Bucket Filling / Bucket Dipping

As part of the school's ongoing implementation of the *KidsMatter* program, we have a focus on students be careful about how they speak to others and whether or not what they say '**fills someone's bucket**' (is positive and building up others) or '**dips into someone's bucket**' (is negative and tearing down others).

This language is being used well by most children in Primary, and could be further improved by encouraging its use beyond the school. Part of our reasoning for using this program is that it is being used Victorian schools in our area. This will enable our children to have common language with family members such as cousins the same age and other children the same age to make sure children build up each other to have healthy self-esteem and resilience.

Bush Dance

This year the school will be holding a Bush Dance on the 13th of November at the school in the evening. During the day leading up to this, students will be engaged in practice with older students assisting younger ones as part of a whole school activity. We encourage our children to be proud of their

heritage as part of rural Australia and are looking forward to celebrating our culture and history.

Stage 5 Subject Selections

Next Tuesday parents of students in Years 8 and 9 are cordially invited to attend the Stage 5 subject selection meeting at 12pm. This meeting will outline the requirements of the Record of School Achievement (the replacement for the old School Certificate). At this meeting TAFE options will also be discussed for early commencement for Stage 6 courses. Due to regulatory changes, this year, Mr Nield or Mrs Morton must be notified by September the 1st if students wish to study these VET courses in 2015. Students attended a TAFE talk at the school on Wednesday this week as part of being informed of the options available through SuniTAFE.

My role

I have been informed that I will be continuing on as Relieving Principal until Melanie Wait returns from her maternity leave in 2015. I am enjoying the opportunity to discuss with parents and teachers the challenges and success of our children each day. As part of this, we have begun our School Planning for 2015-2017. Surveys to parents and children at the school in Term 3 will be part of this process, as well as more detailed consultation with parents in Term 4.

Year 5/6 enjoy the snow on their way to visit Canberra.

Ice Forum

The Tooleybuc Community hosted an Ice Information Night on Tuesday, with over 250 people in attendance the aim of the evening was to inform people as to what ice is, how it works, what effect it has on someone and what you can do should you suspect someone close to you is using this drug.

The evening was very informative, with Crois O'Mahoney delivering a presentation that provided more information about the drug. This was followed by a question and answer session with a panel of experts, which included Dr Michael Moynihan (Swan Hill Medical Group), Andrew Downes (Vic Police), Chris Harland (NSW Police), Elwyn Witney (Swan Hill Mental Health) and Crios O'Mahony (Pennington Institute), who answered a range of questions from the audience.

Those who attended walked away with some insight into what part they can play in minimising the prevalence and impact ice and other drugs have in our society. Once again thank you to all the organisations who made donations without this support we couldn't have organised an evening like this.

Georgina Douglas
Community Health

Merit Scheme

To reward our students' positive behaviour Tooleybuc Central School runs a strong Merit Scheme. Students are awarded 'Merit Awards' during the school year and an accumulation of these merits equates to levels.

| | |
|--------------|---------------------------------|
| Bronze Level | 10 Merits |
| Silver Level | Bronze plus and extra 20 Merits |
| Gold Level | Silver plus an extra 30 Merits. |

Primary students are given a 'Lucky Dip' at the achievement of each level, secondary students are given a \$2.00 voucher to spend at the canteen, then primary and secondary are presented with a certificate at our Whole School Assembly. Those students who achieve Gold Level are invited to attend our End of Year Merit Excursion.

Primary News

Simon Dunn (Assistant Principal)

Canberra

Last week the students in Years 5 and 6 participated in an educational tour of our national capital. The students participated in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of \$30.00 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.

Everyone had a wonderful time, with the day at the snow being the star attraction of the week. I would like to thank the parents Sam, Devon, Steve and Leisa as well as Miss Bruton for coming along for the week. Without your assistance the excursion would not have been as enjoyable as it was for all.

Year 5/6 enjoying the snow

Ryan and Jenae dressed as Members of Parliament

Year 5/6 bopping at the Disco

Brees, Sara and Cooper check out their speed on the bicycles.

Jump Rope for Heart

On Thursday the primary students participated in the Jump Rope for Heart activities. The Year 6 students put in a wonderful effort in organising the activities for the groups to participate in and everyone had a great time. The students raised \$1138.75. I would also like to thank Mrs Jenvey for organising the event.

