THE BRIDGE

STUDENT NEWS FROM TOOLEYBUC CENTRAL SCHOOL

27th March 2015 Term 1 Week 9

Melanie's Thoughts

Melanie Wait
Principal

Fantastic Term One

I would like to congratulate all of our students on a fantastic beginning to the school year. Term One has been a busy term full of wonderful opportunities for our students. Students have been learning class routines and procedures and have been developing good habits. As the year continues they now need to consolidate on these routines and make sure they are focused on achieving their personal best and putting in 100% into their learning.

Farewell

At the end of this term we farewell Mrs Belinda McKindlay as she moves to Ballarat to be with her family. Belinda has been a wonderful asset to our school. Her passion and enthusiasm to provide outstanding educational experiences for our students has made Tooleybuc Central School a better place and has provided amazing

opportunities for our students. We wish Belinda and her family all the best.

Welcome

We welcome Miss Gretchen Watson to our team at the beginning of next term. Gretchen will be relieving in Belinda's position for the remainder of the 2015 school year. Gretchen brings a vast range of experiences and skills and will be an asset to our school.

100 Year Anniversary of Education in Tooleybuc

Next year will be our 100 Year Anniversary. The date for this celebration has been set of the 2nd and 3rd of April 2016. This will be a memorable event and we would appreciate your support by spreading the word to past students and teachers you may be in contact with.

Interim Reports

Next Thursday, Interim Reports will be distributed to all students from Foundation to Year 10. These are a progress report on how your child is achieving. To supplement these reports there will be Parent Teacher Interviews on the first Wednesday back. These interviews are booked online (there are details on the back page of this edition of The Bridge) and are for Foundation to Year 12. It is important that ALL parents attend these interviews.

Year 8-10 Surf Camp @ Angelsea.

Spelling

Learning to spell can be a difficult skill. Each primary class has a spelling test each week and secondary KLA's have a spelling test as part of each unit of learning. We would appreciate it if you could help your child study for these tests by revising these words regularly. There are a large number of words that can't be sounded out and must just be learnt. This can only happen with practice. Students need to prepare for these tests so they can achieve their personal best.

Preliminary Exams

Next week our Stage 6 students will sit their End of Preliminary Course Examinations. It is important that students have been studying for these exams in preparation. Students should be putting aside time each evening to complete their assessment tasks and class learning as well as time to study and prepare for exams. Studying is an important skill that must be learnt and practiced.

Good Friday Appeal

As part of the Tooleybuc Good Friday Appeal, secondary students from Tooleybuc Central School assist with the 'Tin Shake' on the Bridge. If your child would like to be involved with this, please get them to see me in the next few weeks.

Merit Scheme

To reward our students' positive behaviour Tooleybuc Central School runs a strong Merit Scheme. Students are awarded 'Merit Awards' during the school year and an accumulation of these merits equates to levels.

Bronze Level 10 Merits
Silver Level Bronze plus and extra 20 Merits
Gold Level Silver plus an extra 30 Merits.

Primary students are given a 'Lucky Dip' at the achievement of each level, secondary students are given a \$2.00 voucher to spend at the canteen, then primary and secondary are presented with a certificate at our Whole School Assembly. Those students who achieve Gold Level are invited to attend our End of Year Merit Excursion.

Bronze Merit Awards

Name	Yr	Name	Yr
Kayla	F	Sienna	1
Billy	F	Emily T	2
Makenna	F	Jayla	2
Alyssa	F	Noah	4
Rebekah	F	Emma E	5
Alyssa	F	Tara	5
Campbell	F	Sara	6
Sebastian	F	Toni Mia	6
Isabel	F		
Lucy	F		
Alister	F		
Riley H	F		

Gauging Educational Merit (GEM)

Class score	Description	GEM Average	Result
10	Outstanding effort		
9 +	High level of effort	9-10	Maintain average for a term to receive canteen voucher and certificate
8	Sound effort	8-9	Maintain average for a term to attend reward BBQ
7	Satisfactory effort		
6	Limited effort (causing some concern)		Monitoring in the subjects where your score is below 7, reporting to class teacher
5	Poor effort (unsatisfactory)	5-6	Monitoring in all classes, reporting to Head Teacher daily. Extra curricula privileges may be removed
1	Poor effort & behaviour, non submission of tasks	1-5	Monitoring in all classes, reporting to Ms Wait daily. Not allowed to attend excursion and extra curricula activities

Hospice

We have a donation jar at the front office for the Swan Hill Hospice, if you have any small loose change it will go to a wonderful cause.

