## Melanie's Thoughts

### 2022 Targets - Attendance

Last week I met with my Director Educational Leadership (DEL), Helen McRae about our stretch targets for the next three years. One of these targets is based on attendance and is focused on all students achieving 90% attendance for the school year. For a student to achieve 90% attendance they need to attend at least approximately 180 out of a possible 200 days of school. Even still over a life time of school it means that over 2 and half years you would miss a term of school. And over 13 years this equates to over 5 terms of school (a whole year plus some).

If we are focused on students achieving growth then attending school is important. Currently we have 70% of students achieving this, this is something I am sure we can work on together.

Attendance is only one of the targets we will be focusing on, more details will be released in the future.

### Whole School Transition Day and 2020 Rollover

On Monday we held our Whole School Transition with our new students experiencing a wonderful day getting prepared for next year. This also was the start of our 2020 curriculum for our secondary students who are already back into it after just finishing their exams.

### School Community Charter

Enclosed in this edition of 'The Bridge' is the School Community Charter which focuses on Collaborative, Respectful Communication. There have been a few incidents with parents recently that have not been appropriate and this is just a reminder of the expectations about the way in which we treat staff, students and parents

### End of year

The end of the school year is coming very quickly. We have a lot of wonderful activities planned to celebrate the fantastic year we have had. Make sure you keep an eye on the calendar and the Facebook page to keep up to date!

*A fond farewell to the Class of 2019.*

## P & C AGM

Our P & C AGM will be held on Friday the 6<sup>th</sup> of December @ 1.15 pm in the Auditorium at the Tooleybuc Sporting Club. In the ordinary meeting we will be discussing new secondary shirts to help with supply etc. Please come along and have a look!

## Attendance and absences

Parents of children from Kindergarten to Year 12 must ensure their children attend school every day. On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstances e.g. attending a funeral

Parents must provide an explanation for absences to the school within 7 days from the first day of any period of absence. Where an explanation has not been received within the 7-day timeframe, the school will record the absence as unjustified on the student's record.

## Chaplain Report

### The Art of Conversation

Having good conversations is definitely an art, and one we often don't practice!

Conversations can leave us frustrated at people who just 'never get it', feeling misunderstood, disrespected... and our relationships and quality of life suffers as a result.

The saying 'be quick to listen and slow to speak' has been around for thousands of years... the fact that these words of wisdom are still as relevant as ever suggests that being 'quick to listen' is harder than we might first think!

Listening well helps us to attend to the feelings and issues behind the words we are being presented with. Here are a few ideas to improve your listening skills.

1. *Get into the here and now:* this means really paying attention and not thinking about something else when your child is talking to you. Why is this important? Think about what it feels like when you are talking to someone and they keep watching the TV or reading the paper. Contrast that with how it feels to have someone's undivided interest and attention.
2. *Try to understand:* Work at concentrating on what your child is saying rather than thinking about what you are going to say next.

### 3. *Show that you are trying to understand:*

Summarise your child's main points and pinpoint how they might be feeling (e.g. 'you're feeling angry because I didn't talk to you before making plans for this weekend. I can understand that.'), and then invite them to tell you more about what they are thinking and feeling.

Good luck practicing the art of conversation!

# Compulsory School Attendance

## Information for parents

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

### What are my legal responsibilities?

Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age. The *Education Act 1990* requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend school, or, are registered with the Board of Studies, Teaching and Educational Standards for homeschooling.

Once enrolled, children are required to attend school each day it is open for students.

### The importance of arriving on time

Arriving at school and class on time:

- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Give students time to greet their friends before class
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

### What if my child has to be away from school?

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g. attending a funeral)

Following an absence from school you must ensure that within 7 days you provide your child's school with a verbal or written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence.

Principals may decline to accept an explanation that you have provided if they do not believe the absence is in the best interest of your child. In these circumstances your child's absence would be recorded as unjustified. When this happens the principal will discuss their decision with you and the reasons why.

Principals may request medical certificates or other documentation when frequent or long term absences are explained as being due to illness. Principals may also seek parental permission to speak with medical specialists to obtain information to collaboratively develop a health care plan to support your child. If the request is denied, the principal can record the absences as unjustified.

