THE BRIDGE

STUDENT NEWS FROM TOOLEYBUC CENTRAL SCHOOL

12th February 2015 Term 1 Week 3

Melanie's Thoughts

Melanie Wait
Principal

Wonderful Start

I would like to congratulate all our students on what has been a wonderful start to the school year. Our students have settled well into their learning routines and are striving to achieve their personal best. A special thanks must also go to our teachers who have provided engaging learning experiences and have spent time developing quality structures within their classrooms to ensure student learning is maximised.

Welcome Afternoon Tea

We invite all parents and students to meet with us on Wednesday afternoon in the school kitchen. This is a wonderful opportunity to meet our teaching staff and to have a chat about how your child has started the school year. I would encourage all parents to attend.

School Photos

This Wednesday we will be holding School Photos. Can all students please dress in their full summer uniform including their black leather shoes. Make sure you return your payment before Wednesday.

Allergies & Asthma

Just a reminder that if any of your children have allergies or asthma that it is important we have a copy of their management plans in case of emergency. Please be mindful of what you put in student lunches.

Communication

At Tooleybuc Central School we try and make sure there is strong communication between the school and the home. There are a number of ways information can be communicated. These include: The Bridge, our school Facebook page, the new SkoolBag App and school notes. Please make sure you check your child's bag regularly to ensure you are receiving all this information. If you provide your email address to the school, you can also be added to our email list.

All of our students are ready to start their year of learning.

Student absences

It is important that students attend school. If your child is absent for any reason it is mandatory that you provide an explanation of why the student is not at school. There are a number of ways this can be done. There is a form attached to the back of each edition of The Bridge, phone the Front Office or use the Parent eForm that is part of the SkoolBag App. If a reason is not supplied a note will be sent home asking for an explanation.

HT Position

We are currently advertising for a new Head Teacher Teaching and Learning. In the interim we have Mrs Chris Connellan and Ms Leeta Rutherford sharing the position.

GEM

This year in secondary we have added another layer to our student monitoring. Gauging Educational Merit (GEM) is a program where students are ranked in every subject each fortnight according to their application and behaviour during class. These class rankings are averaged to provide each student with a GEM average.

Gauging Educational Merit (GEM)

Class score	Description	GEM Average	Result
10	Outstanding effort		
9 +	High level of effort	9-10	Maintain average for a term to receive canteen voucher and certificate
8	Sound effort	8-9	Maintain average for a term to attend reward BBQ
7	Satisfactory effort		
6	Limited effort (causing some concern)		Monitoring in the subjects where your score is below 7, reporting to class teacher
5	Poor effort (unsatisfactory)	5-6	Monitoring in all classes, reporting to Mr. Nield daily. Extra curricula privileges may be removed
1	Poor effort & behaviour, non submission of tasks	1-5	Monitoring in all classes, reporting to Ms Wait daily. Not allowed to attend excursion and extra curricula activities

Great books for tweens to read

Favourite books from the Premier's Reading Challenge team that will inspire kids aged between nine and 13 to read read read!

Primary News

David Tallon (Assistant Principal)

Welcome to 2015

As a new staff member to Tooleybuc Central School, it has been great to meet parents over the last few days. As the term goes on I'm looking forward to meet others during school events.

I would like to welcome new parents to our school and am hoping your child is enjoying their first few days at Tooleybuc Central School.

We have an App for use on Smart Phones, just look for it in your App store. This App has a school calendar, send alerts, newsletters, and notes for parents. If your child is away from school for a day, you can send an email to the school using the Parent eForms function.

Hope you are looking forward to a fantastic school year!

Upcoming events

- Thursday 12th February – Swimming Carnival
- Friday 13th February – Day in Lieu for students who attended the swimming carnival
- Wednesday 18th February – School Photos
- Wednesday 18th February – Welcome Afternoon Tea
- Friday 20th February – Moulamein PSSA Swimming Carnival (Swan Hill)
- Monday 23rd February – Moulamein PSSA Tennis trials Deniliquin

Please keep an eye out for notes coming home regarding more events happening in Term 1.

