STUDENT NEWS FROM TOOLEYBUC CENTRAL SCHOOL

6th June 2014 Term 2 Week 6

Thoughts

Melanie Wait
Principal

Central Schools Netball

Congratulations to our Under 16s Netball team who won the Riverina Central Schools Carnival in Leeton on Tuesday. After winning all the matches in their pool they played Boorowa Central School in the first final winning 38 - 4, they played Balranald Central School in the Grand Final winning by 10 goals. This was a fantastic effort with all of the girls playing exceptionally well during the finals. A special thank you to Tracey Domaille who was our team Manager. The girls have now qualified for the State Carnival in Dubbo in August. I am sure the girls will be busy training to make sure they are in strong form for the Carnival.

Transition Days

Over the next few weeks the first of our 2015 transition days will be held. These transition days are to make sure that students are well prepared for the next stage in their schooling to make for a smooth transition into the next

part in their educational journey. Please make sure you encourage anyone who may be interested in our school to come along, or phone the school for any further information.

CAFE

Over the last few weeks our Hospitality students have been running the Cafe as part of their Hospitality studies. They have been doing a great job catering for our school and it has been a great opportunity for our students to practice their skills in a industry environment. Thank you to Mrs Morton for all her efforts to make sure this is another great experience for our students.

Visitors

Just a reminder that all visitors to the school should sign in and their arrival and their departure so we are aware of who is on the school grounds in case of emergency and to ensure the safety of all students in our care. If you come through the office whenever you arrive to school our office staff can help direct you to where you need to go.

Merits

It is extremely pleasing to see so many students achieving their Merit Levels, with a number of students achieving Silver already. Don't forget to make sure you hand in your 10 merits each time you accumulate them.

Tooleybuc Central Under 16 Netball Team
Riverina Central Schools Champions.

Merit Scheme

To reward our students' positive behaviour Tooleybuc Central School runs a strong Merit Scheme. Students are awarded 'Merit Awards' during the school year and an accumulation of these merits equates to levels.

Bronze Level	10 Merits
Silver Level	Bronze plus and extra 20 Merits
Gold Level	Silver plus an extra 30 Merits.

Primary students are given a 'Lucky Dip' at the achievement of each level, secondary students are given a \$2.00 voucher to spend at the canteen, then primary and secondary are presented with a certificate at our Whole School Assembly. Those students who achieve Gold Level are invited to attend our End of Year Merit Excursion.

Primary News

Simon Dunn (Assistant Principal)

PSSA District Cross Country

Last Friday 27 students from Years 2 to 6 travelled to Wakool to participate in the District trials for the cross country. It was a wonderful day and everyone put in a fantastic effort and nine students qualified to run in the Riverina Region Cross Country. Thank you to the parents that helped out on the day without your support events like these would not be possible.

Students who participated in the District Cross Country at Wakool.

Tiddalick the Frog

Last Tuesday we were lucky enough to have the opportunity to watch the funny performance of Tiddalick the Frog. It was great to see all of the students join in and have a fantastic time.

Upcoming events

- Primary Assembly - Friday 13th June at 11:15am. The Year 1/2 class will be performing.
- Wednesday 18th - Primary disco. Notes and money need to be returned to school as soon as possible.

Year 3/4

Ashlea Bruton (Class Teacher)

We have had a great Term 2 so far in Year 3/4. In English, we have been amazed at how Visual Literacy is made up of so many complex elements that 'Show, not Tell'. We have been closely analysing a variety of images from different modes of text. We are able to identify the cues that the illustrator has used by looking at facial expressions, body language, colour and image angles.

In Mathematics, we have been focusing on subtraction, addition and multiplication. We have been busy bees learning our times tables for our weekly 'Wild West Tables Challenge'. Well done Tara for finishing on top of the ladder this week.

Hiva, Angela and Mitchell presenting their Visual Literacy posters.

Tara, Mackie, Emma and Kira presenting their Visual Literacy posters.

