Melanie's Thoughts

Performance Night

Congratulations to all of our students who performed as part of our Performance Night last Thursday. It was a wonderful night with students showing off their dancing and acting skills. You should all be very proud of yourselves. A very special mention to our Tooleybuc's Got Talent finalists, The Andrew's Sisters, Tara Andrews and Alyssa and her assistant Hannah. A big thank you to our teachers for all their hard work in organising acts and costumes. It was a wonderful event!

Whole School Transition Day

Our 2020 planning is well underway and as part of this we will be holding a Whole School Transition Day on Monday the 18th of November. On this day all of our secondary students will 'Roll Over' to our 2020 curriculum and our primary classes will spend a day with their 2020 teacher and their class.

HSC Exams

Today our Stage 6 students finished their HSC Exams for this year. This means our Year 12 students have finally finished their 13 years of schooling! We look forward to farewelling them next week at their Farewell Dinner.

2020 Rollover

On Monday the 18th of November all of our secondary students will 'Rollover' to their 2020 curriculum. They will begin their new electives and course work in other classes. It would be wonderful if all students could have new books for their new school year.

The Brain Man

Due to unforeseen circumstances the 'Brain Man' has been cancelled and will be rescheduled in the near future.

Proud and Deadly Awards

Last week we had four students receive awards at the Proud and Deadly Awards in Deniliquin. This wonderful recognition for their dedication to their learning. Congratulations to:
Jacob Williams - Completing Year 12
Tarlisha Briggs-Gilbert - Dedication to learning
Rhys Bergman - Attendance
Matthew Schultz - Attendance

Tooleybuc's Got Talent winners Alyssa and Hannah..

Tooleybuc Central School,

Proud and Deadly Awards

Tarlisha was very happy with her Proud and Deadly Award.

Proud and Deadly Awards received by Matthew and Jacob.

Chaplain Report

How to get through a bad day

They don't happen often but they do happen. Days that are so awful we want them over as soon as possible. Everyone has them - lousy, rotten, dreadful days when absolutely nothing goes right. The dark clouds of negativity surround us. We feel flat or angry or agitated. Everything we try to do to improve our feelings backfires and it feels like life is stuck in a rut and not coming out anytime soon.

If you're not sure what to do when you (or someone you know) is having a bad day, here are a few different things you could try:

Seek out beauty

On these days you may not be at your most appreciative. Even so, walking in gardens, staring at the sky or even strolling along the river can remind us that there is beauty in the world.

Get physical

Generally exercise alters our mood so you could go for a walk, a run, to a gym or for a bike ride. Be careful though. Take care of yourself. We don't want you to end up with a twisted ankle or in a head-over-the handlebars situation.

Talk to an animal

Find a pet or even a passing bird and confide the sort of day you're having to them. They'll listen. Who knows? They might even secretly think, "There are days being human sounds like it would be hell."

Acceptance

Accepting that the day is one when the excrement has hit the air ventilation system big time goes a long way towards surviving it. Treat yourself as you would kindly treat a child who is feeling poorly. Make yourself a nice warm drink and go to bed early.

Tomorrow is going to be a different day. Good luck!

Primary News

Assistant Principal

Louisa Frost (Assistant Principal)

What a fabulous night we had for Performance Night. All students participated with enthusiasm. Congratulations to Alyssa and Hannah on their winning 'Toooleybuc's Got Talent'.

The next fortnight sees us reach the half way point of this term and as always it will be a very busy time. I am particularly looking forward to our Whole School Transition Day in addition to all the other fantastic learning we need to fit in.

Foundation/Year One

Andrea Hazlett (Class Teacher)

What was it like performing the Get up on stage?

Chevy - "It was exciting, I was scared. I liked the hats."

Matilda - "Every time I'm on stage I get stage fright but I feel strong and I keep going"

Jo-Ann - "It was very good I felt like I was at home performing. The best part was when I saw my Mummy and my brother"

Charli Ava - "It was a little bit scary, it felt bad because it was scary. I felt happy when I saw mum and Archer"

Jane - "When I got on stage I had a lot of stage fright but I realised I don't have to be scared. I liked doing it."

Dejin - "I was laughing and it was a bit funny. I couldn't stop laughing."

Charles - "I liked doing the dance, I liked the two step part."