### Travel

Families are encouraged to travel during school holidays. If travel during school term is necessary, discuss this with your child's school principal. An *Application for Extended Leave* may need to be completed. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

In some circumstances students may be eligible to enrol in distance education for travel periods over 50 school days. This should be discussed with your child's school principal.

### **My child won't go to school. What should I do?**

You should contact the principal as soon as possible to discuss the issue and ask for help. Strategies to help improve attendance may include a referral to the school's learning and support team or linking your child with appropriate support networks. The principal may seek further support from the Home School Liaison Program to develop an Attendance Improvement Plan.

### **What might happen if my child continues to have unacceptable absences?**

It is important to understand that the Department of Education and Communities may be required to take further action where children of compulsory school age have recurring numbers of unexplained or unjustified absences from school.

Some of the following actions may be undertaken:

- Compulsory Schooling Conferences

You may be asked, along with your child, to attend a Compulsory Schooling Conference. The conference will help to identify the supports your child may need to have in place so they attend school regularly. The school, parents and agencies will work together to develop an agreed plan (known as Undertakings) to support your child's attendance at school.

- Application to the Children's Court – Compulsory Schooling Order

If your child's attendance at school remains unsatisfactory the Department

may apply to the Children's Court for a *Compulsory Schooling Order*. The Children's Court magistrate may order a Compulsory Schooling Conference to be convened.

- Prosecution in the Local Court

School and Department staff remain committed to working in partnership with you to address the issues which are preventing your child's full participation at school. In circumstances where a breach of compulsory schooling orders occurs further action may be taken against a parent in the Local Court. The result of court action can be the imposition of a community service order or a fine.

### **What age can my child leave school?**

All New South Wales students must complete Year 10 or its equivalent. After Year 10, and up until they reach 17 years of age, there are a range of flexible options for students to complete their schooling.

### **Working in Partnership**

The Department of Education and Communities recognises that working collaboratively with students and their families is the best way to support the regular attendance of students at school.

We look forward to working in partnership with you to support your child to fulfil their life opportunities.

**If a student misses as little as 8 days in a school term, by the end of primary school they'll have missed over a year of school.**

Further information regarding school attendance can be obtained from the following websites:

## Primary News

### Assistant Principal

**Louisa Frost (Assistant Principal)**

It has once again been a very eventful two weeks. Transition day on Monday seemed to go smoothly with all the primary teachers enjoying getting to know their class for next year.

The coming weeks will include preparation for our Primary and Whole School Assemblies. It would be great to see you all there to help the students celebrate the wonderful things they have achieved this year. You will also have the opportunity to listen to our 'Young Leader' speeches for next year at the Primary Assembly. Hopefully the weather will be favourable and we can invite you to participate in a game of 'Ga Ga Ball' afterwards.

### Performance Night

*By Brayden*

Recently, on Halloween, the Tooleybuc community gathered around to watch Tooleybuc's Spooky Performance Night acts. Altogether there were 11 acts in total.

Through out the last two terms, Tooleybuc Central School had been holding auditions for Tooleybuc's Got Talent. On Performance Night the three talented finalists were the Andrew's Sisters, Tara and the winners Hannah and Alyssa.

At the end of the night there were a lot of lollies and my family stayed for dinner. Everyone looked spoooooooooooooooky and talented. Everyone had a terrific night.

### Time to Shine

*By Hannah Magicians Assistant*

Halloween is a spooky time of year so the Tooleybuc Central School crept us out of our skins with their kooky performance night at the Tooleybuc Club. Up first was the Year 7/8 movie trailer for Shift F Feel. Joshua and Anthony were the actors and they looked like they had a great time.

Next, we had the Foundation Year One class dancing to the Git Up song. They tried so hard and it looked like they put in the effort. In their floppy hats, checked shirts and boots everybody loved them.

The first finalist for Tooleybuc's Got Talent was the Andrews Sisters' Silly dance. They ate pasta, rode

scooters and were just silly. Jayla Andrews was embarrassed yelling out pasta but who really cares. "Arrrr a ghost," better call Ghost Busters. Year 1/2 suited up in black, they looked just like the real thing. Oliver the ghost didn't last long.

