## Melanie's Thoughts

Melanie Wait  
Principal

### Uniform

Just a reminder that all students are expected to wear full school uniform at all times. Full school uniform includes black leather shoes for both Primary and Secondary students. On 'Sport' days Primary students are able to wear their sports uniform (with sneakers) all day and Secondary students are expected to change into their uniform prior to sport or PE.

### 100 Years of Education at Tooleybuc

Next weekend we celebrate 'A 100 Years of Education' at Tooleybuc. It is an extremely exciting time for our school community with a huge number of people returning to our school to 're-live' their memories from the past. The NSW Minister for Education, Mr Adrian Picolli will also be attending our Official Opening Ceremony.

We are hoping that all of our current school community members also come along to celebrate this huge event.

Just a reminder that we are asking current students to please wear school uniform so our guests can see what a wonderful student body we currently have.

### Fundraising

Thank you to all of our families who have supported our fundraising efforts over the past few weeks. We have raised \$116 for the Leukemia Foundation with Funky Hair Day and \$146 for the Good Friday Appeal with our casual dress days. Thank you for your support.

### NAPLAN

Next week we are having NAPLAN Trials. The NAPLAN tests are for students in Years 3, 5, 7 and 9. The purpose of these trials is to expose students to the testing procedures prior to the actual test to minimise any anxiety children may experience from the unknown situation. If you do not want your child to participate in the NAPLAN tests please contact the school.

### Preliminary Examinations

During Week 11 our Stage 6 students will undertake their Preliminary Examinations. Currently students should be revising their notes, completing past paper questions and seeking teacher support to prepare themselves to achieve their personal best. We wish them all the best.

*Students created 'Harmony Hands' of support for the National Day Against Bullying and Harmony Day*

## Merit Scheme

To reward our students' positive behaviour Tooleybuc Central School runs a strong Merit Scheme. Students are awarded 'Merit Awards' during the school year and an accumulation of these merits equates to levels.

Bronze Level 10 Merits  
Silver Level Bronze plus and extra 20 Merits  
Gold Level Silver plus an extra 30 Merits.

Primary students are given a 'Lucky Dip' at the achievement of each level. Then they are presented with a certificate at our Whole School Assembly. Secondary students with the highest GEM score in each class receive the Student Of The Fortnight on Assembly. Those students who achieve Gold Level or the correct GEM average are invited to attend our End of Year Merit Excursion.

*Emily and Emma with St Kilda Football player, Shane Savage at the AFL day in Swan Hill.*

*Rani practising to jump for the ball at the AFL day in Swan Hill.*

### Premier's Reading Challenge/Home Reading

Our school has registered for the 2016 Premier's Reading Challenge and a note has been sent out with the participation guidelines. This opportunity would assist in encouraging students to make the effort to achieve 200 nights reading over the year. Students who do complete 200 nights reading will have a special morning tea with the principal at the end of the year.

### Camps

A reminder that a deposit is due for the Year 3/4 camp to Ballarat and the Year 5/6 Camp to Canberra.

### Easter Hat Parade

A big well done to all our students with their Easter Hats! They looked awesome. Also well done to our 5/6 students who organised and ran the activities after lunch.

### Year Three/Four

#### Karen Andrews (Class Teacher)

This term Year 3/4 have been working very hard on our reading, writing and spelling. We try to include reading throughout the day, including our DEAR sessions (Drop Everything and Read) when the students can choose to read any book they are interested in.

Alex E, Rhys and Alex W reading

During reading groups, some of the students are working together in a Book Club. They are reading and discussing the same novel and helping each

other with any tricky words and answering comprehension questions together.

Alex E, Ashby, Kayla and Jayla enjoying their books.

Our weekly spelling activities include creating interesting sentences and using a dictionary to discover unknown meanings. We have been very busy working on structuring our writing into paragraphs using more sophisticated language such as similes, adjectives and adverbs.

Jett is pleased with his progress in spelling.

I am very proud of the progress all the students are making in English and I am looking forward to another great term of learning after the holidays.