Lochlan and Angela practising their multiplication skills.

Will and Jorja practising their multiplication skills.

Secondary News

Bruce Nield (Head Teacher)

Fairfax

Notes will go home this week for Fairfax participants to fill in regarding photo permission and dietary requirements. The Fairfax artist assigned to our school is Ryan McRobb. The dates for our first workshop next term are the 31st of July and the 1st of August, with a second intensive workshop being held on the 28th and 29th August.

Debating

A Gala Day to complete the 5/6 debates from the zone round will be held on Thursday the 17th July (Week 1 Term 3) at Deniliquin North Public School. In our first debate it will be Mayrung vs Tooleybuc and in our second debate, Finley vs Tooleybuc. Students are reminded to bring their sheets to debating practice so that students can adequately prepare for their particular speaking role and team planning responsibilities.

Senior English

This term in English Studies students have been studying 'English and the Web'. In this unit they have been contributing to class discussion through a wiki and creating new digital texts of their own. In the future, much learning and training in employment is conducted online, and this elective has been chosen so that these students will be equipped to engage with the learning format of the 21st century in many professions and trades.

VET (Electrotechnology)

We currently have one student studying Electrotechnology through Sunraysia Institute of TAFE, Mildura Campus. In this course, students have been learning the basics of WHS and d.c circuits this semester. Aaron is seen in the photo holding a task he has recently completed.

Aaron with his completed circuit task.

Years 7 -10 English Wrap

Christine Connellan (English Teacher)

Earlier in Term 2, the **Year 7** English class were involved in a **Writing** unit. They honed their skills in stating an opinion, presenting an argument and writing a letter of complaint, a persuasive exposition and a persuasive discussion/debate. They also developed their creative writing skills through composing several narrative pieces. Currently, they are engaged in a film study based on **The Sandlot**, a heart-warming story about a group of pre-teen baseball fanatics, who find themselves faced with a dilemma, in which they discover the value of team work and problem solving. The students are currently creating an advertising poster which persuades others to view the movie. In the latter weeks of the term, Year 7 will study **Window**, by Jeannie Baker, a picture book which alludes to a number of issues related to sustainability. This study will conclude with the students creating their own picture books with a sustainability theme.

Year 8 students have composed some very well structured, evidence-based responses to Albert Facey's autobiographical novel, **A Fortunate Life**. In the latter half of the term, the Year 8 class has turned their attention to a study of **My Place**, by Nadia Wheatley and Donna Rawlings, a picture book about history, tradition, change and sustainability. It offers a retrospective focus on the successive inhabitants of a house in inner city Sydney, beginning in 2008 and spanning back to 1798... and beyond to the families who lived in huts, in the same place, before those times. The students will then create a visual text which reflects their own time, place and heritage.

Year 9 began the term with an **Advanced Writing** Unit. They sharpened their skills in persuasion in the forms of letter writing, promotional posters, discussion writing, opinion piece articles and argumentative essays. They also dabbled in the effective use of narrative voice to write an engaging story. This unit culminated in presenting a persuasive

opinion on an essay topic centred on the novel, ***Came Back to Show You I Could Fly***, by Robin Klein. They have now embarked on a study of Steven Herrick's, ***by the river***, a poignant anthology of poems, which chronicle the life of a teenage boy who lives in a rural, riverside community – not unlike Tooleybuc!

Year 10 students enjoyed studying the extraordinary story of Anh Do's journey from starvation and a near death pirate attack, to the ups-and-downs of refugee life in Australia, being offered a position in one of Australia's most prominent law firms, before he became one of this country's best-loved comedians. ***The Happiest Refugee*** is a hopeful story that tells us that in a country, like Australia, you can be whoever you set out to be. After studying refugee experiences and analysing the asylum seeker issue, the students created an information pamphlet. Students are now polishing their drama skills, as well as developing the understanding and empathy involved in establishing a considered viewpoint on moral dilemmas, such as those presented in Brian Clark's play, ***Whose Life is it, Anyway?*** This study will culminate in a journalistic opinion piece.

