THE BRIDGE

STUDENT NEWS FROM TOOLEYBUC CENTRAL SCHOOL

13th March 2015 Term 1 Week 7

Melanie's Thoughts

Melanie Wait
Principal

Sports stars

Once again our students have been busy on the sporting field representing our school proudly in a variety of sports. Congratulations to Cody J who has been selected to compete in the State Swimming Carnival in Sydney later this month.

We must also congratulate our Primary Swimmers Campbell E, Cooper A, Ryan D, Mackinnon R, Quinlan M, Murdoch M who competed at the PSSA Riverina Carnival.

A number of primary footballers also travelled to Moulamein to trial for the Zone football team. All of our students who trialled were successful in making the team to compete in Leeton later this term.

We must also thank all of the parents who have travelled over the countryside making sure our students have access to all these wonderful opportunities.

Lion King

In the last week of term students from Year 2 to Year 12 are attending the Lion King at the Regent Theatre in Melbourne. This is a wonderful opportunity for our students to experience a quality production and will provide them with a memorable experience.

Work Placement

Over the next two weeks our students who are undertaking study in VET (Vocational Education and Training) subjects are participating in Work Placement. Work Placement is a mandatory component of VET study and helps to reinforce skills learnt in the classroom in real life situations. It is important that students are punctual and prepared to work during this time. If your child is sick please make sure you contact the employer and the school. I am sure all of our students will make a wonderful impression, develop strong skills and hopefully links with industry for future employment.

Dallas and Owen have a military career in their sights.

<http://www.schoolinterviews.com.au>

Date: Term 2, Wednesday 22nd April

NAPLAN Trials

During Week 9 students in Year 3, 5, 7 and 9 are participating in NAPLAN Trials. These trials are a practice so that students are familiar with the conditions and format of the test to make sure the actual NAPLAN tests aren't a stressful experience.

Whole School Assembly

On Friday the 27th of March we are holding a Whole School Assembly. This assembly is an opportunity to recognise the achievement of our students throughout this term. We encourage all parents to attend this assembly. Please make sure your child is dressed in full school uniform, including black leather shoes for this event.

Good Friday Appeal

As part of the Tooleybuc Good Friday Appeal, secondary students from Tooleybuc Central School assist with the 'Tin Shake' on the Bridge. If your child would like to be involved with this, please get them to see me in the next few weeks.

Merit Scheme

To reward our students' positive behaviour Tooleybuc Central School runs a strong Merit Scheme. Students are awarded 'Merit Awards' during the school year and an accumulation of these merits equates to levels.

Bronze Level	10 Merits
Silver Level	Bronze plus and extra 20 Merits
Gold Level	Silver plus an extra 30 Merits.

Primary students are given a 'Lucky Dip' at the achievement of each level, secondary students are given a \$2.00 voucher to spend at the canteen, then primary and secondary are presented with a certificate at our Whole

School Assembly. Those students who achieve Gold Level are invited to attend our End of Year Merit Excursion.

Bronze Merit Awards

Name	Yr	Name	Yr
Campbell	F	Mackenna	F
Lucy	F		

Hospice

We have a donation jar at the front office for the Swan Hill Hospice, if you have any small loose change it will go to a wonderful cause.

Up Coming Events Term 1 2015

Week 8

Timetable Week 2

Mon – Fri	Workplacement
Tue 17 Mar	State Library visit at Balranald Yrs 3-6
	Immunisation Yrs 7, 11 & 12
Wed 18 Mar	Breakfast Club
Thur 19 Mar	PSSA AFL Trials @ Leeton

Week 9

Timetable Week 1

Mon – Fri	Workplacement
Mon 23 Mar	CHS Tennis @ Barham
Tue 24 Mar	Naplan Trials
Wed 25 Mar	Naplan Trials
	Sec Murray AFL Trials
	NSW PSSA Swimming
	Breakfast Club
Thu 26 Mar	Naplan Trials
	Sport at Pool
	PSSA Netball Trial @ Barham 10:00 am
Fri 27 Mar	NSW CHS Swimming
	Whole School Assembly
	Piangil bus finishes early
Sat 28 Mar	NSW State Election

Primary News

David Tallon (Assistant Principal)

Wow, another fortnight has passed by. The past two weeks have been a busy time for our students.

The AFL clinics in Swan Hill were a big success with students meeting some players from the Essendon

Football Club.
Mackinnon practising his handballing skills.

