## Melanie's Thoughts

Melanie Wait  
Principal

### Education Symposium 2016

Last week I was fortunate to attend the NSW Education Symposium 2016 in Sydney. This conference was aimed at shaping the future reforms for education in NSW. The forum was attended by 270 educators who listened to speakers of the calibre of Pasi Salberg, the Minister of Education Adrian Picolli, Mark Scott the Secretary of the NSW DoE, Dr Xiaoyan Liang Lead Researcher for the World Bank as well as range of other leading education and industry specialists. The focus of the conference was to continually refine our processes system wide to ensure that every student no matter where they go to school has the equal opportunity for success.

### 2017 Rollover

On Monday the 14th of November we 'Roll Over' to our 2017 Curriculum. A new timetable will be distributed and students will begin their study for the next school year.

### Farewell Year 12

Our Year 12 students have now officially finished their schooling and all of their HSC Exams. For some of them it is now it is all a waiting game to see what their future holds, others are already well on their way to achieving their dreams. While a majority of them are hoping to have a 'gap year' before moving to the next stage of their schooling, we must congratulate Billy Bentley, Rachael Hoare and Jaide Berg who received 'Aspire' offers at Latrobe University, Callum McNab who has been accepted into Collarts in Melbourne and Jason Forster who has received an apprenticeship with Billy Charnock Electrical.

As you move off into the big wide world, remember that we are very proud of the young adults that you have become. You have been such wonderful role models and outstanding leaders for the rest of our student body.

Toby made delicious Cornish pasties in Food Technology.

**Merit Scheme**

To reward our students' positive behaviour Tooleybuc Central School runs a strong Merit Scheme. Students are awarded 'Merit Awards' during the school year and an accumulation of these merits equates to levels.

Bronze Level 10 Merits  
Silver Level Bronze plus an extra 20 Merits  
Gold Level Silver plus an extra 30 Merits.

Primary students are given a 'Lucky Dip' at the achievement of each level. Then they are presented with a certificate at our Whole School Assembly. Secondary students with the highest GEM score in each class receive the Student Of The Fortnight on Assembly. Those students who achieve Gold Level or the correct GEM average are invited to attend our End of Year Merit Excursion.

Dear Parents/Caregivers,

### 'Graze and Gaze Night'

To celebrate the importance of families and in particular Grandparents and other special people in our students' lives we are inviting everyone to a wonderful evening under the stars on Thursday, 17<sup>th</sup> November, 2016. The event will be held at the school and commence at 6.30pm and finish at approximately 10.00pm.

The evening will be a relaxed picnic or a "Graze and Gaze" night. Our school has received a grant from the NSW Department of Family and Community Services and therefore are able to provide a barbeque and pizzas for tea free of charge to all attendees. Soft drinks will be available for purchase.

Telescopes will be provided for all to enjoy the night sky and live music will also be provided.

Bring your special guests, your own chairs, picnic rugs and telescopes (this is optional as we have only 2 telescopes). Please note no alcohol can be consumed as this is a school event.

**Bookings are essential**, please see below.

Kind regards

Melanie Wait  
Principal

## Primary News

**David Tallon (Assistant Principal)**

### Gizmo

Primary attended a performance based on the Paul Jennings book Gizmo. Our students were engaged with the stage theatrics. After the performance the actors answered questions put forward by students. Our students enjoyed their time at the performance.

### Transition

Our Year 6 students had their last transition day in the last fortnight. They liked the time spent in High School and are looking forward to next year.

### Year 5 leadership

While the Year 6 students were at Transition, the Year 5 students were busy polishing up their speeches for this term's Primary Assembly in Week 7.

### Up and Coming events

#### November

- Monday 7<sup>th</sup> – 'It's a Mad World' performance
- Wednesday 9<sup>th</sup> – Year 3/4 Camp begins
- Friday 11<sup>th</sup> – Year 3/4 Camp returns
- Thursday 17<sup>th</sup> – Grandparents Star Gaze Night

### Year Five/Six

**David Tallon (Class Teacher)**

In Mathematics, we have been learning about constructing 2D shapes using a compass, protractor and set squares. One lesson in particular was that students had to create a net of a 3D shape, cut it out and create the shape. The students enjoyed completing this task as it made them think about starting location on the paper, where to put the tabs for gluing, and how to construct the shapes with no templates. They did an amazing job!

