Melanie's Thoughts

Melanie Wait
Principal

Performance Night

Congratulations to all those students who performed as part of our Performance Night on Wednesday. The night was a fantastic showcase of our school and I am very proud of each and every one of you who performed. Thank you to Mrs McKindlay and all the teachers who contributed to the night. It was a great success. Thank you to all the parents and family members who attended. There was a fantastic show of support.

Trial HSC Exams

Next week our Stage 6 students will participate in their Trial HSC Exams. It is important that these students are preparing thoroughly for these exams and they continue with these preparations up until their actual exams which begin on Monday the 14th of October.

Formal

Our Year 9 - 12 students have received their invitation to the school

formal this week. This event is an exciting event on the school calendar. Make sure you forward the RSVP on time and that you have your guest approved. Don't forget they need to be in Year 9 or above!

Stage 5 & 6 Subject Selections

This week we held our Subject Selection meetings for Stage 5 and 6 students. If you still have any unanswered questions or are unsure about what a subject entails please do not hesitate to contact the subject teacher, Mr Nield or myself to discuss your child's options further. Don't forget these selections are due on Monday the 2nd of September.

Transition Days

Next week we are holding our Year 6 into 7 and our Foundation (Kindergarten) Orientation Days. The Foundation Orientation will be a chance for our pre-schoolers to gain an idea of what school is like and familiarise themselves with the surroundings of the school. The Year 7 Transition Day will familiarise Year 6 students with secondary classrooms and expectations for success in Secondary. If you know of any other students who may be interested in attending these days please get them to contact the school.

Kindergarten had that summer feeling in their performance

TOWN Professional Learning

Next week all Primary teachers will be undertaking TOWN (Taking off with Numeracy) training. This training will help teachers quickly and easily identify areas of strengths and weaknesses and provide strategies to support students to achieve their personal best. It will also focus on developing hands on strategies to assist with student learning and engagement.

Upcoming Casual Dress Days

Just a little warning that there are two casual dress days coming up this term. On Friday of Week 8 we will be holding a Footy Colours Day to raise money for the Leukaemia Foundation, and a Pyjama and Food Drive day to raise money for Vinnie's on Friday of Week 9.

Nyah Sports

Don't forget Nyah Sports are scheduled for Thursday the 5th of September. All primary students compete in every event and all parents are invited to come along and support their child. The P & C will also be holding a BBQ on the day, if you could lend a hand it would be greatly appreciated.

Merit Scheme

To reward our students' positive behaviour Tooleybus Central School runs a strong Merit Scheme. Students are awarded 'Merit Awards' during the school year and an accumulation of these merits equates to levels.

Bronze Level	10 Merits
Silver Level	Bronze plus and extra 20 Merits
Gold Level	Silver plus an extra 30 Merits.

Primary students are given a 'Lucky Dip' at the achievement of each level, secondary students are given a \$2.00 voucher to spend at the canteen, then primary and secondary are presented with a certificate at our Whole School Assembly. Those students who achieve Gold Level are invited to attend our End of Year Merit Excursion.

Science Week 2013
Miss Rutherford (Science Pre-Service Teacher)

Last Wednesday (14th) Year 8 and Kinder participated in Science Week activities. Science Week occurs every year to celebrate science. This year's main focus was 'A century of Australian science'.

First the Year 8's discussed Science Week and the main focus, they talked about some of the science research and life changing discoveries Australian scientists have been responsible for. They then undertook constructing marble tracks – this was an extension from the class learning they have been doing about simple machines.

Zaria, Trazz, Beau, Conner and Andrew working together to construct a marble track.

Shane, Chelsea, Prue, Eden, Leighton and Tanner working together to construct a marble track.

The Kinder students were brought up to the new Science Lab for their Science Week activities. They were firstly shown different parts of the room and they asked questions about different items. They then

listened to Miss Rutherford's brief talk about Science Week.

Kindergarten students sitting in the new Science Lab.