Primary News

David Tallon (Assistant Principal)

Capt. James Cook's shoe buckle when he was presented to the King.

This fortnight saw an excursion to Balranald Central School to see the NSW State Library school visit team. The library staff presented some real artefacts such as Captain Cook's shoe buckle. They also told some stories about a convict Mary Reibey (who features on our \$20 note). Ryan played Mary's husband in a small drama skit.

Students at the State Library Presentation.

Ryan playing the part of Mary Reibey's husband.

Last week 6 boys from the 5/6 class went to Leeton to play AFL. All the boys had fun during the course of the day but special mention goes to Ryan D who has been selected to represent our school at Jerilderie. Well done Ryan.

Year 5/6 boys at the Leeton to play AFL Football.

As the term comes to a close, I wish everyone a happy Easter and safe travels over the holiday period.

Up and Coming events

Tuesday 31 March – Easter Hat Parade 12:30 pm
 Wednesday 1 April – Lion King
 Thursday – 2 April – Last Day of Term
 Friday 2 April – Good Friday
 Wednesday 22 April – Term 2 begins for students
 Saturday 25 April – ANZAC Day

Year Two/Three/Four Ashlea Bruton (Class Teacher)

Year 3-6 went on an excursion to Balranald. While we were there we met some visitors from the State Library. They taught us all about the Australian history. This was a good opportunity to build on our knowledge from our history lesson.

Today I learnt: That Captain Cook travelled half way round the world. I wondered if he got to go to other places. By Paul.

Today I discovered: All about Captain Cook that sailed for six months and found Australia. By Kusi.

Today I discovered: That Mary is on the twenty dollar note. By Saoirse.

Today I discovered: A lot about Captain Cook and Mary married Thomas but she used to be a convict. Thomas died and Mary took his place and bought a lot of land. Before Thomas died they had seven kids. By Quinlan.

Today I learnt. How Captain Cook got close to Australia. It took six months to get close to Australia. By Elektra.

Today I learnt: That Captain Cook sailed half way around the world to get to Australia. By Will.

Secondary News

Chris Connellan (Head Teacher)

As Term One draws to a rapid close, congratulations to the secondary students who have invested a positive attitude and industrious effort into their studies, so far this year.

Stage 6 students are coming to the conclusion of their Preliminary studies, with the HSC component of the Focussed Course due to commence at the start of Term 2. That means they are all currently engaged in some rather high stakes assessment tasks, including some major assignments and research projects. They also have final exams in Week 10. Commitment, time management, preparedness to go above and beyond expectations, attention to completing all set questions, exercises and pracs and setting up a revision schedule are essential if students wish to maximise their learning potential.

Good luck to Cody Johnston, who is set to represent TCS, in the State Secondary Swimming Championships, in Sydney, in Week 10. Cody has shown dedication, determination and unfaltering effort in his swimming. What a wonderful achievement to compete at state level.

Next Wednesday, a busload of very lucky TCS students will head off to experience a day at the theatre. They are sure to enjoy the musical masterpiece and visual extravaganza of “Lion King”, with its engaging story and inspiring message. Enjoy!

Finally, best wishes to all secondary students for a happy Easter, relaxing holiday break and time to think about goals to work towards in Semester Two. See you all in Term Two!

GEM

This year in Secondary there is a greater focus on GEM. As a part of this there will be a ‘Student of the Fortnight’ award for each year level. Well done to all the students that have achieved above a seven average in GEM for the last fortnight.

‘Student of the Fortnight’

Year 7 – Jake, Phoebe N, Kate,
Year 8 – Emma G, Rachael G
Year 9 – Emma B
Year 11/12 – William B

PDHPE

Ben Miller (PDHPE Teacher)

Surf Camp

During Week 7, 21 students from Years 8, 9 and 10 participated in the biannual surf camp at Anglesea. It started with a lengthy train trip from Swan Hill to Southern Cross then out to Geelong and followed by a bus trip from Geelong down to Anglesea Surf Life Saving Club. Students were well behaved and excited for the amazing adventure ahead. Monday afternoon at Anglesea everyone was worried about the weather for the week as it was blowing a strong cold breeze and we thought that it would be miserable in the surf.

