STUDENT NEWS FROM TOOLEYBUC CENTRAL SCHOOL 21<sup>st</sup> June 2014 Term 2 Week 8

## Melanie's Thoughts

Melanie Wait  
Principal

It is with great excitement and of course an element of sadness that I take the next 6 months of maternity leave.

I am very proud of all the students in our school and the culture that has been created of students striving to achieve their personal best. I know that in my absence you will all continue on this journey in the capable hands of our staff and continue to make me proud!

I know I leave the school in great hands and I look forward to returning at the beginning of next year.

### Staff Changes

The beginning of Term 3 sees a number of staffing changes. A great deal of planning has gone into this organisation to make sure the transition is as smooth as possible for our students to ensure their needs are being met.

At the beginning of Term 3 I will begin 6 months Maternity Leave and I will be replaced by Mr John Clayton who comes to us from Oaklands Central School.

Mrs Belinda McKindlay will be taking 6 months Long Service Leave and will be replaced by Mrs Michaelee Nield. Mrs McKindlay and Mrs Nield have been planning together to ensure minimal disruption and Mrs Nield is already familiar with our school, students and expectations.

Mrs Louisa Frost is also taking maternity leave and Mrs Kelli Edelsten will return after 6 months of Long Service Leave and continue to support

our students.

Mr Brett Ramsay will return to his home town and Mr Ben Miller who comes to us from Richmond River High will replace him. Mr Miller comes highly recommended and I am sure he will provide wonderful learning opportunities for our students.

We thank Mr Ramsay for his time at Tooleybuc and wish him and his family the best.

### Sporting Success

We have been extremely pleased with the outstanding sporting success our students have achieved recently. Our students have been extremely competitive when representing the school. We wish both our primary and secondary students all the best as they compete at the regional carnival next week.

Congratulations must also go to Shane for his efforts at the Riverina Carnival where he came second. This qualifies him for State Carnival later in the year. A wonderful effort.

Shane came 2<sup>nd</sup> at the CHS Riverina Cross Country and will now compete at State level.

### 2015 Planning

While it seems early we have been beginning our 2015 planning to enable a smooth transition to the 2015 school year.

It was wonderful to have our Pre School here last week and was extremely pleasing to have so many parents attend the information session. It is always great to parents supporting their child's education journey.

This week we held our first Year 6 into 7 transition. This was a taster of what secondary schooling is like. I am sure they all had a great day and I am pleased to see how easily students from our feeder schools also fitted into our school.

### Focused HSC

Next week we will have an initial information session for our Year 10 students heading into Year 11 and it will provide information about the Focused HSC and the expectations of senior studies. We hope as many parents as possible attend this meeting.

### Staying in School Grounds

Just a reminder that all students are expected to stay in school grounds at all times. Only Senior Students (Year 11 & 12) students are allowed down the street after signing out through the Front Office. If your child needs leave the school grounds at any time, please ring the Front Office to seek permission.

If your child forgets their lunch or food, the school will organise their lunch for them.

## Primary News

*Simon Dunn (Assistant Principal)*

### Preschool orientation

Last Thursday was the first of our Preschool Orientation days. It was great to see everyone have a wonderful day and I am sure that everyone is looking forward to the next one.

### PSSA District Athletics

On Friday the 6<sup>th</sup> of June Tooleybuc Central School hosted the Moulamein District PSSA Athletics carnival. It was a fantastic day and our students certainly put in their best efforts. Overall it was very close in the total points with Tooleybuc coming second by only 13 points. As a result we have had 18 students qualify to attend Riverina Regional Athletics Carnival which will be held on Thursday 31<sup>st</sup> July. I know that our students will put in a fantastic effort on the day.

### Riverina Cross Country

On Tuesday 10<sup>th</sup> June we had eighteen students attend the Riverina Region Cross Country trials at Deniliquin. The students that represented our school put in a fantastic effort and I would like to thank all of the parents that travelled with the students on the day, without your support our students would miss out on fantastic opportunities like this one.

### Disco

On Wednesday 18<sup>th</sup> of June the primary students attended the Disco. It was a fantastic afternoon where everyone got involved and had a lot of fun. I would like to thank Sandra for organising a lot aspects for the night, Danny for giving up his time to DJ the event, the parent volunteers that helped out with the distribution of food and drinks and the teachers for attending. Without everyone pitching in events like these would not be possible.

