THE BRIDGE

STUDENT NEWS FROM TOOLEYBUC CENTRAL SCHOOL

5th June 2015 Term 2 Week 7

Melanie's Thoughts

Melanie Wait
Principal

HOW2LEARN

This year all teaching staff at Tooleybuc Central School are participating in professional learning in HOW2Learn (Higher Order Ways 2 Learn). The initial stages involves learning about the different mindsets of learners and the influence this can have over their learning when they experience challenging content. We are talking about fixed or growth mindsets.

Carol Dweck has undertaken research into these mindsets and the following quote from Dweck's research in 2012 defines both of these:

"In a fixed mindset students believe their basic abilities, their intelligence, their talents, are just fixed traits. They have a certain amount and that's that, and then their goal becomes to look smart all the time and never look dumb. In a growth mindset students understand that their talents and abilities can be developed through effort, good teaching and persistence. They don't necessarily think everyone's the same or anyone can be Einstein, but they believe everyone can get smarter if they work at it."

This has serious implications for the way that we all talk to our students. The old adage that 'You're not good at Maths, just like me' gives our children a fixed mindset and encourages them to give up, rather to persist and try and develop their learning. We need to make sure that when we praise students, we praise the effort or the process not their intelligence. We need to encourage students to 'have a go' and to learn from their mistakes rather than see them as failures.

Spectacular clouds over Tooleybuc School at 7:30 am taken in May by David Tallon

School Planning

As part of our 2015-2017 School Plan we have a strong school vision. Our vision is for all students to achieve their personal best. To help fulfil this vision we have developed three areas of focus.

These areas are:

- A Culture of Learning;
- Excellence in Teaching; and
- Connections.

These areas focus on:

A Culture of Learning: Students developing positive learning habits where they are empowered to build their skills and understanding.

Excellence of Teaching: Teachers will continue to participate in professional learning and collaborate with staff to refine their already quality practice to ensure quality outcomes for all students.

Connections: Students will feel well supported in the school environment and there are strong links between the home, school and the local community.

Over the next three years we will be working towards a number of milestones to ensure we achieve our areas of focus.

HSC Timetables

Our Stage 6 students have now received their Higher School Certificate Examination Timetables. Each student should have their own timetable and hopefully all parents have been told when these exams will be held. In preparation for these HSC examinations, students should be committed to their preparation. To adequately prepare for their exams, students need to put aside time each night to revise their notes for each subject. For students to be successful they are encouraged to put aside 3 hours each night for both the completion of home learning, assessment tasks, revision and exam preparation.

This time should be structured with time allocated to each subject. A good outline for their study routine may be

4.30 pm - 6 pm with half an hour spent on each subject to complete readings and class home learning.

7.30 pm - 9 pm with half an hour spent on each subject to complete assessment tasks, revision, creating study notes and completing past paper questions.

They should also make sure that they are submitting

drafts of their assessment tasks for their teachers to provide feedback on or getting someone else to read over their tasks. Students also need to make sure they address all aspects of the criteria and that they review their task in reference to their marking criteria. These are all strategies to support their success.

Hay Required

Students will be doing archery and we require either round bales or squares we can stack behind the target. If anyone has any they can spare can they please contact Ben Miller at the school.

Baby Capsule Required

Would anyone have a baby capsule that they no longer require, it doesn't need to reach current safety standards as it will be used with the simulation babies. Please contact the school if you can donate one.

Hospice

We have a donation jar at the front office for the Swan Hill Hospice, if you have any small loose change it will go to a wonderful cause.

Up Coming Events Term 2 2015

Week 8

Timetable Week 2

Mon 8 Jun	Queen's Birthday Public Holiday
Wed 10 Jun	Breakfast Club Heat up lunches
Thu 11 Jun	PSSA Cross Country @ Gundagai Heat up lunches
Fri 12 Jun	Riverina Secondary Cross Country

Week 9

Timetable Week 1

Tue 16 Jun	Year 7, 11 & 12 Immunisations
Wed 17 Jun	Breakfast Club Heat up lunches
Thu 18 Jun	Year 6 into 7 Transition Day & Parent Information Session Heat up lunches
Fri 19 June	Casual Dress – PJ Day = Gold coin donation

Primary News

David Tallon (Assistant Principal)

Last week saw 31 students go to Wakool Primary School to compete in the Moulamein PSSA Cross Country. The students did their best and performed very well. Congratulations to our place getters;

12 Year Old Girls

Sara 1st

12 Year Old Boys

Campbell 3rd

Cooper 4th

11 Year Old Girls

Amy 1st

Tara 2nd

11 Year Old Boys

Zach 3rd

Mitchell 4th

10 Year Old Girls

Summer 2nd

Saorise 3rd

10 Year Old Boys

Noah 4th

8/9 Year Old Boys

Kusi 3rd

8/9 Year Old Girls

Elektra 2nd

Asiri 4th.

