Melanie's Thoughts

Melanie Wait
Principal

100 years of Education

Time is flying as we prepare to celebrate 100 Years of Education at Tooleybuc. The weekend is set to be huge with a wonderful number of people registered to attend the big event. All current students and parents are very welcome to attend each and every event. If you can assist with any of the activities, please let the school Front Office know, any help would be appreciated.

Booking for the Saturday night are essential and close on Friday the 18th of March. Please don't miss out if you are keen to attend this event.

National 'Say No to Bullying' Day

NSW Public Schools are a wonderful place to be. They accept all people irrespective of their background or circumstance. At Tooleybuc Central School we are focused on providing a safe and supportive environment for and every individual student and this

means we do not tolerate bullying. To celebrate and publicise this, our school is participating in the National 'Say No to Bullying' Day. All students are able to come in casual dress and we will also be holding some Harmony Day activities.

Colour Run

Thank you to all those people who supported the Colour Your Run event in Swan Hill last week. It was a wonderful fundraiser and the Swan Hill Hospice is a very worthy cause. It was also nice to see our students along the track (overtaking me).

SRC

This week we held our first SRC meeting for this year. Congratulations to everyone who has been elected to be part of the SRC. The school SRC is an important voice that supports our students. SRC will be supporting and organising a range of activities in the school including Breakfast Club and Gardening Club

Primary News

David Tallon (Assistant Principal)

Congratulations to the boys who went to Moulamein for the AFL trials last Friday. All the boys tried their best and had a lot of fun during the day. Mackinnon, Mitchell, Jack and Lochlan have been accepted into the Moulamein PSSA AFL team. Well done.

Swimming

Congratulations to Amy, Mitchell, Quin, Mackinnon, Jack and Murdoch for their efforts at the PSSA swimming held at Albury. It's been great to hear that Murdoch has qualified to compete at State level later in the year.

Premier's Reading Challenge/Home Reading

Our school has registered for the 2016 Premier's Reading Challenge and a note has been sent out with the participation guidelines. This opportunity encourages students to make the effort to achieve 200 nights reading over the year. Students who do complete 200 nights reading will have a special morning tea with the Principal at the end of the year.

Camps

A reminder that a deposit is due for the Year 3/4 camp to Ballarat and the Year 5/6 Camp to Canberra.

Easter Hat Parade

March 24th will be the date of our Easter Hat Parade. Tooleybuc Preschool will also be attending the parade. I know a few students who have been planning their hats and have already started to make them. There will be a BBQ on the day and activities run by Year 5/6 students.

In Science, students are investigating small creatures found in various locations in the playground. They appeared to enjoy the home learning activity investigating small creatures that can be found at home.

Students have examined the worm farm closely learning about the layers required to house worms as well as what foods worms prefer to eat in the course of making compost.

Removing head lice and nits

At a glance:

- Head lice and nits only live on human heads.
- They don't care if the hair is long or short, clean or dirty.
- Head lice are an unavoidable fact of life for all school-aged kids.
- The best and cheapest way to remove them is with inexpensive conditioner and a nit comb.
- You will need to re-treat your child several times before all the eggs will be gone

Mention head lice and most of us instantly develop an itch. You'll find these little critters at every school across Australia - and probably the world - at some point during the year.

While head lice and nits, (the eggs of head lice) are certainly annoying and persistent, they're not dangerous.

Here's everything you need to know to rid your kids of head lice and nits.

Nitbusters' myth busters

- Kids with head lice don't always scratch. The only way to rule out infestation is to look carefully through your child's hair.
- Head lice are only found on the human head.
- Head lice and nits live in long, short, curly, straight, clean or dirty hair.
- They are not found on family pets.
- Shaving your child's head is radical and unnecessary!
- Head lice do not live on furniture, hats, bedding, carpet or anywhere else in the environment.
- Head lice don't leap or jump. They crawl from hair to hair, from one head to another.
- Treating anything other than the human head does not get rid of head lice.
- There is no way to prevent your child from getting head lice.
- You may be able to help reduce transmission by tying girls' hair back and braiding it.
- Never use insecticides, methylated spirits or kerosene on your child's head.
- Some essential oils, including tea tree oil, can trigger a reaction in some people. Tea tree oil is a proven antiseptic, but its effectiveness as a head lice treatment has not been demonstrated.
- You don't need to use an expensive commercial product.
- If you do decide to use a commercial treatment on your child's head, read the instructions very carefully.