Term 2 has also seen a very enthusiastic bus load of students from **Years 3 to 10** embark on the long journey to Melbourne with Ms Bruton, Mr Dunn and Ms Connellan, as well as parent-helpers Mrs Hickey and Mrs Andrews, to enjoy the theatre performance of ***Wicked***. Congratulations to the students, who were a credit to their parents and the school. It was great to experience the magical story-telling of a professional theatre ensemble as they wove the tale of life in Oz, in the days before Dorothy came along. ***Wicked*** is the untold story of the witches of Oz. The audience learnt that things are not always as they seem. The play explored the themes of friendship, trust and tolerance, the use of propaganda and the manipulation of public opinion. Was the

Wicked Witch of the West really wicked? Was Glinda the Good really so perfect? Why was the Lion so cowardly? How did the Tin Man lose his heart and the Scarecrow his brain? And why did the Wicked Witch of the West want the jewelled shoes so much? ***Wicked*** explored all of these questions and more.

Try A Trade By Rochelle

On Friday the Year 10 students attended the 'Try A Trade' convention in Mildura. We participated in a number of trades including plastering, bricklaying, carpentry, plumbing and many others.

We then went on a tour of the Suni TAFE where we walked around the TAFE and saw many courses underway. We also looked at the accommodation for the TAFE and LaTrobe University students. It was good to have a look at the range of opportunities that are available to us.

Overall it was a very successful day. Thanks to Mrs Morton for organising the day and to both Mr Nield and Mrs Morton for transporting us there.

Career News

Kim Morton (Careers Teacher)

Students have been busy undertaking a number of Career events recently. Year 9 & 10 students attended a talk on accountancy about the opportunities available in this field of work. Three students have applied to undertake work experience in this field and successful applicants will be notified shortly.

Year 10 students attended a 'Try a Trade Day' run by SMGT Mildura and they also had an opportunity to visit Suni Tafe and Latrobe Uni in Mildura.

Year 11 Hospitality students are currently undertaking Work Placement at different times throughout the remaining weeks of this term.

School Based Apprenticeships:

We currently have one student undertaking a school based apprenticeship in Automotive at Sunrise Agriculture. This is enabling him to complete his Certificate III in Automotive whilst remaining at school. This is a wonderful program for those students wanting to undertake a trade but who also wish to remain at school.

VICTORIA UNIVERSITY (VU) NEWS –

- **LEADER IN SPORT** - VU has an outstanding reputation in sport, exercise and active living. It has the largest number of sport related courses in Australia and is the only university to have a dedicated College of Sport and Exercise Science. Courses cover exercise science and human movement, physical education, sport management, sport law, sports engineering, and osteopathy. The newly established VU Basketball Academy, under the Directorship of Andrew Gaze, enhances sport teaching, research and knowledge exchange. VU Partnerships provide excellent opportunities for students to learn from professionals.
- **P-12 BACHELOR OF EDUCATION** – VU is one of a few universities in Australia offering a Bachelor of Education (P-12) which allows graduates to **teach at any school level, primary or secondary**. At most other universities students

must decide whether they want to teach at the primary or secondary level when applying for courses in Year 12. VU education students can specialise in **physical education, the arts, home economics, humanities, social sciences, mathematics, outdoor education, science, and more.**

IS ORAL HEALTH A PATHWAY TO DENTISTRY AT MELBOURNE? The **Bachelor of Oral Health** does NOT qualify students as dentists and is NOT a pathway to the **Doctor of Dental Surgery** at the University of Melbourne. It is a 3-year degree with four main components: **clinical and preventative dentistry, dental and health sciences, social sciences and health promotion, and vocational clinical practice.** Oral health allows graduates to practice as an **oral health therapist, a dental hygienist or a dental therapist.** Info: www.dent.unimelb.edu.au For information about **pathways** to the Doctor of Dental Surgery see: www.coursesearch.unimelb.edu.au/pathways/2-dentistry.