Tuesday morning surprised us with a beautiful day of no breeze, warm sun and cool water. We started our activities off with stand-up paddle boarding and kayaking in the river. These activities saw the students get their wetsuits and experience the salt water for the first time. Snorkelling was the next activity on the agenda followed by surfing in the afternoon. The surf was in perfect conditions with nice rolling waves and a slight cross current. This saw the majority of students standing up and riding the waves like Mick Fanning and Taj Burrow just after one lesson. Miss Bruton was another outstanding surfer, mastering the skills required to stand up and ride the waves to shore.

Wednesday saw us swap over the two groups from stand up boarding and kayaking. Stand up boarding challenged a lot of student’s ability to maintain balance while paddling and trying to knock everyone else off the board. Mountain biking was the next activity with Simon from GORATS who supplied us with an excellent trail riding session that catered for all abilities. Some students really thrived and proved that they have excellent coordination and bike control riding the single track trails and the bike park with outstanding success. Wednesday afternoon saw us have another surfing lesson with Miss Bruton once again being an outstanding surfer. The conditions were yet again brilliant which assisted all students standing up and cruising their way back to shore.

Thursday was our final day for activities which involved a rock pool session. From here we split into two groups while Year 8 had a free time swim in the surf Years 9 and 10 were on a team build activity with Zac from Go Ride A Wave. This session had the students building a raft, in which Zac and I hesitated at getting on, orienteering, and puzzle solving. The students really enjoyed this session. The surf comp in the afternoon involved students getting together and having team races of relays in and out of the water,

flags and other surf lifesaving races. Overall students really enjoyed the carnival as they all had to work together and cheer each other on.

Our last day Friday saw students with some free time shopping in the city and also some laser tag and ten pin bowling. Bowling and laser tag were both thoroughly enjoyed. Thank you to Miss Bruton and Mrs Edelsten for their time and patience on the Surf Camp. Also a big thank you to Mrs McKindlay for her organisation of the camp and activities.

PDHPE

Students across Years 7-10 have been participating in athletic activities at school in preparation for the school Athletics Carnival in Week 2 of Term 2. They have been practising for the field events such as discuss, shotput, high jump, long jump and javelin. The school Cross Country will also be held early Term 2.

SLR

Students in Stage 6 have been working on their practical skills in golf with a few visits to the Tooleybuc Golf Club. Thank you to Darrel and Richard from the club for organising clubs and balls for the students to play with. Stage 6 have been studying resistance training and they have started working on activities that build strength. Students will soon be implementing these skills by creating strength training programs for athletes in a sport of their choice.

Cricket

On Wednesday the 18th March students in Year 7-12 played in Round 2 of the Davidson Shield Challenge against Barham High School. The toss was made and we choose to bowl first. We bowled some nice tight consistent overs taking a few valuable wickets early to keep Barham to a score of 129 runs off 30 overs. After lunch we stepped up to the crease and after a quick attack from Barham we lost some early wickets which saw us slump to 4 for 13 runs. We were eventually bowled out for a disappointing total. Outstanding players were Tanner Gleeson who top scored with the bat, Riley McNab, Tom Domaille and John Steer. Thanks to Roger Domaille for preparing the pitch.

Soccer

Under 15's soccer is on next week at Hay for students in Year 7 and 8. Mr McCarron and myself are taking a boy's and a girl's team. We will be leaving school at 7.30 am so please be at school promptly if you are attending. We will return to school by 4.30pm.

Career News

Mrs Morton (Careers Teacher)

Career News with Mrs Morton

WORK PLACEMENT

Last week I visited the students on Work Placement for Metals and Engineering and Automotive. All students were engaged and learning valuable skills relating to their course of study. All employers I spoke to were also most positive about the excellent work ethic and teamwork our students displayed. Well done! This week Primary Industries students are out so we look forward to hearing of their experiences next week.

