## Melanie's Thoughts

Melanie Wait  
Principal

### Supporting your child for success

At Tooleybuc Central School we strive to support all students to achieve their personal best and I am sure that the ethos is also supported at home.

To help our students on their journey, in Primary please make sure you read with your child each night in the lower years and that they are encouraged to read each night in the upper years. Wide reading helps to improve vocabulary and this in turn supports their writing.

In Secondary students need to undertake some home learning each evening. This may include completing set tasks, assessments and revising class notes. This needs to begin in the early to help establish good learning habits for the senior years.

### Major Excursions

This year is our Major Excursions Year. Recently notes have been sent out seeking expressions of interests and deposits for upcoming camps. If you have any questions about the camps or need to organise a payment plan or support please contact the school.

### 100 Years of Education

Planning is well underway in preparation for our 100 Years of Education celebration. Students have all completed a 'brick' that will form part of memorabilia of the event. A separate flyer will be sent out with order forms for merchandise and further information.

The P & C will be running a stall on the day and would appreciate as much support as possible.

### Colour Run

Don't forget we are entering a team in the Colour Run on Sunday the 6th of March. It's not late early to enter and it is fundraising for an important cause, the Swan Hill Hospice.

Year 9/10 utilising the Garden Club's vegetables.

**Science Day**

Last week Sarah O'Brien came and volunteered at our school. On Friday she ran a Science Day for our Primary students, conducting several experiments.

Students enjoyed the watermelon grown by the Gardening Club.

Luke and Jack appreciate the cool watermelon.

Mick Heslop picked the watermelon for the students to enjoy.

Sophie and Emily explore the wonders of Science.

## Primary News

**David Tallon** (*Assistant Principal*)

This fortnight has seen some great results in the PSSA Swimming Carnival. Congratulations to Quin and Murdoch, Amy, Mackinnon, Jack and Mitchell for their success at that event. They now go to Albury to compete at the Regional Carnival along with the Senior Boys Relay Team.

Last week some 5/6 boys went to Deniliquin to try out for a spot in the Boys Cricket Team. Mitchell and Mackinnon were accepted into the team.

Congratulations also go to Emma E and Mackinnon who were selected in the PSSA Moulamein Tennis team.

I've been able to wander around the classrooms and see some of the great learning our students are doing. My favourite time this fortnight was spending time with our Foundation students read a book titled "The Day the Crayons Quit" by Drew Daywalt.

## Secondary News

### **Sean Connell (Head Teacher)**

It was wonderful to welcome so many new parents and their students to Tooleybuc Central School last Wednesday at the Welcome Afternoon Tea; I know the children will love their new classes and the support and friendship that enrolment at this school brings. It was also the first time the new Hospitality Centre has been used in a professional capacity. A big thank you to Kim Morton and the Stage 6 Hospitality students for preparing the delicious afternoon tea and for learning the use of the new coffee machine in such a brief time.

Thank you to all students who participated in the School Swimming Carnival on the 11th of February. Congratulations to all members of Murray house who claimed the house championship this year. Well done to all house captains and vice captains for their leadership and encouragement throughout the event; it was pleasing to see so many students participating.

During this hot period of the year, it is vital all students are wearing a hat whenever they are outdoors. Students who do not have a hat will be asked to sit in the shade for their own protection. Just a reminder that there should be no water fighting, splashing or dousing of each other or oneself while at school particularly during recess and lunch breaks.

## Mathematics

### **John Hocking (Mathematics Teacher)**

Students have been making a strong start in Mathematics this year. Could parents please note that, for students in Year 7 to 10, Maths Mates are due in on Tuesday each week.

#### **Year 7**

Year 7 has been easing into the year by refreshing their knowledge of the algorithms for adding, subtracting, multiplying and dividing. They are now moving into identifying prime and composite numbers and prime factors for larger composite numbers. The next topic they will be covering is negative numbers.

#### **Year 8**

Year 8 are refreshing their knowledge of prime numbers and are developing their knowledge of index laws. The next topic they will be covering is fractions and percentage.

#### **Stage 5**

Stage 5 students have been examining distance, area and volume, including prisms and cylinders. The next topic they will be studying will be linear equations.

