## Melanie's Thoughts

Melanie Wait  
Principal

### Rollover - 2016 Classes Start

On Monday our secondary students 'rollover' to begin their 2016 classes. This means a number of significant changes across the school.

Miss Rutherford will take on the Library position providing release to primary classes as well as Foundation Numeracy. Miss Rutherford will still be teaching some secondary classes.

We welcome Mr Giles back for the last 5 weeks of this term. Mr Giles will leave us at the end of the year after receiving a transfer to Eden High School. Mr Giles will undertake a range of roles in the school.

### Farewell Ms Bruton

Today Ms Bruton leaves us to begin her maternity leave. We wish her all the best and wait eagerly for her exciting news.

Miss Gretchen Watson will take over Ms Bruton's position for the remainder of the school year.

### Year 7-10 Exams

To complete our students 2015 School Year, all students from Year 7 - 10 have undertaken their Yearly Examinations this week. To support this process students all participated in a Study Skills Session to provide them with an understanding of the skills necessary to prepare for examinations. I hope our students have prepared themselves well to show a fair assessment of their understanding.

### Brain Gym ®

Over the last two weeks nearly half our teachers have participated in Brain Gym ® training with Educational Keinsilogist, Kate Keetley. Brain Gym ® focuses on developing connections between the left and the right side of the brain and uses physical activities to support posture and movement to improve academic, interpersonal and physical learning.

There are a number of activities that students are using in the classroom to support their learning and develop brain connections.

### BYOD

Just a reminder that students from Year 9-12 in 2016 will be able to access the BYOD (Bring Your Own Device) program. These laptops will be another tool to support their learning. Students from Year 9 – 12 in 2016 have received a note outlining specifications.

John and Courtney celebrating the completion of their HSC with Miss Wait

### HSC Preparation Day

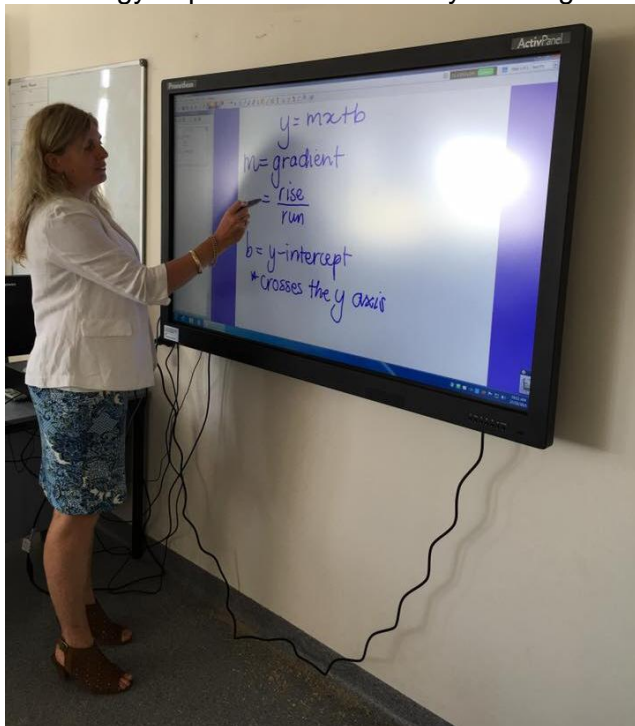

This week our Year 11 and 12 for 2016 participated in a 'Preparing for Success' program which was focused on providing information and support to give them every opportunity to achieve their personal best.

Board of Studies Liaison Officer, Chris Keys spoke with students about the HSC Rules and Procedures and Karen Hocking presented a study skills session.

We encourage all parents to actively work with their child to make sure they are completing tasks and class learning regularly to help raise the importance of student learning.

### Interactive Panels

Last week we had three interactive panels installed to support our students' learning. These panels are the most up to date technology available and we are only the second school in our School Education Group to have them installed. This once again shows how our students have access to the latest innovations in technology to promote 21<sup>st</sup> Century learning.

Ms Wait demonstrates the new interactive panel.

### Merit Scheme

To reward our students' positive behaviour Tooleybuc Central School runs a strong Merit Scheme. Students are awarded 'Merit Awards' during the school year and an accumulation of these merits equates to levels.

Bronze Level	10 Merits
Silver Level	Bronze plus and extra 20 Merits
Gold Level	Silver plus an extra 30 Merits.