Up next was Tara the second finalist and performed some beautiful ballet and then went crazy to She's a Maniac. She did 19 pirouettes in a row. Awesome. Then 3/4 presented some Cha Cha and some slide in Cha Cha Slide. They had creepy masks on and dressed fully in black.

After that 5/6 came up to perform Addams Family and Potions in a Pot. They were all dressed in creepy costumes. For Potions in a Pot they did rifts. Addams Family had Hannah on keyboard, Murdoch and Ashby on guitar, Brayden on whistle and everyone else on ukulele.

Then the final contestant for Tooleybuc's Got Talent. Alyssa and her "great" assistant Hannah performing "amazing" magic tricks. They had lots of audience participation and heaps of laughs.

Then they announced the Winner of Tooleybuc's Got Talent. It was Alyssa and Hannah Rogers with their amazing magic. They won a Target voucher. At the end of the night the teachers handed out lollies to everyone who came to watch. Everyone had a great time.

### Tooleybuc's Spooky Performance Night

*By Esther*

The Year 7/8 got the chance to make their own trailer in their very own school! What an amazing opportunity. The title is 'Shift Feeds'. It was very cool to see my step brother Josh be one of the actors. Thanks Fairfax.

The first performance was Foundation/Year One with the Git Up Yeehow! What a cute performance it was. They should be paid for getting on stage.

When there is something strange in the neighbourhood, who you gonna call? Year 1/2. Their performance was Ghostbusters (as you can guess) and it was amazing especially the DIY costumes.

Let's do the Cha Cha Slide with Year3-4. This performance brings back memories. What a great performance with style, in their creepy masks.

Their creep and their kooky, mysterious and spooky their all together ookey. Year 5/6. We used instruments and a whistle that nearly made me laugh

## Secondary News

### Creative Arts

**Megan Purtill (Creative Arts Teacher)**

During Term 3, Year 7/8 Visual Arts class studied works on Ned Kelly. This was to assist them in understanding the representation of Ned Kelly presented by Australian Artist Sidney Nolan, in his series of works on the infamous bush-ranger. Students then selected elements of Nolan's work and coupled with their discovery of the life of Ned Kelly, they designed their own paintings. These were then created with acrylics on canvas, with students developing technical painting skills throughout the process. The artworks are great displays of the students own perspective of Ned Kelly. The paintings were submitted into the "Bal-Archies" painting competition and were on display in the Balranald Art Gallery in October. We received lots of great comments from the public on the students work, and the originals can be seen on display in the schools front office until the end of Term 4.

We have all been busy with roll over and beginning 2020 classes, it is exciting to have a Stage 5 Visual Arts class. This group will be venturing on a journey of further understanding of artworks, artists and the world. I look forward to working with this group over the coming year, and hope to be able to visit some of the local galleries as part of our course.

## Careers

**Kim Morton (Careers Teacher)**

### Senior Excursion

On Thursday and Friday Year 10 and 11 students travelled to Albury and Wagga to explore some of the many options available to them for in the future.

Some of the highlights from the excursion included:

- Gaining ideas about the diverse range of opportunities available to them at both Latrobe and CSU .
- Exploring the huge Wodonga TAFE and hearing about opportunities provided through VET.
- Climbing all over the army tanks and exploring the Army Museum and hearing about the opportunities provided by the ADF.
- Eating dinner at 8.30 pm and appreciating what it is like to be hungry!
- Marshall calling up the security at CSU
- Ryan eating my icecream
- Putting up with Macca and Mrs Morton for 2 whole days.

Overall you were a great bunch and hopefully you all gained lots of great information.

*Exploring the Army Museum.*

*Bailey aims the artillery.*

### Work placement

This week sees the completion of all work placement requirements for VET subjects studied this year. Well done to all students and once again extremely positive comments have been received from employers.

### New Stage 6 students

Once again I will be conducting individual career interviews and plans with all Year 12's to help guide you for life after school. Start thinking about your options and it is very important to keep a diary for all Uni/TAFE Open Days and other events you may like to attend to help you with the process of exploring the many pathways available.