After this the Kinder students moved to the back of the room and undertook an experiment involving sand.

Kindergarten students looking at the sand experiment.

At first normal sand was poured into the water and the Kindergarten students watched what happened – it sank, was wet and when a finger was put into the water it got wet. Then blue sand was sprinkled onto the water – it floated. All the Kindergarten students took turns putting a finger into a container of water and blue sand. As seen in the photographs below, their fingers came out dry with a little bit of the blue sand on them.

Murdoch placing his finger into water and blue sand.

Lilly looking at and feeling the her dry finger which has just been in the water and blue sand.

The red sand was then poured into the water quickly. It sank but clumped together and the Kindergarten students stated it reminded them of pieces of play-dough. When the sand was scooped out it was completely dry (as seen in the photograph below)

Finn scooping out the red sand with it coming out dry.

SRC

SRC will be heating lunches and toasting sandwiches in the cooking room for all secondary students. All meals must be in a container that is microwave proof and ready to go. Sandwiches must be made and ready for toasting. The room will only be open for the first 10 minutes of lunch.

SRC Lunch Heating Roster

Essay writing structure

Structuring an essay is easy when you know how. There are many different types of essays (or responses) and they can have many purposes, but the basic structure is the same. This fact sheet let's you in on the secret. Find out more:

<https://www.det.nsw.edu.au/eppcontent/glossary/app/resource/factsheet/4116.pdf>

Benefits of under-scheduling your child

With the very best of intentions, when you're rushing to fit in soccer training, swimming and music lessons, it can be hard to keep hold of the magic stare-into-space, muck-about moments in children's lives.

Find out more:

<http://www.schoolatoz.nsw.edu.au/wellbeing/health/benefits-of-underscheduling-your-child>

Primary News

Simon Dunn (Assistant Principal)

Moulamein District PSSA Athletics Carnival

Last Tuesday I had the pleasure of attending the Moulamein District PSSA Athletics Carnival at Barham. We had more than 30 students representing our school and every single student tried their best and had a wonderful day.

The Tooleybuc students were strong competitors.

Throughout the day there were some fantastic results with 19 students placing in the top 3 in various events. From this we have had Jemma, Rachael, Amber, Phoebe, Manu, Quinlan, Summer, Ryan G, Ryan D, Campbell, Cooper, Murray, Emma and Ethan qualify for the Riverina Region PSSA Athletics Carnival.

Also on the day Ryan G won enough events that he was named as the Junior Boy Champion for the carnival.

Lochlan competed strongly.

Ryan G Junior Boy Champion

I would like to thank all of the parents that provided transport on the day as without your willingness to travel and provide a cheer squad on the day these events would not be able to run.

Performance Night

Wow! What a wonderful night. It was fantastic to see everyone's performances and it certainly shows that there is a lot of talent at our school. It was great to see so many families gathered together and supporting not only their children but all of the students. I would like to thank everyone that assisted with organisation for the night and all of the teachers for their efforts in coordinating the performances.

Kindergarten had us thinking of summer.

Kindergarten take their well deserved bow.

Year 1/2 took us to an 'Octopuses' Garden'

Year 3/4 moved to the Calypso beat.

Year 5/6 boys danced with energy.

Year 5/6 girls

Year 5/6

In class we have been focusing on improving our descriptive writing so that the movie that we see in our mind as an author is passed on to the reader and they too can imagine some of their own twists in the plot. The technique that we have been learning about is 'Show Don't Tell'. This writing style focuses on the importance of verbs and we have been playing different games to build up our vocabulary to help during the writing process. Below are some examples that students have written.