Tooleybuc Central School took part in the 'Clean up Australia Day' and our school grounds look better than ever.

Also our students had fun dressing up during the "I want 2B" casual dress day. Though I was away on this day, from the photos I've seen the students had fun dressing up as what they would like to do when they are adults.

Primary held its first assembly for the year, congratulations to the award winners on the day.

Upcoming events

- Monday 19th March PSSA AFL – Leeton
- Thursday 26th March – Netball Trial - Barham
- Friday 27th March Whole School Assembly
- Tuesday 31st March – Easter Hat Parade
- Wednesday 1st April – Lion King

Please keep an eye out for notes coming home regarding more events happening in Term 1.

Stage 3 News

David Tallon (Year 5/6 Teacher)

This term has been a great term for Year 5/6. I've had the privilege of meeting a fantastic group of students who are keen learners. Here are four responses to what we have been doing in our classroom this term!

What we have been doing so far in Term 1.

This term Year 5/6 have been learning about many wonderful things which include learning how to improve our persuasive writing, WW1, simple, complex and compound sentences, safety, division, area and much more fun things. By Toni.

This year in Term 1 with Mr Tallon, we are learning about how WW1 started and ended and how the ANZAC legend started. We have also learned stuff about complex sentences, persuasive texts and Maths as well as angles and shapes. By Natalia.

Year 5/6 were very pleased to be constructing electronic circuits.

Secondary News

Chris Connellan (Head Teacher)

Term One in the secondary department is moving ahead at full speed, with plenty to keep us all busy.

The SRC recently held a successful 'I want 2B' Casual Dress Day, with both primary and secondary students dressed in an array of costumes, which were paraded for all to admire and enjoy, during morning assembly. It was great to see a number of police officers, firemen, nurses, chefs, teachers, doctors, construction workers, mechanics, cowboys and cowgirls, farmers, florists, traffic controllers, ballerinas, scientists, IT technicians, tennis players, footballers, netballers, soccer players, truck drivers and even a princess, or two (good luck in achieving that ambition!).

John will stop traffic when he grows up.

The students also participated enthusiastically in 'Clean Up Australia Day for Schools'. It was great to see the Secondary students leading the way and providing such positive role modelling to the younger students during our clean up campaign. TCS is very fortunate to be located in such a picturesque, clean and tidy town, where the local community take great care of the environment. However, we still managed to do our bit and collect a few bags full of bottles,

cans, plastic bags, paper and the odd shoe and other random pieces of debris.

Secondary students, from Year 7 to Year 12, are now at a critical time in their learning, with assessment tasks in many subjects being undertaken... with more still to come, before the term is out. Students are reminded to use their diaries to keep track of what needs to be done and when these tasks are due to be submitted. Parents/carers are encouraged to keep tabs on their son's/daughter's/wards assessment commitments and allow some time, at home, for study and task completion. In this way, home and school can work together to give students the support they need, in order to achieve their personal best.

Stage 6 (Year 11 & 12) students are almost at the conclusion of their Preliminary studies, with the Year 12 component of the Focussed HSC Course due to commence at the start of Term 2. That means they are all engaged in some rather high stakes assessment tasks, including some major assignments and research projects. They also have final exams, in Week 10, to prepare for. Commitment, time management, preparedness to go above and beyond expectations, attention to completing all set questions, exercises and prac's and setting up a revision schedule are essential if students wish to maximise their learning potential.

This week students from Years 8 – 10 have been enjoying a "sea change", whilst based at the Angelsea Surf Life Saving Club. They have experienced a range of activities, including swimming, surf lessons and bike riding. We look forward to their return and hearing their many stories of fun, adventure and teen angst.

Enjoy the next two weeks of learning,

GEM

This year in Secondary there is a greater focus on GEM. As a part of this there will be a 'Student of the Fortnight' award for each year level. Well done to all the students that have achieved above a seven average in GEM for the last fortnight.

'Student of the Fortnight'

Year 7	– Jake, Phoebe N, Kate, Phoebe S, Andrew
Year 8	– Murray
Year 9	– Thomas D, Emma B, Max
Year 11/12	– Daniel

Mathematics

John Hocking (Mathematics Teacher)

Thanks to the people of Tooleybuc and the school community for welcoming my family and me. I'm really looking forward to continuing to work with the secondary Mathematics students throughout this year and helping them to achieve their potential.

