STUDENT NEWS FROM TOOLEYBUC CENTRAL SCHOOL

12th September 2014 **Term 3 Week 9**

Principal's Thoughts Bruce Nield Relieving Principal

Assemblies and Rewards

This Monday there will be the whole school Term Assembly held at the Club at 1:45pm. There will also be a Year 12 farewell Assembly held in the Multi-Purpose Centre at the school on Friday at 11:30am. The Reward Morning Tea for Merits this term is Wednesday next week. If your child has been unable to get in merits from this term this week, please have them to the office first thing Monday morning.

Sporting Success

Congratulations are due to the ongoing achievements of Emma Berg. At this year's Combined High Schools State Athletics Carnival she has won gold in both Discus and Shot-put with a Personal Best in both events – 12.72 metres in Shot-put and 37.31 metres in discus.

Rollover Reminder

A reminder to all parents of secondary students that Years 7 to 11 will begin

their 2015 timetable in Week 6 of next term. There is no rollover for current Year 6 students, they will stay in their normal class with Mr Dunn until the start of next year. There are still a few outstanding Stage 5 elective forms that need to be returned to complete the timetabling process. If parents and students could return this form as soon as possible that would aid this process.

Reptile Man, Fairfax

The reptile man will be at the school on Thursday 18th September. He will talk about snakes, lizards and other Australia fauna and have many animals with him, some of the animals will be able to be handled..

Lastly, thanks to Ben Miller for supervising our Fairfax students while they are away next week. I had the pleasure of spending a day with these students as they prepared their play this fortnight and am looking forward to seeing 'Ye Olde Weddin' at the YesFest on the 19th of September.

Emma achieved gold at the State Athletics Carnival with personal bests in both shotput and discus.

Merit Scheme

To reward our students' positive behaviour Tooleybuc Central School runs a strong Merit Scheme. Students are awarded 'Merit Awards' during the school year and an accumulation of these merits equates to levels.

| | |
|--------------|---------------------------------|
| Bronze Level | 10 Merits |
| Silver Level | Bronze plus and extra 20 Merits |
| Gold Level | Silver plus an extra 30 Merits. |

Primary students are given a 'Lucky Dip' at the achievement of each level, secondary students are given a \$2.00 voucher to spend at the canteen, then primary and secondary are presented with a certificate at our Whole School Assembly. Those students who achieve Gold Level are invited to attend our End of Year Merit Excursion.

Nyah Sports Day

Last Thursday Tooleybuc hosted the Nyah Sports Day again. It was great to see so many parents and relatives here supporting our students, it certainly gives them more motivation to put in their best efforts. I would like to thank all of the staff for running an event, the high school students for assisting with the events, the Victorian schools for their organisation and all of the parents that helped with baking, cooking and selling of food and drinks throughout the day. Without your support the day would not have been as successful as it was. At the end of the day it was very close with Tooleybuc coming in second.

Age champions at the Nyah Sports Day, Campbell, Ashby and Sara.

Footy Colours Day

Last Friday the students dressed up in their footy teams colours to raise funds to support the Fight Cancer Foundation. It was a great day with everyone joining in and not taking it too seriously.

MacKinnon, Lochlan and Cody supported different football teams on 'Footy Day.'

The Hawks were well supported by Imogen, Alex, Zac, Campbell and Ryan during 'Footy Day'.

Secondary News

Years 7-10 English Recent Recap

Christine Connellan (English Teacher)

In recent weeks, **Year 7** have studied the Morris Gleitzman classic, ***Two Weeks With The Queen***. This is a contemporary Australian text, which Australian teenagers relate well to and are challenged by. It explores the relationships which are important to Colin, the young protagonist, as he matures and comes to terms with his little brother's incurable cancer and approaching death. Interwoven into the story are the issues of: brotherly love, grieving, tolerance & acceptance, selfishness & selflessness and growing up. It is a deeply moving novel and yet it is also quite humorous. ***Two Weeks With The Queen*** provides great scope for thinking, clarification of values, writing, speaking, listening and presenting understandings and ideas. The unit will culminate in a folio of visual and written responses to the novel.

