STUDENT NEWS FROM TOOLEYBUC CENTRAL SCHOOL

4<sup>th</sup> April 2014 Term 1 Week 10

## Thoughts

Melanie Wait  
Principal

### End of Term

As the end of term draws to a close I would just like to congratulate our students on a pleasing start to the year. Students have all established strong learning routines and I am sure are well on the way to achieving their personal best.

### Attendance

This term our attendance has been extremely pleasing. 43 of our students have attended every day this term. This is a great achievement and means that these students have given themselves the best possible chance to learn. Those students who have under 85% attendance will receive a letter from the Home School Liaison Officer expressing the importance of regular attendance.

### Interim Reports

Interim Reports will be distributed on the last day of term, after the Whole School Assembly. These reports are an overview of your child's progress in the first term of learning. Please take the time to discuss these reports with your child.

### Parent Teacher Interviews

Parent Teacher Interviews will be held the second week back next term. We encourage all parents to attend these interviews and they provide a valuable opportunity to have in depth discussions about your child's strengths and weaknesses and strategies for improvement. The flyer for on line bookings is included in this edition of The Bridge.

### Uniform

Just a reminder that it is an expectation that all students wear uniform at all times. If your child is out of uniform please send a note explaining why.

### Diaries

Don't forget that all secondary students have a Diary. It is expected that all student home learning is record and that it is signed by parents for Roll Call each Friday. Thank you for your support on this issue.

VET Hospitality students Courtney and Kelsey enjoy a delicious meal they prepared.

### Good Friday Appeal

Next Thursday we will be holding a casual dress day for a gold coin donation. These donations will go towards the Good Friday Appeal. We are also looking for secondary students to volunteer a help out with the 'Tin Shake' on the Bridge on the 17th and 18th of April. If your child is able to assist can you please leave their name in the Front Office.

### Photos

Just a reminder that it is not appropriate to take photos of other students without the parent's and/or the child's consent. This includes photos at school and school events.

### Merit Scheme

To reward our students' positive behaviour Tooleybuc Central School runs a strong Merit Scheme. Students are awarded 'Merit Awards' during the school year and an accumulation of these merits equates to levels.

Bronze Level	10 Merits
Silver Level	Bronze plus and extra 20 Merits
Gold Level	Silver plus an extra 30 Merits.

Primary students are given a 'Lucky Dip' at the achievement of each level, secondary students are given a \$2.00 voucher to spend at the canteen, then primary and secondary are presented with a certificate at our Whole School Assembly. Those students who achieve Gold Level are invited to attend our End of Year Merit Excursion.

**Scripture Report**

Thank you to all families and students involved in the school scripture program. Classes for Eucharist/Confirmation are in progress. Just a reminder, that there are age requirements for the sacraments –

- Year 3 (8 years old) – Reconciliation/Eucharist
- Years 4, 5 & 6 (9 years and over) Confirmation

All Eucharist/confirmation programs will be run at school however Fr Chris Dixon would like to meet students and families on Sunday May 25<sup>th</sup> at 12 pm Mass at Tooleybuc Catholic Church.

Please note, Eucharist / Confirmation will be celebrated on Sunday June 15<sup>th</sup>, 2014.

**Vocational education at school**

Your child can learn a trade while completing Years 11 and 12, giving them more options down the track. Many students now use their last two years to get a head start on a traineeship, an apprenticeship or other valuable industry experience.

## Parents...

**Event code**

Now you can book school interviews for the times that suit **you**. Simply enter the event code and press "Go".

You will be guided through three simple steps, and a few moments later you will get an email confirming your interviews. School Interviews works for both primary and secondary schools. If you have children at another school that doesn't use our service, let them know what they are missing!

## Schools...

School Interviews makes organising parent evenings easy.

You can set up an interview evening in minutes, and enter phone bookings in seconds. Our system is simple and efficient, and our friendly support people are happy to help if you have any questions.

And it's not just parent-teacher interviews. Bookings for **subject selection, school fête volunteers, uniform fittings or information evening RSVPs** are just as easy to set up - at no additional cost. Find out more:

## Primary News

**Simon Dunn (Assistant Principal)**

### Western Riverina AFL trials

On Thursday 20<sup>th</sup> of March Tooleybuc had seven boys represent the Moulamein District AFL team at the Western Riverina AFL trials. Sam, Ethan, Brees, Ryan G, Ryan D, Campbell and Zach all put in a fantastic effort on the day and Zach was presented with the coach's award for his efforts on the day. On behalf of the boys I would like to thank all of the parents for taking your children to Barooga. Without your support they would not have access to these types of experiences.