Callum at Automotive Repair Services

Cody at Swan Hill Power Products

Cooper at Sunrise Ag

ACCOUNTANCY TALK

Next Monday students in Year 8-10 shall be given a presentation from an accountant visiting our school. They shall learn about the different fields accountants can work in, requirements to become an accountant, traineeships and pathways into accountancy. Interested students in Year 10 and 11 may then apply for work experience with an accountant.

APPLYING FOR A TAX FILE NUMBER (TFN) –

Until recently, schools could assist students to apply for a TFN. This is no longer the case. Students now apply for a TFN online and have their identity verified in an interview at a participating Australia Post Office. To apply and to find out about participating Post Offices: www.ato.gov.au, and search for QC27248. NOTE: Not only do students need a TFN if employed, Year 12 students need a TFN when they accept an offer of a university or VET place in January 2016

DO YOU WANT TO FIND OUT MORE ABOUT LA TROBE UNIVERSITY?

If so, attend [Experience La Trobe](#). You will attend workshops, lectures and seminars of your choice to find out about career options, areas of study, pathways and student life while parents can participate in a special 'parents program'. To view the event program/register, follow the links: [Melbourne Campus, Thursday 9 April](#) and [Bendigo Campus, Friday 10 April](#). Experience La Trobe is offered across all five campuses with Melbourne and Bendigo running two events throughout the year (April and July).

CHECK OUT THE UNIVERSITY OF MELBOURNE –

You are invited to explore the Parkville campus and find out about the range of study options available. Hear from current students, attend tailored sessions to learn more about entry requirements, Access Melbourne, course structures and other opportunities at Melbourne. A tour of the **Southbank campus**

(VCA) is also available. **Who:** Year 10-12 students; **When:** Friday 10 April (also 10 July); **Information:** 13 63 52; **Register:** www.futurestudents.unimelb.edu.au/a-day-at-melbourne.

SWINBURNE OPEN DAY NEWS – Swinburne is pleased to confirm that Swinburne Open Day 2015 will be held on Sunday 2 August at the Hawthorn campus. You can register to receive updates about Open Day on the Swinburne website. [Register now »](#)

MONASH UNIVERSITY NEWS – Monash university has grouped courses into two ways of studying: Monash **comprehensive** courses and Monash **specialist** courses.

- **COMPREHENSIVE COURSES** – These are suitable for those of you who want to **keep study and graduate options open**, see university as an opportunity to **try new things**, and need time to **discover and define your interests**. These courses offer a wide range of majors within a field, and students have to decide which interest them most. They also allow minor studies from other faculties. Examples of these courses are **arts, business, commerce, IT and science**. A great option for students who know their general areas of interest, but are unsure of a definite career.
- **SPECIALIST COURSES** – These are most appropriate for those of you who are **confident about what you want to study**, and **know what you want to 'be'** upon graduation. These courses allow you to study your chosen discipline from day one. Upon completion, many of these courses provide students with the accreditation required for professional registration. They include degrees in **engineering, teaching, nursing, law and medicine**.

DOUBLE DEGREES – These should be considered if you have a diverse range of interests and don't want to give up anything, you want to qualify on two areas in the shortest possible time, and want to increase vocational opportunities (eg Arts/Law, Engineering/Commerce)

PHARMACY AT MONASH – a new initiative from the Faculty of Pharmacy and Pharmaceutical Sciences, the **Young Alchemists Club** aims to bring together high achieving students who demonstrate a keen interest in the physical sciences. Get an opportunity to do hands-on experiments in the Monash labs, automatic enrolment in Monash seminars, tutoring and VIP access to the annual Open House. To Register: www.monash.edu/pharm/future/outreach

NEW HEALTH SCIENCES DEGREE – In this three-year degree you can specialise in one of these areas: **Public health, human services, emergency health and paramedic practice and radiation sciences.** Those who complete this degree will be eligible for a range of Masters by coursework degrees no longer than 1.5 years in length. For info: register for the 'at Monash' seminar on Tues 19 May at www.destination.monash.edu/at-monash/.