## Secondary News

### Sean Connell (Head Teacher)

It was wonderful to see the support the students had in celebrating National Day Against Bullying and Harmony Day. The creation of Harmony Hands highlighting what Harmony means to each student, truly demonstrates how well the students embrace the school's culture of acceptance and learning. The barbecue raised over \$250 to go toward the Year 7/8 school camp later this year.

Students placed their hands to celebrate National Day Against Bullying and Harmony Day.

Good luck to the Stage 6 students undertaking their Preliminary Examinations in Weeks 10 and 11. It's important that students seek out as much assistance as possible during this revision period and practice their time management skills in preparing for the upcoming examinations. Two hours may sound like a long period of time, however when sitting at that desk, it is remarkable how quickly it will pass. Essay writing is daunting at the best of times, and if you have spent all your time on short answer and multiple choice then you will lose valuable marks rushing an incomplete or sloppy response to the extended response sections. Use the five minutes reading time to plot out a rough response to any extended response questions and refer to the ALARM matrix to assist your responses to these questions.

I look forward to meeting many of you again during the school's centenary celebrations at the end of next week.

### English

#### Chris Connell (English Teacher)

As we near the conclusion of Term 1, the Years 7-11 English classes will be involved in completing various Assessment Tasks.

#### Year 7 - *Boy...Tales of Childhood*, by Roald Dahl

Year 7 students are currently composing their own autobiographies after they studied the autobiography of Roald Dahl, "*Boy – Tales of Childhood*".

#### Year 8 - *The Bridge to Terabithia*, by Katherine Paterson

Students are nearing the conclusion of their study of "*Bridge to Terabithia*" which will provide a springboard into composing a speech, at the end of Term 1, and then writing an analytical essay, early in Term 2.

#### Years 9 & 10 – *Came Back to Show You I Could Fly*, by Robin Klein

Our study of "*Came Back to Show You I could Fly*" culminated in two major pieces of work – a journalistic exploration of a chosen issue, which is due on March 31, and an analytical essay, which is due in Term 2.

### Years 11/12 English Studies – Landscapes of the Mind

Language must be used appropriately according to audience, purpose and context. Through the study of a selection of visual arts texts, as well as poetry and Australian music compositions students created a variety of texts demonstrating their proficiency in, and understanding of, written and spoken language related to the visual and performing arts.

### Years 11/12 English Studies – Australian Family Life

This term, students have also had the opportunity to experience, engage with and critique a range of literary texts, in both print and electronic forms, that explore the diverse nature of family lives in an imaginative way. They further developed their abilities to analyse how language is used to portray and explore ideas and issues such as the significance of relationships within and between families and the experiences of the individual within a family network. Students considered how texts represent a broad range of family structures and relationships in different ways and investigate how attitudes and individuals are depicted in these texts. At the conclusion of a film comparison study of *“The Castle”* and *“Muriel’s Wedding”*, which portray two very different types of Australian families, the students will present a speech on a character who enhanced positive family relationships or a character who destroyed family relationships, in the films studied.

### Career News

**Kim Morton (Careers Adviser)**

#### Work Placement:

All of our Hospitality students had a very successful week working with local cafes and restaurants in Swan Hill. Well done girls you all received very positive reports and represented the school fabulously!

Bonnie preparing a meal in the new Trade Centre.

#### Accountancy talk:

Year 9 & 10 students were given a chance to listen to a talk and watch a short presentation about careers in accountancy by two visiting accountants from PDF Accounting. Students in Year 10 have an opportunity to apply to do Work Experience in Accountancy for the week of 10<sup>th</sup> May until 13<sup>th</sup> May. This is a wonderful opportunity with many past students enjoying the week and gaining a lot more knowledge about the profession.

#### Reminders:

- **Careers Expo** – Caulfield Racecourse; Thurs 5 – Sun 8 May; Cost: \$10, \$25 families; Info: [www.vceandcareers.com.au](http://www.vceandcareers.com.au).