Mathematics Competitions

Letters were recently sent home regarding the ICAS competitions, including Mathematics. I would encourage all students interested in taking part to do so, as these competitions present an excellent opportunity for students to be challenged and explore Mathematical ideas they may not have previously.

Maths Mates

Students in Years 7 to 10 should be completing their Maths Mates on a weekly basis. I have told students I expect to receive them at the start of the lesson each Friday.

Year Seven Mathematics

Year Sevens recently completed the unit on negative numbers, and will be working on angles and geometric reasoning for the remainder of the term. This will develop their sense of logic when working with shapes and space.

Year Eight Mathematics

Year Eight Mathematics recently completed their introduction to Pythagoras' theorem, the stepping stone to trigonometry. Year Eight is now moving on to algebra, which are the building blocks of the language of Mathematics – the grammar and phrasing that will enable them to express and understand Mathematical ideas efficiently and effectively.

Year Nine/Ten Mathematics

Years 9 and 10 recently completed a unit on probability, developing their understanding of chance and conditional probability. They will be moving on to linear equations and linear graphs, connecting abstract algebraic expressions to concrete geometrical shapes in two dimensions on the Cartesian plane.

Stage Six Mathematics

Stage Six Mathematics students have been busy working on problems of probability, area and volume and tax. The coming units for Stage Six will cover mathematics in communications, including data storage and phone plans, and Mathematics in driving, including analysing the costs of driving and insurance.

Career News

Mrs Morton (Careers Teacher)

WORK PLACEMENT

Next week our Metals and Engineering and Automotive students are out on structured work placements undertaking their first compulsory week of placement. The following week all students undertaking Primary industries are out. Best of luck to all students involved and we look forward to hearing of their experiences after returning to school. Both Mr McCarron and I shall be visiting students throughout the 2 weeks.

YEAR 11/12 NEWS

All students should have a study timetable drawn up by now. Students are encouraged to regularly talk to their teachers to see where extra work can be done to assist with their learning. In addition students should be accessing online resources of practice papers and study/revision notes. The Careers room is open every Monday – Wednesday for students to use.

OPEN DAY DATES FOR YOUR DIARY - Open Days are a great opportunity to check out tertiary institutions. Most **Open Days** occur on **Sundays in August**. The dates for many of them are listed here so that you can **get them in your diary for later on**. Year 10-12 students (and their families) are encouraged to visit institutions of interest on **Open Days** so that you can see their facilities, attend information sessions, collect information, get your questions answered, talk to staff, and so on.

DATES:

- Sat 1 Aug – **Monash** (Berwick & Peninsula campuses)
- Sun 2 Aug – **Deakin** (Warrnambool); **Monash** (Caulfield & Clayton); **Swinburne** (Hawthorn)
- Sun 9 Aug – **Australian Catholic University** (ACU) (Fitzroy); **Deakin** (Geelong campuses); **La Trobe** (Bundoora); **RMIT**; **William Angliss Institute**
- Sun 16 Aug – **Melbourne**; **Monash** (Parkville – Pharmacy); **La Trobe** (Bendigo)
- Sun 23 Aug – **Box Hill Institute**; **Deakin & MIBT**; **Victoria** (Footscray)
- Sun 30 Aug – **ACU** (Ballarat); **Federation** (Ballarat & Gippsland)

Holmesglen has a number of Open Days during the year, usually the last Thursday of the month.

DO YOU WANT TO FIND OUT MORE ABOUT MONASH UNIVERSITY DEGREES? If so, a great way to do so is to attend an '**At Monash**' seminar. The series commences in March, and you will be able

to learn from students, graduates and staff about university experiences.

Seminars available commence with:

- Thurs 12 Mar – **Science** (Clayton)
- Tues 17 Mar – **Arts** (Humanities and social sciences) (Clayton)
- Wed 18 Mar – **Information Technology** (Clayton)
- Thurs 19 Mar – **Pharmacy and pharmaceutical sciences** (Parkville campus).

Many other seminars follow in terms 2 and 3 with design and fine art, architecture, psychology, medicine, law and so on. All seminars run 6.30pm to 8pm. To check out the **full list of seminars** and to **register**, go to www.destination.monash.edu/at-monash.

