Melanie's Thoughts

Last day for Year 12

Today marks the last official day of school for our Year 12 students. This group of 7 boys have been an integral part of our school and we are really going to miss seeing them around every day. Each and every one of these students has made a valuable contribution to our school and we are very proud of the young men that they have become. We look forward to seeing the wonderful things they achieve in the future.

Even though their official schooling is over, they still have a lot of hard work to do between now and their HSC examinations that they will sit at the beginning of next term. We wish them all the best with these exams.

Performance Night

Next term we will be hosting our bi annual Performance Night on

Thursday the 31st of October. The night will be held at the Tooleybuc Sporting Club @ 6 pm. Make sure you mark the date on your calendar!

Senior School Leaders 2020

At our Whole School Assembly this week our Senior School Leader nominees made their speeches. I was extremely proud of everyone who spoke on Monday and they should be extremely happy with their efforts.

Fairfax

Last week was the culmination of all of our Fairfax activities. Fairfax has been a big part of our school this year with the film project and the festival. It has been an amazing opportunity for our students to develop their confidence and skills in performing arts. They should be very proud of themselves!

End of Term Three

Term Three has been an extremely positive term for school. There have been so many wonderful activities on offer for our students and as a result we have seen them grow as people. Please take the time to have a well deserved break during the holidays because I am not promising next term will be any quieter!

Students at Charlie and the Chocolate Factory.

Ben - 2007 to 2019

Sean – 2011 to 2019

Jack – 2015 to 2019

Toby – 2013 to 2019

Riley – 2007 to 2019

Jacob – 2014 to 2019

Luke - 2014 to 2019

EVERY TUESDAY

LUNCH TIME
1:13 pm

FOR A FINAL PERFORMANCE @ PERFORMANCE NIGHT

School Chaplin

Embrace gratitude!

Well, another term is done, and no doubt everyone is ready to jump into holidays.

But wait a minute! Getting to the end of something is always the best time to stop, reflect, and celebrate! Tuesday 23rd July was 66 days ago and a lot has happened between the start of Term 3 and now. Keeping perspective and choosing joy is a skill we need to help us get through life. Don't miss the opportunity to celebrate the meaningful moments of the last term in your family. You might be surprised to discover just how many things you have to be grateful for!

Happy holidays ☺

Liz Hindle

School Chaplain

Did you know that you can make payments to your child's school online?

We have launched an online payment portal linked to the school website to make it easier for you to pay for school related expenses. This is a secure payment page hosted by Westpac.

What expenses can be paid online?

- Voluntary School and Subject Contributions
- Excursions
- Sales to Students
- Sport
- Other

How?

Log onto the School Web site at www.tooleybuc-c.schools.nsw.edu.au/

Click on 'Make a Payment' and follow the prompts to make a payment via Visa or MasterCard.

Up Coming Events Term 4 2019

	HSC Math Stand 2 9:20 – 12:00 pm

Primary News

Assistant Principal

Louisa Frost (Assistant Principal)

What a way to finish the term! This week I had the opportunity to accompany the students to 'Charlie and the Chocolate Factory' this was a fantastic performance that I could tell all the students loved. We are very lucky to have so many opportunities for all of our students.

On Monday afternoon we celebrated all the success students have had this term at our Whole School Assembly. It was great to have so many parents there to share this experience.

Last week both the teachers and students participated in workshops to develop their technology skills. Everyone enjoyed working with the fabulous new equipment the school has been able to purchase.

Tooleybuc's Got Talent has been keeping us all entertained and I have started to hear about preparations for our Performance Night next term. This promises to be another significant opportunity for all students to develop their confidence and performance skills.

After such a busy term I am looking forward to a quiet break with my family. I hope you all have a good break with your families and return to school well rested, ready to tackle the final term of 2019.

Year Three/Four

Sarah Everall (Year 3-4 Teacher)

It's hard to believe it is the end of term already. It has been a busy term and we have had a blast learning about protecting the environment and sustainability. Students are very proud of their efforts collecting bottle caps, with our goal of 300 bottle caps well and truly beaten. We have collected over 800! Thank you to everyone who helped us with this project. To end the term we made our very own recycled paper. It looks great and the students were engaged throughout the process.

Pressing the paper pulp into a frame.

Makenna, Shakeah and Summer pour pulp to make paper.

Students helping mixed the paper pulp.

