THE BRIDGE

STUDENT NEWS FROM TOOLEYBUC CENTRAL SCHOOL

31st October 2014 Term 4 Week 4

Principal's Thoughts Bruce Nield Relieving Principal

School Formal / Aaron's Farewell

It was a pleasure this week to attend the School's annual Formal Dinner and Dance which this year was combined with Aaron Forster's farewell as a departing Year 12 student. It was great time to reflect on how our students have matured over the years and the outcomes that we produce for students at our school, in their formal education and as inclusive and mature people who make great citizens of the wider community. We all wish Aaron the best in his future endeavours.

Exam Week 7 – 10

Next week is exam week for all students in Years 7 – 10. It is important that students consult the attached exam timetable in this edition of the Bridge as it has been revised to accommodate WHS White Card training for Year 10 students.

Rollover 2015, Books

Just another reminder that rollover for the 2015 timetable is on the 10th of November. Primary classes will be unaffected. All other years will receive

a new timetable. Students may continue to write in their current books for the next 6 weeks if they have enough pages left to finish this year, but this learning must be retained for the half-yearly exams in 2015 in subjects which will have an exam. Alternatively, parents may purchase and have their students start in their 2015 books. Book lists have been sent home with students in Years 7 to 11.

Selective School Entry

Congratulations are in order for Callum McNab who has succeeded in gaining entry into the Department of Education's new selective virtual secondary school, Aurora College for Physics in 2015. Aurora College is an online selective school for students in rural areas that enables students to remain in their school for some subjects while participating with high-ability peers in subjects that some rural schools may be unable to offer. Existing NSW DEC teachers compete through an expression of interest process to be appointed as teachers of these classes and receive additional training, ensuring a high level of quality for our students as part of the Department's *Rural and Remote Education Strategy*.

Mitchell, Tara, Kira and Cody enjoyed dressing in the clothes from the goldfield era at Sovereign Hill

Merit Scheme

To reward our students' positive behaviour Tooleybuc Central School runs a strong Merit Scheme. Students are awarded 'Merit Awards' during the school year and an accumulation of these merits equates to levels.

Bronze Level	10 Merits
Silver Level	Bronze plus and extra 20 Merits
Gold Level	Silver plus an extra 30 Merits.

Primary students are given a 'Lucky Dip' at the achievement of each level, secondary students are given a \$2.00 voucher to spend at the canteen, then primary and secondary are presented with a certificate at our Whole School Assembly. Those students who achieve Gold Level are invited to attend our End of Year Merit Excursion.

What is a homonym?

Let's face it, English can be a crazy language. Take homonyms, for example. These are words that are identical in pronunciation and spelling but have different meanings. This homonym list will provide some clarity.

Find out more:

http://www.schoolatoz.nsw.edu.au/homework-and-study/english/english-a-to-z/-/english_glossary/8Qum/1084/homonym

Primary News

Simon Dunn (Assistant Principal)

Year 3/4 Excursion

The students in 3/4 had a great time on the excursion and learnt a lot about life on the goldfields and the events that led to the forming of the Eureka Stockade. I would like to thank Danny, Janina and Peta for giving up their time and coming along to help supervise the students while we were away. Check out the photos and the student comments about the excursion below.

Rugby League Gala Day

The students in Years 3 to 6 were given the opportunity to attend a skill development day in Balranald last Thursday. The students that attended had a fantastic time and learnt a lot about Rugby League.

All the students had a wonderful time and each received their own rugby ball

Year Three/Four

Ash Bruton (Class Teacher)

On Wednesday 15th October, Year 3/4 went on the Sovereign Hill excursion at Ballarat. Here are some of our favourite parts;

My favourite part about Sovereign Hill was making my own coloured candle because I got to mix my own colours.
By Owen

My favourite part of the trip was gold panning because it is a good and fun way to find gold, anyone could do it.
By Mitchell

My favourite part about our Sovereign Hill excursion was 'Blood on the Southern Cross' because it was very loud and scary!
By Hiva

My favourite part of our trip was walking around and having fun with my group and Danny because we had fun at everything.
By Mackinnon

My favourite part about Sovereign Hill was going to the wild life part because we could see all the snakes.
By Lochlan

My favourite part about our Sovereign Hill excursion was on the bus because I got to relax, tell stories and watch movies.
By Dallas

My favourite part about our Sovereign Hill excursion was the wildlife part because I liked seeing all the cute animals.
By Summer

I liked the 'Blood on the Southern Cross Sound and Light Show' because there was a train and there was a big, big bang and it scared Summer.
By Saoirse