Anger By Sean

Our teacher yanked the door open, slammed it shut and pegged his jumper at the ground. He glared at one of my mates and stamped over towards him and started screaming at him. Then picked up his jumper and speared it at one of my other mates. So I snuck out of the room and grabbed my bag and bolted to the bus line area. When I saw the bus I sprinted to the lines. Then the teacher saw me I ran like the wind to the bridge and waited. I hid in the grass like a snake. My heart was pounding then I heard the crunching gears of a bus. I felt like I was rescued when I waded down the bus and I disappeared. Then I dropped down in my seat and slouched, closed my eyes and slept. After 5 minutes I felt a shiver going through me "oh no, tomorrow" I whispered.

The Box By Brees

I am walking in a dark gloomy and misty forest then out in the distance see a wooden house with half the paint flaked off. I knock on the door gently. Suddenly the door swung open, I creep in silently. I look around and the first thing I see is a new semi-automatic pistol hanging on the wall. I take it. Just then I hear the defining cry of an evil laugh and a screeching scream. I see a box. It was made out of old soggy wood and had two question marks and a blood stain on the left corner.

Just then I heard some moaning at the back of my ear I quickly turned around I see a man that looked badly burnt with ragged clothes and blood trickling down his face. I fire my gun twice, as the zombie falls to the ground blood sprayed everywhere. I turned around and opened the box. I hear bells ringing and a blinding light beams out from the box.

As the light begins to fade I see another gun. It turns out it was an mg it looked almost brand new. Just then 20 flesh eating zombies spawned. I fired my gun multiple times and it jerked my shoulder and I feel the pain shoot through my body and bruises appear instantly. There was too many of them. Just then Ryan came through the door and opens fire with his AK47. I thanked Ryan and he said "that's ok. I live here." I then ask him if I could keep the MG and he agrees.

The Box *By Ryan*

I felt like I was in a freezer as I struggled through the crack in the side of the abandoned warehouse. I gleamed at a box as I carefully crept along the splintered planks of wood. I reached out to the box and grabbed it firmly. As I stare at the box I notice the red stain on the corner, a three letter code and a key hole and there was no key in sight I cursed at myself. I was glaring at the box trying to figure out what the code is and then I thought key is a three letter word so I tried it. A massive smile spread across my face as a secret compartment opened and then a key appeared in front of me. It lit up the whole room as the key was shining like a diamond. I unlocked the box gently and my face lit up like a flashlight. The box was filled with four types of jewels rubies, gold, pearls and emeralds so I took the jewels and ran. As I stepped away poison darts were getting fired at me from gaps in the walls. I ran for the crack and struggled back through and was relieved to smell the fresh air again.

The box *By Rachael Grace*

As I stepped into the icy water I stared down saw glimmering lights, almost like diamonds. So the next sunny day I went diving to take a closer look, when I was diving I found a rusty old mossy pirate ship that had sunk many years before I was born. I went inside and found an old wooden box with a crack in it that lit up the deck, when suddenly I was bitten by a hairy sea spider, I couldn't breathe, with my hands shaking like a rattle snake, so I rushed to the surface and swam and swam until I face planted the sand. I went back home and it was red but it didn't hurt so I went back to the ship and struggled to pull the box up to the surface but I did. On the surface I realised that there was a rusty old lock on it, I kicked it and the lock released.

As the lock released my eyes widened and I witnessed the first day of being a rockin' billionaire, there was gold, diamond and thousands and thousands of dollars that were glowing and just sitting there peacefully, so I went and brought a private jet and have travelled all over the world and I'm now in Spain, next up ITALY!!!

Staying private on Facebook

Do you know how to untag photos and keep your Facebook page private? Read this and share with your kids.