### Year 5/6

*Simon Dunn (Class Teacher)*

It has been a very busy term in the 5/6 classroom with students completing the NAPLAN tests, participating in the ICAS competitions, attending excursions, representing our school at various sporting events and completing a variety of learning activities.

The effort and improvement in student writing since the beginning of the year has been particularly impressive. Following is a sample of some stories that students have written, where the focus was on forming paragraphs in creative stories.

### The Abandoned House

One morning I said to myself "I am going to do something today." As I slurp down my cereal the daily news report comes on. Josh McMarn has been missing for two weeks now. I decide to go for a walk down in the forest. As I'm walking along I see a dilapidated old abandoned house. I did not want to go in there but something just made me.

As I entered the building a shiver goes down my spine as I see a ginormous spider. I walk into a room that has something written on the wall I pull out my iPod to see what it says.

I see an arrow pointing down and saying don't tell the cops. I just notice it is written in blood. I shine my iPod down it's just a long box about the size of a grandfather clock. I open the box in was just a red long plastic bag with a zip. I open the zip and realise my iPod goes flat it is pitch black. I feel inside the bag it is liquidly and has hard bits in it. I feel the walls for a door until I find it as I leave the house and notice my hand is covered in blood. As soon as I realise I notice a note put on my arm it says 'remember about the cops if you don't it's your turn next'.

### The house in the forest

I was running through the old forest with men right behind me, they had guns and swords. Bullets hitting the trees around me. A tree collapses in front of me blocking my path. I had no time to stop so I leaped over the tree like an antelope. A branch thrashed open my leg, blood started pouring out. "I need to get help." I mumbled to myself. I ran for hours and finally I found an old house with spray paint on it and cracked windows. I didn't want to go in but then I saw medical stuff through the window. It looked brand new and it was not open.

I heard voices getting closer and closer. So then I made the decision then and there I had to go in.

I ran over to the old wooden table and a quiet voice said "get away from that." A man came from the shadows with blades from his fists. He strike for my chest, I dogged but it sliced my throat slightly. He pulled his arm back ready to finish it. He stabbed in to my chest. With my last breath, I grabbed the gun bang, bang, bang he hit the ground like a pile of bricks.

### Last Person on Earth??

As Jamie was listening to her iPhone, “What the hell is this? Jamie said to herself, “Well whatever it is I’m going in.” As she put her headphones back into her ears, “Holy son of a stunmuffin, I got 9.9 million followers on instagram. She walked in without a doubt thinking she will come out safe.

“Hello is anybody here? Hello?” ‘Doo Doosh.’  
 “Aaaaaahhhhhh!!!” Jamie screamed as loud as a lions roar. Dading “Oh what was that, a missed call. “Jamie it’s the end of the world a luna eclipse has struck upon all, except one, that is you so live your life and be free. Jamie could see the eclipse and nobody was answering her texts so it had to be true she was the last person on earth alive. . . .

Until knock, knock, Jamie face as white as a sheet of paper, her eyes as big as baseballs, her hair (well it was already an afro). Her hand was shivering as she touched the knob and opened the door.

*Maybe to be continued ...*

### The Mysterious Death

I can hear the crows croaking. I decide to walk towards them as I come to a clearing. There was a gigantic house with cracked windows, a caved in roof and a screechy wind vain.

I walked a bit closer and pushed the door open as the rusty hinges creaked. I took my first step carefully trying not to step on the broken floor boards. I saw a set of winding stairs and cautiously walked up them getting covered in spider webs.

I had found myself blocked by the roof that had caved in. I felt a shiver run up my spine knowing that anything could jump out at me. I slowly turned my head and BAM! I was dead and never to be seen again.

### Killer Goth Cupcake

Emma wakes up on a dark door step as the sky rains down on her. She picks herself up from the cold wet step. Emma looks behind her to find a massive run down building. She stares at the chipped off paint, broken glass, split wooden post and the drooping dead trees.

Emma leans against the huge black doors. They slowly creek open as her foot slips down the stair. Her head comes crashing down with a bang. “What is this place?” Emma asks herself as she slowly gets up from the ground. She shows herself around until she comes to a door that she feels shouldn’t be there.

Emma places her shivery hand on the door knob arguing with herself if she should open it or not. The side that said she should open it won the argument, Emma slowly opens the door. She finds nothing in there but a sheet over something. She rips off the sheet revealing a giant killer Goth cupcake that tries to eat you. Emma sprints out of the room but the cupcake catches up.