In Literacy students have continued to learn skills to assist them gain a deeper meaning when reading texts such as referring back to their prediction and changing, using I wonder statements. This term has seen students write some wonderful character descriptions of their friends.

## Secondary News

### **Mr Hocking (Head Teacher)**

On Wednesday, the last of this year's Year 12 class completed her final HSC examination, bringing to an end 13 years of schooling. They have worked very hard, and should be proud of themselves for the effort that they've put in. However, the shark must keep swimming! Stage 5 exams have begun, and will be completed next week, before our secondary rollover begins and our Year 10s begin their transition to HSC in the final five weeks of the year. Next week, Mrs Morton and I will be taking the Stage 6 2017 students to Bendigo and Ballarat to visit a few tertiary institutions to help our students understand the opportunities that await them.

Year 7 and 8 examinations will begin next week, before their transitions to Years 8 and 9, respectively. As a result of the rollovers, our new secondary timetable will be in effect from Week 6, including electives and class changes.

### **Science**

#### **Miss McEveley (Science Teacher)**

In Science throughout the semester Stage Four have been studying a variety of different topics and enjoying many different experiments.

Year Seven have been learned all about forces and this week completed their practical assessment task. They had to investigate one element of what influences the dropping speed of a skydiver. There were many complications to overcome including model skydivers breaking, windy conditions and strings getting tangled. A very interesting experiment.

Year Eight have been exploring our changing earth. We have made honeycomb and toffee to represent Lava and Pumice stone. They have made their own fossils and had to dig them up. We have also been investigating human impact on erosion and have come up with ideas of their own on how to tackle the problem. It has been a very busy topic for Year Eight.

#### **Mr Hocking (Science Teacher)**

Stage 5 students have been studying motion and forces and developing an understanding of how these apply in everyday life, including in car safety.

Our Stage 6 students will begin their study of Biology from Week 6 of this term. This will be a challenging, but rewarding, subject for our students and will give them a greater insight into the workings of many different types of organisms.

### **WORK EXPERIENCE/WORK PLACEMENT:**

Over the past few weeks students from Year 10, 11 and 12 have been busy completing Work Experience and Work Placements. Students have once again received positive reviews from their employers and have learnt valuable skills relating to the working world. In addition students undertaking VET Automotive, metals and Engineering and Hospitality have been able to learn practise and develop specific industry skills and competencies whilst working on the job. I once again thank all of the employers involved who generously give up valuable time to accommodate our students.

*Max at Sunshine Ag.*

*Keisha at K2 Hairdressers.*

*Amelia at Jacaranda Lodge.*

**UPCOMING CAREER EVENTS:**

In Week 5 students entering Year 11/12 are able to attend a 2 day careers excursion to visit and explore the further educational opportunities which exist in Ballarat and Bendigo. This includes tours and talks at Federation Uni, Ballarat, ACU, Ballarat campus, Latrobe Uni, Bendigo and BRIT in Bendigo. In addition students will be able to see the accommodation options available. This excursion will help students with their transition from school to further education and I strongly recommend all senior students to attend.

On the 22<sup>nd</sup> November students in Year 9-12 are invited to attend a talk by ADF whereby information shall be given on the opportunities which exist for young people starting a career with the defence force. The talk shall be held at Tooleybuc Central School from 1.35 pm-3.15pm.

Any questions please contact Mrs Morton at school.