Jack - "When I got up I felt scared to dance, I felt nervous. I felt happy again when they all clapped."

Matthew - "I liked it. It was good. The two step and twirl are fun to do."

Cooper - "I was afraid I didn't really want to do it, but when I did it, I wasn't scared"

Maya - "I was smiling and happy"

Marissa "We learnt how to do the dance and we did it. I felt happy"

Performance Night

Foundation-Year One performing 'The Git Up'

Year 1-2 Ghost Busting.

Year 3-4 Cha Cha Slide

Year 5-6 Adams Family

Secondary News

Head Teacher

Jean Duma (Head Teacher)

Today is the last HSC Exam of 2019 for our Stage 6 students. Congratulations to our Year 12 students who have now completed their 13 years of schooling. To our Year 11 students, congratulations to you on completing the first half of your HSC exams. We will formally farewell our Year 12 students at their Graduation Dinner on Tuesday, but I would like to take this opportunity to acknowledge the hard work, dedication and effort you have put in to complete the requirements for your HSC credential. We wish you every success for your future endeavours.

Year 7-11 students will begin the 2020 Academic year on Monday 18 November 2019 (Week 6). Students will receive their new timetables for their new year group mid next week. We will begin on Week 2 of the Timetable cycle. Students will need to come prepared for their lessons on this day which will include sport for Year 8-10. Stage 5 and 6 students will have part of their day taken up with Stage Inductions so it is imperative that all students in Years 9-12 2020 are present on this day unless required to attend TAFE.

Science

Leeta Rutherford (Science Teacher)

Year 9/10 Science

The students have completed their unit entitled 'Atoms, Molecules and the Periodic Table'. As a part of this unit the students undertook an experiment that demonstrated that during a chemical reaction, mass is not created or destroyed. In the first part of the experiment the students weighed a flask with water in it, a dissolvable tablet and a balloon before the chemical reaction took place and recorded this weight. They then placed the tablet into the water and put the balloon on the opening of the flask as quick as possible to capture any gas released by the chemical reaction. Once the chemical reaction was complete the students weighed the flask with the dissolved tablet and balloon still in place. Students found that the weight did not change. This demonstrated the scientific law of the conservation of mass.

Cooper, Mitchell, Ryan and Jack working on conserving mass experiment.

Tara and Taylen taking notes on conserving mass experiment.

For the start of Term 4 the students have been studying the Universe through their assessment task, which was due this week, and other tasks. To end this unit next week they will be exploring Aboriginal Songlines that focus on the stars to navigate.

The focus for Year 9/10 Science after the rollover will be on exploring waves and particle models.

Child Studies

Kim Morton (Child Studies Teacher)

On Tuesday 29th October the Child Studies class, consisting of Tara, Taylen, Mia and Emma went with Mrs Morton to Swan Hill to visit the Good Start Early Learning Centre in Beveridge Street, Swan Hill and the Swan Hill Specialist School. This excursion was very beneficial and gave us lots of knowledge about support services for children. We were surprised to find out babies as young as six weeks were able to enrol at Good Start and can attend until they go to school.

We saw the babies having a sleep, we also saw the older children finishing meals and the outdoor area which had a lovely setting and environment. Kayla (the director) gave us a great tour and talk. The Special School offered education for children aged five until leaving school. It caters for a wide range of children's diverse needs. The only requirement to attend is to have a psychological report and IQ under 70. The facilities were amazing. They had a pool, gym, visual clues like stop, quiet etc. Two Gaga pits, large oval, café, kitchen and lots of children's artwork in the halls. Corey, Amanda and Andrea were amazing leaders who showed us around.

Performance Night

On the behalf of the Year Nine Drama group who hosted the spooky Performance Night, we say thank you to Miss Purtil for helping organise this entertaining night. Congratulations to Allysa and her side kick Hannah who won the 2019 'Toooleybuc's Got Talent'. All classes and performances were outstanding and very delightful to watch. We are very proud of our students for being brave and well mannered on the night. Lastly thank you to all the parents, office staff, Drama group, teachers and students for an outstanding evening. By Tara, Taylen, Emma and Mia.

Year 7-8 Time Warp

Andrew Sisters performing in 'Toooleybuc's Got Talent.'

Fairfax Drama Group.