DEAKIN UNIVERSITY NEWS – Deakin University is relatively young, with 47,000 students, and campuses in Burwood (Melbourne), Geelong (Waterfront and Warrnambool) and Warrnambool. It offers a very wide range of degrees in **architecture, arts, business, education, engineering, environment, health, IT, law, medicine/nursing, optometry, psychology, science and sport.** To find out more, attend **Deakin Open Days** (Warrnambool, Sunday 2 Aug; Geelong 9 Aug; Burwood 23 Aug).

New courses:

- The **B. Medical Imaging** commenced this year at the Geelong Warrnambool campus. Sometimes known as **Medical Diagnostic Radiography**, the course assists the development of the knowledge, skills and clinical expertise that enable you to practice as a registered diagnostic radiographer. You could work in a hospital, private radiography practice or health department in areas of **general radiography, digital vascular imaging, computed tomography (CT), general ultrasound and magnetic resonance imaging (MRI).** There is a shortage of medical imaging practitioners in rural and regional Australia, and you could also work overseas. The **Clearly-In ATAR** for the course was 68.55. **Prerequisites** are: 3/4 English, one of biology, chemistry or physics, and maths methods or specialist maths. Also check out **RMIT B. Applied Science in either medical imaging, nuclear medicine or radiation therapy** and **Monash B. Radiography and Medical Imaging.** **Medical sonography** is a related career which you may also wish to explore.
- The **B. Entertainment Production** is an innovative program providing the opportunity to become an **organiser and manager of entertainment** in a broad range of professional settings. The entertainment industries (media, arts, sports, museums and galleries, festivals and music) are important and expanding fields of social and economic activity. The course prepares you for a career in cultural production and programming through innovative learning and work experience. You can also choose a complementary area of study to hone your talents and learn more about how entertainment is made.

All students undertake an industry placement. The ATAR this year was 62.30; the only prerequisite subject is 3/4 English (any).

INTERESTED IN THE ENVIRONMENT? Whether you'd like to conserve animals and plants for future generations, study diverse marine and freshwater ecosystems or contribute to environmental management and sustainability, Deakin's environment courses offer a range of great choices.

- **The B. Environmental Management and Sustainability** (Burwood campus) focuses on finding solutions to the world's most pressing environmental problems (eg water management solutions)
- **The B. Wildlife and Conservation Biology** (Burwood) focuses on looking at solutions to wildlife and conservation issues - examine wildlife ecology and research, landscape and vegetation management, and biodiversity conservation and management.
- **The B. Marine Biology** (Warrnambool) focuses on how marine organisms interact with their living and non-living environments and how marine ecosystems function.
- **The B. Fisheries and Aquaculture** (Warrnambool) focuses on fisheries resources management, aquaculture management, and fisheries biology with a focus on sustainability.

ARE YOU INTERESTED IN A CAREER WITH ANIMALS?

- **KEEPER FOR A DAY** - Are you an aspiring zookeeper? Find out what takes to care for an amazing array of animals at both Healesville Sanctuary and Werribee Open Range Zoo. Learn how you can help us to Fight Extinction. **Who:** Years 7-12; **When:** Healesville Sanctuary: March 31st, April 1st, 7th, 8th. Werribee Open Range Zoo: March 31st, 2nd, 8th, 10th.
- **VET FOR A DAY** - Come and work alongside veterinary staff on real life cases involving Healesville Sanctuary's animals. **Who:** Years 7-12; **When:** April 1st, 2nd, 8th, 9th. **More information:** <http://www.zoo.org.au/education/careers-programs>; **Bookings Essential:** 1300 966 784.

Pizza Oven

If anyone has a small amount of redgum wood they could donate to the school, we will be able to fire up the Pizza Oven.

Preliminary Course Final Exams Student Timetable

Week 10, Term 1, 2015

MPC

Monday, March 30	Timetabled Session
Biology (Duration: 100 mins; 8.55 - 10.35) Biology students will be dismissed at 10.35 to study, in Stage 6 common room, until recess bell.	DEAR Period 1 Period 2 (until 10.35am)
CAFS (Duration: 120 mins; 8.55 – 10.55)	DEAR Period 1 Period.2
Art (Duration: 120 mins; 8.55 – 10.55)	DEAR Period1 Period.2
English (Duration: 102 mins; 11.11 – 12.53)	Period 3 & Period 4

Tuesday, March 31	Timetabled Session
Business Studies (Duration: 102 mins; 9.09 – 10.51) SLR (TBC) (Duration: 102 mins; 9.09 – 10.51)	Period 1 & Period 2
Maths (Duration: 102 mins; 11.11 – 12.53)	Period 3 & Period 4

NB: When ***not sitting exams***, students are to ***attend regular timetabled classes***, under the supervision of their regular teachers, unless otherwise stated.