In addition I strongly advise all students to keep their resume up to date.

## News & Updates

### Job or Career?

Are you still unsure whether to work towards a 'job' or a 'career'?

To briefly summarise the difference between the two, a job could be a part-time or full-time position where you gain some experience along the way while it meets your shorter term goals (paying bills, personal convenience etc.). Whereas a career is a long-term professional journey which you can embark on, usually with a specific end-point or aspiration.

A person's career aspiration can result from various pathways; a VET or Tafe course, apprenticeship, work experience or tertiary qualification. Whatever the pathway, it is important to remember there is no right or wrong direction. You may take the long route

or you may have a straight road! A lot of people make stops along the way, particularly while studying.

What is helpful is investing some time to reflect on what area of work you are most suited to – job and/or career. This can also mean you ask yourself what you don't want to do!

Here are some helpful questions to help you choose your 'dream career' or an area of interest:

- What am I good at?
- What do I like doing with my time?
- How do I like to learn? (practically, theoretically, on-the-job?)
- What are my core values?
- Am I; analytical, creative, helpful, physical, organised, practical?
- Do I like to work autonomously or as part of a team? Or both?
- Where would I like to work? Office, at home? Outdoors?
- How many hours a week? 9 til 5 or shiftwork?

If these questions are difficult to answer, to help you establish a shortlist, you can also try answering a quiz or questionnaire like this:

<https://joboutlook.gov.au/CareerQuizStart>

Good luck!

### Career Focus Fashion Designer

Fashion designers plan and develop new clothing and accessory styles by creating original designs or by adapting fashions to suit local conditions and trends. They fabricate sample garments based on these designs.

Fashion designers:

- consult with clients and stakeholders to determine the objectives of the design brief and to negotiate design solutions
- illustrate concepts by producing storyboard and specification drawings
- use computers to manipulate and develop patterns and modify designs
- research and develop fabrics and accessories for production of garments
- make patterns or work closely with patternmakers to draft patterns from sketches or specification drawings
- select fabric, colour and trim, and undertake cutting and machining of sample garments

- fit samples and discuss them with management, sales and manufacturing staff
- contribute to costing estimates
- finalise specification sheets with detailed sketches and trim details
- approve final samples before they go into production
- liaise with production staff during mass production of garments and participate in quality control
- maintain an awareness of current global and local fashion trends
- control merchandising and retailing of garments.

### **Education and Training**

To become a fashion designer, you usually have to complete a VET qualification. Bachelor Degrees in fashion design or fashion and textiles are also available. To get into the bachelor degrees, you usually need to gain your VCE with English. Applicants may be required to attend an interview and/or submit a folio of their work. As subjects and prerequisites can vary between institutions, you should contact your chosen institution for further information.

### **Employment Opportunities**

Fashion designers work for manufacturing houses, small businesses or retailers. They may design ready-to-wear clothing or one-off garments to be sold to retailers or directly to the public. They tend to specialise in one area, such as menswear, children's wear, knitwear or lingerie. In addition, opportunities exist for specialist work in an established business as a designer, cutter, patternmaker/grader, sample machinist, general machinist or subcontractor. Fashion designers may also become trainers in the industry. The fashion industry is highly competitive and success depends on talent and determination. Vacancies are extremely limited for trainees wanting to work their way up to fashion designing. Some employers promote employees who have gained practical experience in the industry. A limited number of vacancies for qualified and experienced designers exist in both large fashion companies and smaller clothing manufacturing firms. Most vacancies occur in large capital cities, especially Sydney and Melbourne. Some opportunities exist for talented and experienced designers to establish their own businesses or work on a freelance basis.

## VOLUNTARY CONTRIBUTIONS 2019

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Current voluntary contributions including Technology Fee	Infants and Primary	\$55.00
	Years 7 + 8	\$100.00
	Years 9 + 10	\$60.00

## CANTEEN ROSTER

Thank you to all volunteers who helped in the Canteen this year. More volunteers are always welcome.

If you are unable to do duty on your rostered day please contact someone else on the roster and arrange a swap.

Canteen duty is from  
10:30 am until 2.30pm.