### Primary Assembly

Last Friday was the first Primary Assembly for 2014. It was great to see so many parents attending to support your children. The new Foundation students have settled in well to the new routines of 'big' school and it certainly shows through their performance that they are having a great time at school.

### Easter Hat Parade

The Primary Easter Hat Parade is scheduled for next Thursday and all parents, grandparents, aunties, uncles and any family friends are welcome to come and watch the parade at 12.30pm. There is a barbecue lunch available after the parade and you are more than welcome to stay for the afternoon while the students participate in a tabloid sports afternoon.

If you are attending for the parade and the barbecue and you have not ordered your sausages yet it would be greatly appreciated if you could get your orders in as soon as possible to assist with catering.

### Year Five/Six

**Simon Dunn (Teacher)**

It has been a very busy start to the year for the students in Year 5/6 and it has been fantastic to see everyone settle down into new routines. There has been a focus recently on both persuasive and narrative writing styles. Below are some samples of student writing which has been consistently improving over the course of the term.

### Goblet

I was looking through some stuff in my Mum's bedroom and I found a small rectangular box. It had a yucky red colour. The box had a felt sort of cover. It was smooth and fluffy; it looked so dusty from sitting on my Mum's cupboard. I was so destined to open it.

It was two days after finding that box. I was standing in front of the box. I just had to open it. My hands were shaking and eyes wide open. I felt butterflies in

my stomach, and then I did it, something I've wanted to do for three days! I opened the box.

There was something that brought a tear to my eye. It was a goblet like a wine glass but smaller. It was made out of real gold. Carved in cursive was:

*Dear Natasha, Happy 21<sup>st</sup>, Love From Ben*

That's my Dad I said to myself. Mum walks into my room and says I want to give you that for your 21<sup>st</sup> birthday.

### The Shadowy Figure

"I click my fingers," the deep scratchy voice moans, "and everyone around us dies." Emma quickly look around to find where the voice came from. Suddenly in the corner of her eye she sees a dark shadowy figure appear from the darkness.

"I've been watching you Emma," the voice screeches "ever since you were a little girl. Trust me I have been watching."

The bottom of Emma's lip quivers as she listens to the low, evil laughing rushing around her. "Who are you?!" Emma yells "How do you know me? Why have you been watching?"

The shadowy figure flies around the room and laughs deeply. "Very good questions Emma, but should I answer them?"

Emma stands there feet slightly apart, chest pushed out, showing no fear and breathing confidence. "Well, I'm waiting for an answer." Emma demands. She rolls up her sleeves ready to fight and the devil she used to be sparks in her eyes.

### Landmine

"Don't move. You're on a landmine!"

"What!" "Look down".

The cold hard metal grasped my bare foot; my legs froze as the winter night stormed on.

"The Russian's are getting closer!" Tom whispered with fear.

I could just make out one of the Russian's voice.

"Find them and kill them he troops were in fear has he screamed at them. "Tom where are you going?"

"Away, the Russians will find us and the will kill us slowly and painfully. Remember what happened to bob?" "Yes I remember what happened. They made me watch!" "So bye"

"Damn you Tom! I'll get you"

"You can't you're on a landmine."

I ripped my gun out like a magpie swooping. With one in chamber I stepped forward and shoot. By Sam

## Secondary News

**Bruce Nield (Head Teacher)**

### Uniform

As winter approaches, some students have allowed their usually excellent standard of uniform to slip in the secondary school. Students are reminded to adhere to the school uniform requirements, There is a copy of the uniform on page 9 in this edition of 'The Bridge'.

Students are also reminded of the safety implications of wearing a black shoe with a full leather upper. Under both old and new workplace safety laws, we are not allowed to let students participate in TAS practicals or science experiments without this footwear. On occasion where a student forgets the appropriate footwear, we do have spares for loan available.

### PDHPE

**Brett Ramsay (PDHPE Teacher)**

It has been a positive start to the year with all students apply themselves well in PDHPE. Students have been completing various fitness tests to gain an accurate understanding of their current fitness level. Students have performed strongly throughout the range of different tests and are now in the process of developing strategies they can use to improve their fitness levels. Students are reminded to bring correct uniform for all practical lessons.