**OPEN DAYS** – Open Days are held at universities and TAFE institutes each year, giving the public the opportunity to see the facilities, talk to staff and students, collect information and attend information sessions. They are generally held on Sundays later in the year, but dates are provided here so that you can put them in your diary now.

#### Open Day dates 2016

- Sun 31 July – **Swinburne** University
- Sun 7 Aug – **Deakin** University (Warrnambool); **La Trobe** University (Bundoora); **Monash** University (Caulfield & Clayton)
- Sun 14 Aug – **ACU** (Melbourne), **La Trobe** University (Bendigo); **Monash** University (Peninsula); **RMIT** University; **William Angliss** Institute
- Sub 21 Aug – **Box Hill** (Lilydale campus); **Deakin** University (Waterfront & Waurin Ponds); University of **Melbourne**
- Sun 28 Aug – **ACU** (Ballarat); **Box Hill** Institute (Box Hill); **Deakin** University (Burwood); **Federation** University; **Victoria** University (Footscray campus)

**WOULD YOU LIKE TO CHECK OUT LA TROBE UNIVERSITY?** La Trobe holds ‘**Experience La Trobe**’ days in the school holiday breaks. These are a chance to see **facilities**, find out about **courses and careers**, and talk to **staff and student ambassadors** about La Trobe. You will be able to attend **tutorials and lectures**; why not attend with friends or family? **When:** Melbourne campus (Bundoora) 31 March; **Bendigo** campus 1 April; **See:** [www.latrobe.edu.au/experience](http://www.latrobe.edu.au/experience) for information/bookings.

### DO YOU WANT A JOB WORKING WITH ANIMALS?

- A great way to find out more is by attending **Healesville Sanctuary’s ‘Keeper for the Day’** or ‘**Vet for a Day**’ program OR **Werribee Open Range Zoo’s ‘Keeper for a Day’** program. These programs are suitable for students in Years 7 – 12. **When:**
  - **Healesville Keeper for a Day:** 9.30am-3.30pm, March 29 & 30, April 5 & 6; **Cost:** \$115
  - **Healesville Vet for a Day:** 9.30am-3.30pm, March 30 & 31 and April 6 & 7; **Cost:** \$129
  - **Werribee Open Range Zoo Keeper for a Day:** 9.30am-3.30pm, March 29 & 31 and April 6 & 8; **Cost:** \$115.

**Information/Booking:** 1300 966 784; **see also:** [www.zoo.org.au/education/careers-programs](http://www.zoo.org.au/education/careers-programs)

- Another opportunity to find out about working with animals is to attend the **Werribee Open Day**. This is run by the **University of Melbourne’s Faculty of Veterinary and Agricultural Sciences**. Find out about the **B. Agricultural and Doctor of Veterinary Medicine** programs, attend course **information sessions**, explore other **careers** in science, veterinary nursing and equine studies, **tour** the facilities and go to **food stalls** to support Melbourne students. **When:** 10am-3pm, Sat 19 March; **Where:** 250 Princes Highway, Werribee; **Information:** [bit.ly/Werribee-open-day-2016](http://bit.ly/Werribee-open-day-2016).

**ARE YOU INTERESTED IN A NURSING AND/OR MIDWIFERY CAREER?** **Division 1 nursing** involves a **three-year degree** at university while **Division 2** requires an **18-month diploma**. Some students who wish to study nursing also wish to study **midwifery**. This can either be done through a **double degree in nursing and midwifery** which will take 4 years or by studying nursing and then doing an **18-month course in midwifery**. The double degree is offered at **Deakin, La Trobe and Monash Universities**. The good news for Year 12 students is that **Victoria University** (St Albans campus) is introducing this double degree in **2017**. The aim is to address the **challenges in maternity care**. Increasing rates of

health conditions such as mental health disorders, diabetes and obesity have increased the complexity of care for women.

**NOTE:** there are many other combinations of double degrees with nursing, providing more employment and interest options upon graduation. For example, **ACU** offers **Nursing/Paramedics** at the Ballarat campus and **Deakin** offers **Nursing/Public Health and Health Promotion, Nursing/Psychological Science** (and also a single degree called **Nursing (Clinical Leadership)**).