Jessika, Jett and Nancy enjoying the Jump Rope for Heart.

Year 3/4

Ashlea Bruton (Year 3/4 Teacher)

In Mathematics, Year 3/4 have been learning all about angles and special quadrilaterals. In small groups, students used chalk to draw all the different types of special quadrilaterals and their features. Year 3/4 are now quadrilateral experts and would love to tell you all about them.

"We learned that a rectangle has two pairs of parallel lines". By Quin, Paul and Angela.

"We learned that all sides and angles are equal in a square". By Summer, Noah and Dallas

"We learned that a parallelogram has no right angles". By Saoirse, Ben and Emma.

"We learned that a trapezium can be drawn differently and sometimes they have right angles" By Hiva and Tara.

"We learned that a Rhombus looks like a squashed square". By Mackie and Jack.

"We learned that it has two pairs of equal lines". By Mitch and Taylen.

Secondary News

PASS Snow Excursion **Ben Miller (Teacher)**

Last week 15 Year 9/10 PASS students were lucky enough to attend the Tooleybuc and Barham School Snow Trip. This trip gave the students the opportunity to explore a new area of Australia while giving them the chance to see snow for the first time. The students enjoyed a snowboarding or skiing lesson every morning with qualified instructors and then free time in the afternoon to perfect the skills developed in their lessons. This saw students picking up new skills very quickly, with everyone successfully skiing and snowboarding by the end of the first day. There were many spills and thrills which were all part of the fun. I was told on multiple occasions just how polite and nice the Tooleybuc students were by a variety of people that had contact with the students. This made the trip a pleasure for myself to attend, so thank you to all the students who attended. A huge thank you to the parents and carers that were available for transport to and from Barham High School both early morning and late evening.

Year 9/10 waiting to use the snowboards

Year 9/10 waiting to use the snowboards

Tooleybuc and Barham students relax after a day of skiing and snowboarding.

HSIE **Ben Miller (HSIE Teacher)**

Year 7/8 have been looking at Ancient India and investigating how Ancient India has influenced our culture today. They have received their assessment task for this topic which is due on the 5th of September.

During Geography 7/8 have been looking at Global Issues we have been faced with and how they as a citizen can help to rectify these Global Issues.

Year 9/10 have been working on their Australian History assignment as it is due Friday the 15th of August.

Geography Year 9/10 **Leeta Rutherford (HSIE Teacher)**

The students are currently exploring 'Australia in its Regional and Global Contexts'. This term they have already looked at regional and global links for aid, communication, culture, defence, migration, tourism, trade and sport. They have also looked at Australia's boundaries and its geographical neighbours. By the end of this term the students will have explored one of the regional and global links in more detail, looked at treaty writing and undertaken a class debate about population. They will end this unit by pulling together what they have learned, seen and heard into a magazine article (multimedia presentation).

Career News with Mrs Morton

Year 10 Careers

Students in Year 10 this week were involved in **mock interviews**. This required the students writing a letter of application for a job, completing a resume and portfolio and dressing for the occasion. Students

were then required to attend a “mock interview” with a panel of 3 community members. All students did a great job and overcame any nerves they were encountering. The day helps prepare students for a real interview and helps them understand the processes involved in applying for a job. In addition students gain valuable communication and presentation skills. Well done to all students involved and a big thankyou to all panel members: Darrell Fishpool, Lois Lockhart, Jenny Arblaster, Greg Sylvester, Sandra Scalora, George Dajczer, Kaylene Gleeson, Sharon Rogers and David Thompson. Without the support from these community members it would be difficult to run such an invaluable program.

Rachael interviewed by David Thompson, Sharon Rogers and Kaylene Gleeson

Year 10 students all dressed ready for their interviews.

Year 10 students are also getting ready for **work experience** with most students having completed the necessary paperwork. Harry Hickey completed his second week with Billy Charnock electrical and received an excellent report from them. Well done Harry.

Cody interviewed by Jenny Arblaster, Lois Lockhart and Darrell Fishpool.

Jason, interviewed by George Dajczer, Sandra Scalora and Greg Sylvester

John serves appetisers from the VET Hospitality class.

