Melanie's Thoughts

Whole School Transition Day

This Monday we held our Whole School Transition Day. This was a wonderful day, everyone was extremely excited to see what their class might look like next year! It also gave teachers the opportunity to get to know their students so they can plan effectively for a successful 2019!

Attendance

Last Friday we reviewed our attendance for Term 3 & 4. I was extremely pleased with the results!

- 50 students had 100% attendance
- 26 students had 96% attendance (had only missed one day).

These figures are excellent and mean that you are all giving yourself the best

opportunity to achieve to your personal best! Keep up the great effort.

Sun Smart School

We have recently completed the paperwork to become a Sun Smart School in 2019. One of the requirements as part of the policy is that all students wear a bucket hat when they are in the sun. At the beginning of next year all students from Foundation to Year 12 will receive a bucket hat to wear while they are at school. I am sure you will agree this is an extremely positive initiative for all students in our school.

2019 Leaders

We are currently in the process of electing out student leaders for next year.

All of the candidates are of excellent character and we admire you for having the courage to nominate yourselves. No matter what the outcome you should all be very proud.

Anthony represented Tooleybuc Central School with Mrs Frost and Miss Wait at the Remembrance Day Service in Swan Hill.

Uniform

Just a reminder to get in and purchase your uniforms early for next year. Often Clarks sell out and take a considerable amount of time to order in new stock. Make sure you are organised so we can all begin 2019 in full school uniform. (Don't forget the black leather shoes - this is also for ALL primary students).

Primary News

Mrs Frost (Assistant Principal)

It has once again been a busy few weeks at Tooleybuc Central School. Bluearth returned last week and all of the students enjoyed their mix of physical activity with a mindfulness focus.

In the Primary School all classes have continued to look at the Friends program. Again the students appear to enjoy the stories and activities as part of this program and are all benefitting from developing their resilience skills.

On Monday we held our Whole School Transition Day. It was pleasing to see so many excited students as we all got a taste of what next year will look like.

There has also been a buzz of excitement among our Year 5 students in recent weeks too, as they prepare for their 'Young Leader' speeches for 2019. Those wishing to apply for the position presented their speeches at Friday's Primary Assembly. This is just part of the selection process as all applicants will also sit through an interview before the final voting takes place.

If you have been in the school recently I am sure you will have heard the strum of ukuleles and guitars coming from the Year 5/6 room. Most of the students have been practising hard both in class and at lunch time to be ready for their performance at Primary Assembly on Friday.

I'm sure there will be a lot of learning taking place in classes over the next two weeks as the end of the year seems to be coming very fast. It is important that all students attend regularly and get to school on time to make the most of the valuable learning time we have left.

Year 5/6

Mrs Frost (Class Teacher)

The Year 5/6 class has been studying poetry this term, they have been learning about a variety of poetry structures and poetic devices. Over the last two weeks we have been looking at the writing of Jackie French and her picture story books *Cyclone*, *Fire* and *Flood*. The students have been analysing her use of the poetic devices; in particular simile, metaphor and personification.

The students then brainstormed some descriptive language to describe a storm and wrote their own phrases using simile, metaphor or personification. As a group we produced the following poem.

Year 5/6 Collaborative Poem Storm:

As hot as the fire sparking,
The lightning cracked like a stock whip,
The fire was as hot as a boiling kettle,
The sparking was a poppy as popcorn popping.

Thunder as loud as a standing ovation,
As scary as Lil Pump in a onesie,
The thunder was as loud as an elephant cry,
As scary as Jacksepticeye if he had blue hair.

The mighty thunder growled with furious anger!
As scary as your dad without coffee,
The thunder roared like Lil Pump without a microphone.

The storm started to cry because it was nervous and uneasy,
As creepy as an empty ice-cream truck offering you ice-cream,
The storm wasn't upright because it was uneasy,
As scary as Orange is the New Black's jokes.

Students were shown fun ways to be active with Bluearth.

Every student enjoyed participating with the Bluearth program.

Fun Friends

'Fun Friends' program from Foundation to Year 2 and 'Friends' from Year 3-6. These programs focus on developing student wellbeing, resilience and social skills.

FUN FRIENDS PROGRAM UPDATE...

FOR STUDENTS IN KINDER TO YEAR 2, THIS WEEKS FUN FRIENDS SESSION IS ALL ABOUT...

Secondary News

Head Teachers Report

Jean Duma (Head Teacher)

All students in Secondary have now started their new Academic Year, each having moved up a Year level. Stage 6 students had their Induction meeting on Monday and received the NESAs HSC Rules and Procedures 2019, Preliminary/HSC Assessment Booklet 2018-2019, Stage 6 Homeroom & 'The Hub' Contract and Agreement, Lunch Pass note and a 2019 Term Calendar. Our Senior students are reminded that they are required to attend school on Mondays for all of their study lessons, accessing their class teachers when available and utilising 'The Hub' for completion of set class tasks, homework, assessment preparation and study.