Secondary News

Bruce Nield (Head Teacher)

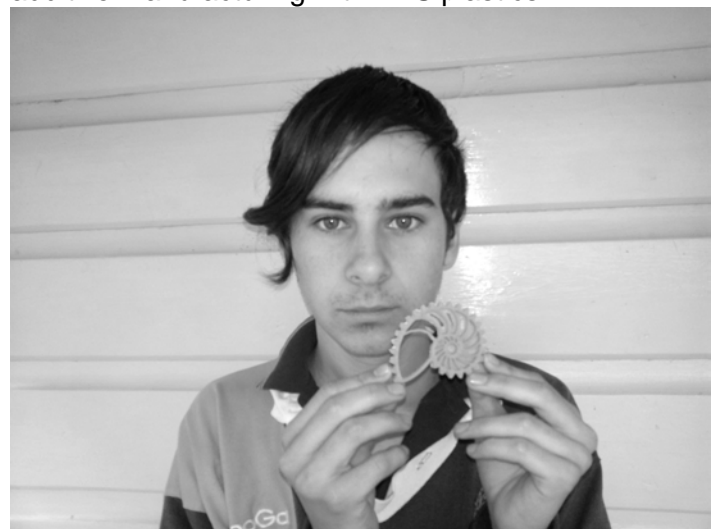

Perseverance

As part of the school's use of the How2Learn strategy, this term we have started to focus on Perseverance. In brief, this quality makes for successful learners as it enables learners to overcome difficulties with their learning and understand that with enough effort a level of success can be obtained. Students need to remember that:

- It's okay sometimes to stop doing something when we are frustrated, as long as we promise ourselves we will come back to it once have refocused.
- To remember that the problem or task at hand is not a reflection of you as a person - Not being able to do one thing at a certain time does not mean you will never be able to do it - it just means you can't do it **YET**.
- To try different ways of thinking about or solving a problem or answering a question you find difficult. Just because one way hasn't worked doesn't mean others won't.

Stage 6 Computing Applications

Students are creating quality products in Computing Applications at the moment with the first draft of their edited films being displayed on Performance Night on the school's new Apple iMac. These films have been created by students using industry grade software such as the Adobe Suite and demonstrated well their capacities in editing both vision and audio. Student have also being learning to use the 3D printer, understanding calibration and support structures in additive manufacturing with ABS plastics.

Teake with his elliptical gear set he is currently producing.

PDHPE

Anna Martin (PDHPE Teacher)

Can you believe it's Week 6 of Term 3 already! I hope I'm not the only one asking myself where the time has gone... This is the time of year when things begin to wind down on the sporting front for NSW State Schools, however we do need to congratulate two exceptional athletes who are representing the Tooleybuc Central School and the Riverina Region at the NSW State Athletics Championships on the 5th and 6th of September, Emma Berg and Shane Foley we wish you all the best in your upcoming events.

Year 7 and 8 PDHPE

Year 7 and 8 are currently learning about Adolescence and Puberty. I'm sure everyone looks back on this stage of their life with mixed feelings!! Along with learning about all the physical changes we experience we are also learning about emotional resilience and respecting firstly ourselves and then each other. Students can do some extra research by visiting a great website resource called: The Hormone Factory.

Year 9 and 10 PDHPE

Year 9 and 10 are currently studying a unit titled "The Party". We cover real and current issues they will be faced with at this stage of their life and strategies they can employ to keep themselves and their peers safe and happy. Risk taking is a major developmental step for the 14 to 20 year age group (particularly males). It is a fact we cannot avoid, so therefore we must educate our young people on how to reduce the dangers associated with risk taking behaviour.

Year 9 and 10 PASS

Year 9 and 10 Physical Activity and Sports Studies students are currently devising fundamental movement plans for Kindergarten to Year 3. They will lead these students in a 4 week program beginning in Term 4 to encourage fundamental movement skills in the Primary School and leadership and organisational skills in themselves.

The Band had everyone wanting to get up and dance.

Roxanne, Jaide, Ola and Rachael perform an act from 'Annie'.

Year 7, 8 and 9 danced with style.

John aims for goal and Daniel defends.

Cooper takes aim for goal defended by Harry.

Cody, Daniel and John, blooms from the Beast's garden.

Beast (Billy), Helping Hand (Rachael) and Beauty (Harry).

Helping hands, Ola, Rachael and Roxanne with Woods Man Callum.