#### **Stage 6**

In the Two-Unit Mathematics class, students are currently examining linear and quadratic inequations, and will soon be moving on to calculus, before moving into the HSC course in Term 2.

The General Mathematics class have been calculating taxable incomes and tax payable. As well as analysing data and drawing graphs. They are now moving onto similar figures and trigonometry as well as graphing linear equations.

*Tane and Phoebe practising ball throwing skills.*

*Year 9/10 keep their eyes on the ball during a game of volleyball.*

# School Communities Working Together

## Fact Sheet for Parents and Carers

13/01/16\_20633

### Introduction

The role of schools is to work in partnership with parents to provide an environment that encourages students to connect with each other and their community, so they can succeed and thrive. Parents, teachers and the community all play a role in fostering this environment.

Schools have well established systems which support student wellbeing and address instances of anti-social behaviour such as bullying, threats of physical violence and other offensive behaviours.

- Encourage positive outlets for your child's energies – sports, performing arts, hobbies and organised clubs, all provide a sense of belonging and somewhere to focus their interests, though it may take a few attempts to find the right interest for your child.
- Be a role model – modelling positive, respectful relationships, positive ways to show emotions and how to apply objective thinking skills are valuable life skills for your child.

### How you can help your child

You know your child better than anyone else and are in a good position to notice any changes in their behaviour. If their behaviour changes significantly, try to find out what is happening in their lives. There are many reasons for a change in behaviour, so don't jump to conclusions.

The best way to support your child is to maintain open, non-judgemental communication with them. By keeping a positive relationship you may be in a position to help them if they want to talk about their problems. Listen to their concerns and try to understand their perspective.

Even if you disagree with what they are saying, it is important to find some way to let them know they are accepted and that you are there to help them.

### What to do if you are concerned for your child

If you do have concerns that your child is involved in or supporting extremist behaviour there are a number of options for seeking advice. You may like to talk to someone from your child's school such as the Principal, your child's Year Advisor, a teacher, or a trusted staff member.

You may wish to talk to your child yourself, or ask a close friend or family member to do so. Alternatively, there are government assistance and advice lines and websites. Some are listed below.

### Your role in supporting your child

- Be involved in your child's life – dedicate time to really understand your child. Know where they are, who they are with and what they are doing.
- Be cyber-aware:
  - regularly monitor what they are looking at on the internet and on social media sites and do what you can to reduce their exposure to inappropriate content;
  - place the computer or device in a common area of the house, so your child is less likely to try and access inappropriate web sites or use social media sites inappropriately; and
  - consider using content filters to help control what your child can access.
- Encourage open and honest discussion at home – encouraging your child to learn about and understand other points of view is a valuable life skill. If you stop discussion about topics that you are uncomfortable with, for example religion, politics, racism, drugs, extremism or terrorism, your child may find it even more interesting and may try to find information without you knowing. This could lead them to inaccurate information.

## Remember

As your child grows, they will be exploring their own values and beliefs. They may search for and push the boundaries of acceptable, responsible behaviour during this process.

### MLHD & SNSWLHD NSW SCHOOL VACCINATION PROGRAM

Each year NSW Health works in partnership with schools to offer the vaccines recommended by the National Health and Medical Research Council (NHMRC) for adolescents as part of the school vaccination program.

In 2016 the following vaccines will be offered to Year 7 students\*:

- dTpa vaccine (Diphtheria, Tetanus & Pertussis (whooping cough)) as a single dose
- varicella vaccine (chickenpox) as a single dose; and
- human papillomavirus (HPV) vaccine in a 3-dose schedule at 0, 2 and 6 months (students who commence HPV vaccination in Year 7 but do not complete the course may be offered catch-up doses at school in Year 8)

Parents/guardians who wish to withdraw their consent for any reason may do so by writing to the school Principal or phoning the school. The Procedure for Withdrawal of Consent is available on the NSW Health website at [www.health.nsw.gov.au/immunisation](http://www.health.nsw.gov.au/immunisation).

To improve vaccination completion, students will be opportunistically offered any missed doses throughout the year where possible.

A Record of Vaccination will be provided to each student vaccinated at each clinic. Parents/guardians should ensure that this record is kept for future reference and should not assume that their child has been vaccinated if they do not receive this Record of Vaccination.