### Careers

**Kim Morton (Careers Adviser)**

### WORK PLACEMENT:

It was extremely pleasing to visit the Year 11/12 students completing work placement over the past 2 weeks. Very favourable comments were made about all students regarding their work ethic and ability to listen and follow instructions. Students undertook placements in the following areas: Hospitality, Metals and Engineering and Automotive. Many thanks to all the employers involved (Tooleybuc Sporting Club, Swan Hill Club, Swan Hill Hospital, Pumpa Engineering and Sunrise Ag) who willingly assist our students and help prepare them for the workforce, in addition to teaching them many skills.

*Caleb at Pumpa Engineering*

*Liam at Sunrise Ag*

*Aaron at the Swan Hill Club.*

Kelsey at Swan Hill Hospital

John at Tooleybuc Sporting Club.

Courtney at Tooleybuc Sporting Club.

### OTHER CAREER HAPPENINGS:

Year 10 students are still working on their resumes at present and consolidating their ideas about work experience. For those students unsure what to do the holidays give a perfect opportunity for students to have a look around at the local businesses for ideas. The holidays are also a perfect time to find all those

missing certificates and awards to include in their portfolios.

Year 10 boys also travelled to an Engineering day in Melbourne and it has been pleasing to hear about the things they learnt about this industry whilst at the day. Thanks to Mr McCarron for accompanying them.

**TRY A TRADE** date has been received and this event is to be held in Mildura on the 30<sup>th</sup> May. More details on this shall be sent out early next term with all Year 10 students invited to attend.

### FURTHER EDUCATION NEWS: UNIVERSITY RANKINGS –

- **UNIVERSITY OF MELBOURNE** – The recently released **QS World University Rankings by subject** list the top 200 universities around the world in 30 subject areas. **Melbourne has 11 subjects ranked in the top 20, and 27 subjects in the top 50. Education at the University has been ranked second in the world in the rankings.** IT has also ranked well across social sciences, engineering and technology, life sciences and medicine and arts and humanities. The education ranking is a strong endorsement of the university's commitment to ensuring that future teachers receive the highest standards if training, said the Dean of the Melbourne Graduate School of Education, Prof. Field Rickards.
- **LA TROBE UNIVERSITY** – La Trobe has announced that it **ranks among the best in the world** for a number of subject areas, according to the latest **QS World University Ratings by subject**. Over 3,000 universities worldwide and 10,639 programs of study were evaluated to produce the rankings. La Trobe's **history discipline**, which in the QS rankings system includes archaeology, ancient history and classics, was **ranked 38 in the world** and third in Australia. It was ranked in the **top 100 in the world for communication and media studies, linguistics and sociology**, while **agriculture and forestry, psychology and education were ranked in the top 200.** For more
- information about the QS rankings see: <http://www.topuniversities.com/university-rankings>

**EXPLORE DEAKIN UNIVERSITY** – Parent and student tertiary information nights:

- Warrnambool campus – 6-7.30pm, Wed 2 April
- Melbourne Burwood – 6-8pm, Wed 21 May
- Geelong Waterfront – 6-8pm, Wed 28 May

See: [www.deakin.edu.au/parent-and-student](http://www.deakin.edu.au/parent-and-student).

**CLINICAL EXERCISE PHYSIOLOGY** – Enjoy studying sport? Then **Clinical Exercise Physiology** might be the career for you. Where physiotherapists assist people with movement disorders using techniques to assist muscles and joints to move to their full potential, **clinical exercise physiologists use exercise to prevent and rehabilitate disease and injury in the community**. Accredited Exercise Physiologists are formally recognised by the Dept. of Health and Aging as allied health professionals, which means that they are able to deliver Medicare-compensable services. **Deakin's Master of Clinical Exercise Physiology aims to produce quality exercise physiologists**. This is the **first and only** accredited exercise physiologist course in Victoria to be accredited by **Exercise and Sports Science Australia (ESSA)**. To be eligible for this program, students must be able to demonstrate eligibility for exercise scientist accreditation from ESSA, and provide evidence of 140 hours of exercise service delivery for apparently healthy clientele. This can be achieved by completing Deakin's Bachelor of Exercise and Sport Science, including the accredited exercise science – ESSA sequence.

**RMIT NEWS** – RMIT is a 'dual-sector' institution, offering degrees, diplomas, certificates, pre-apprenticeships and short courses. The main campus is in **Swanston Street, Melbourne**, with other campuses located at **Brunswick and Bundoora**. What are a few of the **courses available**?