Primary students are given a 'Lucky Dip' at the achievement of each level. Then they are presented with a certificate at our Whole School Assembly. Secondary

students with the highest GEM score in each class receive the Student Of The Fortnight on Assembly. Those students who achieve Gold Level or the correct GEM average are invited to attend our End of Year Merit Excursion.

## Primary News

### **David Tallon (Assistant Principal)**

Today we say goodbye to Miss Bruton who is leaving us to begin her Maternity leave. I'd like to thank Miss Bruton for all the effort she has made this year for her class. On behalf of the students and staff, we wish you all the best as you begin your next chapter in life.

Today has seen the Year 5's give their speeches to the school. Well done everyone who participated!

The process for ordering the Year 6 2016 shirts has begun so hopefully we'll be getting these before the end of the year.

## Foundation

### **Andrea Hazlett (Class Teacher)**

In English Foundation have focused on Aboriginal Dream Time Stories. The students wrote about the stories and were inspired by the stories in their art. The stories they read were:

- 'How Echidna got his spikes'
- 'How the birds got their colours' and
- 'Tiddlewink the Frog'

The Echidna had no spikes. He was white, all white. Then he had spikes from spears. By Isabel.

By Isabel

The Echidna had no spikes. He had the scraps. He pulled the tree out. The animals will not die. The Echidna had spikes on his back. He got buried near the rocks. By Campbell.

The Echidna had no spikes at the start of the story. He got very grumpy at the other animals. He got very grumpy. He was spikey. By Riley.

By Riley

The Echidna had no spikes until his friends stabbed the spears in him. By Makenna.

Tiddalick was the biggest frog on his land. Then Tiddalick drank all the water. The animals had to think how they can get all the water out of his mouth. They tried to get him to laugh, but Tiddalick did not laugh. They still tried and then Nyong the eel came behind him and did a funny dance, then Tiddalick laughed and laughed but he was trying not to laugh. By Lucy.

Tiddalick drank all the water. The animals had an idea to make him laugh. By Rebekah.

## Year 1/2

### **Michelle Jenvey (Class Teacher)**

Students in Year 1-2 moved towards a more independent learning structure during our literacy sessions. They have been required to independently choose activities from a list and complete them to an expected standard. While some students have found this a challenging way of learning, they have usually embraced the challenges and strived for success. These activities have always been completed whilst waiting for their turn in the Engine Room for intensive reading instruction.

Students watching an online story on the new interactive panel during their morning break.

Ashby and Jessika completing their activities.

Joel completing one of his activities.

Nancy, Felicity and Skye completing an activity with Mrs Frost.

## A Quick Bite ...

### Make your food budget stretch further

**Try these top tips:**

- Write a list. You'll be more likely to only buy essentials this way.
- Limit 'extra' foods like chips, chocolates, lollies and soft drinks. These foods are poor value for money.
- Try to stick to unpackaged foods – packaged foods are much more expensive.
- Buy fruit and vegetables in season; they are cheapest and freshest.
- Consider buying a whole box or bag of fruit or vegetables and split between 2-3 households.
- Buy staples like bread and meat in bulk. They're cheaper and can be frozen.
- Shop at night. Supermarkets tend to reduce the prices of many perishable foods at this time. If you are not sure what time they reduce their prices, ask.

## A Quick Bite ...

### Fun games to play that won't cost the earth

Looking for quick, easy and low cost games for the kids to play on the weekend? Try these jumping and throwing games.

**Make your mark:** Hold a piece of chalk, jump from the ground and leave a chalk mark on the wall as high as you can.

**Sack races:** use old pillowcases or tie legs with another person. Jump as fast as you can along a grassed track.

**Targets:** Place empty plastic bottles out in a line, throw an object at them counting how many you knock over. Draw a chalk target on an outside wall, use a wet tennis ball and aim for a bullseye.

**Clap, Clap, Clap:** Throw the ball as hard as you can into the ground. Try to get as many claps as you can before the ball hits the ground again.

## Secondary News

### Sean Connell (Head Teacher)

This week is an exciting and busy week for students in Years 7 through to 10 with the rollover into the next year of classes. Starting a new year of work this term is a great way for the students to be introduced to the new topics and allows Year 10 students to experience the Preliminary content of their new Higher School Certificate courses. Rollover means students will be given a new timetable and need to be vigilant with changes to their routine to ensure they are on time to each class. Students are also asked to have new books for each of their subjects in accordance with the recent booklist that was given to each student.