Secondary News

Head Teacher

Jean Duma (Head Teacher)

This week we farewell our Year 12 students and congratulate them on the completion of their formal schooling. We are proud of our seven Year 12 students and wish them every success and happiness for their futures. It is not the last time we will see them though, as our students in Year 12 and Year 11 Focussed HSC students sit for their HSC exams beginning on the 17 October. A reminder to all these students to please use your time over the holidays for continued revision and exam preparation. Holiday Study Sessions have also been offered to Stage 6 students in the second week of the holidays - please refer to letters sent home this week for more information.

With Term 4 comes the reinforcement of the School's Sun Safe Policy, in particular 'No Hat, No Play'. All students from Foundation to Year 12 are required to wear their school hat whilst outside during breaks, PE and Sport lessons. In preparing for our Academic year rollover in Week 6 of Term 4, we wish to advise that BYOD (bring your own device) for secondary students will now be extended to include all students in Years 7-12. Further information will be sent out early next term in relation to this. Finally, we wish all our students and families a relaxing, happy and safe time during the upcoming holidays.

HSC Business Studies

Megan Purtill (Business Studies Teacher)

Business Studies has been a learning curve. We started with the basics and have now learnt how a successful business should operate. We have learned about the elements of business and have been able to apply these to our own workplaces. It's been what feels like a long road, but we have got there with the aid of various learning methods.

In our preliminary course we travelled to Balranald and enjoyed experienced real business structures while talking to business owners. In Term 3 of this year, we began our Marketing topic, we undertook a blind taste test of soft drinks and chips to highlight the impact of promotion and branding. We have analysed many case studies to enhance our understanding of business concepts in a real-world sense. Miss Purtill has used demonstration of employee rewards and incentives through lollies and card games. All of this work has led up to our final HSC exam, three hours of writing and two essays in October. We will walk out in to the world confidently.

Look out for the future - we are entrepreneurs in the making!

Entrepreneurs of the future, Stage 6 Business Studies.

HSIE

Howard Rosewarne (HSIE Teacher)

Students have just come through another busy period with lots happening in and out of class. It's been a few weeks since we had a full complement of students in class with sporting commitments, Fairfax participation and illness taking their toll. Major assignments have been submitted and returned. There are still several students in Stage 4 with assignments outstanding in both Geography and History.

It's great to see committed students achieving just reward for their efforts with pleasing results and time for some of their classmates to use class time productively.

Careers

Kim Morton (Careers Teacher)

Tooleybuc Central Career News

Next term in Week 3 students undertaking **Metals and Engineering** at TAFE will be completing Work Placement. Please ensure paperwork is returned promptly to Mrs Morton.

The **Automotive** students (Tegan and Bailey) shall be completing their work placement in either Week 3 or 4 Term 4.

White card training will again be held in Balranald on 31st October with information about this going out early next term.

All **Stage 6 students** are encouraged to get their resumes up to date and seek any help they might need for applications to courses and employment.

For Year 10 & 11 Students:

Monash Peninsula Experience Day

Save the Date! Thurs 28th November

This event is a valuable session on resilience building. There is no cost to attend and lunch will be provided. A link to register will be released soon.

University of Melbourne Extension Program for Current High Achieving Year 11 Students

Applications for this program open on Wed 18th September, so UOM are running an information evening at their Parkville campus. For details visit: <https://study.unimelb.edu.au/connect-with-us/events-for-future-students/all-events-listing/university-of-melbourne-extension-program-information-evening>

For all HSC/VCE Students:

Monash University Update

Campus Tours in the September Holidays

Tours will commence at 10am and run for approximately 1.5 hours, with an opportunity to see the on-campus accommodation at Clayton and Peninsula. For more dates and information, see and to book visit: <https://www.monash.edu/campus-tours>

SEAS Applications

Close – October 11th at 5pm.

Scholarship Applications

Close – October 11th at 5pm.

Change of Preferences

Close – 14th December at 4pm for December 2019 offer.

Close – 20 December 2019 at 4pm for 2020 offers.

News & Updates

VTAC Reminder

Just a reminder to be aware of the VTAC closing deadlines drawing near for your course, SEAS, and scholarship applications.

Remember: All students applying for courses via VTAC are encouraged to apply for SEAS category 1: Personal Information. This will enable your chosen university to determine if your school is under-represented and if you are considered to be within the rural or isolated categories. If you are choosing to complete further SEAS categories and/or scholarship

applications, you will be required to provide documentation.

To review deadlines and documentation requirements please visit the VTAC website:

<http://www.vtac.edu.au/>

RMIT Update

Fashion Courses

RMIT have updated their suit of fashion courses to provide students with greater choice, flexibility and personalised pathways into the fashion industry. The changes enable students to exit their undergraduate courses after 3 years or continue on and complete an Honours year, (<https://www.rmit.edu.au/study-with-us/levels-of-study/undergraduate-study/honours-degrees/bachelor-of-fashion-design-honours-bh127>), however this is no longer compulsory.