Reminders

- **Careers Expo** - 15-17 August; Melbourne Exhibition Centre; Info: info@careerexpo.com.au, www.careerexpo.com.au (NOTE: Free tickets available from this website).
- **Pharmacy and Pharmaceutical Science at Monash Parkville - 'Open House'**, Sun 17 Aug; Info: www.monash.edu/pharm/openhouse.

OPEN DAY REMINDERS -

Sun 17 Aug **La Trobe** Uni (Bendigo), **Melbourne; Monash** (Parkville)
 Sun 24 Aug **Box Hill, Deakin** (Melbourne), **La Trobe** (Melbourne), **Victoria, William Angliss**
 Sun 31 Aug **ACU** (Ballarat), **Federation** Uni (Ballarat & Gippsland)
Holmesglen – has 'Open Wednesday' each week – see their website to book a visit

RMIT FLIGHT TRAINING OPEN DAY – Visitors can take guided tours of the facilities, find out about booking a trial introductory flight, and get advice from flight instructors and staff on how to start a career as a professional pilot. **When:** 10am-4pm, Sunday 31 August; **Where:** RMIT Flight Training, Point Cook site, Building 202, Williams Rd, RAAF Base, Point Cook.

PHARMACY AT MONASH UNIVERSITY – The Faculty of Pharmacy and Pharmaceutical Sciences will kick off **National Science Week** with an **Open House at the Parkville campus**. This is an extension of open day, showcasing courses and demonstrating how fun and inspiring science can be. One lucky visitor will take home a \$5000 prize pack including travel vouchers, a bicycle, Monash goods, an iPad and \$2000 cash. Tours will include a journey through the drug discovery pipeline; see first-hand how pharmaceutical scientists create, formulate and test medicines. The event coincides with the University of Melbourne Open Day, a short distance away on Royal Pde. **When:** 10am-3pm, Sun 17 Aug; **Info:** www.destination.monash/open-house/

YEAR 12 NEWS -

- **VTAC APPLICATIONS** – Applications for university, VET and private provider courses for 2015 **open on Monday 4 August** through the Victorian Tertiary Admissions Centre. Any Yr 12 student wishing to apply for courses needs to visit www.vtac.edu.au. Timely applications close on 30 Sept. After that the application fee rises from \$28 to \$93. You can apply for up to 12 courses, placing them in the order you most want them. You will receive an offer in January for the highest course in your list for which you meet the requirements (eg ATAR). Make sure you check

out prerequisites and the selection criteria for all courses for which you are applying.

- **SPECIAL ENTRY ACCESS SCHEME (SEAS)** – The Victorian Tertiary Admissions Centre (VTAC) **2015 Guide** has a section about SEAS (pages 30-43), www.vtac.edu.au/who/seas.html. Read this to see if you are eligible for **any special consideration** for your course application. There are **five categories of disadvantage**. **NOTE:** SEAS applications are made on the VTAC website, but can only be done after applying for courses (SEAS applications close: 7 October).
- **THINKING OF SCHOLARSHIPS AFTER YEAR 12?** Most institutions listed in the VTAC Guide have a number of scholarships available to applicants. Scholarships either require a direct or VTAC application. Read the Guide (Pages 44-50), see the VTAC website, and institution websites. Some scholarships appear in the body of the VTAC Guide course descriptions (eg Swinburne Information Technology (Scholarship Program), page 469).
- **ACCESS MELBOURNE** – '**Access Melbourne**' (University) provides educational opportunities for students from a range of backgrounds enrolling in undergraduate degrees. The University has a **selection guarantee** for eligible applicants in the following Access Melbourne categories:
 - ✚ **Disadvantaged financial background**
 - ✚ **Applicants from rural or isolated areas**
 Those who complete an Australian Year 12 or the IB in 2014 and are eligible for one or both categories, are **guaranteed a Commonwealth Supported Place** in undergraduate degrees, providing they meet the course prerequisites and achieve the following ATAR or notional ATAR: **Arts, Environments, Science – ATAR 78+; Commerce – ATAR 88+; Biomedicine – ATAR of 95+**. If a student's ATAR is below these, they will still be considered for a place. Applicants eligible for other **Access Melbourne** categories will be considered individually; www.access.unimelb.edu.au.
- **B. FINE ARTS AT THE UNIVERSITY OF MELBOURNE** – Some specialisations of the **B. Fine Arts** at the **Southbank campus** require VTAC applications to be completed earlier than the usual closing date (5pm (EST), 30 Sept). The specialisations of **Animation, Film and Television, and Screenwriting** require applications by 5pm (EST) on **29 August**. The **Dance** specialisation has a timely closing date of 29 August to guarantee a live audition. The final closing date is 5pm (EST) on 7 November and applicants will not be guaranteed a live audition.