Foundation/Year One

Andrea Hazlett (Foundation/Year One Teacher)

It is wonderful to see a twelve Foundation students begin school at Tooleybuc in 2015.

We have only had a few days of school however I am very pleased with the level of enthusiasm and willingness to undertake new learning challenges the Foundation students are exhibiting. Well done students. At the moment we are learning about sounds and letters, along with beginning to take home readers each afternoon. Today our sound was "s". Students are holding up sizzling sausages with sauce.

Foundation students with their sizzling sausages.

Jargon buster

Wondering why your kids talk about playing under the school COLA? Baffled at parent-teacher discussions about KLA's? This list of common abbreviations or terms will help you to become familiar with the world inside school.

Find out more:

<http://www.schoolatoz.nsw.edu.au/homework-and-study/homework-tips/school-jargon-busters>

Avoiding injuries

Have you ever wondered if your child may be suffering physically from using a computer for schoolwork? Or if carrying their school bag may be causing them pain?

Find out more:

<http://www.schoolatoz.nsw.edu.au/wellbeing/health/ways-to-keep-your-childs-back-and-posture-healthy>

Are you in search of an educational game to sharpen your child's maths skills and recall? Maths Monkey's Quest features maths questions on topics ranging from addition and subtraction to ratios and percentages. It's aimed at children from Years 3 to 8.

<http://www.schoolatoz.nsw.edu.au/about/mobile-applications/maths-monkey-s-quest>

Helping your child with homework

How do you help your child while allowing them to develop independence? Teachers talk about how parents can help kids take responsibility for their homework and avoid Thursday night meltdowns.

Find out more:

<http://www.schoolatoz.nsw.edu.au/homework-and-study/homework-tips/helping-your-primary-school-child-with-homework>

Secondary News

The Term Ahead for Years 7 -12 English

By Christine Connellan; English Teacher

Term One is a busy term in the English Department, with all students in Years 7 - 10 sailing full-steam ahead into honing their spelling, grammar and punctuation skills and improving their craft of writing. This term also sees all years 7 – 12 classes begin a close study of a novel. Literature shapes our understanding of ourselves and our world. Students learn English through the explicit teaching of language and through their immersion in a range of purposeful and challenging texts.

Year 7 - *Boy... Tales of Childhood*, by Roald Dahl

Year 7 students will embark on composing their own autobiographies after they explore the autobiography of Roald Dahl – an entertaining & well written book, which is very rich in a range of experiences, reflection and humour. As Roald Dahl's story unfolds, the students will discover many experiences and characters from his past which went on to become the inspiration of a number of Dahl's classic stories.

Year 8 - *The Bridge to Terabithia*, by Katherine Paterson

Bridge to Terabithia, a Newberry Medal winner, by Katherine Paterson, is a classic American text, which is also relevant to Australian youth today. Students discover that friendship and saving graces can be found in the most unsuspecting people; that true friends make us better people for having known them and it's important to be prepared to "build bridges" with our family, our friends and our foes, because that's what will give us direction and the strength to overcome obstacles in life. Students will use this novel as a springboard into composing a speech and writing an analytical essay.

Years 9 & 10 – *Tomorrow, When the War Began*, by John Marsden

Ellie and her teenage friends return home from a camping trip to discover that their world has changed forever... Australia has been invaded and is in the grip of a relentless war. All members of their community have been led away and held as prisoners of war. Their town and surrounding

countryside is deserted. *Tomorrow, When the War Began* confronts its readers with complex moral dilemmas... Would you fight? Would you give up everything? Would you sacrifice life itself? How would you survive? Year 10 students must answer these questions, and more, as they reflect on their values and beliefs and discover their own inner strengths, in the process of evaluating those of the novel's protagonists. Their study of the novel will culminate in an analytical essay.