Careers

Kim Morton (Careers Teacher)

For the past two weeks students have been undertaking work placement for their Suni TAFE courses in Automotive and Metals and Engineering. All students have received positive reports to date and have found this to be a valuable experience.

Today we have two students attending a Game Ed program in Swan Hill and thank you to Miss Rutherford for accompanying the students. Year 9 students and Bailey from Year 11 are also completing their white card training in Balranald with Mr McCarron and thank you to Mr McCarron for accompanying the students to gain this valuable certificate.

Senior Career Excursion

Next Thursday and Friday students will be attending an excursion to Albury and Wagga to visit various Universities and Tafs and a tour of the Army Museum. Students will obtain valuable information to help them with their pathway planning for the future.

Please ensure notes are returned promptly and a follow up report shall be in the next Bridge.

Chisholm Institute**Chisholm Open Night**

Date: Monday 16th December, 2019

Location: 121 Stud Road, Dandenong.

Time: 5-7pm. To register visit:

<https://www.chisholm.edu.au/open>

Deakin Accelerate Information Sessions for High-Achievers**Online webinar -**

Tuesday 12 November, 6–7pm.

Please be sure to check your chosen institution(s) website to see which courses are making offers in December and which courses are not.

News & Updates

Rail Industry Growth

**New VET course for 2020 - Cert II****in VET Heavy and Light Rail Fundamentals**

An exciting opportunity for students interested in a career in the rail industry.

The Rail Authority – Level Crossing Authority (Vic Government) has sponsored the development of a pre-vocational course in heavy and light rail fundamentals. This VET course is designed for secondary students considering a career in the growing rail industry.

Students in VCAL, VCE or Year 10 are encouraged to undertake the course over two years. You must be prepared to attend Newport, Melbourne for theory and practical training which is walking distance from the station. Training will be weekly on a Wednesday from 12.30pm – 4.30pm.

If interested, please send an email to Gordana Stankovski Rail Academy Co-coordinator, Industry and Level Crossing Removal Project:

railcareers@levelcrossings.vic.gov.au listing your school, name and current year level.

Chisholm Institute Update**Certificate course cancelled**

Please be aware that Chisholm are no longer running the Free TAFE course Certificate II in Construction Pathways.

Deakin University**New course - Bachelor of Human Resources/Psychology.**

This course combines HR with Psychology which provides students with a targeted knowledge base in psychology as well as a deeper understanding of the modern business world. You will gain the analytical skills to examine employees and how workplace culture, motivation and individual differences interact with core external regulating environments, to essentially encourage engagement and performance at work.

Course now online

Deakin are also now offering their **Bachelor of Public Health and Health Promotion/Bachelor of Commerce** online.

Federation University Update**Course Updates**

Fed Uni have released the following new courses:

Degrees:

- Bachelor of Human Services and Entrepreneurship
- Bachelor Degree (inc. Honours) in Occupational Therapy

Pathway courses:

- Diploma of University Studies (Education)
- Diploma of University Studies (Engineering)
- Diploma of University Studies (Information Technology)
- Diploma of University Studies (Sport, Physical and Outdoor Education).

Holmesglen Update

Student Open Day –

Holmesglen have another Open Day on Thursday 28th of November where you can learn and enquire about the various Free Tafe courses they have on offer in:

- Building and Construction
- Community and Health Sciences
- Computing and IT
- English, Education and Teacher Training
- Hospitality, Tourism and Events
- Horticulture and Environment
- Sport, Fitness and Wellbeing

You will need to book into a session, so to register please visit:

<https://holmesglen.edu.au/Students/Open-Days/>

To review Holmesglen's free TAFE courses and to make further enquiries, visit:

<https://holmesglen.edu.au/Students/Fees/Free-TAFE-for-priority-courses/>

Latrobe University Update

Latrobe Uni are now offering the following (Degree/Master package) courses:

- Bachelor of Cybersecurity/Bachelor of Commerce
- Bachelor of Cybersecurity/ Bachelor of Criminology
- Bachelor of Business/Bachelor of Psychological Science
- Bachelor of Biomedicine /Master of Clinical Audiology
- Bachelor of Health Sciences/Master of Clinical Audiology
- Bachelor of Psychological Science/Master of Clinical Audiology
- Bachelor of Science /Master of Clinical Audiology
- Bachelor of Science/Master of Teaching (Primary)
- Bachelor of Science/Master of Teaching (Secondary).