### Merit Scheme

To reward our students' positive behaviour Tooleybuc Central School runs a strong Merit Scheme. Students are awarded 'Merit Awards' during the school year and an accumulation of these merits equates to levels.

- Bronze Level 10 Merits
- Silver Level Bronze plus and extra 20 Merits
- Gold Level Silver plus an extra 30 Merits.

Primary students are given a 'Lucky Dip' at the achievement of each level, secondary students are given a \$2.00 voucher to spend at the canteen, then primary and secondary are presented with a certificate at our Whole School Assembly. Those students who achieve Gold Level are invited to attend our End of Year Merit Excursion.

## Secondary News

**Bruce Nield (Head Teacher)**

### Subject Selections

This Thursday students in Year 10 and 11 will be offered a new round of subject selections for 2015. It is important the students consider the following when deciding on future subjects:

- Their interests, not their friends
- Their future career goals
- Whether or not they wish to obtain an ATAR (considering university)

Students will be offered all Category A Board courses and need to consult with parents to ensure they making their decisions in line with the above points.

### PASS Thank You

We would like to acknowledge the parents who have been involved in helping raise money for the Year 9/10 PASS Camp for Term 3. Parents and students have been busy since Term 1 holding fundraisers and barbecues to raise money to go towards the excursion. Some wonderful new ideas for fundraising have come about from parent's initiatives - lasagne drive, a trivia night and morning tea. All students attending the camp would like to thank everyone involved in fundraising, including all the women in the office who have distributed notes and handled the accounts.

### Mathematics

**Brett Ramsay (Teacher)**

Students in Year 7 have successfully completed their Half Yearly Examinations and their results were extremely positive. Students have been busy developing their understanding of the different types of angles and are now moving onto probability. Students are reminded to bring in their home learning each Monday and must ensure they are prepared for each lesson with the correct equipment.

### Year 9 Mathematics

**David Gile (Mathematics Teacher)**

Year 9 are finishing Financial Mathematics. They have learnt about wages, taxes, expenses and simple interest. We have also spent time analysing prices in supermarkets and how they can trick us with their pricing.

### Stage 5.3 Mathematics

**Bruce Nield (Mathematics Teacher)**

Students in this class this term have been studying financial mathematics, incidies and algebraic equations. This has been also accompanied by their

first Mathematics Project on linear and non-linear equations. Students found this quite challenging but still produced real world estimations of road works, bullet trajectories and rollercoaster design using what they have learned in class this year.

### Transition Year 6 into Year 7

Jake and Sam enjoying Visual Art during Transition

### Work Placement

Aaron showed his chopping skills whilst on Work Placement at the Tooleybuc Sporting Club.

**GEM**

This year in secondary we have added another layer to our student monitoring. Gauging Educational Merit (GEM) is a program where students are ranked in every subject each fortnight according to their application and behaviour during class. These rankings from each class are averaged to provide each student with a GEM average.

**Gauging Educational Merit (GEM)**

Class score	Description	GEM Average	Result
10	Outstanding effort		
9 +	High level of effort	9-10	Maintain average for a term to receive canteen voucher and certificate
8	Sound effort	8-9	Maintain average for a term to attend reward BBQ
7	Satisfactory effort		
6	Limited effort (causing some concern)		Monitoring in the subjects where your score is below 7, reporting to class teacher
5	Poor effort (unsatisfactory)	5-6	Monitoring in all classes, reporting to Mr. Nield daily. Extra curricula privileges may be removed
1	Poor effort & behaviour, non submission of tasks	1-5	Monitoring in all classes, reporting to Ms Wait daily. Not allowed to attend excursion and extra curricula activities

**Do you have a child in year 4, 5 or 6?**

Have you missed out on thousands of dollars?

In 2001 the Government introduced the 'First Child Tax Offset' and surprisingly many Australians did not know about it and have NOT claimed any benefits. If you have **ANY** child that was born between 1 July 2001 and 30 June 2004 you may be eligible to receive up to \$12,500 of entitlements.

The government has a 30 June 2014 deadline on this entitlement so please email [childoffset@twelve.com.au](mailto:childoffset@twelve.com.au) today to receive more information.

**VOLUNTARY CONTRIBUTIONS 2014**

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year. These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Technology Fee	All Years K to 12	\$10.00
Current voluntary contributions	Infants and Primary	\$40.00
	Years 7 + 8	\$85.00
	Years 9 + 10	\$45.00
	Years 11 + 12	\$45.00