Competitors at the PSSA Moulamein Cross Country

Place getters at the PSSA Moulamein Cross Country

Upcoming Events

8th June – Queens Birthday Public Holiday

11th June – PSSA Regional Cross Country – Gundagai

Year Five/Six

David Tallon (Class Teacher)

This term has seen the 5/6 students becoming more responsible for their learning in literacy activities. Students have been tasked to complete a project of their choice that involves using PowerPoint and preparing a speech to present in front of their peers. I am looking forward to hearing the speeches in Week 10.

In HSIE we have been learning about Antarctica focusing on some early explorers, climate, topography and current issues about Antarctica.

In Mathematics students have had fun taking part in a times table challenge beginning with a race around Australia. Students have also been completing daily times table challenge with a race against me with a few students really pushing themselves to beat me!

Campbell completing a learning task on Edmodo

Amy, Kira and Angela learning collaboratively in literacy activities

Jack putting the finishing touches on his project.

Merit Scheme

To reward our students' positive behaviour Tooleybuc Central School runs a strong Merit Scheme. Students are awarded 'Merit Awards' during the school year and an accumulation of these merits equates to levels.

Bronze Level	10 Merits
Silver Level	Bronze plus and extra 20 Merits
Gold Level	Silver plus an extra 30 Merits.

Primary students are given a 'Lucky Dip' at the achievement of each level. Then they are presented with a certificate at our Whole School Assembly. Secondary students with the highest GEM score in each class receive the Student Of The Fortnight on Assembly. Those students who achieve Gold Level or the correct GEM average are invited to attend our End of Year Merit Excursion.

Silver Merit Awards

Foundation	Year one	Year Two	Year Six

Secondary News

Sean Connell (Head Teacher)

Congratulations to all students for completing the Half Yearly Examinations in Years 7 to 10. Use the feedback received from teachers as a guide to direct your studies and revision for future examinations.

Good luck to the SRL Boys heading off to the Grampians for three days on the 9th of June. I'm sure it will be a challenging and enjoyable experience.

Now that the warm weather has ended, students are reminded that the School uniform should be worn at all times. Hoodies are not allowed at school and any thermal, casual wear should be worn beneath the uniform, not on top of it.

Mathematics

John Hocking (Mathematics Teacher)

Year 7 Mathematics

Year 7 is currently learning about fractions and percentages. The next topic for Year 7 will be algebra, the grammar of mathematical communication.

Year 8 Mathematics

Year 8 is currently learning about geometry, including the properties of triangles and quadrilaterals and congruence and similarity. The next topic for Year 8 will be linear equations, in which they will be able to put their algebra to good use.

Stage 5 Mathematics

Stage 5 is currently learning about trigonometry. The Stage 5 class has been split up into two groups, one taken by Ms Wait and the other taken by Mr Hocking. The reasoning behind the split is to allow students to work at a level that provides an appropriate level of challenge for where they are now. The next topic in Stage 5 will be linear graphs.

Stage 6 Mathematics

Stage 6 has been learning about geometry and is now applying that learning to house plans. This will be particularly useful for any students wishing to pursue a trade in building and construction and associated industries. The next topic will be statistics.

Year 9/10 Mathematics

Melanie Wait (Mathematics Teacher)

Our Year 9/10 Maths students are currently studying Trigonometry. After a quick review of Pythagoras' Theorem we have focused on learning how to find the length of an unknown side using the trigonometric ratios: Sine; Cosine and Tangent for Right Angled Triangles. Students have focused on learning how to

label the sides either hypotenuse, opposite and adjacent and then how to select the correct ratio to find the unknown length. We are now moving onto finding an unknown angle. Discussions have also started around the practical applications of trigonometry, angles of elevation and depression and bearings.

We have also been practising our times tables and trying to improve our speed and accuracy. Next week we will focus on our 7s. All of the students in our class have been applying themselves diligently and have put in great effort to improve their learning. I am sure this will help them to develop a deep understanding of the content studied.

Careers

Kim Morton (Careers Teacher)

Career News with Mrs Morton

All senior students should be taking careful note of all of the following information as there are lots of great activities supporting the transition to further study in this addition.