- **Bachelor of Arts (International Studies)** – This career-oriented degree prepares students to work in international development, security, diplomacy, political economy, law and global governance. An international internship and language study is compulsory (Chinese, Japanese, Spanish, French, German, Greek or Italian). **Some graduate destinations:** Department of PM and Cabinet, Dept. of Premier and Cabinet, AusAID, Dept. of Defence, Dept. of Immigration and Citizenship.
- **Bachelor of Applied Science (Property and Valuation)** – covers property law, planning, valuation, development, investment funds management, asset/commercial property management, law, construction techniques and project management related to **commercial property, not real estate**. It involves infrastructure like ports and schools. **Why study it?** It is financially rewarding, you're not in an office all day, has a mixture of management and hands-on work.
- **Bachelor of App. Sci. (Project Management)** – A project is an event with a start and a finish time. The course offers students the opportunity to gain structured employment experiences within the

industry to enhance academic learning. **Graduate destinations:** **Construction** - building and infrastructure projects and property development; **Non-construction** – client-side project management, event project management, business project management, IT, health.

**NOTE:** The first year of the above two degrees is the same, along with the B. App. Sci. (Construction Management). This allows for collaborative projects to be undertaken.

- **Associate Degree in Aviation (Professional Pilots)** – Boeing estimates that **192,000 new pilots will be required by 2032!** On graduating, students may find employment in charter/regional airlines, outback station flying, sightseeing, fire spotting and beach patrols and flight instructing (with Instructor Rating). With enough hours, they may go on to chief pilot, fleet, or flight operations manager. Pilots are trained for the general flying progress test, private pilot licence, commercial pilot licence and air transport licence. The current annual fee is about \$60,000 (**NOTE:** a total of up to \$96,000 can be borrowed through FEE-HELP).
- **What makes RMIT Science programs special?** RMIT has entry **pathways** from Diploma and Associate degrees run in VET. You have a choice of specialisation, with a major/minor combination, double degree or integrated honours. RMIT courses have a strong hands-on component with plenty of practical experience, labs, pilot plant and field trips. All students complete an independent project in their final year and they all complete a work placement or a project-based team working component. There are overseas experiences, semester exchanges and International Student volunteer opportunities.

**NOTE:** RMIT is holding '**Big Picture Experience**' information sessions about many of their courses in the Term 2 holiday break. Visit [www.rmit.edu.au/experiencedays](http://www.rmit.edu.au/experiencedays) for details. Have a great holiday. Mrs Morton

**TRADES PRE-APPRENTICESHIPS** – These can be an option for early school leavers. Swinburne, for example, has a range of pre-apprenticeships providing Certificate II level courses of up to six months full-time. They provide skills and experience of an industry before any commitment to a full apprenticeship. Options include **bricklaying, carpentry, electro-technology, engineering, horticulture and plumbing** (additional options available at other institutions). The next commencement opportunity (part-time) for pre-apprenticeships at Swinburne is from Mon 7 April, with the next major intake commencing from Mon 7 July. **Info:** 9214 5395.

**GEM**

This year in secondary we have added another layer to our student monitoring. Gauging Educational Merit (GEM) is a program where students are ranked in every subject each fortnight according to their application and behaviour during class. These rankings from each class are averaged to provide each student with a GEM average.

**Gauging Educational Merit (GEM)**

Class score	Description	GEM Average	Result
10	Outstanding effort		
9 +	High level of effort	9-10	Maintain average for a term to receive canteen voucher and certificate
8	Sound effort	8-9	Maintain average for a term to attend reward BBQ
7	Satisfactory effort		
6	Limited effort (causing some concern)		Monitoring in the subjects where your score is below 7, reporting to class teacher
5	Poor effort (unsatisfactory)	5-6	Monitoring in all classes, reporting to Mr. Nield daily. Extra curricula privileges may be removed
1	Poor effort & behaviour, non submission of tasks	1-5	Monitoring in all classes, reporting to Ms Wait daily. Not allowed to attend excursion and extra curricula activities

## VOLUNTARY CONTRIBUTIONS 2014

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Technology Fee	All Years K to 12	\$10.00
Current voluntary contributions	Infants and Primary	\$40.00
	Years 7 + 8	\$85.00
	Years 9 + 10	\$45.00
	Years 11 + 12	\$45.00
Industrial Technology	Year 9 + 10	\$50.00 plus materials
	Stage 6	\$80.00 plus materials
Design and Technology Food:	Year 9 + 10 elective	\$60.00
Hospitality	Year 11 & 12	\$150.00 or \$60.00 plus \$7.00 per practical lesson
