## School to Work

We are looking forward to our School to Work excursions over the next week including the Year 5/6 trip to Swan Hill to see the local TAFE college and visit other businesses. The Year 12 students will be traveling further afield to Bendigo to see the university and both TAFE campuses. Students engage in their learning when they understand how it relates to the future goals and aspirations and we are ensuring students are aware of all the opportunities open to them for their future careers.

## Term 5 Program

Students in Years 8 to 10 for 2015 will have some alternative learning activities provided including group project work as they rotate through

Swim School in Week 10 and for the three school days of Week 11. We are looking towards some great products coming out of this time that demonstrate the creative and enthusiastic learners these students are. Stage 6 students studying the Preliminary HSC will continue on their normal timetable at this time undisturbed.

## Merit Excursion

Students still have until next Wednesday to get any merits in they have from this year to be eligible for the Gold Merit excursion. This year students will be attending a fun-filled day at the water park at Mildura as reward for their consistent performance in 2014. The excursion will run on the last Tuesday of this term, the 16th of December.

## Merit Scheme

To reward our students' positive behaviour Tooleybuc Central School runs a strong Merit Scheme. Students are awarded 'Merit Awards' during the school year and an accumulation of these merits equates to levels.

Bronze Level	10 Merits
Silver Level	Bronze plus and extra 20 Merits
Gold Level	Silver plus an extra 30 Merits.

Primary students are given a 'Lucky Dip' at the achievement of each level, secondary students are given a \$2.00 voucher to spend at the canteen, then primary and secondary are presented with a certificate at our Whole School Assembly. Those students who achieve Gold Level are invited to attend our End of Year Merit Excursion.

## Primary News

**Simon Dunn (Assistant Principal)**

### Primary Assembly

The Term 4 Primary Assembly will be held on Thursday 4<sup>th</sup> of December starting at 2:00pm. At this assembly the Year 5 students who are nominating themselves for a leadership position in 2015 will be making their speeches and the Year 5/6 class will be putting on a performance.

### Billy Tea Bush Dance

The day was certainly hot but the night was hotter with some smooth dance moves being displayed by plenty of students, parents and guests at the bush dance. It was great to see so many people there joining in and having a great time. I must say thanks to Julie for all of the effort in organising the night.

### Foundation Orientation

On Monday 1<sup>st</sup> of December the final Foundation transition day will be held. There will also be a parent information session starting at 9:00am.

### High School Transition Day

Last week the Year 6 students attended their last transition day. It was a great day and the students enjoyed their taste of the High School style life.

### Foundation/Year One

**Andrea Hazlett (Class Teacher)**

Foundation/Year One made art work and stories about the bush dance and how they enjoyed it.

I think the whole entire group is going to wear bush costumes. We're going to be nervous when we go up on the stage. By Sienna

I like bush dance dancing because it is fun. I will get to see my mum she will see me and gran too.  
By Starr

The dance will be fun tonight. My mum is coming tonight. By Nancy.

The bush dance is fun because the bush dance is good. It will be really complicated and it will be fun. By Abbey.

I like bush dancing. Dancing is fun. By Felicity.

## Secondary News

### Geography.

**Zoe Fuller (Geography Teacher)**

The Years 8's have been busy looking at mapping and using different co-ordinates. Through this they have come up with the idea to design their own orienteering course. Next week they'll spend more time setting these up and completing each other's courses. Hopefully the directions and co-ordinates are easy to follow and they can collect all the flags.

The Year 9/10's are looking at deforestation and have recently watched the movie *The Lorax* and looked at the underlying issues that this movie covers. They are now in the process of picking an area in the world where this is a real life issue and developing a poster to present the information they find to their classmates.

### Agriculture

**David McCarron (Agriculture Teacher)**

Year 9 will be selling 'Eggs in Toast' cooked on the barbeque at Recess on Tuesday 2<sup>nd</sup> December for \$1.00 each.

Orders will not be taken it will be a first come first served until sold out.

### Helping teenagers celebrate safely

Parties are part and parcel of a teenager's life. While most celebrations go off without a hitch, they can go wrong and get out of hand – particularly if the party is unplanned.

Here are some tips to help ensure your teenager and their friends have fun but remain safe.

Time to party:

<http://www.schoolatoz.nsw.edu.au/wellbeing/development/time-to-party>

### Summer holiday fun

Book your children into one of our fun-filled camp next school holidays. Your children will be kept busy and active while learning new skills and making new friends. You'll have peace of mind knowing your children are safe and well looked after.

### Avoiding homework drama

Bell Shakespeare's artistic director, John Bell, discusses Shakespeare and how to make it accessible. He says to tell your teen not to worry about the language; to concentrate on the characters, the dilemmas, and the problems they face, and find out how to identify with the protagonists in the story.

## VOLUNTARY CONTRIBUTIONS 2014

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.