Reminders

- **Focus on University of Melbourne** - Engineering 11 June, IT 11 June, **Music** 24 June, and **VCA** 25 June (most 6.30-8.30pm). Register attendance (essential) at: www.futurestudents.unimelb.edu.au/events.
- **Victoria University (VU) – BE YOU AT VU** – find out about VU by attending **Be You at VU**; 8 July; **register and obtain more information:** www.vu.edu.au/be-you-at-vu.
- **Keeper/Vet for a Day** – Healesville & Werribee Park; **Info:** www.zoo.org.au/education/careers-programs; **Bookings:** 1300 966 784.
- **Grow Your Career day** Sunitafe Swan Hill July 22nd
- **TIS TOUR** Swan Hill All Year 11/12 students July 29th.

MAKING MUSIC WITH TECHNOLOGY – Creative Music Technology (CMT) is a new specialisation in the Bachelor of Music at Monash. It focuses on the creative application of technology in professional music, sound, performance, broadcast, multimedia and research. Students are required to be musically trained as well as having an interest in the relationship between music and technology. Applicants will need to audition both on their chosen digital audio workstation (DAW) and on an instrument. A sound knowledge of music theory and aural skills will also be tested. Careers will be in new media, composition, recording and performance

creative industries. A two-day audition workshop for CMT will be held in September. Contact ben.grayson@monash.edu for details.

DISCOVER DEAKIN – Deakin University welcomes Year 10 -12 students and their parents to get a taste of university life. Attend study area workshops, explore the campus, find out information about fees and services, and hear from Australia's leading innovation consultancy firm, *Inventium* on the latest scientific findings in relation to what drives highly inventive and intellectual thinking. **When/Where:** Tues 30 June at Burwood campus & Wed 1 July at Geelong Waterfront campus; **register:** www.deakin.edu.au/discover-deakin.

EXPERIENCE ACU – This program at Australian Catholic University gives you the opportunity to sample the degree of your choice. Get a taste of life at ACU by meeting staff and current students, and trying out the course in which you are interested. This is for Year 10-12 students to learn about industries and careers, hear helpful tips in preparing for university, and enjoy the entertainment and fun campus atmosphere. **When/Where:** Mon 29 June (Melbourne campus, Fitzroy) & Tues 30 June (Ballarat campus); **Register:** www.acu.edu.au/uni-experience; **Info:** 1300 275 228.

EXPERIENCE LA TROBE UNIVERSITY – This is your chance to get to know the La Trobe community and be a uni student for a day. Find out what really happens after secondary school and attend workshops, seminars and lectures of your choice. This is a free event with lunch and entertainment provided. **When:** 9 July (Bundoora); **register:** www.latrobe.edu.au/experience.

UNIVERSITY OF MELBOURNE NEWS – GET A UniExperience AT MELBOURNE – Year 11 students from a rural and border regions, those who are **first in their family to consider tertiary study**, and **Indigenous Australian and Torres Strait Islander** students are invited to the Parkville campus on 9-10 July. UniExperience gives students the opportunity to **experience university life** first-hand. The two-day program offers a range of sessions covering all aspects of tertiary study including **on-site accommodation** in a residential college, **campus tours**, information about **courses**, workshops covering **transition** to university, **scholarships** and **study skills**, and **social activities** and the chance to **meet current students**. **Cost:** \$100 covers accommodation and meals; **Applications:** <http://futurestudents.unimelb.edu.au>; places are limited – selection will be based on your reasons for wanting to participate as outlined in your

application. **Info:** Leah McGregor, ph. 8344 7508, leah.mcgregor@unimelb.edu.au.

HANDS ON ENGINEERING – Get hands on experience in activities and workshops to learn about different fields of engineering. **When:** Thurs 2 July; **Who:** Year 10 students; **Register:** www.eng.unimelb.edu.au/schools.

HANDS ON COMPUTING – Find out what computing and information systems study involves, and pathways to careers. **When:** Tues 7 July; **register:** www.eng.unimelb.edu.au/schools.

MELBOURNE RISES IN WORLD RANKINGS - The University of Melbourne remains the number one university in Australia according to the **Times Higher Education World Reputation Rankings** for 2015. The University has moved up two spots since 2014, and is now placed at 41 in the world. The reputation rankings are based on the world's largest invitation-only survey of academic opinion, featuring more than 10,000 respondents from nearly 150 countries. **See:** www.futurestudents.unimelb.edu.au/

HAVE YOU SUBSCRIBED TO 'MY MELBOURNE'? 'My Melbourne' is a monthly newsletter for future students. It's a great way to keep up-to-date with what's happening at the University of Melbourne and find out all about the opportunities available. **Subscribe:** <https://blogs.unimelb.edu.au/mymelb>.

