Melanie's Thoughts

HSC Exams

Our Stage 6 students have been busy studying and preparing for their HSC exams over the past few weeks. These exams started last Thursday and will finish during Week 4. We wish them all the best with their results.

Just a reminder that our Year 11 students are expected to be at school for the English and Mathematics classes.

Healthy Canteen

We were recently certified as a Healthy Canteen, this has meant several changes to our menu. Achieving this target was mandatory by the beginning of 2020. Thank you our P & C for working diligently to achieve this goal.

Performance Night

Next Thursday we are hosting our Performance Night. This is a wonderful

opportunity for our students to showcase their skills. Performing in front of people takes a great deal of courage and help students develop their confidence.

I have been lucky enough to see some of our students practising and they are very excited to perform for you all. Make sure you invite grandparents and friends along to watch!

2020 Planning

This week we held a primary and secondary transition day. These days were a great opportunity for our students to experience what their school life will be next year. We are very busily putting together our timetable in preparation for our 'Rollover' at the beginning of Week 6. At rollover our secondary students will begin in their study for the 2020 school year.

The Brain Man

During Week 4, John Joseph, the Brain Man will be working with our students. These workshops are designed to help students understand how their brain works and how they can use this to support their learning. There will also be a parent session to support this program. Keep an eye out for more details soon.

Year 7 – 10 outside the Bendigo Art Gallery while on their STEM excursion.

YOU ARE INVITED TO

TOOLEYBUC CENTRAL SCHOOLS

HALLOWEEN

PERFORMANCE NIGHT

WHEN: 6pm Thursday 31st October 2019 (Approx. 2 hrs running time)

WHERE: Tooleybuc Club

Featuring SPOOKY TCS student performances:

- ALL primary classes
- 9/10 Drama Class
- Secondary Fairfax student Group
- 7/8 Music class
- Fairfax Film project Movie trailer

*** All students are asked to attend***

Any further enquiries to Miss Purtill by calling the office on (03) 50305422

Routine wellbeing!

Welcome back to Term 4! If your experience has been anything like mine in the last two weeks then it's taken a bit of extra mental effort to switch off holiday mode, and get back into the routine of another school term. I'm excited to 'get back into the swing of things' and embrace all that the regularity of a school term has to offer!

Developing weekly rhythms or routines helps us to build the life that we want to live. Regular routines protect the things that are important to us and our wellbeing. As you gear up for the term ahead, are there any routines you would like to strengthen in your family, or new ones to implement? Maybe there are routines that need to be changed!

Routines around study, sleep, screen time, meal times, getting outdoors, doing fun stuff together, embracing gratitude, and time for stillness are all important for our wellbeing. Which one of these can your family commit to building for the rest of the term?

It takes 3 weeks to break a habit, and another 6 weeks to build up a routine that can firmly take its place – give yourself a Christmas present today by committing to a better routine!

Liz Hindle
School Chaplain

Primary News

Assistant Principal

Louisa Frost (Assistant Principal)

It has been wonderful to walk around the school since the start of term and hear all the students enthusiastically rehearsing for Performance Night. This night will be a fantastic show case of the creative arts programs we have at school and I look forward to seeing you all there.

You may have heard in the media this week that today many schools around the country celebrated 'Day for Daniel.' 'Day for Daniel' is an initiative of the Daniel Morcombe Foundation. This foundation has been set up by Daniel Morcombe's parents and it is their aim to hold Australia's Biggest Child Safety Lesson. The objective of this lesson is to teach all students how:

- To **recognise** safe and unsafe situations and safety clues.
- To **react** to keep ourselves safe.
- To **report** unsafe situations.

Over a 4 week period all students from Foundation to Year 10 will be participating in age appropriate lessons, taken from the Daniel Morcombe Foundation website or from the Department of Education NSW Child Protection syllabus documents. We will then hold our own 'Day for Daniel' to raise funds to donate back to the foundation.

If you would like to know any more about these vital lessons you can view all content on the Daniel Morcombe Foundation webpage (just google the Daniel Morcombe Foundation). The Website even includes a parent and carer guide to assist you to discuss the content with your children. If you have any further queries please don't hesitate to contact me here at school.

The Ga Ga Ball Pit remains a favourite place to play and we were lucky enough to have the students from the Swan Hill Specialist School, who built it for us, return to give us some more tips on how to play today. We thank them for their ongoing contribution to our school.