Year 8 have recently completed a **poetry unit**, with a difference! The popularity of Aussie ballads has never waned since the earliest days of colonial settlement. Up until the mid 20th century most Australian ballads were enjoyed in the form of poetry. Since then, traditional poetry has declined in popularity giving way to ballads in the form of songs & rap lyrics. Through a close study of a range of Australian ballads throughout history, students learnt of the importance of ballads to tell stories which entertain as well as influence an audience's view of social, cultural and ethical issues. They have explored texts critically, evaluating content, differentiating between fact and opinion, challenging points of view and identifying, considering and appreciating cultural expressions. The unit culminated in some very impressive and creative slideshow representations by the students.

Year 9 students have changed their attitudes towards William Shakespeare. They now resoundingly believe that even after over 400 years, Shakespeare is still relevant as a storyteller, entertainer, philosopher and word-smith. They have been enriched through a study of his popular play – ***The Tragedy of Romeo and Juliet***, a thought-provoking play about two teenagers, which still resonates with

teenagers today. They sharpened their investigative journalism skills to answer the probing questions: 'Who was to blame for the deaths of Romeo and Juliet?' and "What lessons are to be learnt?' The results suggest that "Four Corners" could be knocking on our door, scouting investigative talent, in the near future!

Year 10 have recently studied ***Deconstructing Film as Text***. This unit introduced students to an in-depth study of film techniques, so that they became familiar with the way in which film can be used to manipulate emotions and to position the audience to respond in a certain way... to subscribe to a particular point of view. Students learnt about film conventions, and the language of film production, through a close study of the Academy Award winning film, ***'Forrest Gump'***. Students analysed plot, characterisation & theme/s and linked these to the manner in which film techniques, such as lighting, camera shots, sound, special effects, computer animation, costumes & make-up, direction and editing reinforce these features to comment on society and leave the audience with a message.

In the case of, ***'Forrest Gump'***, the resounding message was it's not how supposedly intelligent a person is that determines their life opportunities and success; their actions will be the measure of their life, or as Forrest's mother taught him: "Stupid is, as stupid does"... If you do stupid things, regardless of how intelligent you actually are, you will be deemed to be a fool. If you act wisely, you will be considered wise.

Year 9 TAFE Visit

This Thursday students in Year 9 are being given an opportunity to visit Suni Tafe Swan Hill campus. They will gain knowledge and ideas about possible courses and the great facilities they have available. They will also have an opportunity to view some of our Year 10 students who are undertaking Metals and Engineering compete in a mini world skills expo.

Year 10 Work Experience

Last week I had the pleasure of visiting some Year 10 students on work experience, and from talking with the employers the students are coping very well and enjoying their week. All students were gaining an

appreciation of the working world and meeting employment expectations. This week sees most students undertaking their second week of work experience. A big thankyou to all employers involved as without you this program would not be able to be run.

Year 12 News

- **APPLICATIONS** – Year 12 students who wish to **apply for tertiary courses** for 2015 are advised to visit the VTAC website (www.vtac.edu.au) soon to get an application completed. Remember that you can change your application, even after obtaining your ATAR in December (up to 12 noon on 22 December). Application fees rise from \$28.00 to \$93.00 if you first apply **after 30 September**. You are advised to include in your VTAC application courses that you believe you are almost certain to be offered a place in. However, it is not necessary to fill in all 12 places in the application.
- **DEFERRAL** - Remember that if you want a break from study, you can **defer taking up many course offers** (see: www.vtac.edu.au/courses-inst/institutions/deferment.html for each institution's policies). Some universities will allow one year of deferral, while some offer up to two years. However, be aware that deferral is not always automatic.
- **SPECIAL ENTRY ACCESS SCHEME (SEAS)** - If you wish to submit a **SEAS application** because of some disadvantage you have experienced, these applications can only be completed once you have a VTAC application done. **SEAS applications close on 7 October**. You are advised to at least apply for SEAS **Category 1**, because if any information regarding your **Personal Information and Location** are relevant to your application, it will only be applied if you have selected Category 1.
- **SCHOLARSHIPS** – **All current Year 12 students are advised to consider applying for Equity and Merit scholarships via VTAC.** VTAC scholarship applications for domestic students close at 5pm on 17 October 2014. **See:** www.vtac.edu.au/applying/process.html - details are available here about Institutional Access and Equity Scholarships, Commonwealth Scholarships, and Merit Scholarships. For example, you can check out on this site what Merit scholarships are available at each institution (La Trobe University lists about 60 different types of scholarships, for example). Surprisingly, some scholarships are not awarded each year due to a lack of applicants.