The Wood's Man's daughters, Beauty (Harry), Grace (Jason) and Melody (Cooper)

Helping out at exam time

You CAN help your child study for their exams (or complete their major works) even if you don't know much about the subject. Here is some practical advice on everything from writing an essay to helping the rest of the family stay supportive (and sane) while your teen works towards their final exams.

Find out more:

<http://www.schoolatoz.nsw.edu.au/homework-and-study/english>

Using language to help with resilience

The Parenting Ideas website says resilient families have a language of their own. Read how your words can help a discouraged child cope, learn and persist.

Find out more:

<http://www.parentingideas.com.au/Schools-Blog/June-2013/Language-of-resilient-schools---families>

Reading to your child in your home language

Parents who have a language background other than English and who read to their children in their native tongue are giving them a valuable gift.

Find out more:

<http://www.schoolatoz.nsw.edu.au/homework-and-study/english/english-tips/how-shopping-can-help-your-child-to-read/reading-to-your-child-in-your-home-language>

VOLUNTARY CONTRIBUTIONS 2013

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Technology Fee	All Years K to 12	\$10.00
Current voluntary contributions	Infants and Primary	\$40.00
	Years 7 + 8	\$85.00
	Years 9 + 10	\$45.00
	Years 11 + 12	\$45.00
Design and Technology/Technics:	Year 9 + 10	\$50.00 plus materials
	Year 11 + 12	\$50.00 plus materials
Design and Technology Food:	Year 9 + 10 elective	\$60.00
Hospitality	Year 11 & 12	\$7.00 per practical lesson

Wanted

Second hand uniforms in good condition. If your child has outgrown their uniform please consider donating it to the school.

LOST UNIFORMS

Please name your uniforms so we can return items that are misplaced.

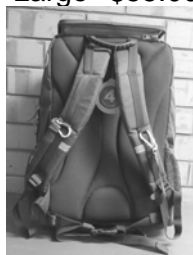

School Bags

Tooleybuc Central School has school bags which are available to purchase from the front office.

Small \$50.00

Large \$55.00

Energy Rebate for NSW Families Receiving Family Tax Benefit A or B.

www.energy.nsw.gov.au

Tooleybuc Central School Uniforms

TCS dark green bucket school hats \$15, are available for purchase from the front office

Tops

Primary:	Dark green polo shirt (TCS)
	Jumper (TCS)
	Girl's summer culottes/green check dress
Secondary:	Green/yellow polo shirt (TCS)
	Rugby Jumper (TCS)

Pants

Primary & Secondary Boys	Grey School Pants/ Grey Max Dax
Primary Girls	Green school pants/ Green Knee Length Shorts
Secondary Girls	Black school pants/ Green Knee Length Shorts

Sport

Primary & Secondary	Yellow polo shirt
	Green basketball shorts
	Green tracksuit pants
	Sneakers

Shoes

Primary & Secondary Boys & Girls	Black Leather Shoes
----------------------------------	---------------------

Stockists of School Uniform

Outdoors First

Garments will need to be ordered so they can be embroidered, however they are a very reasonable price and the turnaround is very quick.

Please note Raspberry Twists are now **.20c** each

CANTEEN ROSTER

Term 3

30th Aug	Jenny Arblaster	Michelle Berg
6th Sep	Sue Domaille	Melissa Thompson
13th Sep	Kellie Edelsten	Sharon Rogers
20th Sep	Leisa Lyons	Jenny Arblaster

If you are unable to do duty on your rostered day please contact someone else on the roster and arrange a swap.

Contact Leisa Lyons on 0488 305071 if you have any queries.

Canteen duty is from
10:30 am until 2.30pm.

T-Bucs Café

The Café will open in Week 4 on Wednesday 7th August and will end at the end of the term.

It will be open every Wednesday recess.

The café will be run by the Work Studies class. The Work Studies class are gaining employability skills and learning about how a small business operates. We hope you can support this project. Students do not need to pre order but if wished Primary students can write out an order and place in a box at the Front Office by Wednesday morning.