NATIONAL YOUTH SCIENCE FORUM – Are you in Year 11 and interested in a career in science, technology or engineering? Are you an Australian citizen or permanent resident, planning to study at an Australian university? Are you achieving good grades in science, and also have other skills and interests? If so, you might want to apply for this Forum. Applications must be endorsed by a local Rotary Club. Brochures are available by emailing nysf@nysf.edu.au, or see www.nysf.edu.au. The Forums are in Canberra in January 2016.

RMIT NEWS – RMIT is both a higher education and VET provider, with campuses in the City, at Bundoora and at Brunswick.

SCIENCE IN THE CITY LAB TOURS – RMIT is offering students and parents the chance to visit their learning laboratories and to find out about opportunities in biology, biotechnology, chemistry, environmental science, nanotechnology and physics. **When:** 11am-2pm, Mon 29 June; **Info/registration:** www.rmit.edu.au/appliedsciences/discover.

RMIT EXPERIENCE DAYS – You can find out about university life and explore interest areas in the school holidays. **What/When:** 29 June - **Engineering** (City); 30 June - **Health and Medical sciences**; 1 July - **Justice and legal, Music, sound and live production, Science**; 2 July – **Engineering (Bundoora); Sustainability**; 3 July – **Project**

Management.

Info:

www.rmit.edu.au/experiencedays.

CAREER DISCOVERY IN FASHION AND TEXTILES – This course, running the school holidays, will assist you to select the most suitable RMIT Fashion and Textiles program and career options. It is a two-day workshop for year 11 & 12 students including workshops and discussion topics that may include trend forecasting, fashion creative processes and ideas generation, developing a visual diary, digital technologies and textile design. **When:** 8 – 9 July; **Cost:** \$275; **Information:** www.shortcourses.rmit.edu.au/page/career_discovery_fashion.

JOURNALISM AT LA TROBE – Journalism can be studied at most universities, however, at a recent conference, **Career Practitioners were told about journalism at La Trobe University**. It was pointed out that there are **still jobs** in journalism, but not in traditional media. However, there are more TV channels, more radio stations seeking staff. It was pointed out that the **first job in journalism** is often **easier to obtain than the second** or subsequent position, because promotion can be difficult. Graduates often start as a **digital content producer**. **Journalism skills** can be used in arrange of jobs because journalists learn to **synthesize, present, package and process information**. **Why study at La Trobe?** Journalism there has a **broad approach**, **transferrable skills** are taught, all **senior staff work in the industry**, and there are great **industry links**. Attempts have been made to create **real-world assessment tasks** such as attending press conferences and writing reports; there is a genuine **student focus**, **aspiration** is fostered, and efforts have been made to see that all **assessments don't come at the same time**.

What projects or essays does your child have that are due by the end of term? One of them could be among the School A-Z website's assignment starters – resources designed to point you in the right direction.

Find out more:

<http://www.schoolatoz.nsw.edu.au/homework-and-study/other-subjects-and-assignments>

**Lunch ideas**

Sandwiches do not need to be sent every day for school lunch. Eating the same thing all the time can make anyone bored, especially children. There are other suitable lunch ideas that are nutritious as well as interesting. Try soup (in a thermos), corn on the cob, pasta and tomato sauce, leftover pizza, cooked or raw vegetables, small cans of baked beans or spaghetti, small container of assorted salads, eg. pasta salad, tabouli, pancakes and pikelets with a spread.

When making sandwiches, try using different breads (eg. pita bread, foccacia, Mountain bread) and various fillings: chicken, cheese and lettuce; peanut butter with chopped dried fruit; lean ham, mustard and tomato; turkey and salad; lean ham and fruit chutney; chopped egg, cucumber and lettuce.

Remember to place wet ingredients (eg. tomato, cucumber) between ingredients such as meat/lettuce/cheese to stop bread becoming soggy.

Nutritious after school snacks

Children often return home from school with an enormous appetite. Since snacks are an important part of a child's diet, it is important to make them nutritious. Here are some ideas for easy and nutritious snacks:

- Breakfast cereal with milk
- Fresh or canned fruit
- Low fat yoghurt or custard
- Glass of low fat milk, plain, with milo or as a fruit smoothie
- Slice of raisin toast
- English muffins topped with tomato paste, chopped vegetables (mushrooms, capsicum, onion), sprinkled with low fat cheese and grilled
- Can or tub of rice pudding
- Plain popcorn (add some dried fruit and cinnamon for flavour)

VOLUNTARY CONTRIBUTIONS 2015

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Technology Fee	All Years F to 12	\$10.00
Current voluntary contributions including Technology Fee	Infants and Primary	\$52.00
	Years 7 + 8	\$98.00
	Years 9 + 10	\$57.00
	Years 11 + 12	\$57.00
Industrial Technology	Year 9 + 10	\$52.00 plus materials
Design and Technology Food:	Year 9 + 10 elective	\$62.00
Primary Industries	Year 11 & 12	\$75.00
Business Studies	Year 11 & 12	Excursions as required
Sport Lifestyle and Recreation Studies	Year 11 & 12	Excursions as required

Wanted

Second hand uniforms in good condition. If your child has outgrown their uniform please consider donating it to the school.