In addition you are wise to check individual institution websites for scholarships. There are also **Student Start-Up and Relocation Scholarships** available to students receiving income support; these are administered by Centrelink. **Indigenous Commonwealth Scholarships** are administered by institutions and will be allocated to students who meet the Commonwealth eligibility as described on the Centrelink website and have had their indigenous status confirmed.

- **APPRENTICESHIPS/TRAINEESHIPS** – Some Year 12's will be considering gaining qualifications via an **apprenticeship or traineeship**. Apprenticeships generally take four years, while traineeships are usually 12 – 18 months long. Completing a pre-apprenticeship course with a VET provider (e.g. Box Hill institute, NMIT, Holmesglen) can often assist in obtaining an apprenticeship. These take around four or five months full-time to complete, and are offered in areas such as carpentry, electrical, plumbing, mechanics and many others. Sometimes **Group Training Australia** (ph. 1800 819 747) will be able to assist in finding an employer with whom to complete the apprenticeship. A Group Training Organisation employs an apprentice or trainee and places them with a host employer. Also see www.grouptraining.com.au for names, location and contact details of GTO's.

DEAKIN UNIVERSITY NEWS –

DEAKIN ASSURED OFFER PROGRAM

Deakin has introduced the Deakin Assured Offer Program (DAOP) which provides eligible Year 12 students with the opportunity of receiving a conditional offer of a place in one of the participating Deakin courses in November. Furthermore, it guarantees an offer even if the Clearly-In ATAR increases in 2015. The program acknowledges the hard work VCE students put into their final year and minimises the stress of waiting for an offer in January. Application process: register your details at www.deakin.edu.au/assured and list up to 12 DAOP courses (VTAC applicant ID required). If you achieve the minimum ATAR set for a course and meet the prerequisites, you will be guaranteed an offer through VTAC at Deakin in 2015.

DISCOVER DEAKIN SCHOOL HOLIDAY PROGRAM

– Deakin is offering Year 10, 11 and 12 students the chance to find out more about Deakin and the courses on offer through hands-on **workshops and seminars**. GEM

This year in secondary we have added another layer to our student monitoring. Gauging Educational Merit (GEM) is a program where students are ranked in every subject each fortnight according to their application and behaviour during class. These rankings from each class are averaged to provide each student with a GEM average.

Gauging Educational Merit (GEM)

| Class score | Description | GEM Average | Result |
|-------------|--|-------------|---|
| 10 | Outstanding effort | | |
| 9 + | High level of effort | 9-10 | Maintain average for a term to receive canteen voucher and certificate |
| 8 | Sound effort | 8-9 | Maintain average for a term to attend reward BBQ |
| 7 | Satisfactory effort | | |
| 6 | Limited effort (causing some concern) | | Monitoring in the subjects where your score is below 7, reporting to class teacher |
| 5 | Poor effort (unsatisfactory) | 5-6 | Monitoring in all classes, reporting to Mr. Nield daily. Extra curricula privileges may be removed |
| 1 | Poor effort & behaviour, non submission of tasks | 1-5 | Monitoring in all classes, reporting to Ms Wait daily. Not allowed to attend excursion and extra curricula activities |

VOLUNTARY CONTRIBUTIONS 2014

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

APPLICATIONS OPEN FOR NEW MEMBERS Murrumbidgee Local Health District (MLHD) is calling for expressions of interest from people wishing to join the Tooleybuc Local Health Advisory Committee.

The Local Health Advisory Committee (LHAC) acts as a link between the community and the local health service and is a great opportunity to advocate for your community, be involved in planning, priority setting and evaluation of strategic and service planning, and provide support for the Local Health Service.

Chair of the Tooleybuc LHAC Yvonne Foley urges those who are passionate about ensuring the Tooleybuc community has a voice in securing support for health care to apply.