WHAT IS INDUSTRY BASED LEARNING?

IBL is a joint venture between university educators and employers offering students relevant **paid industry experience**. It is offered by several universities, sometimes taking place for six or 12 months prior to completing the final year of the degree. Monash offers IBL to IT students, with a full-time, paid (\$17,000), 22 week placement at a leading company. This particular placement counts towards the degree. Swinburne offers IBL in a large range of their degrees. Check out other IBL opportunities at university Open Days. It is a great way to get work experience, perhaps leading to employment.

PARENTS AND UNIVERSITY EDUCATION –

Universities know parents play an important role in providing advice, information and support to their children as they plan the future and consider options. Melbourne Uni has some online resources for parents/guardians to help understand the options, entry requirements and what is on offer. See www.futurestudents.unimelb.edu.au/parents.

WHY STUDY PHYSICS? Physics explores our universe at a fundamental level. It provides the basis for many existing technologies (eg computers, lasers, medical imaging, power generation, and so on). It provides the basis for many emerging technologies (eg nanotechnology, quantum computing, atomtronics, and so on). Physics graduates are skilled in **empirical reasoning, computational modelling, problem solving and analytical thinking, data analysis, and written and oral communication**. Physicists find employment as acoustical physicists, accelerator physicists, astronomers, biophysicists, climate modellers, and so on. They work in industry, for government, in hospitals, universities, and the financial sector. **Future careers** that will use physicists are atomtronics, complex systems modelling, quantum computing, space industry, spintronics, synthetic biology, functional materials, energy technology, security and data protection. Amazing! **For information about studying physics at Monash University, see www.physics.monash.edu**.

OCCUPATIONAL THERAPY –‘Explore

Occupational Therapy as a Career’ at an **information and demonstration evening** for those considering it as a career. Hear from OT’s experienced in spinal rehabilitation, hand therapy, mental health, neurology and more. **When:** 5pm registration, then 5.30-8pm, Thurs 11 Sept; **Where:** Education Precinct. Level 4 Austin Tower, Austin Hospital, Studley Rd, Heidelberg; **Book:** renee.bartlett2@austin.org.au by 5 Sept (max two attendees per reservation).

Keep brains ticking

If your child is working on a personal project or a school assignment don’t forget www.SchoolAtoZ.com.au has lots of information and fact sheets to help with homework.

For students polishing their spelling skills, the free Spelling Bee mobile app also allows them to record a list of their own words and then test themselves. You might even want to challenge them with a list you create. Here’s where you’ll find the free app to download: <http://bit.ly/Q9ez0G>

GEM

This year in secondary we have added another layer to our student monitoring. Gauging Educational Merit (GEM) is a program where students are ranked in every subject each fortnight according to their application and behaviour during class. These rankings from each class are averaged to provide each student with a GEM average.

Gauging Educational Merit (GEM)

| Class score | Description | GEM Average | Result |
|-------------|--------------------------------------------------|-------------|-----------------------------------------------------------------------------------------------------------------------|
| 10 | Outstanding effort | | |
| 9 + | High level of effort | 9-10 | Maintain average for a term to receive canteen voucher and certificate |
| 8 | Sound effort | 8-9 | Maintain average for a term to attend reward BBQ |
| 7 | Satisfactory effort | | |
| 6 | Limited effort (causing some concern) | | Monitoring in the subjects where your score is below 7, reporting to class teacher |
| 5 | Poor effort (unsatisfactory) | 5-6 | Monitoring in all classes, reporting to Mr. Nield daily. Extra curricula privileges may be removed |
| 1 | Poor effort & behaviour, non submission of tasks | 1-5 | Monitoring in all classes, reporting to Ms Wait daily. Not allowed to attend excursion and extra curricula activities |