VOLUNTARY CONTRIBUTIONS 2015

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Technology Fee	All Years F to 12	\$10.00
Current voluntary contributions including Technology Fee	Infants and Primary	\$52.00
	Years 7 + 8	\$98.00
	Years 9 + 10	\$57.00
	Years 11 + 12	\$57.00
Industrial Technology	Year 9 + 10	\$52.00 plus materials
Design and Technology Food:	Year 9 + 10 elective	\$62.00
Primary Industries	Year 11 & 12	\$75.00
Business Studies	Year 11 & 12	Excursions as required
Sport Lifestyle and Recreation Studies	Year 11 & 12	Excursions as required

Wanted

Second hand uniforms in good condition. If your child has outgrown their uniform please consider donating it to the school.

29/05/15	Kellie Edelsten – Annette Blachford
05/06/15	Sue Domaille – Theresa Wilkins

School Holiday Netball Camp

School Holiday Netball Camp to be held at the Equex Centre, Wagga Wagga on the 14th-17th April 2015.

The camps are a valuable opportunity for children of all skill levels to receive top quality coaching. We are excited to announce that former NSW Swifts player, Jackie Murphy, will host our Junior Netball Camp this year and will be joined by a panel of experienced coaches including Southern Sports Academy Coaching staff, special guest coaches and Southern Sports Academy athletes.

This year players between the ages of 7 and 10 will be attending on Tuesday 14th and Wednesday 15th April, while the players aged between 11 and 14 will attend on Thursday 16th and Friday 17th.

As you may be aware, the age group for the Southern Sports Academy Netball Squad has been lowered to 14-16 years. This has required the Academy coaching staff to commence the talent identification process earlier than we have previously. As a consequence, the annual Junior Netball Camp has become a crucial event for the identification of the best young talent in the Southern part of the state.

Please contact Mr Miller for an application form.

Easter Raffle

Fundraiser for Canberra Excursion 2016

Drawn @ Easter Bonnet Parade

3 for \$2.00 or \$1.00 each

Tickets sold on the day.

Hi, my name is Jordi Belton and I am 10 years old.

When I was 8 my Uncle Pete got sick with Cancer in October 2013. I wanted to shave my head to support him. I didn't

know that you did it to raise money, I just thought it would help him get better. He passed away in July 2014.

Now mum is trying to get a hospice in Swan Hill so that other people don't have to go through what our family did with Uncle Pete. He was put into a hospice in Bendigo for the last 3 weeks of his life.

So this year, I want to do "Haircut 4 a Hospice" to help support getting a Hospice in Swan Hill so families don't get separated when they are needed to be together the most.

I will be having my Haircut in Campbell Street Swan Hill at 12 midday on the 28th March 2015. So please come and support me.

Can you please send any money raised made out to Swan Hill District Health Hospice Fund and post it to my mum:-

Loretta Belton Po Box 90 Beverford VIC 3590

Thank you for Supporting me.

Jordi Belton.
12/02/2015

Hospice

We have a donation jar at the front office for the Swan Hill Hospice, if you have any small loose change it will go to a wonderful cause.

Practise to be a journalist

This website could definitely make practising writing and spelling more interesting for all of us. Make a newspaper clipping with your own headline and story. Your child may even start imagining themselves as a publisher or journalist.

<http://www.fodey.com/generators/newspaper/snippet.asp>

Safetytown website – A road safety education program

This innovative website reinforces the road safety messages that children are learning at school. It provides practical strategies to help families learn how to be safer pedestrians and road users. The seven key road safety messages cover pedestrian safety, car passenger safety, bus passenger safety and safety on wheels (bicycles, foot scooters, skateboards and rollerblades). For further details, visit <https://www.safetytown.com.au>