Years 11 & 12 – *To Kill A Mockingbird*, by Harper Lee

With half the preliminary HSC course behind them, the Year 11/12 class embarks on a close study of the Pulitzer Prize winning novel, *To Kill A Mockingbird*, which has sold over 30 million copies worldwide. Through the eyes of a child, this story explores the irrationality of adult attitudes to race, outsiders, class distinctions, religious differences and gender issues. Despite the gravity of the issues delved into, the novel is written with a lively sense of humanity, warmth and humour. The story has an enduring message of tolerance, of standing up for the rights of the innocent and oppressed, of understanding another person's point of view and being able to stand in another person's shoes. Students will be expected to gain a deep understanding of this text through a series of complex written responses, including several analytical essays.

Technology talks

Find out about all the technologies your child could be using at school, at home and on the go. Scan the A-Z list for overall knowledge, find out how gadgets work, what their good points are and other usages you may need to be aware of.

Find out more:

<http://www.schoolatoz.nsw.edu.au/technology>

VOLUNTARY CONTRIBUTIONS 2014

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Technology Fee	All Years K to 12	\$10.00
Current voluntary contributions including Technology Fee	Infants and Primary	\$52.00
	Years 7 + 8	\$98.00
	Years 9 + 10	\$57.00
	Years 11 + 12	\$57.00
Industrial Technology	Year 9 + 10	\$52.00 plus materials
Design and Technology Food:	Year 9 + 10 elective	\$62.00
Primary Industries	Year 11 & 12	\$75.00
Business Studies	Year 11 & 12	Excursions as required
Sport Lifestyle and Recreation Studies	Year 11 & 12	Excursions as required

HEAL is suitable for people wanting to manage their:

- weight
- type 2 Diabetes
- heart disease—including
- high blood pressure or high cholesterol
- metabolic condition

You will learn:

- your current fitness level
- how to set goals
- how to exercise safely
- healthy eating

...And more with a Dietitian and Exercise Physiologist from Swan Hill District Health

Tooleybuc Sporting Club

5:30pm – 7:30pm Wednesdays

Program begins 18th February

For More Information contact:

Health Promotion

hpreception@shdh.org.au

Phone: (03) 5033 9337

February is Ovarian Cancer Month

Research shows one in five Australian women cannot name one symptom of ovarian cancer. Are you a statistic?

Ovarian cancer is often referred to as a silent killer because its symptoms can be vague and similar to the symptoms of many other conditions part of everyday life; however every woman will have experienced one or more symptoms at some stage in the year prior to their diagnosis.

Symptoms can include:

- Abdominal bloating, swelling or cramps
- Abdominal, pelvic or back pain
- Appetite loss or feeling full quickly
- Changes in toilet habits including urinary frequency or bowel changes
- Nausea
- Fatigue
- Indigestion or heartburn
- Painful intercourse or vaginal bleeding
- Unexplained weight loss or weight gain

Get the App!

Ovarian Cancer Australia has created a smart phone app called KISS & Makeup. The app informs women about the symptoms and risks of ovarian cancer and enables you to share this information with family and friends. The symptom diary allows you to easily track the type and severity of your symptoms each day for two to four weeks which can be presented to your GP. To add a unique and fun element, the app includes beauty tips from Miranda Kerr's Australian makeup artist Allison Boyle.

Tooleybuc Community Health

Ph 50305189

"Swan Hill Soccer League's Twilight Soccer Competition starts Friday, February 20 for 14-18 year olds (1997-2001), at Ken Harrison Recreation Reserve. Be there at 5.45pm. Preschool News

Welcome to 2015 which we hope will be a fun filled year.

We welcome all new families to preschool and say farewell and good luck to all families who are now venturing to school. We once again have good numbers in our classes.

Special thanks must go to all parents who helped out at the end of year (2014) working bee and made the task easier.

All the best for 2015.