## VOLUNTARY CONTRIBUTIONS 2016

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

The theme for the competition is: **Colour**

This means your photograph can be of anything you consider best depicts "Colour".

The photographs must be your original work, no Photoshop – so think outside the square, surprise us with your ingenuity, and have fun creating!

There are two age group categories: 12-14 years & 15-18 years and a People's Choice award in both age groups.

Please note your age as of the closing date for voting which is 4pm Friday, 8 April 2016.

### CONDITIONS OF ENTRY

Photographs must be submitted via email to [shlib@swanhill.vic.gov.au](mailto:shlib@swanhill.vic.gov.au).

Emails must include: photograph/s, the photographer's name, age, the title of the entry and a daytime phone number.

You may enter up to 3 photographs.

Colour or black and white images are acceptable.

Your entry must be certified as being original and unaided work and any source imagery must be indicated at the time of entry. Please note that one signature from a Teacher will be sufficient to cover all entries from a school.

All entries must be submitted by 4pm Monday, 21 March 2016.

Entries in the 15-18 years category will be judged by Craig Newell from Melbourne Photographic Tours, for the major prize. The 12-14 years category will be judged by Jaime Murcia from Jaime Murcia Photography.

The judges decision is final.

People's Choice voting will take place on the Swan Hill Regional Library's Facebook page. One "like" will equal one vote. The picture with the most "likes" wins. The closing date for voting will be 4pm Friday, 8 April 2016.

Photographs of the winners together with their names and ages may be used in publicity where the parents or guardians of the winners have given their consent.

The rules of the competition may not be changed or modified and will be strictly applied.

All personal information supplied will be used solely for the administration and management of the Swan Hill Regional Library Youthspective Photography Competition.

Winning images may be selected for use in print or on the Internet for Swan Hill Rural City Council and local publications.

Our prize for the 15-18 years category is a three hour, one-on-one photography course with Craig Newell from Australian Photo Tours [www.australianphototours.com.au](http://www.australianphototours.com.au) and travel to the course for a family of four is sponsored by V/Line. The value of this prize is over \$500.

The People's Choice prize for 15-18 years is Return travel to a two hour, one-on-one photography course with Jaime Murcia from Melbourne Laneway Photography Tours [www.jaimemurcia.com](http://www.jaimemurcia.com) and return travel to the course for a family of four is sponsored by V/Line. The value of this prize is over \$350.

The prize for the 12-14 years category and the 12-14 years People's Choice award is a Fujifilm INSTAX Mini 8 instant film camera.

Thank you to our sponsors: Melbourne Photography Tours, Jaime Murcia Photography, V/Line & Novo Youth Council.

## Bicycle riders over 18 must carry photo ID

From 1 March 2016, all bicycle riders aged 18 and over must carry the required photo identification. This will help riders be identified in an emergency. NSW Police will also be able to ask for identification if they believe a bicycle rider has broken the road rules.

Bicycle riders will have 12 months to adjust to the new law. From 1 March 2017, riders stopped by police for breaking the road rules could face a \$106 fine if they do not have the required photo ID.

The required photo ID includes a driver licence or a NSW Photo Card. Already in NSW, more than 90 per cent of adults currently hold a driver licence or NSW Photo Card.

A 5-year NSW Photo Card costs \$51. A NSW Photo Card is issued free of charge for eligible concession holders, people who receive a Centrelink Carer Allowance and NSW Seniors Card holders. The Roads and Maritime Services website has full details on the [NSW Photo Card](#).

## Increased penalties

Like drivers, the majority of bicycle riders have safety in mind most of the time. The new penalties will only apply to riders who behave dangerously and break the law.

Fines for five offences will increase so that bicycle riders receive the same fines as motorists for high risk behaviour. Increased penalties will apply to bicycle riders who are caught:

- Not wearing a helmet (up from \$71 to \$319)
- Running a red light (up from \$71 to \$425)
- Riding dangerously (up from \$71 to \$425)
- Holding on to a moving vehicle (up from \$71 to \$319)
- Not stopping at children's/pedestrian crossings (up from \$71 to \$425)

Penalties for other bicycle rider offences will also increase from \$71 to \$106, including the offence of riding at night without lights.