“Our committee continues to play an important role in building and sustaining health services in our region,” said Ms Foley. “Our members are a central connection between the community and health service activities. We work with the Tooleybuc Health Service and Medicare Local to identify local service needs, ways to improve access to services and to assist in planning and development.”

The Tooleybuc LHAC also provides valuable input into planning health services and sharing information with the local community.

A/Chief Executive Jill Ludford said MLHD is committed to ensuring that membership of the Committees reflects the broader community. “We encourage applications from all areas of the community,” said Ms Ludford. “Men and women, members of the Aboriginal community, minority or ethnic groups, people with disabilities and representatives from community organisations are all welcome to apply.”

Applicants should be interested in health issues, have strong community links and have good communication skills.

Successful applicants will be appointed for a period up to two years and will be expected to represent the interests of the community and the Health District in preference to their individual interests or the interests of a particular group.

For more information or to apply visit www.mlhd.health.nsw.gov.au/community-support/join-your-local-health-advisory-committee Or contact Community Engagement Manager Setchen Brimson on 02 6933 9100 or email setchen.brimson@gsahs.health.nsw.gov.au

EVA'S FIGHT FOR LIFE

Hello everyone,

My name is Grace Williams and some of you may remember me having my hair cut a few years back to raise money for the Children's Cancer Centre. It has grown long again and I have decided to have it cut to raise money for a special little six year old girl called Eva Wheatley, who lives in Mildura. Eva was diagnosed with Rhabdomyosarcoma at 4 years of age and has been fighting her battle with strength, positive attitude and a big smile ever since. Despite losing her arm to the cancer and undergoing numerous treatments she continues to amaze us all.

Eva is using a drug called Cometriq (cabozantinib), which is imported specially for her, it costs around \$133 per capsule and she needs to take 10 per week.

I am hoping to raise enough money for capsules for one week. I will have my hair cut on the 10th October.

Hope you can support me in some way.

Thank you everyone.

You can donate online at: mycause.com.au Eva's fight for life

All students have at least basic levels of English, would attend a school in your local area and live the life of a local. Our group of students cover a wide variety of interests and hobbies. If you would like to provide your students, parents or language teachers with further information on our inbound students you can also view some student profiles on our [website](#). Our staff members will be happy to discuss which student might be best suited to a family.

Hosting an exchange student can be a truly rewarding experience. It allows a family to experience a foreign culture first hand, be exposed to a new language and pass on a bit of our own culture. They might even make a friend for life!

"It's been a fantastic experience so far...It's been great having an older brother for our young kids. Simon has been a fantastic role model...Simon helps around the house a lot. One of the first things he said to us during the first couple of days he was here was what should my chores be? I was delighted to hear him say that."

Victoria, Host Mum

"Hosting Kirstine has brought our family closer together. We're doing things we used to do when our kids were little, like boiling the billy, having a BBQ and baking apples up the paddock. She's helped us remember how to have fun when we're working and take time out for adventures."

Sharon, Host Mum

"Being the youngest and the only one left at home I was looking forward to having another teenager in the house. While Charlotte helps me with my French I help her with her English lessons and I have taught her many Aussie words and sayings. We both love to shop and shop and shop..."

Grace, Host Sister

HOST FAMILIES NEEDED IN JANUARY 2015 EXPERIENCE ANOTHER CULTURE, MAKE NEW FRIENDS IMPROVE YOUR LANGUAGE STUDIES AT HOME

In January 2015 we will be receiving exchange students from Europe (Germany, Italy, Denmark, Finland and France), South America (Argentina) and Japan. Our new arrivals will live with a host family and attend a local school for 2 or 10 months. As we plan for their arrival, we are keen to hear from suitable families who might be interested to host a student.

Host families come in all shapes and sizes, backgrounds and ages. To this end, we would again be grateful if you would place a notice in your newsletter/bulletin or mention

Student Exchange Australia New Zealand is a not-for-profit secondary exchange organisation which is registered with education & regulatory authorities in each State and Territory. You can find out more about our organisation by visiting www.studentexchange.org.au.

If you have any questions about hosting an exchange student or would like to view profiles of students arriving from other countries, you can either respond to this email or call our office on 1300 135 331. No obligation.