The three RMIT Fashion undergraduate degrees on offer are:

- Bachelor of Fashion (Design)
<https://www.rmit.edu.au/study-with-us/levels-of-study/undergraduate-study/bachelor-degrees/bachelor-of-fashion-design-bp328>
- Bachelor of Fashion (Enterprise)
<https://www.rmit.edu.au/study-with-us/levels-of-study/undergraduate-study/bachelor-degrees/bachelor-of-fashion-enterprise-bp327>
- Bachelor of Fashion (Sustainable Innovation)
<https://www.rmit.edu.au/study-with-us/levels-of-study/undergraduate-study/bachelor-degrees/bachelor-of-fashion-and-textiles-sustainable-innovation-bp326>

University of Melbourne Information Hands-on Engineering Workshops

UOM are running hands-on, interactive, engaging and fun workshops for Year 10 students interested in maths, science and technology. As these workshops are utilising lab spaces, places are therefore limited. So schools are invited to nominate a maximum of two students from their Year 10 cohort to attend one of the following days:

- Tuesday 1 October 2019 (Register here: https://melbourneuni.au1.qualtrics.com/jfe/form/SV_eVYCNbWqUvTqdAF)
- Thursday 3 October 2019 (Register here: https://melbourneuni.au1.qualtrics.com/jfe/form/SV_bHmfdPeRmtrXKIZ)

The time and location for both days are:

Time: 9:45am – 3.30pm (approximately) Where: Parkville campus
Any enquiries can be directed to: Natalie Pocervina via email: schoolsengagement-engit@unimelb.edu.au

UOM - Faculty of Fine Arts and Music Audition Workshops

University of Melbourne's FFAM offers a range of workshops to help applicants prepare for auditions and interviews. Workshops for Jazz and Improvisation, and Music Theatre are fully booked but there are still places for sessions on:

- Theatre (Contemporary text)
- Theatre (Shakespeare monologue)
- Theatre (Devised performance)

Make sure you make contact with UOM if you are interested in participating in one of these sessions.

Computer Programming Challenge for Year 9 Girls (PC4G)

Students can participate in 3 x 2 hour interactive workshops to try out coding in an approachable, fun, challenging and educational environment using the program ALICE. This event will be held on campus and no prior coding experience is required.

At the end of the school year you will be invited to compete in the PC4G finale in November, where you can put your coding skills to the test in the final competition.

The introduction session is on Wed 30th October. Schools are invited to nominate students here:

https://melbourneuni.au1.qualtrics.com/jfe/form/SV_6zecACIPV5kCdut

Girls in Science – Save the Date

The University of Melbourne invites female students in years 9, 10, 11 and 12 to attend the 'Girls in Science Forum'.

The forum includes presentations from women who are in the early stages of their scientific careers and are chosen for their outstanding achievements in their chosen fields, as well as past fellows who are now biologists, chemists, botanists, zoologists, clinicians, astronomers and physicists.

This is a free event and connects young girls with a passion for science.

The details:

When: Tuesday 12 November 2019

Time: 9.30am – 3.00pm

Where: The University of Melbourne

Cost: Free (including lunch)

You can pre-register here:

<https://science.unimelb.edu.au/events/details/recache?event=13460>

For more info email: emily.badge@unimelb.edu.au

Science Experience for Year 9 & 10 Students

Have you heard about the 'ConocoPhillips Science Experience'?

It's a 3-4 day program that takes place in the laboratories and lecture theatres of over thirty-five universities and tertiary institutions across Australia. You can engage in a wide range of fascinating science experiments and activities under the guidance of scientists who love their work.

The cost of this one ranges depending on your program selection, but starts at \$190 for the 3-day program.

There are still places available in November and January 2020 at RMIT and University of Melbourne.

To read more and apply visit:

<https://www.scienceexperience.com.au/when-where>

Remaining Open Days

Chisholm Institute of Tafe – Dandenong Campus

When: Monday 16th December

Time: 5pm – 7pm

Contact: 1300 244 746

Career Focus

Plumbing

Plumbers lay out, install, test and maintain pipes, fixtures, metal roofing, fittings, gas meters and regulators.