Students in Years 10 and 11 participated in an excursion to Melbourne to gain experience at the range of tertiary institutions available in Victoria. This trip is invaluable to students trying to determine their chosen career pathway and gives them an insight into tertiary life whether its university or TAFE.

Congratulations to all students who completed their end of year examinations last week. It is always a stressful time balancing study with extra-curricular commitments, however the efforts will be reflected in the results obtained.

Good luck to all students delivering speeches to apply for leadership positions within our school. The role of School Captain is an important one in epitomizing the values of our school and being a role model for younger students.

### TAS

#### David McCarron (TAS Teacher)

##### Year 7 TAS

Year 7 TAS have been busy completing wind chimes for the past five weeks. Students have come up with some interesting and unusual designs. Students will next week roll over into Year 8 and move to Mr Miller for the remainder of the year. Any student who did not complete their wind chime will have it completed by me so they can take it home at the end of the year.

Wind Chime made by Grace Year 7.

##### Year 9 IT Wood

Year 9 IT Wood have just completed making a kitchen organiser. This proved to be a bit challenging for the students. These projects will be marked next week for students to collect and take home. Continuing students will roll over into year 10 and commence new projects next week.

Kitchen organiser made by Max Year 9

##### Year 10 IT Wood

Year 10 IT Wood have been completing tile topped tables. These projects will be completed for students in the coming weeks so they can take them home at the end of the year. Most of these students will roll over into Year 11 Industrial Technology where they are required to design and make a number of projects. It is anticipated that students will benefit from the skills they have learnt over the past two years in order to make use of numerous hand and power tools to construct quality projects.

Table made by Beau Year 10

**Year 9 Farm Maintenance**

Year 9 Farm Maintenance have just finished making boot scrapers from recycled horse shoes and brushes. This project required students to have a go at using the oxy kit and welder after some basic instruction. These students will now roll over into Year 10 and along with some new Year 9 students, continue carrying out maintenance activities on the school farm.

Boot scraper made by Tom Year 9.

**Year 7 TAS**

**Ben Miller (TAS Teacher)**

Year 8 Tech Mandatory have been busy working on their board games completing everything from the instructions to board, peices and money/cards. Next week year 8 will be rolling over into their 2016 elective subjects.

**Gauging Educational Merit (GEM)**

Class score	Description	GEM Average	Result
10	Outstanding effort		
9 +	High level of effort	9-10	Maintain average for a term to receive canteen voucher and certificate
8	Sound effort	8-9	Maintain average for a term to attend reward BBQ

1	Poor effort & behaviour, non submission of tasks	1-5	Monitoring in all classes, reporting to Ms Wait daily Not allowed to attend excursion and extra curricula activities

**A Quick Bite ...**

**Rustic Twig Christmas Tree**

For a low cost gift or fun activity, try making these beaut rustic twig Christmas tree ornaments.

You will need:

- 15cm strip of paper
- Go to the local park or your garden and gather 15-20 twigs of various lengths and diameter
- Small piece of ribbon or pipe cleaner
- PVA craft glue
- Secateurs (ask an adult to help with cutting)

Method:

- Layout the paper lengthwise and make a hole at top.
- Tie the small piece of ribbon or pipe cleaner through the hole.
- Lay twigs in order of shortest to longest in shape of tree.
- Cut twigs to length as needed.
- Glue twigs to the paper once they are in the shape of tree.

## VOLUNTARY CONTRIBUTIONS 2015

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year. These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Technology Fee	All Years F to 12	\$10.00
Current voluntary contributions including Technology Fee	Infants and Primary	\$52.00
	Years 7 + 8	\$98.00

### Sport and Recreation's Swim and Survive lessons

Australian summers usually involve plenty of fun in and around the water, but no parent should forget how important it is to make sure children stay safe.

Sport and Recreation's Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs provide wonderful results, and are great fun as well. Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW.

Our instructors are nationally qualified and screened for their suitability to work with children.

Prices for nine lessons are \$69 for school-aged children and \$49 for preschoolers (prices exclude pool entry fee).