WHAT CAN I DO WITH A PUBLIC HEALTH AND HEALTH PROMOTION DEGREE? Public health and health promotion combine a range of activities directed at improving **the health of people in the population.** Some well-known activities include those run by organisations such as **SunSmart, TAC, and QUIT.** Public health seeks to understand and act on the **social and environmental** factors that cause **poor health**, with the factors that create and sustain **good health.** Those suited to this occupation have **good communication and negotiation skills**, can relate to people from different backgrounds and be **able to work as part of a team.** Graduates work for **government, health agencies, community services, universities, aid organisations, and not-for-profit organisations.** Suitable courses to consider are **Deakin University B. Public Health and Health Promotion, La Trobe B. Health Promotion, Monash B. Health Promotion, Swinburne B. Health Science (Public and Environmental Health), and ACU B. Applied Public Health.** ATARs required for these degrees range from about 55 to about 75. Pre-requisites vary from university to university.

FIND OUT MORE ABOUT JOINING THE DEFENCE FORCES – Defence Force Recruiting holds regular information sessions on a number of topics. Coming up soon are:

- **One Year Roles and the ADF GAP Year:** 5.30pm for 6-7pm session, Wed 4 June
- **Australian Defence Force Academy (ADFA in Canberra)** – 6-7.30pm, Wed 11 June

- **Army Officer (Royal Military College in Duntroon)** – 5.30pm for 6-7pm session, Wed 18 June.

All sessions are at Level 14, 501 Swanston St, Melbourne; **Bookings:** CPTVIC@dfr.com.au.

Students in Years 10-12 and their families are welcome to attend.

LOOKING FOR A CARING CAREER? Thinking of a career in disability, aged care or home and community care? Then, you may find assistance by going to: www.carecareers.com.au. The site provides assistance with jobs, information and career advice. There is also an interesting pictorial career quiz you might like to try.

AUSTRALIAN CATHOLIC UNIVERSITY (ACU) NEWS –

- **‘UNIVERSITY EXPERIENCE’**, is a program giving you the opportunity to sample the degree of your choice. Get a taste of life at ACU by meeting academic staff and current students, and trying out the course you’re interested in studying. **When/Where:** Ballarat campus – Tues 1 July; Melbourne campus – Tues 8 July; **Info/registration:** www.acu.edu.au/uni-exp.
- **ACCESS SCHEMES & BONUS POINTS AT ACU** – Boost your chances of entry to ACU through alternative entry and access schemes. These schemes include: subject bonus, schools relationship bonus, campus bonus, regional schools bonus, Elite Athlete Program and the Early Achievers’ Program. More Info: www.acu.edu.au/acu-access.
- **EARLY ACHIEVERS’ PROGRAM** – ACU recognises that you have more to offer than your academic results. If you regularly contribute to your community – through school, workplace, community organisation, or cultural or religious group – you could be eligible for ACU’s Early Achievers’ Program. If successful, you will receive an offer of a place well before the usual tertiary admissions announcements. **Applications open:** 17 Aug, close 20 Oct; **Info:** www.acu.edu.au/achieve-early.
- **CAN’T DECIDE WHAT TO STUDY?** Find the career that is right for you by using ACU Career Match at www.acu.edu.au/my-career-match.

ASPIRE – THE NEW LA TROBE UNIVERSITY EARLY ENTRY PROGRAM – As mentioned previously, La Trobe has a new initiative for school leavers for entry to the university in 2015. The new **Aspire Early Admissions Program** recognises the positive impact that a student has had on their **local community.** Community engagement and objective school achievement forms a significant part of the

assessment criteria of the Aspire program, not ATAR scores. Students will be able to apply across all La Trobe courses at all campuses, with offers of places being made to successful applicants as early as September. **Applications open:** 1 July, close: 31 August. **Register now for program updates at:** [Aspire webpage](#).