Plumbers:

- prepare and/or study plans and specifications to determine the layout of plumbing systems and materials needed
- find and mark positions for connections, measure pipes and mark cutting or bending lines, then cut holes through walls and floors to accommodate pipes
- cut, thread and bend pipes, assemble and install piping, valves and fittings, and join pipe sections and secure pipes
- test lines as required by local plumbing regulations
- install equipment such as boilers, chillers, pumps, heating and cooling systems, gas appliances, water tanks, water heaters and solar water heating systems, and fixtures such as

toilets, wash basins and industrial processing units

- weld and braise pipework (steel, copper, plastic and stainless steel)
- system testing and commissioning
- maintain and repair plumbing systems.

The plumbing industry is dominated by small firms and self-employed tradespeople. Plumbers may also work for federal or state and territory government departments concerned with public works. Plumbers can be involved in everything from domestic maintenance to high-rise construction.

With further training and experience, plumbers can enter into other technical areas and become sales representatives. Some transition into; building supervisors, building and construction managers, plumbing inspectors, hydraulics consultants, technical teachers, estimators, building contract administrators or purchasing officers, or start their own business. Demand is linked with activity in the construction industry. However, unlike in other building trades, downturns in building activity have less impact on plumbers because of the work available in renovation and maintenance. Demand is also more stable in plumbing because, by law, certain jobs must be performed by plumbers.

To be a plumber, it's helpful if you:

- enjoy practical work
- have good hand-eye coordination
- are able to work independently
- are able to work at heights and different weather conditions
- are able to cope with the physical demands of the job
- have good interpersonal skills
- have good mobility.

The education and training required to become a plumber (general) is to complete a Certificate III and apprenticeship in plumbing. Entry requirements may vary, but employers generally require completion of Year 10. However, as competition is strong for available apprenticeship positions, it is recommended if you have:

- completed your Victorian Certificate of Education (VCE) or equivalent
- a strong understanding of Mathematics and English
- completed a relevant pre-apprenticeship i.e. Certificate II in Plumbing (VET Course).

Note: You will need to obtain a 'Construction Induction Card' (also known as 'White Card') to access any construction site in Australia. For more information on this you can read more here: <https://www.worksafe.vic.gov.au/construction-induction-training-white-card>

Recently, Victoria's Education Department rolled out a new government initiative called 'Headstart' which gives secondary school students the opportunity to start their apprenticeship or traineeship in specific trade areas, while they are at school. Plumbing is one of the trades that is being offered, so for any students who are passionate about starting their plumbing apprenticeship, this is a great pathway. 'Headstart' work with students from Year 10-12, to support them in finding employers, enrolling at TAFE, and ensuring they are continuing to be successful at school. If you would like more information regarding the 'Headstart' program, please email Alison at Head.Start.OuterSE@edumail.vic.gov.au

You can also choose to continue further training in a specialised area of plumbing by completing a Certificate IV in Plumbing Services. This qualification gives you the skills you need to become a:

- Air-conditioning and Mechanical Services Plumber
- Duct fixing Plumber
- Fire Services Plumber
- Gasfitter
- Plumber (General)
- Sanitary Plumber
- Water Plumber

Once you have completed your training, you will be required to apply for registration and licensing with the relevant body in your state or territory i.e. the Victorian Building Association (VBA). Post-trade qualifications from the Construction, Plumbing and Services (Certificate IV) may be required to fulfill registration requirements for more specialised areas of work, such as gas fitting, draining, hydraulics and fire protection.

Sources: Good Universities Guide, <https://www.skills.vic.gov.au/victorianskillsgateway>

VOLUNTARY CONTRIBUTIONS 2019

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Current voluntary contributions including Technology Fee	Infants and Primary	\$55.00
	Years 7 + 8	\$100.00
	Years 9 + 10	\$60.00
	Years 11 + 12	\$60.00
Agriculture	Year 9 + 10 elective	\$40.00
Design and Technology Food:	Year 9 + 10 elective	\$75.00
Drama (Fairfax)	Year 9 + 10 elective	\$50.00
Industrial Technology	Year 9 + 10	\$55.00 plus materials
Primary Industries	Stage 6	\$50.00 (plus materials)

Wanted

Second hand uniforms in good condition. If your child has outgrown their uniform please consider donating it to the school.

CANTEEN ROSTER

Thank you to all volunteers who helped in the Canteen this year. More volunteers are always welcome.

If you are unable to do duty on your rostered day please contact someone else on the roster and arrange a swap.

Canteen duty is from
10:30 am until 2.30pm.

Lunch orders are to be written on a paper bag including students name and year (with money inside). Orders are then to be taken to front office by students or sent with the rolls

Caring for those who care for kids

Same, but different kinds of families needed for foster, kinship, emergency, respite care, guardianship and adoption.