Removing head lice and nits

You'll need:

- a bottle of cheap hair conditioner
- a towel
- a thick tooth comb
- a fine tooth comb
- a roll of paper towels.

Steps:

1. **Sit your child on a chair or stool** in front of you. Wrap a towel around their shoulders to catch conditioner spill. (You may want to put a video or TV show on, as this process can take a while.)
2. **Apply a cheap, pale coloured conditioner** generously to your child's hair. Work it through to coat every strand of hair. For long hair, it may be easier to tie one side of the hair off, and work in sections.
3. Head lice breathe through small openings along their abdomens. By coating the hair and therefore the louse in something thick and slimy, these openings close over, shutting down the louse's breathing for about 20 minutes – long enough for them to stay still and be combed out.
4. After you've applied the conditioner, **use a large comb to part small sections of the hair**, starting from the nape and working upwards toward the crown.
5. When the hair is detangled and manageable, **use a fine lice comb and run through each section several times**. Eggs are often found behind the ears and toward the back of the head. By combing from the bottom of the back of the head up, towards the top and front of the head, you're more likely to find the head lice.
6. After each comb out, **wipe the conditioner on the paper towel**. If your child has head lice, you will see them on the towel (they're a little like small, brown, chia or sesame seeds.)
7. **Keep combing each section** of hair until no further lice or eggs appear on the paper towel. Often you will see lots of old egg casings that may take a while to remove.
8. Once you have combed and re-combed each section of hair, either re-plait or tie it back if it's long enough.
9. Head lice often congregate on the crown of the head, so it's not until you reach these last sections of hair that you'll find adult lice. However, heads that are severely infected will have adult lice everywhere.
10. **Repeat at least twice over the next few days**, until you can't find any more in the conditioner. You'll never be able to get all the head lice and eggs out the first time. However, in the days after your first treatment, the eggs will hatch and you'll be able to catch the crawling nymphs (young lice).

Secondary News

Sean Connell (Head Teacher)

Well this term has proven to be a whirlwind of activity, and with the final few weeks in sight there are certainly no signs of this slowing. However, during this flurry of activity it is important to remember to prioritise academic commitments as well as sporting and extracurricular. Students completing their Higher School Certificate have reached the first milestone; reaching the midpoint of this year's Preliminary courses. Remember to maintain regular communication with your teacher particularly when completing courses through other institutions, don't leave it to the last minute to request extensions or seek help on completing an assessment. I look forward to seeing all the weird and wonderful hair styles the students create for the upcoming Crazy Hair Day. Remember to bring a gold coin donation to support Leukaemia research.

SCIENCE

Sean Connell (Science Teacher)

YEAR 7/8 –

Students are acquainting themselves with the scientific equipment and its appropriate use in laboratory experiments. For the Year 7 students the most exciting aspect of this is finally being able to use the Bunsen Burner. Students are developing safety rules for the Science classroom and the skills needed to become a Scientist; using all of one's senses to observe the world, detecting patterns in our observations, asking appropriate and meaningful questions based on those patterns and establishing the variables held constant and variable that are changed when investigating an answer to the question asked.

YEAR 9/10

Year 9/10 have been stretching their minds to the furthest reaches of space to better understand the universe and formation of our cosmos from the first galaxies to our own solar system and planet. The students have investigated and discussed the numerous theories that seek to explain the beginning of our universe and its potential demise; they have listened to famous scientists propose new and exciting discoveries in space exploration and mankind's continued push to expand our understanding through technology. The students have also looked at the relevance of understanding this field of study with the rise of new and exciting careers in space tourism and mining and the ramifications this has on the current mining industry, particularly in Australia.

Career News

Kim Morton (Careers Teacher)

Work Placement: This week our Hospitality students are out at a range of cafes and restaurants in Swan Hill. Very positive comments have been made so far on their performance and hardworking efforts. Students are gaining experience in the Hospitality Industry in addition to putting into practice skills learnt at school.

Year 10 Careers: Students have been undertaking a variety of classroom activities relating to workplace readiness.

Communication, teamwork, telephone skills and appropriate behaviour are topics which have been addressed. A reminder to any Year 10 student wishing to apply for Work Experience with the **Swan Hill City Rural Council** need to get their application completed in the next 2 weeks.

An **accountancy** talk shall be held next Tuesday for all Year 9 & 10 students at the school.

All Year 10 students should be discussing **work experience** options with their parents and caregivers at this stage.

