School Captains 2015

I would like to congratulate William Bentley and Kalatiola Nimo on their election as School Captains for 2015. All candidates for election spoke well about their strengths and plans to sustain and improve opportunities for their fellow students. Student Representative Council (SRC) elections for 2015 will be held at the start of next year to allow new students to take part in the election process.

Rollover for 2015

A reminder to parents and carers with secondary students that the rollover of the 2015 academic year will occur on the 10th of November, 2015. This does not affect current Year 6 students – they will stay in their Primary classes until joined by new enrolments in February. This is part of the school's Focussed HSC model that enables us to offer more electives to our students and change to courses that suit each group of students. Courses that have not been offered in recent years at the school that will be running in 2015 will include HSC Business Studies, Community and Family Studies, Sport Life and Recreation, Biology and Stage 5 Child Studies.

KidsMatter Survey for Parents

As part of the new School Plan for 2015-2017 we are seeking parent responses about how we are performing as a school. To that end, please complete the KidsMatter survey that should have arrived home with this copy of 'The Bridge'. This will provide us with useful information about current programs, policies and initiatives, as well as actions to take in the future to keep our school a great place to learn.

Uniform, Shoes

Amongst some students of late there has been a decline in the regularity of school uniform and in particular, their footwear. Black leather shoes are a mandatory requirement of uniform, especially for high school students who must enter the TAS Room, Science Room, Art Room or Ag Plot. This is to comply with both our policy and the NSW Workplace Health and Safety Regulations. Black canvas shoes are unacceptable in these environments, as are joggers. Sneaker-style shoes that have a black-only leather upper are acceptable and available from a number of retailers. For some parents, having a sport shoe and school shoe in one shoe is preferable compared to growing out of two or more pairs at once.

Merit Scheme

To reward our students' positive behaviour Tooleybuc Central School runs a strong Merit Scheme. Students are awarded 'Merit Awards' during the school year and an accumulation of these merits equates to levels.

Bronze Level	10 Merits
Silver Level	Bronze plus and extra 20 Merits
Gold Level	Silver plus an extra 30 Merits.

Primary students are given a 'Lucky Dip' at the achievement of each level, secondary students are given a \$2.00 voucher to spend at the canteen, then primary and secondary are presented with a certificate at our Whole School Assembly. Those students who achieve Gold Level are invited to attend our End of Year Merit Excursion.

Getting organised for Term 4

Welcome back to school! Keep track of the week numbers of each Term and help your family stay on top of the million and one things happening this time of year with School A to Z's monthly planners. They're easy to print out and pop up on the fridge for all to see. You might even want to print a spare for each child's bedroom so there are no excuses for them to forget homework, chores and other weekly activities. <http://bit.ly/UbmQz8>

Public speaking made easier.

Many people rate speaking in public as one of their worst fears. But it's an important skill for kids to master, which is part of the reason why we start them off with News in Kindergarten and progress to other presentation skills from an early age. Helping your child prepare their speeches and presentations at home will really boost their confidence. Here are practical tips any parent can use: <http://bit.ly/Kr3ukB>

Motivating "laid-back" children

Why do some children prefer to lead a lazybones life, while others love to tear around the sports field? Is it a hereditary trait? And what can parents do to encourage those children to get up off the sofa, or switch off the computer, and get a little physical? Find out more: <http://bit.ly/1s5TN5Z>

Primary News

Simon Dunn (Assistant Principal)

Welcome back

It is great to see everyone back at school and settling back into routines so quickly. This term is going to be very busy with lots of learning opportunities for our students.

Year 3/4 excursion

This week the students in Year 3/4 departed for our excursion to Sovereign Hill. I am sure that everyone had a great time. If you need to get in contact with your child while they are away please call Mr Dunn's mobile number.

Rugby League Development day

At the end of this month the students in Years 3 - 6 have the opportunity to participate in a rugby league development day at Balranald.

Year 1-2

Michelle Jenvey (Class Teacher)

Students are just beginning to settle into a busy Term 4.

In English they will continue to be active participants in L3 lessons by reading texts, talking about the texts, learning about words within the texts and writing texts using a wider variety of vocabulary.

In Mathematics, students are continuing to improve their knowledge across all aspects of number, patterns and algebra, measurement and space and geometry.

In Science, students will investigate light and sound through a series of investigations.

In PDHPE, they have begun to examine health services and products and explore movement through a range of gymnastics activities.

All in all, this term will be extremely busy with students participating in many learning experiences.