SWINBURNE NEWS –

Swinburne is a smaller institution than some, offering VET courses through to PhDs. Its main campus is in Hawthorn, with smaller campuses at Croydon and Wantirna. The Hawthorn campus has several new buildings with state-of-the-art facilities. Some of its features include:

LAW – Swinburne introduced a **law degree this year**. Its focus is on commercialisation, Intellectual Property, and technology transfer. The Clearly-In ATAR was 91, with 71 students commencing this year. A number of double degrees are also on offer – with arts, business, engineering and science.

ENGINEERING – In engineering, Swinburne has a **high employment rate**, particularly in civil engineering. A new degree commencing at Swinburne is in **construction engineering**.

PSYCHOLOGY – At Swinburne, many psychology students look or work after completing their three-year degree, without pursuing post-graduate study. Graduates have many skills: they can source, sort and evaluate **information**, apply psychological **theory**, **communicate** information in a logical way, can **formulate** research questions, collect, analyse and interpret **data**. These skills are often used to **get a job**, in **community services**, (counselling, welfare, child protection, corrections, disability, youth), in **business** (market research, public relations, human resource management), in **education** support, **health** services and in **graduate programs** (eg Bureau of Statistics, Customs, ATO Defence, Immigration).

PHYSICS RESEARCH – Swinburne is very highly regarded in world research in **physics** (in the top 75 universities in the world, in fact).

NATIONAL INSTITUTE OF CIRCUS ARTS – An unusual area of study, located in Prahran; many graduates are currently working for Cirque du Soleil.

HIGH ACHIEVERS PROGRAM – High achievers have different expectations of university. Students with an ATAR of 95 or more are invited to join this Swinburne program. It is currently offered to science (physics), communication design (honours), and IT students, later to be offered to students of business and engineering. Students are guaranteed **access to a research group** from first year, **mentoring with senior academic staff**, **guaranteed accommodation**, and a **\$5,000 pa scholarship**. Places are offered automatically to students meeting the entry criteria in the participating degrees.

INDUSTRY BASED LEARNING (IBL) – Swinburne has long been a proponent of this style of learning. Students involved in this program generally work for six or twelve months in an area linked to their study program. New skills are obtained, the work is paid for, and the placement can lead on to full time employment with the organisation.

AUTISM – In April, Swinburne is launching a MOOC (Massive Open Online Course) about autism. It is designed for parents, families and carers living and working with individuals with autism. The MOOC is a free online course using scenario-based learning to support, guide and share experiences from parents and experts in the field. Email autism@swinburne.edu.au for information. [Register »](#)

INTERESTED IN VETERINARY SCIENCE? In Victoria, veterinary science can only be studied at the University of Melbourne. The Faculty is holding a **Course Advice Day on Saturday 21 March** (10am-3pm) at the Werribee Campus, 250 Princes Highway, Werribee. For further information please visit <http://fvas.unimelb.edu.au/news-and-events/events#course-information-day>. This will be different from previous years. **There will be a tour of the hospital for which you must register.**

VICTORIA UNIVERSITY (VU) NEWS –

- **NEW STUDENT ACCOMMODATION** – is being built at the Footscray campus. The 500-bed complex is in collaboration with Maribyrnong City Council, opening in 2016.
- **WHAT IS BIOMEDICINE?** VU offers **Biomedicine and Biomedical sciences** at the St Albans campus. Biomedicine is a broad field of study to gain an in-depth understanding of **human physiological and anatomical function, disease and medical applications**. These degrees prepare graduates for a **career preventing and treating disease**. Gain hands-on training and knowledge of human physiology, combined with essential skills in critical analysis and communication. Possible careers are in

research, pathology, injury rehabilitation, crime scene investigation, and so on. **NOTE:** **Biomedical science** is also offered at Monash university (a possible pathway into Monash post-graduate medicine), ACU, Deakin, La Trobe, Federation, La Trobe while **Biomedicine** is offered at Melbourne university (a possible pathway into Melbourne post-graduate medicine, dentistry and physiotherapy degrees).

CAREERS IN THE DEFENCE FORCES – entry is usually through **general** or **officer entry**.

