## Melanie's Thoughts

### Central Schools Netball State Champions!

Congratulations to Mrs Edelsten and our Under 16's Central Schools Netball Team who won the State Championships in Dubbo yesterday. This is an outstanding achievement and we are very proud of you all!!!!!!

### Emergency Evacuation and Lock Down

This week we held a practice Emergency Evacuation and Lock Down Practice. Our staff and students are to be commended on the way they handled themselves in this situation. Well done!

### Sports and Catering

What a busy week we have had with PSSA Sports and Nyah Sports! I would really like to extend my thanks on behalf of our school to our P & C volunteers who were busy making sure everyone was looked after.

### Uniform

Just a reminder that it is an expectation that all students are in full school uniform, all of the time. This means that students need to wear school jumpers under their jackets. It is also a good time to remind everyone that only school hats and school beanies should be worn.

### Trial HSC

Good luck to our Stage 6 students who are undertaking their HSC Trial Exams next week. I am sure they have been studying hard to give themselves their best chance at success.

*Under 16s Central Schools State Netball Champions!.*

## Excursions

It has been a busy time with excursions! Yesterday our students in Year 7-9 attending the SuniTAFE Open Day in Swan Hill and Amouretto Almonds for a tour and our Year 10 boys and Work Studies students attending the SuniTAFE Open Day in Mildura. They both had a great day!

Next week we have our Year 7 & 8 students participating in a Fairfax Film Project where they will make a film trailer which will be showcased as part of the Fairfax Festival in Week 9.

## Healthy Canteen

We are currently working towards gaining accreditation for our 'Healthy Canteen'. Our canteen menu is currently being finalised to meet the requirements, what this means is that our canteen needs to be 75% Everyday Foods and 25% Occasional Foods. You will notice a few changes in the coming weeks.

## School Chaplin

### Here's to you, Dad!

With Father's Day this weekend, what a great chance to reflect on how significant Dads are. Check out these research findings from 'The Fathering Project' – *"We shouldn't underestimate the vast importance of fathers in children's lives, not only because children 'need and love their dads', but also because of the significant impact that fathers have on the social, cognitive, emotional and physical well-being of children from infancy to adolescence and with lasting influences into their adult life."*

### Basically, to all the Dads and father figures out there – you're a big deal!!

Research is clear that being present and engaged in your child's life decreases their risk of anti-social behaviour such as crime, substance abuse, and domestic violence; and is a key protective factor against mental health difficulties such as anxiety, depression and self-harm.

It's not as hard to be a good dad as you might think. The classic 'Dad date' – whether that's going fishing for the afternoon, getting ice cream, or shooting hoops – is a great place to start.

Want to be the best Dad you can be? Check out [thefatheringproject.org](http://thefatheringproject.org) for tips, research and activity ideas. Your child will thank you for it!

Liz Hindle, School Chaplain

Without doubt, there is clear evidence that  
**Fathers matter in children's wellbeing**

**Children who have a father figure have better**

Health 

Academic Performance 

Social & Emotional Wellbeing 

**Risks associated with the lack of a father figure**

High BMI 

Absence from School 

Increased Financial Hardship

## Primary News

### Assistant Principal

**Louisa Frost (Assistant Principal)**

It is hard to believe that we have already passed the half-way mark of this term. With so many different learning opportunities to be had, time is certainly travelling fast.

Thank-you to all the families that participated in reading the Children's Book Council of Australia Book of the Year nominated books. The students and parents enjoyed getting together last week and sharing their thoughts on each book. I am looking forward to next year already and getting more families and classes involved.

It has been a busy time for athletics over the past fortnight, with both the PSSA District Carnival and Nyah Sports held here at school. We were very successful at the PSSA Carnival being awarded the winning school on the day.

Congratulations to all the students that competed at the PSSA District Athletics Carnival and also at the Nyah Sports Day.

Ashby, Lucy and Billy with their Champion Medals at the PSSA District Athletics Carnival.

Ashby send the sand flying and Shakeah leapt to make the distance in the long jump.

Alyssa took sprints in her stride while Jordan spread his arms in Discus.

Congratulations also goes to all the students that qualified to compete in Albury today. I hope you all had a great time.

As the term wears on it is important to make sure we all get enough sleep, so we remain fit and well and can attend school on a regular basis. As a school we are striving for all students to reach 95% with their attendance each term. Missing even one day a week adds up to be 40 day across the year. This results in over one month of lost learning time for a student.

Thank you to everyone for the time and effort you put into the Book Week Parade this year. The students looked amazing and certainly had an enjoyable day.