### CHECK OUT STUDYING SCIENCE AT RMIT –

Deciding where to study after finishing school is a challenge...One way to find out more is to **visit the university that interests you** and see the **facilities**. RMIT is offering such an opportunity in the school holidays. Go behind the scenes on a **tour of the facilities**. Students and parents are invited to visit RMIT’s state-of-the-art learning **laboratories** and to find out about how RMIT degrees provide the knowledge and skills to tackle real-world problems and advance the way we live. Programs cover **biology, biotechnology, chemistry, environmental science, food science, nanotechnology and physics**. **When:** 11am-2pm, 30 March; **Where:** Building 3, Level 1, Applied Sciences Reception, RMIT City; **Cost:** Free; **Booking and information:** [www.rmit.edu.au/events/all-events/tours/2016/](http://www.rmit.edu.au/events/all-events/tours/2016/)

**DO YOU WANT TO CHECK OUT WILLIAM ANGLISS INSTITUTE IN THE CITY?** William Angliss is a provider of courses in hospitality, food, tourism and events. William Angliss is giving school students the chance to delve into the world of Tourism & Travel and Events in the school holidays.

**Tourism, Travel and Events** – a hands-on introduction to the travel and tourism industry via an on-site amazing race-style activity. Students will then go to the new aeroplane interior demonstration area and be given a taster of what a career as a flight attendant could be. After a catered lunch, students will get the chance to jump into the world of Event Management with a table theming activity held in the Angliss Restaurant.

**When:** 9.30am-2.30pm, Thurs 31 March; **Where:** 555 La Trobe St, Melbourne; **Who:** Students in Years 9-11; **Cost:** \$120 (including lunch). **REGISTER HERE!** **Enquiries:** [Marketing@angliss.edu.au](mailto:Marketing@angliss.edu.au)

**GOOD NEWS FROM BOX HILL INSTITUTE** - The good news is that **Box Hill Institute** has this year **re-opened** the former **Swinburne (Lilydale) campus**, providing tertiary education in this area once more. A broad range of courses will be available, increasing as time goes by. **NOTE:** William Angliss Institute is conducting cooking and tourism courses at this campus in conjunction with the Box Hill Institute. The

Institute also has plans to offer other programs and facilities on the Lilydale site.

**MONASH UNIVERSITY** – Many of you will have heard the news that, after about 20 years in operation, Monash has confirmed that it intends to abandon its Berwick campus at the end of 2018.

**MORE SWINBURNE NEWS** - In addition to items mentioned in last edition, Swinburne is proposing the following courses/changes for 2017 (some subject to academic approval):

- Swinburne is considering an **Early Entry Scheme** (already offered by ACU and La Trobe universities). The ATAR would no longer be the sole determinant for entry.
- Introduction of the **Bachelor of Nursing** (possibly at Wantirna)
- **Revised majors** in sports science, nutrition and clinical technologies
- Introduction of the **Bachelor of Exercise Science**
- Introduction of a **common first year** for the **Bachelor of Engineering**, giving students a taste of the different fields in engineering before making a decision about their specialisation (similar to Monash University engineering)
- Introducing a **Masters in Occupational Therapy**.

More news on all of this when it becomes available from Swinburne.

- Where can I use my **ELECTRICAL ENGINEERING DEGREE**? Opportunities are increasing all the time with new technological developments, much more so than in civil engineering for example. Electrical engineering can be used in banking, the television industry, mining, automotive (e.g. driverless vehicles), marketing, solar cells, the health industry and in renewable energy to name a few.
- **ROBOTICS** is another area of growth in engineering (e.g. drones, humanoid robots, Mars rover, robotic vacuums, etc.).

### '000'

If you have an emergency and need to call an ambulance and live in the Tooleybuc area, when asked

**'Police, Fire, Ambulance'**

Respond,

**'Bendigo Ambulance'**

This will minimise confusion as to where the ambulance will originate from and ensure a quick response

## VOLUNTARY CONTRIBUTIONS 2016

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.