My favourite part about our Sovereign Hill excursion was the 'School Class' because we got to write in the ink and write in the cursive that they did also some people dressed up.
By Emma

My favourite part about our Sovereign Hill excursion was the Waterloo Store because you can buy very cheap things rather than going to the main street shops.
By Tara

My favourite part of Sovereign Hill was the wild life park because we got to feed kangaroos.
By Paul

My favourite thing about Sovereign Hill was the wild life park because all the animals we saw were my favourite. So cute. The best part was I could feed the kangaroos.
By Angela

My favourite part about our Sovereign Hill excursion was the candle making shop and panning for gold, because I made a candle and I found gold.
By Asiri

My favourite part about our Sovereign Hill excursion was the mine tour because it was very fun, dark and interesting.
By Jack

My favourite part about our Sovereign Hill excursion was the candle making because I got to put my choice of colour in and it looked cool.
By Emily

My favourite part about our Sovereign Hill excursion was the old theatre because there was a huge light that looked spectacular.
By Taylen

My favourite part about our Sovereign Hill excursion was 'Blood on the Southern Cross' because it was really, really, really, really, really really fun.
By Will

My favourite part about on Sovereign Hill excursion was the Tangled Maze because we sent people in the wrong direction.
By Ben

Sovereign Hill School because I was called Master Quinlan and Sir Quinlan.
By Quinlan

My favourite part about Sovereign Hill was panning because we always found gold no matter what.
By Kira

My favourite place was the wild life park because we saw animals.
By Noah

Emma and Asiri hold a bullion of gold.

Olden days discipline was demonstrated at Sovereign Hill

Kira, Jack and Saoirse make friends with the kangaroos.

Emily Quinlan and Tara pan for gold at Sovereign Hill

Angela, Saoirse and Peta gaining knowledge at Sovereign Hill.

Secondary News

Science

David Giles and David McCarron (Science Teachers)

Year 7 have finished a topic on Forces that occur in Science and everyday life. They are now looking at Separating Mixtures and completing several interesting investigations. This learning will be examined in the Yearly Exam next week along with all other units studied this year. In Week Six Year 7 Science will roll over into Year 8 Science. New books will be required for these classes. All learning covered in Weeks 6 to 10 year will need to be retained for Half Yearly Exams next year.

Year 8 have nearly finished their study of the Human Body and will be examined on it next week. They are an enthusiastic class and have been a pleasure to teach this year.

Year 9 will be examined on their study of the Earth next week and are currently studying control systems in the Human Body. They are a class who have completed a lot of learning this year and are always active participants in all activities.

Year 10 have finished studying Global Systems and will be examined on this topic next week. Hopefully they now have an informed opinion on global warming.

Careers

Kim Morton (Careers Teacher)

YEAR 10 CAREER NEWS

The last of the Year 10 students have completed their work experience this term, with Cody completing his at Swan Hill Power Products and Cooper completing his at Duntroon Military College in Canberra. Cooper has written a short summary of his experiences during the week. It was a wonderful opportunity for him to attend and well worth all the paperwork involved! I highly recommend this program for any student considering the Defence Force as a career pathway. To register an interest you need to see me in the office early in Year 10.

Once again a big thank you to all employers involved in the work experience program.

Year 10's have now completed the Careers program however they must remember that the careers door is open all the time and hopefully they will visit the office throughout their senior studies.

Australian Defence Force

For the week of 13th – 17th October I was lucky enough to be selected to participate in a weeks training at Duntroon Canberra with the Australian Defence Force. During the week I completed obstacle courses, swimming, shooting, fitness lessons and gained lots of information about life in the Army. One of the days we got to eat lunch at the 'Mess' which was awesome. It was a great week and confirmed my decision in hopefully joining the army in the future.

By Cooper.

Year 11/12

First In Australia – La Trobe Fee Guarantee – La Trobe's new 'Apsire' program has been well-received, recognising the impact volunteers have on their local communities. To recognise this, and to further reward these contributions, La Trobe has announced it will offer a **Fee Guarantee for the undergraduate students who study under the 'Aspire' program**. In the event of a deregulated fee environment being introduced the La Trobe Guarantee means that a student will not pay more than 10% above the regulated fee in any year, applying for the normal duration of a full-time degree.

What does it take to become a police officer? A video series is giving the community a chance to find out more of what it takes to become a police officer. Check out a police constable's experiences during the 33 weeks of training at the Victoria Police Academy. **See the video series at:** www.youtube.com/VPBlueTube.