Lunch orders are to be written on a paper bag including students name and year (with money inside). Orders are then to be taken to front office by students or sent with the rolls

# School Community Charter

 **Collaborative. Respectful. Communication.**

The following School Community Charter outlines the responsibilities of parents, carers, educators and school staff in NSW public schools to ensure our learning environments are collaborative, supportive and cohesive.

## What our schools provide

NSW public schools work to create positive environments for students, staff and the entire school community that support student learning. We strive to ensure that every student is known, valued and cared for.

The best education happens when parents and schools work together.

The School Community Charter aligns with the NSW Department of Education Strategic Plan 2018 – 2022.

## Positive environments

It is important that our NSW public schools are positive environments and that parents and carers are kept informed of students' progress and school announcements.

Parents and carers can expect:

- to be welcomed into our schools to work in partnership to promote student learning.
- communication from school staff will be timely, polite and informative.
- professional relationships with school staff are based on transparency, honesty and mutual respect.
- to be treated fairly. Tolerance and understanding are promoted as we respect diversity.

**We treat each other with respect**

**We prioritise the wellbeing of all students and staff**

**Unsafe behaviour**

is not acceptable in our schools

**We work together with the school**

**Ensuring respectful learning environments for all members of NSW Public Schools communities.**

learning

## Communicating with our schools

Our staff will find a time to talk to you when they can give you their full attention. Please remember that while our staff are in class or dealing with other matters, they may not be available to answer your questions immediately.

Our schools and communities will make sure that written communication is appropriate, fair and easy to read. We encourage you to use email and social media appropriately to connect with your school and stay up-to-date with up-coming events in the school community.

Our guide for parents, carers and students provides useful information about the complaints process: [education.nsw.gov.au/about-us/rights-and-accountability/complaints-compliments-and-suggestions/guide-for-parents-carers-and-students](https://education.nsw.gov.au/about-us/rights-and-accountability/complaints-compliments-and-suggestions/guide-for-parents-carers-and-students)

## Respectful communication is a right

In all workplaces people have the right to feel respected. Unacceptable and offensive behaviour has no place in our school communities.

To ensure the wellbeing of students, staff and the community in our schools, steps will be taken to address unacceptable behaviour. This may include restricting contact with the school community or, in more serious cases, referral to NSW Police.

## Unacceptable behaviour may include but is not limited to:

- Aggressive or intimidating actions, such as violence, threatening gestures or physical proximity.
- Aggressive or intimidating language, including the use of obscenities, making sexist, racist or derogatory comments or using a rude tone.
- Treating members of the school community differently due to aspects such as their religion or disability.
- Inappropriate and time wasting communication.

### Balranald St Joseph's Primary School Fete

It is with great pleasure that St Joseph's Primary School in Balranald would like to invite your school and the surrounding community to come and enjoy a night full of Christmas celebrations at our annual fete.

Here is some information for the night of the fete, if you wish to include it in your newsletter.

On the night of the fete there will be 5 carnival rides, most rides are suitable for ages 3 and above apart from the whizzer, which is suitable for older children. All rides are listed on the fete flyer attached.

This year our committee have been given a very generous donation to cover the cost of some rides, which has now enabled us to offer a great bargain price for the rides on the night.

For \$30.00 per child, a wristband will be available to purchase that will enable them to enjoy all 5 rides for the entire night. Over 3 hours of unstoppable fun. Individual ride tickets also available.

As a committee we have tried our best to cater for all friends and families of St Joseph's, so for those children who are too young or do not wish to go on rides there are plenty more activities that they can be involved in. Not to forget the many stall holders, raffles and food options available.

We strive to make our fete as family friendly as possible so everyone who attends can have a great night.

If you require any further information or have any questions, please feel free to contact me on 0438 601 514.

Kind Regards,

## HEAD LICE

Head lice continues to be a concern for families across our primary classes

Please check your child's hair, treat and remove head lice and nits from the hair. Hair should be checked regularly as the nits and head lice can be persistent. Leaving one nit can continue the cycle.

Treating once does not contain the problem it must be monitored continually.

To break the cycle you must remove the nits (eggs) from the hair strands.