Tooleybuc Happenings September 2019

MURRAY DOWNS
'CUPPA AND CARDS'**Thursday 5th September**
@ 10.30 am*(1st Thursdays of the Month)*

Come along to the Murray Downs RFS shed for a cuppa and a game of cards or your favourite game.

Transport is available for anyone from the Tooleybuc/Koraleigh area who would like to join in.

Cost \$5.00 (includes Morning Tea)

TRANSPORT

A **regular** trip to Swan Hill is now available for any clients who would like assistance with access to Dr's, Library, Supermarkets, meeting friends for lunch or any other reason. Currently leaving Tooleybuc on alternate Mondays, this service could be extended to weekly if there is demand.

A volunteer driver will assist you with transport and groceries.

Cost \$12.00 return -- Bookings required

Goodnight Express

Bookings can now be taken for this Friday service to Swan Hill.

Transport is available to persons of all abilities with room for a maximum of 4 passengers.

Bookings are required to be made by 3.30pm Tuesdays before the day of travel.

Phone: 0437 398 259

Tuesday 10th September**Lake Paika Station**

A bird watcher's and photographer's paradise, with over 20,000 waterbirds of more than 35 species having been observed.

As one of the districts most historic stations, the property is dotted with relics and old buildings and is a wonderful historical treasure trove of past days on the station.

Bus will Depart Tooleybuc 9.30 am

10.15am: Visit the Balranald Discovery Centre and enjoy Morning tea in the Visitor Information Centre

11.45: Arrive at Lake Paika Station for Lunch. Take in the views and birdlife on the lake and enjoy the sights in the garden.

Cost for the day: \$12 includes transport
Morning Tea of your choosing
Lunch \$20 per person

Book a seat on the Bus ASAP

CHAIRBASED EXERCISES

10.30 Wednesday mornings
at the Tooleybuc Club Burgundy Room

Cost \$5.00

NEXT CLASS ON August 28th

TOOLEYBUC
'FUN AND GAMES WITH A CUPPA'

Pop in and have a cuppa and a game of Cards, Scrabble, Bananagrams or Rummikub or bring along your favorite board game to play while you have a cuppa and a chat.

Tuesday 3rd September
(1st Tuesdays of the Month)

10.00 am @ the Tooleybuc Home Support Office

Interested in being a volunteer driver?

Murray River Council's Community Services Team has an expanding community transport service and are now on the look-out for more volunteer drivers.

All volunteers are provided with training, ongoing support and mentoring. The amount of time someone may volunteer is completely up to the individual; every little bit counts!

If this sounds like something you'd like to get involved in, contact your local Community Services Co-Ordinator via 1300 087 004.

We value your contribution to our community.

Contact Murray River Council on 1300 087 004 or visit www.murrayriver.nsw.gov.au

Pint-Size Play Time! Tooleybuc

2nd Monday and last Wednesday
of every month

Tooleybuc Hotel
10am—11am

\$5 per family

Parents to stay. All children
welcome, no matter age or ability.

Bookings preferred.

For information or bookings
call, text or Facebook us:

0400 699 332

@PintSizePlay

Upcoming Dates

Monday 14th October

Monday 28th October

Think UV, not heat.

Check the UV regardless of the
season—it doesn't have to be hot
for UV to damage your skin.

Protect your skin when UV is 3 and above.

Access the daily sun protection times via the free
SunSmart app, or at sunsmart.org.au

Portsea Camp Pira Group

Vacancies are now available for the next camp which is from January 11th to January 17th 2020 (7 days) at a cost of \$350 per child. Children must be between the ages of 9 to 12 years and payments can be made by instalments.

The camp has a vast assortment of activities for the children including fishing, canoeing, art and crafts, cooking abseiling, giant swing, flying fox, swimming, a camp out in a tipi, disco plus many more finishing with a concert. All activities are supervised.

All leaders and staff are police checked and have Working with Children accreditation and the children and monitored at all times.

Full time medical staff are on duty at all times as well and a variety of meals are provided by the Chefs and specific diets are catered for. Children with special needs, with or without a carer and ethnic, religious and cultural diversities are most welcome.

For more information please contact Mrs Noella Cook as soon as possible on 0477 017754 and if

necessary please leave a message. Or visit the website at www.theportseacamp.com.au

Here for you Tooleybuc

Your GP is the best starting point when someone needs help with their mental health. A GP can talk about what's happening and the options for treatment and support. Depending on the situation, the GP might provide ongoing care or suggest that another mental health professional or support service. Mental health professionals can be accessed through your GP, community health centre, public mental health services, headspace centres and private health clinics.