Interested In Logistics? Ever wondered how your clothes make it to the store or how the food you eat gets from the farm to your fork? Logistics involves the integration of information, transport and handling of these materials to meet customers' needs. There is a **vast array of career opportunities in logistics**, from entry level to senior management. The Victorian Transport Association is again offering **traineeships in logistics** in 2015. This is a two-year program which has young people employed full time with Transport and Logistics companies while they study a **Cert IV in Logistics and a Diploma of Logistics**. **For more information:** call Leni on 9646 8590, visit www.vta.com.au or email cadetship@vta.com.au.

Science Experience At Rmit (For Year 10's In 2015) -This is three fun-filled days of hands-on activities for students entering Year 10 next year. It allows next generation if curious scientists to go behind the scenes and sample the world of science and technology. Perform experiments, participate in field trips, attend university lectures, and experience three days of student life on campus. **When:** Tues

20-Thurs 22 Jan, 2015 (the program is run at a number of Australian universities including RMIT);

Cost: \$115; **Info** and **register:** www.scienceexperience.com.au.

Rmit Racing At Calder Park – RMIT Racing invites secondary students to attend the Formula SAE, Melbourne's largest engineering competition at Calder Park Raceway. See the RMIT Electric and renewable ethanol fuelled cars fired up and competing. **When:** 9am-4pm, Sat 13 and Sun 14 Dec; **Where:** Calder Park Raceway; **Info:** Rose, De Amicis, SAE Australia, Ph 9676 9568

Nuclear Medicine Scholarships – Applications are now open for RMIT Nuclear Medicine Scholarships worth up to \$10,000 over three years. They provides assistance towards study and living costs for students commencing the **B. Applied Science (Medical Radiations) Nuclear Medicine stream**, with five scholarships awarded. **Info:** Ph 9925 7075, email medalsciences@rmit.edu.au, www.rmit.edu.au/scholarships/nuclear.

Pre-Apprenticeships – A Positive Move – A pre-apprenticeship is a positive move towards securing an apprenticeship. Many employers require potential employees to have completed a pre-apprenticeship prior to applying for an apprenticeship. On completion of a pre-apprenticeship, a student receives a nationally recognised qualification – this attracts the attention of employers and can potentially reduce the time of an apprenticeship.

Did You Know? Many TAFE's have articulation arrangements with universities. Eg after completing the Box Hill Institute's Advanced Dip. of Engineering Technology, students will receive 18 months credit and can enrol into the fourth semester of the Bachelor of Mechanical Engineering at Deakin University. Similar arrangements apply to many other TAFE diplomas.

Preparing for exams

It's important to help your child stay healthy, well rested and sane as they concentrate on studying for end of year exams. This short video features teachers and parents talking about HSC preparation, but the tips are good for all high school students preparing for exams. <http://bit.ly/oTovND>

VOLUNTARY CONTRIBUTIONS 2014

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Technology Fee	All Years K to 12	\$10.00
Current voluntary contributions	Infants and Primary	\$40.00
	Years 7 + 8	\$85.00
	Years 9 + 10	\$45.00
	Years 11 + 12	\$45.00
Industrial Technology	Year 9 + 10	\$50.00 plus materials
	Stage 6	\$80.00 plus materials
Design and Technology Food:	Year 9 + 10 elective	\$60.00
Hospitality	Year 11 & 12	\$150.00 or \$60.00 plus \$7.00 per practical lesson

CANTEEN ROSTER**Term 4****To all Parents and Carers**

We are calling for any parent or carer who can spare a Friday once a month to help out on canteen. The more that volunteer the less individuals have to do.

We have had several volunteers become unavailable to help over last term, due to work etc.

Thank you to all volunteers who helped in the Canteen this year. More volunteers are always welcome.

If you are unable to do duty on your rostered day please contact someone else on the roster and arrange a swap.

Contact Leisa Lyons on 0488 305071 if you have any queries.

Canteen duty is from
10:30 am until 2.30pm.

chances dare to dream
Or have a go at Guides or Scouts?

Is your child interested in playing sport?
Maybe they would like to learn an instrument?

Are you worried your family budget won't stretch that far?
The Chances **Connecting Kids with Community Fund** provides funding to eligible applicants so that kids can 'have a go' at an after school activity. Please contact Lesley Cordoma on **5021 7489** for more information.

Tooleybuc Preschool News

Preschool has resumed again this week and is back in full swing. We welcome any new families that are joining us for this term.

During the last week of term 3, our 4 year old group enjoyed a visit from the reptile man, prior to their letter land party which they thoroughly enjoyed.

This week Greg Cruickshank, has been to preschool taking our group and individual photos.

During the holidays, there was some paving done at preschool, which looks great.

We look forward to a fun filled term 4.