VOLUNTARY CONTRIBUTIONS 2014

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year. These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

| | | |
|---------------------------------|----------------------|------------------------------------------------------|
| Technology Fee | All Years K to 12 | \$10.00 |
| Current voluntary contributions | Infants and Primary | \$40.00 |
| | Years 7 + 8 | \$85.00 |
| | Years 9 + 10 | \$45.00 |
| | Years 11 + 12 | \$45.00 |
| Industrial Technology | Year 9 + 10 | \$50.00 plus materials |
| | Stage 6 | \$80.00 plus materials |
| Design and Technology Food: | Year 9 + 10 elective | \$60.00 |
| Hospitality | Year 11 & 12 | \$150.00 or \$60.00 plus \$7.00 per practical lesson |

Wanted

Second hand uniforms in good condition. If your child has outgrown their uniform please consider donating it to the school.

LOST UNIFORMS

Please name your uniforms so we can return items that are misplaced.

School Bags

Tooleybuc Central School has school bags which are available to purchase from the front office.

Large \$58.00

Tooleybuc Central School Uniforms

STUDENT ASSISTANCE SCHEME APPLICATION FOR SUPPORT

If you would like an application for support please contact the school.

Canteen Menu 2014

Term 3

Lunch (all hot food must be ordered)

| | |
|-------------------------------------------------|--------|
| Pie | \$3.00 |
| Pastie | \$3.00 |
| Sausage Roll | \$2.00 |
| Party Pie | \$1.00 |
| Mini Pizza (Ham & Pineapple or Ham & Cheese) | \$2.00 |
| Dim Sims (soy sauce – no extra charge) | \$0.50 |
| Chicken Nuggets | \$0.50 |
| Tomato Sauce | \$0.20 |

Snacks (do not include in lunch order, students to purchase at lunch time)

| | |
|-----------------------------------------------|--------|
| Muffins (Double Choc) | \$1.60 |
| Bulla Frozen Yogurt (Strawberry and Mango) | \$1.60 |
| Billabong Triple Swirl | \$1.50 |
| Chips (Honey Soy) | \$1.00 |
| Raspberry Twists | \$0.20 |

Drinks

| | |
|-----------------------------------------------------------------|--------|
| Big M (Chocolate, Strawberry & Iced Coffee) | \$2.00 |
| Play water - 350ml (purple, lemonade, red, fruit tingle) | \$2.00 |
| Prima (as drink or frozen) (apple/blackcurrant and tropical) | \$1.20 |

Lunch orders are to be written on a paper bag including students name and year (with money inside). Orders are then to be taken to front office by students or sent with the rolls.

Please remember to include only hot food and drinks on student's lunch orders. All snacks are to be purchased from the canteen at lunchtime.

Please note Raspberry Twists are now **.20c** each

CANTEEN ROSTER**Term 3**

| | | |
|--------|-----------------|-------------------|
| 22-Aug | Leisa Lyons | Linda Gordon |
| 29-Aug | Sharon Rogers | Brenda McClelland |
| 5-Sep | Kellie Edelsten | Larissa Andrews |
| 12-Sep | Tracey Domaille | Roxy Chapman |
| 19-Sep | Jenny Arblaster | Melissa Thompson |

To all Parents and Carers

We are calling for any parent or carer who can spare a Friday once a month to help out on canteen. The more that volunteer the less individuals have to do.

We have had several volunteers become unavailable to help over last term, due to work etc.

Thank you to all volunteers who helped in the Canteen this year. More volunteers are always welcome.

If you are unable to do duty on your rostered day please contact someone else on the roster and arrange a swap.

Contact Leisa Lyons on 0488 305071 if you have any queries.

Canteen duty is from
10:30 am until 2.30pm.

Flu season is here!

Influenza is spread from person-to-person through the coughing or sneezing of infected people. Remind your child about these good hygiene practices to minimise the spread of infection:

- Anyone who is sick with influenza symptoms should stay home until their symptoms are gone.
- Cover the nose and mouth with a tissue when coughing or sneezing. Throw the tissue in the garbage bin after use.
- Wash hands often with soap and water, especially after coughing or sneezing. Alcohol-based hands cleaners are also effective.