- Bachelor of Arts/Master of Teaching (Primary)
- Bachelor of Arts/Master of Teaching (Primary).

In addition to these new courses, Latrobe now offering their **Bachelor of Health Sciences/Master of Clinical Audiology** at their Bendigo campus.

RMIT Update

New Course Pathways Tool

As we know, the traditional path into university isn't the only one. 'Pathways' is RMIT's new tool which gives you the opportunity to access their large range of vocational education courses that lead onto undergraduate study. To view visit:

<https://pathways.rmit.edu.au/interests>

Swinburne University Update

New VET Course –

Swinburne University are now offering a new Diploma in Social Media Marketing.

To read more visit:

<https://delta.vtac.edu.au/CourseSearch/searchguide.htm?courseCode=3400211614>

Course Update

Bachelor of Health Science (Nutrition)/Master of Dietetics

Year 12 students now have the assurance that they can continue their studies with Swinburne into their Master of Dietetics after their Bachelor of Health Science (Nutrition), provided entry requirements are met. To read more about the pre-requisites visit:

<https://www.swinburne.edu.au/study/course/Master-of-Dietetics-MA-DIET/local>

Unlock Your Inner Entrepreneur

This event is designed for Year 10 students.

When: Friday 1st November

Time: 1PM – 3PM

Where: Hawthorn campus.

Discover what motivated a panel of entrepreneurs to start their own business, what contributed to their success and lessons they learned along the way.

To register visit: <https://www.eventbrite.com/e/unlock-your-inner-entrepreneur-tickets-66977656975>

November Information Evenings

This is an opportunity for students to seek advice and gain course information in the lead up to change of preferences.

Where/When:

Wantirna Campus – Tuesday 26 November at 4PM – 6PM.

Hawthorn Campus – Wednesday 27 Nov at 4PM – 6PM.

<https://www.swinburne.edu.au/infoevening/#events>

Torrens University Update Course Update

Torrens are now offering a Bachelor of Nursing. To explore this course, visit: <https://delta.vtac.edu.au/CourseSearch/searchguide.htm?courseCode=8130110872>

University of Melbourne Update Computer Programming Challenge for Year 9 Girls (PC4G)

These sessions have been designed to support students in using ALICE, where they create animations, build interactive narratives and program simple games in 3D. This program encourages learning through creative exploration, and no prior coding experience is required. There is one last PC4G intro session remaining and is being held on Wednesday 30th October. To register visit: https://melbourneuni.au1.qualtrics.com/jfe/form/SV_6zecACIPV5kCdut

PC4G Finale

The finale is a competition that follows the series of workshops that have run through the year. To participate in the finale, students do not need to have attended the previous sessions but should have an understanding of the program 'ALICE'. The details for the finale are:

When: 26 November

Where: Parkville campus

For more information and to register:

<https://eng.unimelb.edu.au/engage/schools/pc4g>

Hands on Engineering & IT

Year 10 students are invited to take part in interactive, hands-on activities to learn about engineering and technology concepts and issues. This is a one-day school excursion - up to 30 places per school are available.

When: 2, 4, 5 & 6 December

Where: Parkville campus. To learn more visit:

<https://www.eventbrite.com.au/e/hands-on-engineering-it-workshop-excursion-december-2019-registration-75254900433>

Vic Uni Update

Vic Uni and VU Polytechnic supporting NDIS workforce

The National Disability Insurance Scheme (NDIS) is expected to increase demand for up to 90,000 skilled workers in the health sector over the next five years. VU and VU Polytechnic provide a range of practical, skills-focused courses; including their new Bachelor of Speech and Language Sciences/Master of Speech Pathology.

If the health industry is where your interest lies, then you can check out NDIS-related courses (at degree and TAFE level) in youth Work, Disability Support, Ageing Support, Social Work and Nursing.

<https://delta.vtac.edu.au/CourseSearch/searchguide.htm?courseCode=4301011051>

February offer 3	Released: 17 th February at 2pm	
Change of Preference	Open: 18 th February at 10am	Closes: 19 th February at 4pm
February offer 4 - Final	Released: 24 th February at 2pm	

- provide services such as colouring, bleaching, applying treatment, permanent waving (with chemical solutions), straightening and tinting
- dry hair and style it using brushes, combs, straightening irons and other equipment
- shave and trim beards and moustaches
- advise clients on hair care
- block (shape), clean, colour adjust, curl and cut wigs and hairpieces
- attend hairdressing seminars and training in order to keep up to date with new products and techniques
- operate a cash register and computer
- perform reception duties such as answering telephone calls and making appointments
- sell retail products
- maintain client records
- clean the salon, work areas and equipment.