- **General entry** requires applicants to have at least Year 10, be at least 17 years, and to pass a number of physical, mental and character tests.
- **Officer entry** requires applicants to have a high ATAR in their VCE, and also to pass various tests. Officer entry applicants study in Canberra at the **Australian Defence Force Academy (ADFA)**, a campus of the University of NSW. Degrees on offer at ADFA are: **Arts, Business, Engineering, Information Technology, Science and Technology**. Successful applicants complete their military training during university holiday breaks.
- Defence Force recruiting hold **information sessions** throughout the year. Call 13 19 01 for details, or see: www.defencejobs.gov.au.
- Defence Forces offer the **ADFA Education Award**, presented to Year 12 students in recognition of leadership potential, and academic and sporting achievements exhibited **during Year 11**. The award is a laptop computer, with up to 100 awards on offer annually.
- **ADF Gap Year program** still operates – this program provides an opportunity for young people who have completed Year 12 to gain military training, new skills and pay over their Gap Year.

Don't forget the Careers room has a lot of information on all the above and much more !!

Succeeding in science

Encouraging your teen to ask questions and helping them find the answers is top of the list in helping them to succeed in science.

Find out more:

<http://www.schoolatoz.nsw.edu.au/homework-and-study/other-subjects-and-projects/science/helping-your-teenager-succeed-in-science>

Facts about tutors

Private tutoring to give kids a helping hand in their schooling is a growing business. However, it's also an area where parents can be vulnerable to bogus offers and misleading advertising.

Find out more:

<http://www.schoolatoz.nsw.edu.au/homework-and-study/homework-tips/facts-about-tutors>

Year 10 subject selection

In Year 10 students are asked to select subjects for Years 11 and 12. Here are some tips to help your teen choose well.

Find out more:

<http://www.schoolatoz.nsw.edu.au/homework-and-study/planning-for-the-future/year-10-subject-selection>

Pizza Oven

If anyone has a small amount of redgum wood they could donate to the school, we will be able to fire up the Pizza Oven.

Gauging Educational Merit (GEM)

Class score	Description	GEM Average	Result
10	Outstanding effort		
9 +	High level of effort	9-10	Maintain average for a term to receive canteen voucher and certificate
8	Sound effort	8-9	Maintain average for a term to attend reward BBQ
7	Satisfactory effort		
6	Limited effort (causing some concern)		Monitoring in the subjects where your score is below 7, reporting to class teacher
5	Poor effort (unsatisfactory)	5-6	Monitoring in all classes, reporting to Head Teacher daily. Extra curricula privileges may be removed
1	Poor effort & behaviour, non submission of tasks	1-5	Monitoring in all classes, reporting to Ms Wait daily Not allowed to attend excursion and extra curricula activities

Preliminary Course Final Exams Student Timetable

Week 10, Term 1, 2015

MPC

Monday, March 30	Timetabled Session
Biology (Duration: 100 mins; 8.55 - 10.35) Biology students will be dismissed at 10.35 to study, in Stage 6 common room, until recess bell.	DEAR Period 1 Period 2 (until 10.35am)
CAFS (Duration: 120 mins; 8.55 – 10.55)	DEAR Period 1 Period.2
Art (Duration: 120 mins; 8.55 – 10.55)	DEAR Period1 Period.2
English (Duration: 102 mins; 11.11 – 12.53)	Period 3 & Period 4

Tuesday, March 31	Timetabled Session
Business Studies (Duration: 102 mins; 9.09 – 10.51) SLR (TBC) (Duration: 102 mins; 9.09 – 10.51)	Period 1 & Period 2
Maths (Duration: 102 mins; 11.11 – 12.53)	Period 3 & Period 4

NB: When ***not sitting exams***, students are to ***attend regular timetabled classes***, under the supervision of their regular teachers, unless otherwise stated.

VOLUNTARY CONTRIBUTIONS 2015

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Technology Fee	All Years F to 12	\$10.00
Current voluntary contributions including Technology Fee	Infants and Primary	\$52.00
	Years 7 + 8	\$98.00
	Years 9 + 10	\$57.00
	Years 11 + 12	\$57.00
Industrial Technology	Year 9 + 10	\$52.00 plus materials
Design and Technology Food:	Year 9 + 10 elective	\$62.00
Primary Industries	Year 11 & 12	\$75.00
Business Studies	Year 11 & 12	Excursions as required
Sport Lifestyle and Recreation Studies	Year 11 & 12	Excursions as required

Wanted

Second hand uniforms in good condition. If your child has outgrown their uniform please consider donating it to the school.