1. HOW CAN I FIND OUT ABOUT UNIVERSITY AND VET COURSES ON OFFER? School students who *do their research* usually find it *easier to make critical career/course decisions* than those who do not. What research is recommended?

- Go to the **Victorian Tertiary Admissions Centre (VTAC) website** at www.vtac.edu.au and do a **Course Search** (eg find where a particular course is taught, what is this years' ATAR, what are the prerequisite VCE subjects?)
- Go **on-line** and search for courses on institution websites
- Read **brochures/pamphlets** about courses available in the Careers Room
- Go to **career events** such as **Career Expos**; eg VCE Careers Expo 2016 at Caulfield Racecourse (see info later in this newsletter)
- Go to **institution Open Days** (usually on Sundays in August) – dates later
- Go to **events** such as **'Inside Monash'** (previously called 'At Monash') – details later in this newsletter, and **'Focus on Melbourne'** (University) – details later
- Attend **school holiday programs** run by some universities and other organisations (eg the Zoo and Healesville Sanctuary)

- Search the **Job Guide** at www.jobguide.education.gov.au; this site also offers links to other useful careers websites (eg **Job Outlook**). Find out what a particular job involves, and what is the likely rate of employment upon graduation
- Attend **events** run during the year which **focus on particular careers** (eg sports related careers, dietetics, psychology careers seminars have been held in the past) – details in this newsletter as they come to hand
- **Talk to people** who work in careers which interests you; What do they like about their careers? Are there disadvantages? How did they qualify?

2. MONASH UNIVERSITY ADMISSIONS NEWS – Monash offered **more than 10,000 students** a place in an undergraduate course for 2016. There was an increase in offers made by the Faculty of **Business and Economics**, the Faculty of **Engineering** and the Faculty of **Science** compared with 2015. Of these offers, **5,800** went to students with a **Special Entry Access Scheme (SEAS) application**. These are applications from students who have suffered disadvantage in their education in some way (eg illness, disability and so on). For your interest, and to give some guidance as to ATARs required by Monash, Clearly-In ATARs for all Monash courses can be viewed at: www.monash.edu/change-of-preference/assets/pdf/2016-round-1-clearly-in-atar.pdf

3. DO YOU WANT TO FIND OUT ABOUT STUDYING AT MONASH UNIVERSITY? Monash is once again holding a **Seminar Series** where you can find out what it is **really like to study at Monash**. The seminar series this year is known as **'Inside Monash'**. The series kicks off with **Business and Economics on 9 March**, then **Science on 10 March** and **Arts, Humanities and Social Sciences on 15 March**. **When:** 6.30pm-8.00pm, 9 March through to 13 September; **Where:** Clayton, Caulfield or Peninsula campuses; **Book/Info:** www.monash.edu/inside-monash; **Other Information:** Call 1800 MONASH.

NOTE: In **April** there are seminars on **Pharmacy, Design and Fine Art, Physiotherapy and Occupational Therapy, Global Studies, Nursing and Midwifery, Architecture, Interior Architecture and Psychology**. Seminars on other courses will follow from May to September. See the above website for details and bookings. These Seminars are highly recommended for learning more about the course/career which interests you.

4. FOCUS ON DEAKIN UNIVERSITY - Deakin is the **seventh largest** university in Australia with over 53,000 students. It offers over 700 courses and careers at its four campuses:

- the largest campus is in the **Melbourne** suburb of **Burwood**
- there are two campuses in **Geelong**, one at **Waurin Ponds** and the other on the **Geelong Waterfront**
- a campus is located at **Warrnambool**.

Deakin offers real choice about how and when you learn, and it is possible to **fast-track your degree** by studying additional units in **Trimester 3**. You can choose from a wide range of study areas and select from the huge range of elective units offered in many courses, including, in some cases, the option to choose elective units from a different field. You can also choose how you study. **Cloud (online)**, the fifth campus, provides flexibility, enabling you to study where and when it suits.

Deakin is somewhat unusual in offering **three semesters** (trimesters) per year. This means that it is often possible to complete a three-year degree in two years by studying in January and February.

Deakin does not offer **VET courses** in the way that **RMIT, Swinburne and Victoria Universities** do. However, Deakin has **formal arrangement** with a number of VET providers offering pathways into their degrees. For example, **Bendigo TAFE, Box Hill Institute, Chisholm, Melbourne Polytechnic, Riverina TAFE, South West TAFE** and **The Gordon** (Geelong) have formal pathways. For details:

www.deakin.edu.au/pathways-to-deakin.