LOST UNIFORMS

Please name your uniforms so we can return items that are misplaced.

School Bags

Tooleybuc Central School has school bags which are available to purchase from the front office.

Large \$58.00

Tooleybuc Central School Uniforms

TCS dark green bucket school hats \$15, are available for purchase from the front office

Tops

Primary:	Dark green polo shirt (TCS)
	Jumper (TCS)
	Girl's summer culottes/green check dress
Secondary:	Green/yellow polo shirt (TCS)
	Rugby Jumper (TCS)

Pants

Primary & Secondary Boys	Grey School Pants/ Grey Max Dax
Primary Girls	Green school pants/ Green Knee Length Shorts
Secondary Girls	Black school pants/ Green Knee Length Shorts

Sport

Primary & Secondary	Yellow polo shirt
	Green basketball shorts
	Green tracksuit pants
	Sneakers

Shoes

Primary & Secondary Boys & Girls	Black Leather Shoes

STUDENT ASSISTANCE SCHEME APPLICATION FOR SUPPORT

If you would like an application for support please contact the school.

Education & Training

Canteen Menu 2015

Term 2

Lunch (all hot food must be ordered)

Pie	\$3.00
Sausage Roll	\$2.00
Party Pie	\$1.00
Mini Pizza (Ham & Pineapple or Ham & Cheese)	\$2.00
Quiche	\$3.00
Dim Sims (soy sauce – no extra charge)	\$0.50
Chicken Nuggets	\$0.50
Tomato Sauce	\$0.20

Snacks (do not include in lunch order, students to purchase at lunch time)

Muffins (Double Choc)	\$1.60
Bulla Frozen Yogurt (Strawberry and Mango)	\$1.60
Billabong Triple Swirl	\$1.50
Chips (Honey Soy)	\$1.00
Raspberry Twists	\$0.20

Drinks

Big M (Chocolate, Strawberry & Iced Coffee)	\$2.00
Play water - 350ml (purple, lemonade, red, fruit tingle)	\$2.00
Prima (as drink or frozen) (apple/blackcurrant and tropical)	\$1.20

Lunch orders are to be written on a paper bag including students name and year (with money inside). Orders are then to be taken to front office by students or sent with the rolls.

Please remember to include only hot food and drinks on student's lunch orders. All snacks are to be purchased from the canteen at lunchtime.

Please note Raspberry Twists are now **.20c** each

CANTEEN ROSTER

Term 2

12/06/15	Leanne hoare & Mereeka Andrews
19/06/15	Sandra Scalora & Joelene McKenzie
26/06/15	Peta hickey & Roxy Chapman
Term 3	
17/07/15	Sharon Rogers & Belinda Koeler

School Holiday Program June/July week 1

To book contact the library on 5036 2480. Check out the Library's Facebook page or newsletter for more details.

All holiday's! 10am-5.30pm

For: All ages Cost: FREE

Creation station

Set up in the children's area for the duration of the school holidays, children can draw, cut and paste, colour in, complete activity booklets and make all sorts of creations!

Monday, 29 June & 6 July

- **Children's Yoga Session**

11am-12pm For: School age Cost: \$7

- **Minecraft Monday**

1pm-5pm For: All ages Cost: \$2

Tuesday, 30 June & 7 Jul7

- **Knitter Knatter for Children**

10am-12pm For: All ages Cost: FREE

Wednesday, 1 & 8 July

- **Move and Groove**

10.30am-11.15am For: 18 months-5years
Cost: FREE

- **Loom Bands**

2pm-4pm For: School age Cost: FREE

- **Lego @ the Library**

2pm-4pm For: All ages Cost: \$2 per child

Thursday, 2 & 9 July

- **Children's Yoga Session**

11am-12pm For: 5-12 years Cost: \$7

Friday, 3 & 10 July

- **Baby Rhyme Time**

10.30am-11am For: Up to 18 months Cost: FREE

- **Storytime session at PANI at 10.30 am.**

Saturday, 4 & 11 July

- **Saturday Storytime**

10.30am-11.15am For: All ages Cost: FREE