Year One/Two

Emma Gentle (Year 1-2 Teacher)

This week students have been writing descriptions. As we are looking at Australia this term, we have been looking at different Australian landscapes. I was very proud of the sentences that the children wrote as

they were very descriptive without using too many words. We have been speaking about the choice an author makes when choosing words to use when writing. The correct word choice can result in painting an accurate 'picture' in the reader's head. For this activity, students were shown an image of The Simpson Desert and they were to brainstorm the nouns in the picture and write down verbs and adjectives that match the nouns. From this, they then created their descriptive sentence about the image.

The dry bushes are being smiled at from the sun. Patience

The hot sand blows in the wild wind. Sophie

The prickly bushes sway in the dry and sandy breeze. Oliver

The sand on the hills rise up into an angry sandstorm. Tao

The desert sand blows in the dry, clear wind and roly polys tumble down hills. Jakeb

Roly polys burn in the red, hot sun while blowing around in the dusty wind. Maya

As the wind blows, tumbleweeds roll around the scorching desert. Brydie

The red sand blows in the beautiful, windy sky. Austin

Brown tumbleweeds roll around the bright, blue, summer breeze. Rubie

The sandy desert filled with roly polys, blow in the wind. Rouel

The scolding desert sand whooshes beneath the bushes. Ryan

The long sticks roll down the steep desert hill. Savannah

The bright, yellow sun in the blue sky blinds us. Josh

The big, hot desert with the prickly tumbleweeds roll along the sand. Wyett

The roly polys roll in the dirt in the desert. Accacia.

Secondary News

Head Teacher

Jean Duma (Head Teacher)

World Teacher's Day is celebrated all around the world in October each year and in Australia we celebrate this day on the last Friday in October. This Friday 25 October is World Teacher's Day in NSW and we acknowledge the dedication of our Teaching Staff including our Casual Teachers, who work tirelessly throughout the year to provide such wonderful opportunities for our students. Thank you for everything you do for the students of Tooleybuc Central School.

A reminder that Term 4 is a 'No Hat, No Play' term in line with our School's Sun Smart Policy. All students are required to wear their school bucket hat during breaks, PE and Sport.

STEM Excursion Bendigo

The Year 7-10 Stem Excursion to Bendigo was very beneficial to all of the students who attended. The writing workshop was really entertaining. It was really enjoyable to see and hear all of the characters and stories that everyone had made. To also hear stories and creativity from the other school that was with us (Maraborough Tech) was such a delight.

By Tara

I really enjoyed the Art Gallery and the art was magnificent. It showed us a wider range of art than we have seen before. The activities that we completed were engaging and entertaining.

By Emma.

Ella, Kurt and Jordan working on their creative writing.

Ryan and Jack sharing their creative writing at the Art Gallery.

Sissy & Josie sharing their stories in the Art Gallery.

Mandatory Technology

David McCarron (Technology Mandatory Teacher)

Year 7 Technology Mandatory - have been busy learning about control technology in their current unit "Crack the Code". Students have been completing Plug Run Play activities using a microcontroller. The microcontrollers are attached to a ThinkerShield which contains a variety of on-board components to make it easy to learn how to "code" without having to learn how to do electronics. Most households would contain items which have microcontrollers that have been coded. A common example is your TV remote.

Thinker Shield Year 7 have been using.

Mark Nelson (Technology Mandatory Teacher)

Year 8 TAS have been following a unit called Cultural Foods. This unit allows to look at another culture and learn about the makeup of that culture, what customs they have and what foods they eat and then compares it to our own culture. The students selected and cooked a dish from that culture. These ranged from Tacos, Greek Yogurt Cheesecake to Warm German Potato Salad to name some of the dishes.

This term we are concentrating on Australian culture and asking similar question to what we did in our previous culture. We have started this term by cooking Pink Lamingtons and next we will do Golden Syrup Dumplings.

Industrial Technology Wood

David McCarron (Industrial Technology Teacher)

Year 9 Industrial Technology - Wood have completed a beach chair this term which has now been marked and should be on the way home. Students have started designing a Skateboard from scratch which they may not complete before they roll over to Year 10 in Week Six. Yearly Examinations will be in Week 5.

Beach Chair made by Year 9.

Year 10 Industrial Technology - Wood: are busy completing Adirondack chairs. These commonly retail for in excess of \$140 and are very comfortable. Unfortunately students will not have time to start another project before they roll over into Stage 6 subjects. Chairs will be good to go home at the end of Week 5. Yearly Examinations will be in Week 4.

Adirondack chair made by Year 10.