Another pathway to Deakin is from **Deakin College**. The College offers Diplomas in Commerce, Computing, Engineering, Health Sciences, Management, Media and Communications and Science. Students who perform well in these **one-year diplomas** are able to transition to the **second year** of a similar degree at Deakin University.

A great new resource for exploring courses and careers at Deakin can be found at: **explore.deakin.edu.au**. Featuring more than 700 courses and careers, this mobile tool will help you discover the myriad of future options available to you. You can scroll, select and save favourite courses and careers for later reference. See: <http://explore.deakin.edu.au>

5. OPEN DAYS AT HOLMESGLEN – Most tertiary institutions hold their Open Days in August (dates

will be provided in the next Newsletter so you can get them in your diary). However, **Holmesglen has Open Days throughout the year**. Holmesglen is mainly a VET provider (some degrees) with campuses in **Chadstone, City, Moorabbin and Waverley**. **Dates of Open Days** are: 17 March, 12 May, 16 June, 11 August, 15 September, 27 October and 15 December. **On-line bookings** are essential at www.holmesglen.edu.au/open.

6. BIG CAREERS AND EDUCATION EVENT COMING – Attending the **CAREERS EXPO 2016** is a great chance to **collect information** from a huge **range of providers at the one location**. Exhibitors include: **universities and TAFE and training colleges**. In addition, there will be seminars on tertiary courses, career, gap year and study advice. **When:** 9am-3pm, Thurs 5 & Fri 6 May; 10am-4pm, Sat 7 & Sun 8 May; **Where:** Caulfield Racecourse; **Cost:** \$10 per person, \$25 for families; **Info:** www.vceandcareers.com.au. Put the date in your diary now! **NOTE:** Events such as these are great for collecting **general information** from many sources, so are particularly good for Year 10-11. **Open Days** at individual institutions will provide more **specific course information**.

7. SWINBURNE UNIVERSITY NEWS – Swinburne is a provider of **higher education and vocational education and training (VET)** courses. Its main campus is in **Hawthorn**, with small campuses in **Croydon and Wantirna**.

2016 saw the introduction of **11 Professional Degrees** in areas such as Arts, Business, Computer Science, Engineering, Games and Interactivity, Health Science, Information and Communication Technology, Media and Communication, and Science. These degrees are **for high-achieving students** and incorporate a **guaranteed, paid, full-time work placement**. They feature a mandatory 12-month work placement which is normally undertaken during the third year of study. Students receive **academic credit and gain valuable skills** that will make graduates **job-ready**. The university will find appropriate placements for students.

UniLink is quite a recent development at Swinburne. UniLink offers **one-year courses** for students who are unable to reach the required ATAR for Swinburne degrees. Around **80% of UniLink students are able to move into appropriate degrees at Swinburne** in the following year.

VOLUNTARY CONTRIBUTIONS 2016

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Technology Fee	All Years F to 12	\$10.00
Current voluntary contributions including Technology Fee	Infants and Primary	\$52.00
	Years 7 + 8	\$98.00

2016 Youthspective photography competition

If you're aged between 12-18 years old, submit up to three photos that best represent this year's theme: **Colour**

Prizes include:

15-18 years: Return travel to Melbourne for a one-on-one photography course with Craig Newell from Australian Photo Tours - valued over \$500.

I learnt lots! Craig was very friendly. It was good to have things that I partly knew about explained to me clearly.—Sarah Parker 2015 Ythspective winner.

15-18 years People's Choice: Return travel to Melbourne for a one-on-one photography course with Jaime Murcia from Melbourne Laneway Photography Tours - valued over \$360.

12-14 years and People's Choice Award: A Fujifilm INSTAX Mini 8 instant film camera.

Send your entries to shlib@swanhill.vic.gov.au and include image titles, your name, age and contact number.

Conditions of entry can be found at www.library.swanhill.vic.gov.au.

Competition closes Monday, 21 March.

YOUTHSPECTIVE 2016 GUIDELINES

In 2016 we are excited to announce the sixth Ythspective Photography Competition and invite young people from across our region to enter three of their best photographs.

The theme for the competition is: **Colour**

This means your photograph can be of anything you consider best depicts "Colour".

The photographs must be your original work, no Photoshop – so think outside the square, surprise us with your ingenuity, and have fun creating!

There are two age group categories: 12-14 years & 15-18 years and a People's Choice award in both age groups.