TAS

David McCarron (TAS Teacher)

Year 8 Technology Mandatory - finished the semester designing Dragsters using a supplied technology kit. Some interesting and unusual designs resulted which were then raced over a 20 metre track to determine the fastest design. Going into race day Taylen was the hot favourite as her car in testing was very fast. However, as the students found out not all goes to plan on race day. Lyndon was crowned the winner with a simple design, while Amelia was a surprised runner up. Well done to all the student who made great cars. Students have now rolled over into stage five electives.

Year 9 Industrial Technology - Wood ended the semester making a simple, yet effective Beach Chair. As students ran out of time most of these remain uncompleted, however students will be given the opportunity to complete these projects before the end of the year. Students have now rolled over into year 10 and will start new projects this week.

Year 10 Industrial Technology - Wood ended the semester making a Adirondack chair. This project is also uncompleted as most student are affected by their TAFE commitments. It is yet to be determined if students are able to complete this project out of class time or take it home to complete. Students have now finished this course and will not return to a Industrial Technology subject until Term Four 2019.

Year 9/10 Agriculture spent the second half of the semester learning about beef cattle. Content from this unit was included in the Yearly Exam. Year 9 students have now rolled over into year 10 with a new unit to be started. Year 10 students have now completed Stage 5 Agriculture studies with many rolling over into VET Primary Industries.

TAS

Mark Nelson (TAS Teacher)

Year 7 have been cooking and decorating cup cakes.

Careers

Kim Morton (Careers Teacher)

Year 10 & 11 listening to a presentation in the University lecture room.

Students at Federation University.

Students at the Australian Catholic University at Ballarat

Students visiting the Bendigo TAFE

Congratulations Laura and Cody on completing your education at Tooleybuc Central School.

At the Senior Formal the girls made a delightful picture.

The boys look dashing in their shirt and ties at the Senior Formal.

VOLUNTARY CONTRIBUTIONS 2018

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year. These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Technology Fee	All Years F to 12	\$10.00
Current voluntary contributions including Technology Fee	Infants and Primary	\$55.00
	Years 7 + 8	\$100.00
	Years 9 + 10	\$60.00
	Years 11 + 12	\$60.00
Design and Technology Food:	Year 9 + 10 elective	\$75.00
Industrial Technology	Year 9 + 10	\$55.00 plus materials
VET Hospitality	Stage 6	\$200 (\$25 Uniforms/ \$175 Pracs)
Industrial Technology	Stage 6	\$80.00 (plus materials)

Wanted

Second hand uniforms in good condition. If your child has outgrown their uniform please consider donating it to the school.

 Or Nurse on Call on 1800 022 222

If an Emergency call 000

There is to be some change to staffing at Tooleybuc Community Health in the next couple of weeks as after 23yr Georgina Douglas will no longer be seeing general Community Health clients but instead just concentrating on the Child and Family Health clients, which she will also be seeing in Moulamein on a regular basis.

Georgina's 3 days/week are currently being advertised and a new nurse will be appointed hopefully in the next couple of weeks.

Going forward Georgina will conduct a Child and Family clinic weekly on a Tuesday (commencing 11th Sept) and another nurse will be available to see general clients 3 days a week (which days that will be will be decided when someone is appointed in the role).

To make an appointment now people are required to call the Central Intake Service on 1800 654 324.

Any other issues you can still call Community Health on 50305189.

NURSE ON CALL

Contact Nurse On Call via Health Direct for any after-hours advice

This number can be used Australia wide.

Ph: 1800 022 222

See web page below.

healthdirect
<https://www.healthdirect.gov.au/>

Tooleybuc Community Health

Parents and children wishing to see the **Child & Family Health Nurse**

No longer need to ring the Central Intake number, unless it is their first ever apt with Georgina. To make an ongoing apt simply ring the Community Health Centre on **ph 50305189**

Georgina is now conducting a Child & Family clinic on a Tuesday only

For all general **Community Health clients** please continue to call the **Central Intake Service on 1800 654 324**

For your initial appointment

Any concerns or issues regarding this service please let the Community Nurse know on 50305189

Murray River Council Community Services

Community Transport Program

Did you know our Community Services Department offers a range of community transport options to eligible clients?

Transport for older persons

Frail older persons meeting the My Aged Care eligibility criteria who are 65years and older or 50years and over for Aboriginal or Torres Strait Islander.

What's available? Regular trips to access shopping, doctors or other appointment destinations and trips to enable you to remain connected socially.

Transport for people living remotely

This transport type is not age specific, and is available to people requiring transport, who do not have access to any other transport means.

To access any of the transport options or for more information on eligibility contact your local Home Support Co-Ordinator on 1300 087 004.

Interested in being a volunteer driver?

The Community Services Team has an expanding community transport service and are always on the look-out for more volunteer drivers. If this sounds like something you might like to be part of, contact your local Home Support Co-Ordinator on 1300 087 004.