Prices

Hot Chocolate	\$3.00
Cappuccino	\$2.50
Milo	\$1.50
Tea/Coffee	\$1.50
Cupcakes	\$2.00
Biscuits	\$1.50

GEM

This year in secondary we have added another layer to our student monitoring. Gauging Educational Merit (GEM) is a program where students are ranked in every subject each fortnight according to the application and behaviour during class. These rankings from each class are averaged to provide each student with a GEM average.

Gauging Educational Merit (GEM)

Class score	Description	GEM Average	Result
10	Outstanding effort		
9 +	High level of effort	9-10	Maintain average for a term to receive canteen voucher and certificate
8	Sound effort	8-9	Maintain average for a term to attend reward BBQ
7	Satisfactory effort		
6	Limited effort (causing some concern)		Monitoring in the subjects where your score is below 7, reporting to class teacher
5	Poor effort (unsatisfactory)	5-6	Monitoring in all classes, reporting to Mr. Nield daily. Extra curricula privileges may be removed
1	Poor effort & behaviour, non submission of tasks	1-5	Monitoring in all classes, reporting to Ms Wait daily Not allowed to attend excursion and extra curricula activities

BELL TIMES

Secondary		Primary

Information sheet for applicants

How to apply for a Working with Children Check Clearance

Note: Subject to conditions, existing child-related workers in the Department of Education and Communities are not required to apply for a Working with Children Check (WWCC) Clearance until the relevant compliance date as prescribed in the *Child Protection (Working with Children) Regulation 2013*. For further information, please contact your relevant human resources area for advice.

The application process for a WWCC Clearance is as prescribed by the Children's Guardian. For the full conditions, please visit the website at <http://www.kids.nsw.gov.au/>.

Who needs to apply

If you are required to obtain a Working with Children Check (WWCC) Clearance as a condition of employment or engagement in child-related work, and you are not an existing child-related worker in the Department, you must apply for the Clearance as issued by the Children's Guardian (if you don't have one already).

How to apply

- Complete the online application form which can be accessed at: <http://www.newcheck.kids.nsw.gov.au>.

If you cannot access the online system, call the Children's Guardian customer service on (02) 9826 7627 and an officer will complete the application form for you.

- Once you have made an application, you will receive an application number.
- Present your application number to a NSW motor registry or Government Access Centre, along with proof of identity (which consist of the same proof required when applying for a NSW drivers licence). For information about the **NSW Motor Registry** or **Government Access Centre** near you, telephone 13 22 13. See next page for a full list

of NSW Motor Registries and Government Access Centres.

- Once your application has been processed, the Children's Guardian will notify you of the outcome by email or post.

You will not be employed by the Department if you do not receive a WWCC Clearance number.

Cost

Non-volunteer clearance

A person with a non-volunteer clearance can be engaged in either paid or unpaid child-related work.

An application fee applies (\$80 as of 15 June 2013) which is paid for by the person applying for the clearance.

Volunteer clearance

A person with a volunteer clearance can be engaged in unpaid child-related work. An application fee does not apply.

What records are checked

The WWCC process obtains applicants' national criminal histories from CrimTrac. Records include: convictions (spent or unspent), charges (whether heard, unheard or dismissed) and juvenile records.

Workplace misconduct findings are also

considered. If a misconduct investigation finds that sexual misconduct, including grooming, or serious physical assault of a child has occurred, nominated reporting bodies must report this finding.

If the outcome of a WWCC is a clearance, the child-related worker will be subject to ongoing monitoring for relevant new records during the period that your WWCC Clearance is valid.

Validity

If you receive a WWCC Clearance, the Check is valid for 5 years (from the date it is granted), unless it is cancelled sooner by the Children's Guardian or if you surrender it sooner.

For further information on the application process:

Email: newcheck@kids.nsw.gov.au