Swan Hill Show

Congratulations to all students for their participation in the Swan Hill Show this year. Again there were a number of successes for which the individual students should be very proud of –

- Year 2 Handwriting – 1st and Sash – Kusi Chapman
- VV11 Painting, any subject - 1st – Ryan Grace
- VV15 Any other art, not scheduled - 2nd – Dallas Wilde

- VV17 Drawing, any subject - 2nd – Jack Ogle, 3rd – Talahiva Nimo

Students excelled at the Swan Hill Show, the award winners are on display in the front office

Secondary News

Year Seven Mathematics

Ben Miller (Mathematics Teacher)

Year 7 Maths recently completed a topic test on Geometry. There were some very pleasing results spread across the entire class. This week they began the next topic of analysing and interpreting data. So far we have looked at a variety of different graphs and tables and are currently designing tables while analysing data. Students have designed a stem and leaf plot, dot plot, pie graph and a pictogram.

Year Eight Mathematics

David Giles (Mathematics Teacher)

Year 8 are also learning about statistics and are in the process of designing a survey to find out some of the likes and dislikes of all of the school population. They will then display their results in the graphs of various sorts.

Stage Five Mathematics

David Giles (Mathematics Teacher)

Stage 5.1/5.2 are studying Statistics at the moment and have been surveying the school for information to produce their own version of Family Feud. This is giving them a practical and relevant introduction to data collection and processing. Other students will be studying traffic flow on the Tooleybuc Bridge.

Last week, Cody completed Work Experience at Swan Hill Honda.

GEM

This year in secondary we have added another layer to our student monitoring. Gauging Educational Merit (GEM) is a program where students are ranked in every subject each fortnight according to their application and behaviour during class. These rankings from each class are averaged to provide each student with a GEM average.

Gauging Educational Merit (GEM)

Class score	Description	GEM Average	Result
10	Outstanding effort		
9 +	High level of effort	9-10	Maintain average for a term to receive canteen voucher and certificate
8	Sound effort	8-9	Maintain average for a term to attend reward BBQ
7	Satisfactory effort		
6	Limited effort (causing some concern)		Monitoring in the subjects where your score is below 7, reporting to class teacher
5	Poor effort (unsatisfactory)	5-6	Monitoring in all classes, reporting to Mr. Nield daily. Extra curricula privileges may be removed
1	Poor effort & behaviour, non submission of tasks	1-5	Monitoring in all classes, reporting to Ms Wait daily. Not allowed to attend excursion and extra curricula activities

Lunch box ideas

Kids tired of the same old sandwiches for lunch each day? School A to Z's Lunchbox section has some fresh ideas to help busy parents add some healthy, fresh variety to school lunches. <http://bit.ly/gsfDOE>

VOLUNTARY CONTRIBUTIONS 2014

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Technology Fee	All Years K to 12	\$10.00
Current voluntary contributions	Infants and Primary	\$40.00
	Years 7 + 8	\$85.00
	Years 9 + 10	\$45.00
	Years 11 + 12	\$45.00
Industrial Technology	Year 9 + 10	\$50.00 plus materials
	Stage 6	\$80.00 plus materials
Design and Technology Food:	Year 9 + 10 elective	\$60.00
Hospitality	Year 11 & 12	\$150.00 or \$60.00 plus \$7.00 per practical lesson

CANTEEN ROSTER**Term 4****To all Parents and Carers**

We are calling for any parent or carer who can spare a Friday once a month to help out on canteen. The more that volunteer the less individuals have to do.

We have had several volunteers become unavailable to help over last term, due to work etc.

Thank you to all volunteers who helped in the Canteen this year. More volunteers are always welcome.

If you are unable to do duty on your rostered day please contact someone else on the roster and arrange a swap.

Contact Leisa Lyons on 0488 305071 if you have any queries.

Canteen duty is from
10:30 am until 2.30pm.

Sport and Recreation's Swim and Survive starting soon

Australian summers usually involve plenty of fun in and around the water, but no parent can forget how important it is to make sure children stay safe.

Sport and Recreation's Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs give wonderful results, and are great fun as well! Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW, including somewhere near you.

Our instructors are nationally qualified and screened for their suitability to work with children.

Prices for nine lessons are \$67 for school-aged children and \$48 for preschoolers (prices exclude pool entry fee).

Tooleybuc Preschool News

Preschool has resumed again this week and is back in full swing. We welcome any new families that are joining us for this term.

During the last week of term 3, our 4 year old group enjoyed a visit from the reptile man, prior to their letter land party which they thoroughly enjoyed.

This week Greg Cruickshank, has been to preschool taking our group and individual photos.

During the holidays, there was some paving done at preschool, which looks great.

We look forward to a fun filled term 4.
