed. Find out more:

<http://www.schoolatoz.nsw.edu.au/en/wellbeing/development/leaving-your-children-at-home-alone>

I have fun with faces

Try our fun, free app that helps preschoolers develop their reading and numeracy skills. Find out more:
