Elective Selection 2015

Students in Years 10 and 11 will have their electives form handed in by the end of today – please contact me on Monday if for some reason your child has not submitted this form. I have sat down with every student in these years this week to discuss their interests and career directions as part of choosing their electives. The Lines for 2015 and projected lines for 2016 will be distributed at our next Stage 6 meeting on the 13th of August at 1:45pm in the Computer Lab, which parents are encouraged to attend.

The Stage 5 2015 (Years 9 and 10 in 2015) Electives meeting will be held on the 19th of August at 11:20am in the Computer Lab, which parents are encouraged to attend. This meeting will cover the requirements for Years 9 and 10 in NSW Schools and how the ROSA (Record of School Achievement) works for Stage 5 students.

Fairfax

Ten students from Years 7 to 9 have commenced their involvement in this year's Fairfax Festival. I thank the Fairfax Festival for sending Ryan McRobb, Tamara Lee and Erin Timms to our school. Students are looking at integrating technology into performance and will be part of the Festival on the 19th of September in Swan Hill.

Debating

Congratulations to our Stage 3 debaters who won against Finley Public in their Round 5 debate. They were the affirmative and the topic was 'All primary classes should have cooking lessons.'

New Staff

We welcomed Tammy Pethers this fortnight, replacing Emma Gentle as a learning aide providing support to our primary students. We also welcome to our casual staff Ms Zoe Fuller who has recently completed a practicum at our school.

Year 7, 8 and 9 students participated in Fairfax Festival planning.

Merit Scheme

To reward our students' positive behaviour Tooleybuc Central School runs a strong Merit Scheme. Students are awarded 'Merit Awards' during the school year and an accumulation of these merits equates to levels.

Bronze Level	10 Merits
Silver Level	Bronze plus and extra 20 Merits
Gold Level	Silver plus an extra 30 Merits.

Primary students are given a 'Lucky Dip' at the achievement of each level, secondary students are given a \$2.00 voucher to spend at the canteen, then primary and secondary are presented with a certificate at our Whole School Assembly. Those students who achieve Gold Level are invited to attend our End of Year Merit Excursion.

"I don't like that"

Having trouble with fussy eaters? Try these following tips:

- No one food is essential, try to offer children a variety of choices from each food group, it is possible to receive similar nutrients from a number of foods within each food group.
- Offer food and then take it away if not eaten, it is best not to make a fuss. If the child is hungry later, re-offer the same food rather than something extra.
- Encourage children to at least try each food on their plate. It may help to serve new foods with at least one food you know the child likes.
- Involve children in shopping and cooking, this will often increase their interest in eating.

Primary Debating

Last Thursday we had two primary debating teams travel to Deniliquin to participate in a Debating Gala Day against students from Deniliquin, Finley and Mayrung. It was a fantastic day with all of the debaters putting in a good effort.

I would like to thank Scott for helping to transport students over for the day.

Canberra

On Monday the 5/6 class will be departing for our excursion to Canberra and the Snow. Please make sure that you are at school by 5:45am at the latest as we are departing at 6:00am sharp.

Year 1-2

Michelle Jenvey (Class Teacher)

Students in Year 1-2 have already been quite busy participating in many class activities across all Key Learning Areas.

In our English sessions, students have been learning and practising to play some games to help facilitate the building of skills in this area.

One game which students have found to be extremely challenging is “Shivers Me Timbers”. In this game students have to navigate their way around the game board collecting initial, middle and final sounds to make words. The first student to make 6 words spelled correctly is the winner.

In this game Murdoch is making a move while Jayla, Alexander and Kayla watch.

Alexander and Alesha are discussing and predicting the changes that may take place with some objects we photographed last week when playing “I Spy”.

This is the beginning of our Science unit “Up, Down and all Around”.

Games are also an integral part of learning in Mathematics. They help to build and improve the skills that students already have. The games are fun and the students don’t realise just how much learning they are doing during them.

In this game of “Wishball”, Kusi is deciding whether to select a ‘hundred’, ‘ten’ or ‘one’ to reach the target number. This is a game where students use place value to reach a target number.

In the game, “Find the Bone”, Quinton has one minute to locate the ten numbers on a hundreds chart. All students have made improvements in this game.

Secondary News

Personal Development, Health and Physical Education

Benjamin Miller (Class Teacher)

Year 7/8 have been investigating risk taking behaviours and preparing them to make safe and sensible decisions in PE.

The Year 9/10 PASS class is very excited for their Snow Trip on the 3rd of August to Perisher snowfields with Barham High School. This trip will be an exciting weeklong excursion, which will test their coordination, skill and balance while experiencing a new sport.

So far my introduction to Tooleybuc Central School has been a wonderful, pleasant and an exciting experience. I have been welcomed into the school with open arms by the staff and students. All of the students have been an absolute pleasure to teach and I am looking forward to helping the students to develop new skills and opportunities while maintaining an exciting school life.

Career News with Mrs Morton

Year 10 Work experience at Tooleybuc Central has begun with three of our students undertaking a week at various accountancy firms in Swan Hill. Rachael Hoare attended PDF Accounting Jaide Berg attended Logan & Hall Harry Hickey attended Poole and Associates. All students thoroughly enjoyed their week and were treated to a lunch on the Friday at the Swan Hill Club after touring Swan Hill to view some of the different areas accountants work in. All of our students gained very positive reports from their employers and represented the school wonderfully. This week Harry Hickey is completing a week in electrical with Billy Charnock and I look forward to reporting on his week in the future.

A BIG reminder to all Year 10 students to get their paperwork in for work experience ASAP.

Harry, Jaide and Rachael at Accountancy Work Experience with other students from Swan Hill.

Mock Interview Day is rapidly approaching (14th August) and students need to be getting organised for this important event. All students need a copy of their latest resume, and a completed application letter for a “mock job”. In addition they should have organised a portfolio of relevant certificates and awards. Students need to dress appropriately for an interview so please make sure your child has appropriate attire.

Reminders

- **Environmental and Marine Careers Expo** – 4.30-8pm, 7 Aug; Melbourne Aquarium; Bookings: 9923 5911, bookings@melbourneaquarium.com.au; www.melbourneaquarium.com.au/schools.

YEAR 12'S APPLYING FOR COURSES FOR 2015 – The application process for university and vocational education places is done through an organisation called the Victorian Tertiary Admissions Centre (VTAC). Applications are completed on line at www.vtac.edu.au. Applications open on Monday 4 August, and will cost \$28.00 if done on time (ie by 30 Sept).

OPEN DAYS – University and TAFE Open Days are coming up soon. They are a great way to find out more about courses, collect information, talk to staff and students, and to check out facilities. Year 10-12 students are advised to attend.

OPEN DAY DATES FOR YOUR DIARY -

Sat 2 Aug **Monash** University (Berwick & Peninsula campuses)
 Sun 3 Aug **Deakin** (Warrnambool), **Monash** (Caulfield & Clayton), **Swinburne**
 Sun 10 Aug **Australian Catholic Uni (ACU)** (Melbourne), **Deakin** (Geelong), **RMIT** (Bundoora, Brunswick, City)
 Sun 17 Aug **La Trobe** Uni (Bendigo), University of **Melbourne**; **Monash** (Parkville – no longer on 3 Aug – visit Monash Parkville the same day as you visit Melbourne Uni)

Sun 24 Aug **Box Hill Institute, Deakin** (Melbourne), **La Trobe** (Melbourne), **Victoria, William Angliss** Institute
 Sun 31 Aug **ACU** (Ballarat), **Federation Uni** (Ballarat & Gippsland)
Holmesglen – has 'Open Wednesday' each week – see their website to book a visit.

HOW TO GET THE MOST OUT OF OPEN DAY VISITS –

Don't wander aimlessly...try the following:

- Get an **Open Day Guide** eg from www.deakin.edu.au/openday, www.openday.unimelb.edu.au, or <http://destination.monash/open-day>. Plan to be at Open Day when relevant **information sessions** are scheduled
- Allow **sufficient time** for your visit; two hours or so would be advisable
- Speak to **staff** about courses which interest you - note your **questions** beforehand
- Get a student perspective - speak to **students** studying courses which interest you
- Collect **information/brochures**
- Ask about **industry based-learning** (IBL) opportunities; these can assist with gaining employment
- Ask about **international study** opportunities – a popular option
- Consider **transport** issues; is the campus accessible from where you live?
- Check the **environment** where you will study; will you be happy there for three/four years?
- Consider the **facilities/clubs** offered at your preferred institution
- Consider visiting a **rural campus**, especially if you think you won't obtain a high enough ATAR for a metropolitan campus. ATAR's are often lower and they often offer more personal assistance, accommodation, and a lifestyle which will suit some students.

NOTE: If you plan to apply for a course involving an **interview/folio presentation/ audition** as part of the selection process, **attendance is A MUST!** You might be asked what you learned at Open Day.

ANOTHER CAREERS EXPO – The **Melbourne Careers Expo** is a careers and education event with 180+ exhibitors from many occupations, information from universities, VET, private providers, 'try a trade', seminars, GAP year, and government student services. **When:** 15-17 August; **Where:** Melbourne Exhibition Centre; **Info:** info@careerexpo.com.au, www.careerexpo.com.au (NOTE: Free tickets available from this website).

MONASH UNIVERSITY NEWS - PHARMACY AND PHARMACEUTICAL SCIENCE – Monash Parkville campus will hold an '**Open House**', 10am-3pm, Sun 17 Aug (same day as **Melbourne's Open Day**). Pharmacy will also be represented at **Monash Clayton's Open Day**, Sun 3 Aug. **Info:** www.monash.edu/pharm/openhouse.
MEDICINE, NURSING AND HEALTH SCIENCES UPDATE –