SO YOU WANT TO GET INTO A TRADE? Thinking of being a plumber, carpenter, electrician, motor mechanic, refrigeration mechanic, tiler, brick layer, lift mechanic, or one of many other trades people? Most students think first of being a **carpenter, an electrician or a plumber**. However, there are many others to choose from. Apprenticeships generally take four years, but, if an apprentice is competent, they may be able to complete sooner. Plumbing and electrical apprenticeships take four years.

Employers often look for three things in an applicant: **Year 12 completion** (VCE or VCAL), being **18 with a driving licence and vehicle**, and **completion of a pre-apprenticeship course**. Pre-apprenticeships can be completed in about four of five months at TAFE (after finishing school) or sometimes while at school. Finding an employer can be a challenge. Suggestions are to try family contacts, sporting club contacts, letting people know that an apprenticeship is being sought. Alternatively, **Group Training Organisations** can often assist. These organisations employ apprentices and lease them to suitable employers. For details see: www.grouptraining.com.au. Another useful website is: www.aapathways.com.au.

INTERNATIONAL COLLEGE OF HOTEL MANAGEMENT – ICHM prepares students for careers at the **top end of the international hotel industry**. Located in Adelaide, it is the only Swiss Hotel Association School outside Europe, and offers **internationally recognised qualifications** (B. International Hotel Management and B. Business (Hospitality Management)). If you would like to find out more about the College and its degrees, you can attend an ICHM **Career Week** at the College. **When:** 7-11 July or 29 Sept to 3 Oct; **Where:** ICHM, Days Rd, Regency Park, SA; **Cost:** \$595 (deducted from first year fees if you enrol); **Info:** www.ichm.edu.au.

T-Bucs Café (Hospitality Class)

The Café will be running on Tuesdays from week 2 until week 7, hospitality students will be running the T-Bucs Café.

- Weeks 6 & 7, 3rd and 10th June it will be both recess and lunch

Recess is ordered at the Food Tech Room on the day. Lunches can be ordered prior to the day, by placing order in the box at the Front Office.

Preferably, on a brown paper bag with the student name and year level.

All primary lunches will be delivered to their room. All secondary lunches will be collected from the Food tech Room.

GEM

This year in secondary we have added another layer to our student monitoring. Gauging Educational Merit (GEM) is a program where students are ranked in every subject each fortnight according to their application and behaviour during class. These rankings from each class are averaged to provide each student with a GEM average.

Gauging Educational Merit (GEM)

Class score	Description	GEM Average	Result
10	Outstanding effort		
9 +	High level of effort	9-10	Maintain average for a term to receive canteen voucher and certificate
8	Sound effort	8-9	Maintain average for a term to attend reward BBQ
7	Satisfactory effort		
6	Limited effort (causing some concern)		Monitoring in the subjects where your score is below 7, reporting to class teacher
5	Poor effort (unsatisfactory)	5-6	Monitoring in all classes, reporting to Mr. Nield daily. Extra curricula privileges may be removed
1	Poor effort & behaviour, non submission of tasks	1-5	Monitoring in all classes, reporting to Ms Wait daily. Not allowed to attend excursion and extra curricula activities

Do you have a child in year 4, 5 or 6?

Have you missed out on thousands of dollars?

In 2001 the Government introduced the 'First Child Tax Offset' and surprisingly many Australians did not know about it and have NOT claimed any benefits.

If you have **ANY** child that was born between 1 July 2001 and 30 June 2004 you may be eligible to receive up to \$12,500 of entitlements.

The government has a 30 June 2014 deadline on this entitlement so please email childoffset@twelve.com.au today to receive more information.

Please note, Eucharist / Confirmation will be celebrated on Sunday June 15th, 2014.

VOLUNTARY CONTRIBUTIONS 2014

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Technology Fee	All Years K to 12	\$10.00
Current voluntary contributions	Infants and Primary	\$40.00
	Years 7 + 8	\$85.00