# Youthspective photography competition

2015 theme: *Life!*

If you're aged between 12-18 years old, submit up to five photos that best represent this year's theme: *Life!*

Prizes include:

**15-18 years:** Return travel to Melbourne for a one-on-one photography course with Craig Newell from Australian Photo Tours

**15-18 years:** Return travel to Melbourne for a one-on-one photography course with Jaime Murcia from Melbourne Laneway Photography Tours

**12-14 years and People's Choice Award:** A Fujifilm INSTAX Mini 8 instant film camera.

Send your entries to [shlib@swanhill.vic.gov.au](mailto:shlib@swanhill.vic.gov.au) and make sure to include image titles, your name, age and contact number.

Conditions of entry can be found at [www.library.swanhill.vic.gov.au](http://www.library.swanhill.vic.gov.au).

Competition closes 4pm Friday, 13 November.

## YOUTHSPECTIVE 2015 GUIDELINES

In 2015 we are excited to announce the fifth Youthspective Photography Competition and invite young people from across our region to enter their photographs.

The theme for the competition is: *Life!*

This means your photograph can be of anything you consider best depicts "life".

The photographs must be your original work - no Photoshop! So think outside the square, surprise us with your ingenuity, and have fun creating!

There are two age group categories: 12-14 years and 15-18 years.

Please provide your age as of the closing date for entries which is at 4pm on Friday, 13 November 2015.

### CONDITIONS OF ENTRY

Photographs must be submitted via email to [shlib@swanhill.vic.gov.au](mailto:shlib@swanhill.vic.gov.au).

Emails must include: photograph/s, the photographer's name, age, the title of the entry and a daytime phone number.

You may enter up to five photographs.

Colour or black and white images are acceptable.

Your entry must be certified as being original and unaided work. Any source imagery must be indicated at the time of entry. Please note that one signature from a teacher will be sufficient to cover all entries from a school.

Entries must be submitted by 4pm on Friday, 13 November 2015.

Entries in the 15-18 years category will be judged by Craig Newell from Melbourne Photographic Tours. The 12-14 years category will be judged by Jaime Murcia from Jaime Murcia Photography.

The judge's decision is final.

People's Choice voting will take place on the Swan Hill Regional Library's Facebook page. One 'like' will equal one vote. The picture with the most 'likes' wins. The closing date for voting will be at 4pm on Friday, 27 November 2015.

Where parents or guardians of the winners have given their consent, photographs of the winners, together with their names and ages, may be used in the media.

The rules of the competition may not be changed or modified and will be strictly applied.

All personal information supplied will be used solely for the administration and management of the Swan Hill Regional Library Youthspective Photography Competition.

Winning images may be selected for use in print or online for Swan Hill Rural City Council publications.

The prize for the 15-18 years category is a three hour, one-on-one photography course with Craig Newell from Australian Photo Tours ([www.australianphototours.com.au](http://www.australianphototours.com.au)). The prize also includes return train travel to the course for a family of four (sponsored by V/Line). The value of this prize is over \$500.

## INTRODUCTION TO COACHING COURSE - ITCC

Take your first step into basic athletics skills coaching.  
All practical .... No exam .... No previous experience necessary!

If you want to learn more about athletics for kids, then the ITCC is for you!

The ITCC is designed to help participants become better placed to assist children to perform basic athletic skills. The course is great for parents, school teachers and other interested persons who want to know a little more about the skills of the sport so that they may help to coach children of Primary school age, assist at Little Athletics Centres or prepare students for a school athletics carnival. Participants will be shown skills, drills, games and activities relevant to the target age group.

The ITCC is a non accredited practical coaching course designed for Little Athletics and conducted on behalf of the Australian Track and Field Coaching Association (ATFCA).

### Course Outcomes

At the conclusion of the course the participant will, for the target age group:

- Better understand an appropriate working model for each Little Athletics event
- Have a greater knowledge of appropriate drills, skills, games and activities for particular event groups
- Identify some of the more common technical faults of events
- Have a basic understanding of a simple coaching session
- Better understand how to organise a group safely

1 Day course - 6.5 hours duration - approx. 9.00am to 3.20pm

Cost: \$110 + IMGSTG processing fee, includes all sessions, coaching resources, LAVic Polo Top and more.

Participants need to be minimum of 16 years of age at the time of the course.