Hairdressers may be employed in women's, men's or unisex salons. They spend most of their day on their feet and are usually required to work staggered shifts to fit in with salon business hours. They have a high level of public contact, so they need to be well presented.

Personal requirements of a hairdresser:

- No allergies to hair products
- pleasant personality
- good communication skills
- able to work under pressure
- good hand-eye coordination
- patient
- have creative flair
- attention to detail
- are able and willing to follow instructions.

To become a hairdresser, you usually have to complete an apprenticeship. Entry requirements may vary, but employers usually require completion of Year 10. You can also become a hairdresser by completing a VET qualification. As subjects and prerequisites can vary between institutions, you should contact your chosen institution for more information.

Most hairdressers are employed in hairdressing salons, usually working with four to six people. Some work in large department stores. Hairdressers may also be employed as stylists for television, film, theatre or advertising agencies. Those with good retail skills (selling products or additional treatments) are particularly in demand. Many hairdressers, after a number of years working in the industry, set up their own businesses, enter into partnerships or teaching hairdressing. (Sources: Good Universities Guide).

Career Focus Hairdresser

Hairdressers cut, style, colour, straighten and blowwave hair and provide clients with hair and scalp treatments. In most salons, the senior hairdressers and the more advanced apprentices cut and style hair. Apprentice hairdressers undertake routine tasks in the initial stages of employment, assisting senior hairdressers with preparing clients, shampooing, applying and removing simple hairdressing treatments, and sterilising and maintaining equipment. As apprentices gain experience, they carry out more complex tasks under supervision. Hairdressers:

- Talk to clients about their requirements
- cut hair using clippers, scissors or razors
- shampoo, condition and rinse hair

VOLUNTARY CONTRIBUTIONS 2019

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Current voluntary contributions including Technology Fee	Infants and Primary	\$55.00
	Years 7 + 8	\$100.00
	Years 9 + 10	\$60.00
	Years 11 + 12	\$60.00
Agriculture	Year 9 + 10 elective	\$40.00
Design and Technology Food:	Year 9 + 10 elective	\$75.00
Drama (Fairfax)	Year 9 + 10 elective	\$50.00
Industrial Technology	Year 9 + 10	\$55.00 plus materials
Primary Industries	Stage 6	\$50.00 (plus materials)

Interested in being a volunteer driver?

Murray River Council's Community Services Team has an expanding community transport service and are now on the look-out for more volunteer drivers.

All volunteers are provided with training, ongoing support and mentoring. The amount of time someone may volunteer is completely up to the individual; every little bit counts!

If this sounds like something you'd like to get involved in, contact your local Community Services Co-Ordinator via 1300 087 004.

We value your contribution to our community.

Contact Murray River Council on 1300 087 004 or visit www.murrayriver.nsw.gov.au

Upcoming Dates

Portsea Camp Pira Group

Vacancies are now available for the next camp which is from January 11th to January 17th 2020 (7 days) at a cost of \$350 per child. Children must be between the ages of 9 to 12 years and payments can be made by instalments.

The camp has a vast assortment of activities for the children including fishing, canoeing, art and crafts, cooking abseiling, giant swing, flying fox, swimming, a camp out in a tipi, disco plus many more finishing with a concert. All activities are supervised.

All leaders and staff are police checked and have Working with Children accreditation and the children and monitored at all times.

Full time medical staff are on duty at all times as well and a variety of meals are provided by the Chefs and specific diets are catered for. Children with special needs, with or without a carer and ethnic, religious and cultural diversities are most welcome.

For more information please contact Mrs Noella Cook as soon as possible on 0477 017754 and if necessary please leave a message. Or visit the website at www.theportseacamp.com.au

The Nyah Pool is opening

The Nyah and District Community Pool will be opening on

Saturday, 9th November

The pool will be open from 3-7pm everyday provided that the weather is above 25°C at 3pm.

Morning lap swimming will be available Monday, Wednesday and Friday mornings from 6-8am.