- Avoid touching eyes, nose or mouth. Germs spread that way.

If you or your child develops influenza-like illness, seek the advice of your family doctor as you would with any other illness.

The seasonal influenza vaccine, which protects against the pandemic influenza strain as well as two other influenza strains, is now available free to eligible people. More information about the vaccine is available from the NSW Health Immunisation Unit's [vaccination page](#).

Previous vaccination with the pandemic influenza vaccine, Panvax® is not a barrier to also receiving the seasonal influenza vaccine.

Youth Mental Health First Aid

The Swan Hill District Health Counselling Department will be holding a Youth Mental Health First Aid (YMHFA) Course for adults. The course covers adults assisting young people in mental health crisis situations and /or in the early stages of mental health problems. Participants will learn the signs and symptoms of common mental health problems, where and how to get help and what sort of help has been shown by research to be effective.

Where: The Grain Shed, King Street, Swan Hill
Date: October 8th and 9th, 2014.
Time: 9am-5pm each day
Cost: \$80 – this includes morning tea, lunch, certificate and manual.

Bookings are essential. To register, firstly ring 5032 9755 to express your interest and the Registration Form will be sent out.

Completed Registration Forms and payment must be received by Wednesday October 1st, 2014.

APPLICATIONS OPEN FOR NEW MEMBERS Murrumbidgee Local Health District (MLHD) is calling for expressions of interest from people wishing to join the Tooleybuc Local Health Advisory Committee.

The Local Health Advisory Committee (LHAC) acts as a link between the community and the local health service and is a great opportunity to advocate for your community, be involved in planning, priority setting and evaluation of strategic and service planning, and provide support for the Local Health Service.

Chair of the Tooleybuc LHAC Yvonne Foley urges those who are passionate about ensuring the Tooleybuc community has a voice in securing support for health care to apply.

“Our committee continues to play an important role in building and sustaining health services in our region,” said Ms Foley. “Our members are a central connection between the community and health service activities. We work with the Tooleybuc Health Service and Medicare Local to identify local service needs, ways to improve access to services and to assist in planning and development.”

The Tooleybuc LHAC also provides valuable input into planning health services and sharing information with the local community.

A/Chief Executive Jill Ludford said MLHD is committed to ensuring that membership of the Committees reflects the broader community. “We encourage applications from all areas of the community,” said Ms Ludford. “Men and women, members of the Aboriginal community, minority or ethnic groups, people with disabilities and representatives from community organisations are all welcome to apply.”

Applicants should be interested in health issues, have strong community links and have good communication skills.

Successful applicants will be appointed for a period up to two years and will be expected to represent the interests of the community and the Health District in preference to their individual interests or the interests of a particular group.

For more information or to apply visit www.mlhd.health.nsw.gov.au/community-support/join-your-local-health-advisory-committee
 Or contact Community Engagement Manager Setchen Brimson on 02 6933 9100 or email setchen.brimson@gsahs.health.nsw.gov.au

PUBLIC NOTICE APPLICATIONS NOW OPEN

FOR NEW MEMBERS TO JOIN THE TOOLEYBUC LOCAL HEALTH ADVISORY COMMITTEE

Members of the community are invited to join the Murrumbidgee Local Health District's Tooleybuc Local Health Advisory Committee (LHAC).

The Tooleybuc LHAC is a central connection between the community and health service activities.

The committee works with the Tooleybuc Health Service to identify local service needs, ways to improve access to services and to assist in planning and development.

This is a great opportunity to advocate for your community, be involved in planning, priority setting and evaluation of strategic and service planning, and provide support for the Local Health Service. The LHAC also provides valuable input into planning health services and sharing information with the local community.

TO APPLY:

Pick up an application kit from the Tooleybuc Health Service or call 03 5030 5189

Or contact:

Setchen Brimson
 Community Engagement Manager
 02 6933 9100 or email:

chances dare to dream

Is your child interested in playing sport?
Maybe they would like to learn an instrument?
Or have a go at Guides or Scouts?

Are you worried your family budget won't stretch that far? The Chances **Connecting Kids with Community Fund** provides funding to eligible applicants so that kids can 'have a go' at an after school activity. Please contact Lesley Cordoma on **5021 7489** for more information.