Agriculture

David McCarron (Industrial Technology Teacher)

Year 9/10 Agriculture - are finishing off a unit on Winter Crops. Most students have made a Power Point presentation on a selected crop to share information with the class. Final assessment for this unit will occur in Week 5 within the Yearly Exam. Oats the students sowed earlier in the year have been cut for hay. Production was lower than anticipated due to the persistent dry conditions. Most of our sheep and lambs have been offloaded to the saleyards with new stock to arrive in the near future.

VET Primary Industries

David McCarron (VET Primary Industries Teacher)

Year 12 Primary Industries students finished off last term with a successful second mandatory work placement. All students received favourable reports. These students have now completed the course and sat their HSC examination. Most students were able to satisfy the requirements to achieve a Certificate II in Agriculture qualification.

Bailey on Work Placement at Kyalite Pistashios.

Tim on Work Placement at Swan Hill Chemicals.

Riley on Work Placement at BR & C.

Careers

Kim Morton (Careers Teacher)

Next week some Year 10 students will be undertaking their first week of work placement for their TAFE

Metals course. In addition we have two Year 11 students out on Work Placement for Automotive in Weeks 3 and 4. We wish them all the best and know they will all represent the school positively as always.

Senior Excursion

Students in Year 10 and 11 are being given the opportunity to attend a Senior Career and pathways excursion to Albury and Wodonga on 14th and 15th November. The excursion will enable students to view and experience opportunities available at these regional centres for a diverse range of careers. Please ensure the notes are returned promptly.

Monash Peninsula Experience Day

This one is for Year 10 and 11 students who are passionate about education, health or business. When: Thurs 28th November

Time: 9.30am - 2pm

Visit: <https://www.monash.edu/peninsula-experience-day>

Conoco Phillips Science Experience for Year 9 & 10 Students

A 3-4 day program which takes place in laboratories and lecture theatres of a number of institutions across Australia.

The cost starts at \$190 and there are still places available in November and January 2020 at RMIT and the University of Melbourne. To read more and apply visit:

<https://www.scienceexperience.com.au/when-where>

UOM Girls in Science – Save the Date

For female students in years 9, 10, 11 and 12 to attend the 'Girls in Science Forum'.

When: Tuesday 12 November 2019

Time: 9.30am – 3pm

Where: The University of Melbourne

Cost: Free (includes lunch)

You can pre-register here:

<https://science.unimelb.edu.au/events/details/recache?event=13460>

Deakin Accelerate Information Sessions for High-Achievers

'Deakin Accelerate' provides high-achieving Year 12 students with university-level learning opportunities to complete two units of a first-year university subject at the same time as your Year 12 studies.

To learn more, you can choose to attend one of the below information sessions:

Melbourne Burwood Campus -

Online webinar -

Tuesday 12 November, 6–7pm.

If you have any questions about Deakin Accelerate, please contact Isabella Rizza on (03) 9244 6929.

To register your spot visit:

<https://www.deakin.edu.au/about-deakin/events/accelerate-information-evening>

Important VTAC Deadlines –

Change of Preferences

Preferences can be amended until –
14th December at 4pm for first round December 2019 offer.

Please see table overleaf for full VTAC change of preference dates.

FREE TAFE

Do you fit into any of the below categories?

- You're not sure of your career direction but you would like to qualify in a particular industry.
- You would like to have a backup career plan if you don't receive your most desired university course offer.
- You would like to create a pathway to enable you to work while you undertake further study at a later date.
- You're not really interested in studying at university but want to study. If any of the above relate to you, then it is definitely worth looking at the 'Free TAFE' courses list:
(<https://www.vic.gov.au/freetafe/free-tafe.html>).

Free TAFE Courses cover tuition fees for priority courses for students who are eligible for government-subsidised training. This includes; 40 priority non-apprenticeship courses and 20 Victorian apprenticeship pathway courses (sometimes called pre apprenticeships). Free TAFE courses lead to occupations in industries where there are likely to be more jobs. So be sure to take a look at what is available to you!

Chisholm Institute Update

Chisholm Open Night

Date: Monday 16th December, 2019

Location: 121 Stud Road, Dandenong.

Time: 5-7pm

Learn more about:

- Free TAFE for Priority Courses.
- The extensive range of courses on offer on-campus and online.

- The application and enrolment process, fees and payment options.
- Studying years 11 and 12/ VCE and VCAL at Chisholm.
- Future career options.
- The student support services and facilities available at Chisholm.

To register visit:

<https://www.chisholm.edu.au/open>

BEYOND 2019: Tech Games Fest

Tech Games Fest (TGF) is an event for those interested in the development of games, games culture and other ICT related fields. TGF includes industry presentations, gaming workshops, e-sport tournaments, course information, Cosplay, competitions and showcases.