#### WHAT IF I DO NOT GET A HIGH ENOUGH ATAR TO GET INTO MY DESIRED COURSE?

**Many pathways and programs exist to assist in getting to where you want to go. Suggestions:**

- Complete a **Diploma of Tertiary Studies at Monash University** in either business, education or nursing (ATAR 50+) **OR** a Diploma of Higher Education (ATAR 65+); Indigenous pathways - See: [www.study.monash/how-to-apply/indigenous-student-applications](http://www.study.monash/how-to-apply/indigenous-student-applications)
- Complete a course at **Monash College** in Art & design, Arts (Human Behaviour or Psychology streams), Business or Commerce, Engineering or Science; search Courses on VTAC website
- Complete a course at **Deakin College** in Commerce, Computing, Engineering, Health Sciences, Management, Media and Communication or Science
- Complete a **UniLink Diploma** at **Swinburne** (Arts and Communications, Business, Design, Engineering, Health Science, IT, Science)
- Complete a **Diploma at La Trobe Melbourne** in Biosciences, Business, Engineering, Health Sciences, IT or Mass Media Communications
- Complete a **Tertiary Preparation Course** at **RMIT** in engineering or science
- Consider studying a **related university course** with a lower ATAR; **if you do well** you MAY be able to transfer to your desired course later

- Start with a **VET (TAFE) course** in a related field; two years of VET often equals one at university
- Complete a **Tertiary Studies Diploma** at **Melbourne Polytechnic** (Preston)
- **Complete a Certificate IV in Liberal Arts** – a pathway into a range of degrees. **Swinburne and Victoria Uni** have this Certificate
- Consider a **country/rural campus**. ATAR's are often lower, usually due to lower demand; most have accommodation (apply ASAP)
- For **nursing** consider first completing **Division 2** at TAFE or a private provider- e.g. Box Hill, Chisholm, Federation, Goulburn Ovens, Holmesglen, RMIT or Swinburne
- **ACU** has certificate/diploma courses that can lead to degrees (through ACUcom) See:

[http://www.acu.edu.au/courses/2014/other\\_courses/vocational\\_education\\_training\\_vet/](http://www.acu.edu.au/courses/2014/other_courses/vocational_education_training_vet/)

- Complete a **Victoria University Foundations@VU** alternative entry to higher education and diploma studies course - a 13 week course designed to build academic skills needed for tertiary study. See: [www.vu.edu.au/courses/foundations-at-vu-iyac](http://www.vu.edu.au/courses/foundations-at-vu-iyac)
- Complete a 2-year **Associate Degree** – want to study at university but not sure you will meet the entry requirements for a bachelor's degree? Several universities offer these (e.g. Deakin, RMIT).

Vida Tennis Coach David Jonkers will be running a block of 3x 1hr lessons on the following Sunday mornings at the Tooleybuc Tennis Club. It will cost \$45 for the whole block.

If there is interest he will also run another block during the week in school holidays. Please contact David to register or for more information

## VOLUNTARY CONTRIBUTIONS 2017

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year. These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Technology Fee	All Years F to 12	\$10.00
Current voluntary contributions including Technology Fee	Infants and Primary	\$55.00
	Years 7 + 8	\$100.00
	Years 9 + 10	\$60.00
	Years 11 + 12	\$60.00

Have you got  
a spare room?  
Become a  
host family!

Not-for-profit, WEP Australia, is looking for volunteer host families to welcome overseas exchange students arriving in Australia in February 2017! WEP host families come from all over; the city, the bush and everywhere in between! We ask families to feed the student, but above all to share their family and local life. Students have their own spending money and are fully insured.

"We had to share our home and then we shared our hearts."  
Nikita (9yo) and Madison (8yo), host siblings of Pauline from Belgium.

### How does it work?

1. Request a free information pack
2. Choose your student
3. Get excited for their arrival. (WEP will take care of school enrolment, Working with Children Checks, visas etc.)
4. Student's arrival
5. Experience a different culture from the comfort of your own home, be a part of the WEP community and so much more!

**Diletta (17) Italy!** I always look on the bright side of life. I love to cook and I can bake delicious cakes!

**Danielle (17) USA!** I am very active and enjoy outdoor activities like camping and bike riding.

**Tomas (17) Brazil!** My favourite sport is indoor rock climbing and I enjoy skateboarding too.

### This sounds great! How do I find out more?

Request a free information pack to receive detailed program information and profiles to help you make this important decision.