Sausage Roll	\$2.00
Party Pie	\$1.00
Mini Pizza (Ham & Pineapple or Ham & Cheese)	\$2.00
Quiche	\$3.00
Dim Sims (soy sauce – no extra charge)	\$0.50
Chicken Nuggets	\$0.50
Tomato Sauce	\$0.20

Snacks (do not include in lunch order, students to purchase at lunch time)

Muffins (Double Choc)	\$1.60
Bulla Frozen Yogurt (Strawberry and Mango)	\$1.60
Billabong Triple Swirl	\$1.50
Chips (Honey Soy)	\$1.00
Raspberry Twists	\$0.20

Drinks

Big M (Chocolate, Strawberry & Iced Coffee)	\$2.00
Play water - 350ml (purple, lemonade, red, fruit tingle)	\$2.00
Prima (as drink or frozen) (apple/blackcurrant and tropical)	\$1.20

Lunch orders are to be written on a paper bag including students name and year (with money inside). Orders are then to be taken to front office by students or sent with the rolls.

Please remember to include only hot food and drinks on student's lunch orders. All snacks are to be purchased from the canteen at lunchtime.

Please note Raspberry Twists are now **.20c** each

CANTEEN ROSTER**Term 1**

13/03/15	Peta Hickey – Brenda McClelland
20/03/15	Sandra Scalora – Sharon Rogers
27/03/15	Jenny Arblaster – Lynda Gordon – Belinda Koehler

Term 2

24/04/15	Peta Hickey – Paula Pyatt
01/05/15	Tracey Domaille – Cassie Andrews
08/05/15	Lauresa Grace – Kate Everitt
15/05/15	Kristy Scalora – Lisa Lyons
22/05/15	Peta Hickey – Kaylene Gleeson
29/05/15	Kellie Edelsten – Annette Blachford
05/05/15	Sue Domaille – Theresa Wilkins

School Holiday Netball Camp

School Holiday Netball Camp to be held at the Equex Centre, Wagga Wagga on the 14th-17th April 2015.

The camps are a valuable opportunity for children of all skill levels to receive top quality coaching. We are excited to announce that former NSW Swifts player, Jackie Murphy, will host our Junior Netball Camp this year and will be joined by a panel of experienced coaches including Southern Sports Academy Coaching staff, special guest coaches and Southern Sports Academy athletes.

This year players between the ages of 7 and 10 will be attending on Tuesday 14th and Wednesday 15th April, while the players aged between 11 and 14 will attend on Thursday 16th and Friday 17th.

As you may be aware, the age group for the Southern Sports Academy Netball Squad has been lowered to 14-16 years. This has required the Academy coaching staff to commence the talent identification process earlier than we have previously. As a consequence, the annual Junior Netball Camp has become a crucial event for the identification of the best young talent in the Southern part of the state.

Please contact Mr Miller for an application form.

Hi, my name is Jordi Belton and I am 10 years old.

When I was 8 my Uncle Pete got sick with Cancer in October 2013. I wanted to shave my head to support him. I didn't

know that you did it to raise money, I just thought it would help him get better. He passed away in July 2014.

Now mum is trying to get a hospice in Swan Hill so that other people don't have to go through what our family did with Uncle Pete. He was put into a hospice in Bendigo for the last 3 weeks of his life.

So this year, I want to do "Haircut 4 a Hospice" to help support getting a Hospice in Swan Hill so families don't get separated when they are needed to be together the most.

I will be having my Haircut in Campbell Street Swan Hill at 12 midday on the 28th March 2015. So please come and support me.

Can you please send any money raised made out to Swan Hill District Health Hospice Fund and post it to my mum:-

Loretta Belton Po Box 90 Beverford VIC 3590

Thank you for Supporting me.

Jordi Belton.

Go Overseas **Host an Exchange Student with WEP**

or

Welcome Lu

Applications are now open for WEP student exchange programs commencing from July 2015 onwards.

Imagine:

- Hopping on a yellow school bus and dressing up in preparation for Friday night football games
- Making friends with people from all corners of the world
- Becoming a member of an overseas host family

We are now looking for welcoming volunteer host families for our exchange students due to arrive in July 2015 for a semester or year.

Imagine:

- Having a photo taken and sent overseas of a meal you have prepared, because it looks so different!
- Knowing someone who is amazed that we can travel for hours and still be in the same state of one country!

Event
code

HA7K8

Go

Now you can book school interviews for the times that suit **you**. Simply enter the event code and press "Go".

You will be guided through three simple steps, and a few moments later you will get an email confirming your interviews.

School Interviews works for both primary and secondary schools. If you have children at another school that doesn't use our service, let them know what they are missing!