When: Sat 30th November 2019

Time: 9:00 am – 6:00 pm

Where: Chisholm Institute

Fletcher Road, Frankston.

Please note: Spaces are limited so you will need to register:

<https://www.eventbrite.com.au/e/beyond-2019-tgf-tech-games-fest-event-tickets-72462803195?aff=erelexpmlt>

Monash University Update

Course Update

Monash University's Bachelor of Architectural Design or Bachelor of Design degrees no longer require a folio to be considered for admissions. Entry is now based on ATAR.

If you would like to talk directly to someone about Monash degrees including these degrees in Architecture and Design, please call Norman on 9903 2463 or David on 9903 2276 during business hours.

The Victorian Tertiary Admissions Centre (VTAC) has introduced some new initiatives to support 'Change of Preferences'. The biggest change is that you have less time after getting your ATAR to change your course preferences in comparison to previous years. With just two and a half days to make your decision, it's important you stay on top of key dates and times. ATARs will be released at 7am on Thursday 12th December and 'Change of Preference' will close at 4pm on Saturday 14 December. There's also a new

VTAC December round of tertiary course offers on Wednesday 18th December.

The below table outlines all offer rounds and 'Change of Preference' dates for current (domestic) Year 12 students

Important VTAC Change of Preference Dates – Current Domestic Year 12 Students		
December offer (New)	Released: 18 th December at 2pm	
Change of Preference	Open: 18 th December at 4pm	Closes: 20 th December at 4pm
	Open: 2 nd January at 10am	Closes: 2 nd January at 4pm
Change of Preference - IB Students only	Open: 2 nd January at 10am	Closes: 4 th January at 4pm
January offer	Released: 15 th January at 2pm	
Change of Preference	Open: 16 th January at 10am	Closes: 24 th January at 4pm
February offer 1	Released: 3 rd February at 2pm	
Change of Preference	Open: 4 th February at 10am	Closes: 4 th February at 4pm
February offer 2	Released: 10 th February at 2pm	
Change of Preference	Open: 11 th February at 10am	Closes: 12 th February at 4pm
February offer 3	Released: 17 th February at 2pm	
Change of Preference	Open: 18 th February at 10am	Closes: 19 th February at 4pm

HEAD LICE

Headlice continues to be a concern for families across our primary classes

Please check your child's hair, treat and remove head lice and nits from the hair. Hair should be checked regularly as the nits and head lice can be persistent. Leaving one nit can continue the cycle.

Treating once does not contain the problem it must be monitored continually.

VOLUNTARY CONTRIBUTIONS 2019

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Current voluntary contributions including Technology Fee	Infants and Primary	\$55.00
	Years 7 + 8	\$100.00
	Years 9 + 10	\$60.00
	Years 11 + 12	\$60.00
Agriculture	Year 9 + 10 elective	\$40.00
Design and Technology Food:	Year 9 + 10 elective	\$75.00
Drama (Fairfax)	Year 9 + 10 elective	\$50.00
Industrial Technology	Year 9 + 10	\$55.00 plus materials
Primary Industries	Stage 6	\$50.00 (plus materials)

Wanted

Second hand uniforms in good condition. If your child has outgrown their uniform please consider donating it to the school.

Interested in being a volunteer driver?

Murray River Council's Community Services Team has an expanding community transport service and are now on the look-out for more volunteer drivers.

All volunteers are provided with training, ongoing support and mentoring. The amount of time someone may volunteer is completely up to the individual; every little bit counts!

If this sounds like something you'd like to get involved in, contact your local Community Services Co-Ordinator via 1300 087 004.

We value your contribution to our community.

**Here for you
Tooleybuc**

Your GP is the best starting point when someone needs help with their mental health. A GP can talk about what's happening and the options for treatment and support. Depending on the situation, the GP might provide ongoing care or suggest that another mental health professional or support service. Mental health professionals can be accessed through your GP, community health centre, public mental health services, headspace centres and private health clinics.

Did you know that you can make payments to your child's school online?

We have launched an online payment portal linked to the school website to make it easier for you to pay for school related expenses. This is a secure payment page hosted by Westpac.

What expenses can be paid online?

- Voluntary School and Subject Contributions
- Excursions
- Sales to Students
- Sport
- Other

How?

Log onto the School Web site at www.tooleybuc-c.schools.nsw.edu.au/
Click on 'Make a Payment' and follow the prompts to make a payment via Visa or MasterCard.