- **Physiotherapy** – as previously stated, the **UMAT and ISAT** are **not required** for 2015 entry. An interview is still required and will be offered based on applicant's academic record.
- **Radiography and Medical Imaging** – an **interview has been introduced** as an extra requirement for entry to this degree. Applicants will be invited to attend an interview based on their academic performance. The interview will involve 4 MMI (Multiple Mini Interview) stations. NOTE: find out more about radiation oncology careers: www.acareerinradiationoncology.com.au.
- **Bachelor of Nursing (Community Health)** – Berwick campus won't have an intake for this degree, but will have the **Bachelor of Nursing** from 2015 (VTAC - listed with Clayton and Peninsula).
- **Direct Entry MBBS** – Monash is the **only Victorian university** offering Year 12 students who aspire to become a doctor the option of applying directly to the **B. Medicine and B. Surgery** program from school. There are 242 places for domestic students and 65 for internationals.
- **Discontinued courses for 2015** –
 - ✚ The **B. Nursing and B. Emergency Health** (Peninsula campus). Students can alternatively study a B. Nursing followed by a Master of Emergency Health **OR** a B. Emergency Health (Paramedic) followed by a Master of Nursing Practice.
 - ✚ The **B. Health Science and B. Business** (Caulfield campus).

ARE THERE STILL JOBS IN JOURNALISM? Career Practitioners at a conference at **Monash Uni**, heard about opportunities in journalism. Journalism is **not in decline**; it is **newspapers that are in decline; newspapers and journalism are not the same thing**. The **digital era** that is destroying the old business model is **opening up opportunities**. We are entering an age where we can **combine all media** to tell our stories. Skills needed include **enterprise, independence and resourcefulness**. Jobs in media are **fragmenting** with online opportunities proliferating. Journalists need to: **think critically, understand the concepts of evidence and impartial argument, find stories, research, interview, write, edit, know the difference between good/bad writing, and digital skills in content creation and distribution**. With the skills of journalism, you are a good fit for jobs in many areas such as PR, communications, speechwriting and producing. NOTE: Journalism can be studied at most universities.

WHAT ABOUT SURVEYING? Surveying offers opportunities for those looking for a diverse and varied career. The national demand for surveyors means graduates are more likely to secure jobs in surveying compared with many other professions. Surveyors get to work indoors and outdoors, taking precise measurements using specialised technology, then analysing and interpreting the results. Students interested in maths, geography, physics and science could be suited to this career.

DEAKIN UNIVERSITY NEWS - BACHELOR OF DESIGN TECHNOLOGY – There is a trend to increasingly adaptive industries, where manufacturing and product development companies are becoming smaller and adopting more diverse interests and product lines. The industry needs versatile, technologically-minded people with design, project management and organisational skills to drive innovation. Commencing in 2015, **Deakin’s B. Design Technology** has design and innovation as core focus. Gain design skills for application in technological settings, and an understanding of using technology to enhance design and product development. Graduates will be able to create and design consumer, sports, medical or industrial products. **Where:** Waurm Ponds; **Prerequisite:** English

BACHELOR OF PLANNING (HONOURS) – As cities grow, there is increasing demand for planners to manage change. This new Deakin degree brings together disciplines of planning, design, urban studies and society in one degree. **Where:** Geelong (Waterfront); 4 years; **Prerequisite:** English.

GEM

This year in secondary we have added another layer to our student monitoring. Gauging Educational Merit (GEM) is a program where students are ranked in every subject each fortnight according to their application and behaviour during class. These rankings from each class are averaged to provide each student with a GEM average.

Gauging Educational Merit (GEM)

Class score	Description	GEM Average	Result
10	Outstanding effort		
9 +	High level of effort	9-10	Maintain average for a term to receive canteen voucher and certificate
8	Sound effort	8-9	Maintain average for a term to attend reward BBQ
7	Satisfactory effort		
6	Limited effort (causing some concern)		Monitoring in the subjects where your score is below 7, reporting to class teacher
5	Poor effort (unsatisfactory)	5-6	Monitoring in all classes, reporting to Mr. Nield daily. Extra curricula privileges may be removed
1	Poor effort & behaviour, non submission of tasks	1-5	Monitoring in all classes, reporting to Ms Wait daily Not allowed to attend excursion and extra curricula activities

VOLUNTARY CONTRIBUTIONS 2014

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year. These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Technology Fee	All Years K to 12	\$10.00
Current voluntary contributions	Infants and Primary	\$40.00
	Years 7 + 8	\$85.00
	Years 9 + 10	\$45.00
	Years 11 + 12	\$45.00
Industrial Technology	Year 9 + 10	\$50.00 plus materials
	Stage 6	\$80.00 plus materials
Design and Technology Food:	Year 9 + 10 elective	\$60.00
Hospitality	Year 11 & 12	\$150.00 or \$60.00 plus \$7.00 per practical lesson

To all Parents and Carers

We are calling for any parent or carer who can spare a Friday once a month to help out on canteen. The more that volunteer the less individuals have to do.

We have had several volunteers become unavailable to help over last term, due to work etc.

Thank you to all volunteers who helped in the Canteen this year. More volunteers are always welcome.

If you are unable to do duty on your rostered day please contact someone else on the roster and arrange a swap.

Contact Leisa Lyons on 0488 305071 if you have any queries.

Canteen duty is from
10:30 am until 2.30pm.