Vicswim swimming lessons will be held at the pool in January. You can book online at

<https://vicswim.com.au>

The 2019/20 season fees:

- Child entry: \$3
 - Adult entry: \$4
 - Single Adult Seasonal Membership: \$75
 - Family Pass Seasonal Membership: \$150
- *The family membership covers 2 adults and 3 children and includes immediate family members only. Any additional children under this membership will be an extra \$10.00 per child.

Seasonal Membership payment can be made via cash or cheque at the pool, or online

Our bank details are: Bendigo Bank

BSB: 633-000

Act: 108328600

Ref- your surname

If payment is made online, a transfer receipt must be shown before entry to the pool.

Please note the pool does not have eftpos.

We look forward to seeing you there.

Fun Bike Ride

The Nyah District Action Group are organising a fun bike ride for our kids in the community – though everyone is welcome if you wish to join them.

Sunday, 8th December 2019

2.30pm start – bring a hat, helmet and water bottle

Starting point – Takasuka Road, through the forest and up Thwaites Road to finish at the pool for a swim. You will need your Pool pass or some cash for entry.

No dogs please.

Any questions please call Cheryl 0488 719 209

If you have any other inquiries please contact us on (03) 5032 3719

Balranald St Joseph's Primary School Fete

It is with great pleasure that St Joseph's Primary School in Balranald would like to invite your school and the surrounding community to come and enjoy a night full of Christmas celebrations at our annual fete.

Here is some information for the night of the fete, if you wish to include it in your newsletter.

On the night of the fete there will be 5 carnival rides, most rides are suitable for ages 3 and above apart from the whizzer, which is suitable for older children. All rides are listed on the fete flyer attached.

This year our committee have been given a very generous donation to cover the cost of some rides, which has now enabled us to offer a great bargain price for the rides on the night.

For \$30.00 per child, a wristband will be available to purchase that will enable them to enjoy all 5 rides for the entire night. Over 3 hours of unstoppable fun. Individual ride tickets also available.

As a committee we have tried our best to cater for all friends and families of St Joseph's, so for those children who are too young or do not wish to go on rides there are plenty more activities that they can be involved in. Not to forget the many stall holders, raffles and food options available.

We strive to make our fete as family friendly as possible so everyone who attends can have a great night.

If you require any further information or have any questions, please feel free to contact me on 0438 601 514.

Kind Regards,
Aishling Gilbee
St Joseph's Primary School
P&F President

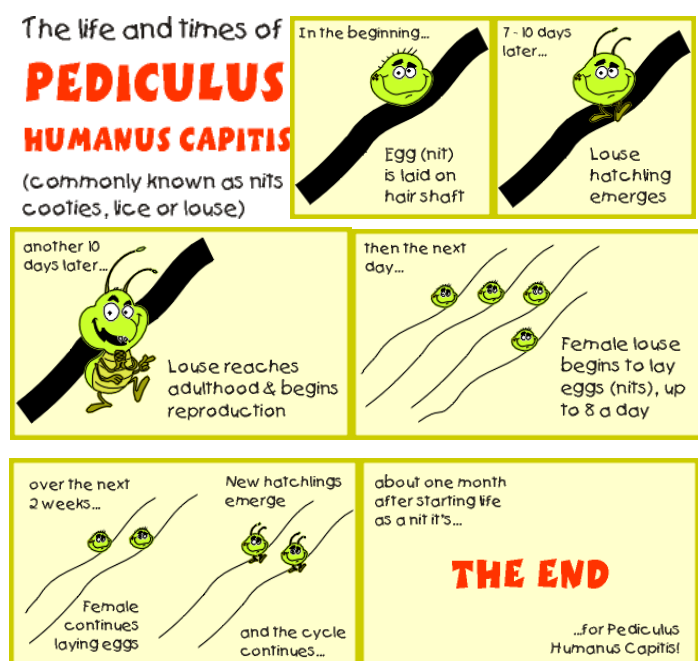

HEAD LICE

Head lice continues to be a concern for families across our primary classes

Please check your child's hair, treat and remove head lice and nits from the hair. Hair should be checked regularly as the nits and head lice can be persistent. Leaving one nit can continue the cycle.

Treating once does not contain the problem it must be monitored continually.

To break the cycle you must remove the nits (eggs) from the hair strands.
