Professional Learning

Once again our teachers have been busy participating in professional learning to allow them to continue to refine their practice to make sure we are providing the best educational experiences available for our students.

On Monday, six secondary teachers and myself attended ALARM training in Albury. ALARM is 'A Learning and Responding Matrix' and it unpacks the teaching of concepts in a structured way that allows students to develop a deep understanding and then create an appropriate response when they are answering questions. Over the next 12 months our secondary teachers will work on embedding the ALARM strategy into our school.

ALARM focuses on the 'verbs' that are used in questions and helping students create a response which shows the appropriate depth of understanding. Included in this edition of 'The Bridge' is an overview of each level of questioning and the type of thinking required at each level.

Education Week – Leadership Luncheon

This week I attended an Education Week Luncheon in Moulamein with 6 SRC students. I was extremely proud of all of our students who attended, their levels of participation and involvement in all the activities demonstrated the quality of the leaders we have in our school.

2016 Planning

Our 2016 planning is underway, anticipated enrolments for 2016 are due soon. If you are aware of any changes to your child's enrolment for 2016 can you please let me know. We are also holding our Subject Information Sessions over the next two weeks. These meetings will be an opportunity for you to identify pathways for your child to their future career. Please make sure you attend these meetings so your child can make informed choices about their future.

Reading tips for home

Asking questions:

- helps children understand what the story is about
- helps children to talk about their insights
- enables us to share ideas with children
- helps children to clarify their thoughts.

Don't ask too many questions, two to three will be sufficient, and remember that it is important to accept all responses.

Fresh Tastes Tip No. 61

Children who eat breakfast are more likely to have better concentration and behaviour at school.

Fresh Tastes Tip No.62

Breakfast toast toppers: baked beans with grated cheese, canned creamed corn, sliced tomato with melted cheese, peanut butter, scrambled eggs

Primary News

David Tallon (Assistant Principal)

Last Friday saw students with some crazy hair. I was great to see so many students participating in this event.

Also, good luck to all our students participating on today's Athletics Carnival. I trust you all had a great day competition in your events.

Please note a change of date for the Primary Assembly.

 6th August- Preschool Orientation
 7th August – Jeans for Genes Day
 13th August – Primary Assembly
 25th August – Nyah Sports Carnival

Year Two/Three/Four

Ashlea Bruton (Class Teacher)

This term, Year 2/3/4 have been studying Volume and Capacity in Mathematics. Did you know? ...

- That Volume is a measurement of space taken up by a substance e.g. water, rice or sand? By Noah Everitt and Quinlan McKenzie.
- That Capacity is how much an object can hold altogether? By Paul Scalora and Jed Fulton
- That when using a scale, you need to measure on a flat surface to get the accurate answer? By Lochlan Prentice and Noah Milley.
- That a normal coffee cup can hold 250ml? By Kayla Kendrick.
- That if one cup equals 250 ml, then there would be 16 cups in 4 Litres. By Murdoch McKenzie.
- That there are 1000ml in 1 Litre? Alesha Mammone.
- That there are 500ml in half of a Litre? Rhys Bergman.
- That in one quarter of a Litre there is 250 ml? Keisha Andrews.
- That three quarters of a Litre equals 750 ml? Hannah Rogers.
- That it is a good idea to double check your answers to make sure you have the correct result? By Will Domaille.
- That we use Volume and capacity in our kitchen every day? By Kusi Chapman.
- That you use volume and capacity when filling up your car? By Jett Funnell.

- That water is good to measure the capacity of three-dimensional shapes as it leaves no gaps? By Emily Hickey.
- That it is easy to make mistakes when not using the correct equipment? Asiri Chapman.
- That it's not a good idea to use tennis balls to find the capacity of a container? By Summer Blachford.

Will and Summer checking their volume.

Elektra, Asiri and Jed fill their container to measure its volume.

Kayla and Lochlan see how much volume the jar holds.

Kusi, Paul and Hannah count how many smaller containers fill the larger container.

Qunilan and Keisha compare the volume in the containers.

Merit Scheme

To reward our students' positive behaviour Tooleybuc Central School runs a strong Merit Scheme. Students are awarded 'Merit Awards' during the school year and an accumulation of these merits equates to levels.

Bronze Level	10 Merits
Silver Level	Bronze plus and extra 20 Merits
Gold Level	Silver plus an extra 30 Merits.

Primary students are given a 'Lucky Dip' at the achievement of each level. Then they are presented with a certificate at our Whole School Assembly. Secondary students with the highest GEM score in each class receive the Student Of The Fortnight on Assembly. Those students who achieve Gold Level or the correct GEM average are invited to attend our End of Year Merit Excursion.

Secondary News

Sean Connell (Head Teacher)

It was wonderful to see all the parents and guardians at the Education Week Open Day on Thursday. The students really shine when they are able to show off their skills and efforts in their classes.

On Monday and Tuesday I had the fortune to attend ALARM (A Learning And Responding Matrix) training with a number of staff. This program will support students to gain confidence tackling typical education terminology and apply this terminology to examination questions. This has the potential to allow students to achieve their potential, particularly in the Higher School Certificate and will be gradually implemented in all High School classes.

On Tuesday 4th of August, four students from Years 9 and 10 will attend the SRC Network Camp at Deniliquin. This camp will give students valuable communication skills and allow them to interact with other SRC students from the area to see what programs are being implemented by the SRC groups from those schools. I look forward to seeing the new initiatives that stem from this valuable excursion.

PDHPE

Ben Miller (PDHPE Teacher)

Year 7 & 8 PE

This term Year 7 and 8 are studying changes that occurring during puberty in theory. In practical lessons they are developing new skills and understanding of soccer which has so far been enjoyed by all students.

Year 9 & 10 PE

Students have been investigating how to party safely developing an understanding in sexual health, road safety and drug use. In practical lessons we have been learning a new game called speed ball which is an American based game of soccer crossed with basketball.

SLR

This term SLR have been learning about lawn bowls and will get the opportunity to apply their new skills and knowledge to the game at Tooleybuc Sporting Club. They have been cycling for practical lessons thanks to Mr McCarron, Tom and Max as they repaired and fixed the school bikes.

Sport

This week students have participated in cycling for school sport which we hope to continue into the future

Brilliant Attitude

Last week students from Year 7 – 9 participated in a workshop by Bob Allwright from Brilliant attitude. This session focused on students being the best person they can be, not following the crowd and making their own decisions.

They then identified some challenges they have in their life and what their life would be like if they broke through these. Our students then got to break through their fears which was extremely empowering.

Laura, Riley, Emma & Tom lift Ms Wait during the Bob Allwright session.

Year 9/10 exploring Mathematics outdoors.

VOLUNTARY CONTRIBUTIONS 2015

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Technology Fee	All Years F to 12	\$10.00
Current voluntary contributions including Technology Fee	Infants and Primary	\$52.00
	Years 7 + 8	\$98.00
	Years 9 + 10	\$57.00
	Years 11 + 12	\$57.00
Industrial Technology	Year 9 + 10	\$52.00 plus materials
Design and Technology Food:	Year 9 + 10 elective	\$62.00
Primary Industries	Year 11 & 12	\$75.00