Please note your age as of the closing date for voting which is 4pm Friday, 8 April 2016.

CONDITIONS OF ENTRY

Photographs must be submitted via email to shlib@swanhill.vic.gov.au.

Emails must include: photograph/s, the photographers name, age, the title of the entry and a daytime phone number.

You may enter up to 3 photographs.

Colour or black and white images are acceptable.

Your entry must be certified as being original and unaided work and any source imagery must be indicated at the time of entry. Please note that one signature from a Teacher will be sufficient to cover all entries from a school.

All entries must be submitted by 4pm Monday, 21 March 2016.

Entries in the 15-18 years category will be judged by Craig Newell from Melbourne Photographic Tours, for the major prize. The 12-14 years category will be judged by Jaime Murcia from Jaime Murcia Photography.

The judges decision is final.

People's Choice voting will take place on the Swan Hill Regional Library's Facebook page. One "like" will equal one vote. The picture with the most "likes" wins. The closing date for voting will be 4pm Friday, 8 April 2016.

Photographs of the winners together with their names and ages may be used in publicity where the parents or guardians of the winners have given their consent.

The rules of the competition may not be changed or modified and will be strictly applied.

All personal information supplied will be used solely for the administration and management of the Swan Hill Regional Library Ythspective Photography Competition.

Winning images may be selected for use in print or on the Internet for Swan Hill Rural City Council and local publications.

Our prize for the 15-18 years category is a three hour, one-on-one photography course with Craig Newell from Australian Photo Tours www.australianphototours.com.au and travel to the course for a family of four is sponsored by VLine. The value of this prize is over \$500.

The People's Choice prize for 15-18 years is Return travel to a two hour, one-on-one photography course with Jaime Murcia from Melbourne Laneway Photography Tours www.jaimemurcia.com and return travel to the course for a family of four is sponsored by VLine. The value of this prize is over \$350.

The prize for the 12-14 years category and the 12-14 years People's Choice award is a Fujifilm INSTAX Mini 8 instant film camera.

**NSW SCHOOL VACCINATION
 PROGRAM**

Each year NSW Health works in partnership with schools to offer the vaccines recommended by the National Health and Medical Research Council (NHMRC) for adolescents as part of the school vaccination program.

In 2016 the following vaccines will be offered to Year 7 students*:

- dTpa vaccine (Diphtheria, Tetanus & Pertussis (whooping cough)) as a single dose
- varicella vaccine (chickenpox) as a single dose; and
- human papillomavirus (HPV) vaccine in a 3-dose schedule at 0, 2 and 6 months (students who commence HPV vaccination in Year 7 but do not complete the course may be offered catch-up doses at school in Year 8)

* *The Parent Information Kits contain a consent form, information sheet and privacy statement that details how personal information will be collected, stored and utilised.*

Parent Information Kits will be sent home to parents/guardians. To consent to the vaccination of their child, parents/guardians are advised to:

- read all the information provided
- complete the consent form, including signing their name next to the vaccine/s they would like their child to receive
- return the completed consent form to their child's school
- ensure that their child eats breakfast on the day of the school vaccination clinic.

Parents/guardians who wish to withdraw their consent for any reason may do so by writing to the school Principal or phoning the school. The Procedure for Withdrawal of Consent is available on the NSW Health website at www.health.nsw.gov.au/immunisation.

To improve vaccination completion, students will be opportunistically offered any missed doses throughout the year where possible.

A Record of Vaccination will be provided to each student vaccinated at each clinic. Parents/guardians should ensure that this record is kept for future reference and should not assume that their child has been vaccinated if they do not receive this Record of Vaccination.

Swan Hill City Netball Association (SHCNA) are gearing up for the 2016 season. All competitions will be running this year. These are:

- NetSetGO (5 years and up)
- Modified (Grades 3/4)
- Grades 5/6 and
- 18 & under

Who: Anyone who would like to play netball.

When: Wednesday nights during Term 2 and 3 for all comps but U18s will *train* on Monday nights. School terms only. Competition starts April 13th.

Where: Alan Garden Reserve Netball Courts, High Street

Why: Friendship, fun, fitness, fair play and skills!

Registration Dates: Wednesday, March 9 & 16th between 4:00pm and 6:00pm at Alan Garden Netball Reserve Club rooms. (Please complete VNA registration online prior). Forms and costs will be emailed to existing members. Any enquiries should be made to swanhillnetball@gmail.com. Further information will be advertised closer to the season start.