## Foundation/Year One

**Andrea Hazlett (Class Teacher)**

Last week was a big week with Book Week being a great opportunity for our class to celebrate all things 'Books' and to dress up. Thanks to all those parents who went to the trouble to help their child feel special and part of the day, it was a great day for the whole class.

Over recent weeks Foundation and Year One have been trying hard to prepare for the Nyah Sports carnival which was held last Friday. Every student from the class tried their best and displayed great tenacity and sportsmanship over all the events.

Cooper the Orange Crayola.

Chevy, Captain America

Dejin a princess.

Jané, Elsa from Frozen.

Foundation /Year One have been busy this week getting ready for Father's Day, with the help of Miss Purtle in the Library students made these beautiful Father's Day Cards. Every child is excited and looking forward to giving their card to someone special this Sunday.

Students are very proud of the Father's Day Cards they made.

### News & Updates

### Helpful tips for Year 12's

Term 3 can be stressful for Year 12's with a lot happening simultaneously.

Assessment task completion, exam preparation,

ATAR anxiety, establishing course preferences and pathways, completing applications, attending open days and information sessions, all while managing other areas of your life! Rest assured, you are not alone and it's important to breathe, take a little time for yourself to help you rebalance and re-define your study plans and career pathway options.

Here are some helpful tips–

- **Stay calm and keep things in perspective**  
Year 12 is an important year but it will not dictate the rest of your life and remember there is always more than one pathway into a course or career.

- **Keep organised**

Try to stick to your study schedule for your exams and assignments. If it's unrealistic, reconsider your time allocation for certain activities to relieve any stress.

Remember starting preparation early is key!

- **Take some time to research your post-school options**

Taking time to research and make plans for post-school life can provide a nice break from studies, while also helping you to stay motivated by reminding you of the bigger picture. This may include researching institutions and courses of interest, making travel plans for the holidays, organising things for your gap year and putting together course applications.

- **Ask for help when you need it**

If you're struggling with something — be it a certain topic in class or just school or study in general, it's a good idea to talk to someone early, before stress starts to build up. This could be as simple as seeking out your teacher before class or chatting to your parents about your study set-up at home. Assistance can also come from your careers counsellor, year-level coordinator, head of house or pastoral care coordinator, as well as academic advisers, former students and friends.

- **Diarise important dates**

Together with your exam dates and assessment deadlines, ensure you diarise the important VTAC/UAC and/or institution dates too! You don't want to miss crucial deadlines that may hinder all the hard work you have invested into your studies. Good luck!

### **What is the Special Entry Access Scheme (SEAS)?**

The Special Entry Access Scheme (SEAS) allows selection officers to grant special consideration for course entry.

SEAS is designed to make sure institutions get a sense of your full potential and it enables them to consider the circumstances you have experienced and their impact upon your studies.

There are four categories in SEAS:

**Category 1:** Personal information and location. This category includes age, living or school location, under-representation of a gender in a course or field of study, recognition as an Indigenous Australian,

recognition for being from a non-English speaking background and recognition for being the first in your family to attend tertiary study.

**Category 2:** Disadvantaged financial background.

**Category 3:** Disability or medical condition.

**Category 4:** Difficult circumstances.

You can apply for all the categories that are relevant to your situation, so long as you apply to each category for a different reason. Important to note: It is recommended that all students who register and apply for courses via VTAC complete at least category 1 as this may result in upward adjustments to your selection rank for one or more courses.

While most institutions participate in SEAS, there are still some institutions that run their own programs outside of the VTAC process. To learn more about SEAS and your potential eligibility visit:

<http://www.vtac.edu.au/who/seas.html#what>

## Career Focus

### Human Resources Manager

Human Resources (HR) Manager's (also known as Human Resource Officer's) provide administration services for the recruitment and employment of staff. In small organisations, HR Managers are usually responsible for all staffing matters. In large organisations they may specialise in a particular area such as recruitment, wages and entitlements or staff training. Their salary range can vary depending on the size of the organisation. Importantly, HR Managers are projected to see a 12.5% increase in employment growth in the next 5 years\*.

#### HR Managers:

- determine staffing numbers, skills and needs to meet the organisation's objectives
- analyse the skills and qualities required for each particular job and develop job descriptions and duty statements
- advertise staff vacancies, assess applications, interview applicants, administer selection tests, prepare reports and make recommendations to management about staff appointments
- maintain the personal records of employees on matters such as wages, superannuation, leave and training, and prepare associated management reports
- arrange and conduct staff training
- use a number of management information systems to record, maintain, plan and manage the organisation's human resources
- provide advice and information to management and employees on human

resource policies and procedures, including equal opportunity, anti-discrimination and occupational health and safety programs

- assist employees with work matters, career development, personal problems and industrial matters
- organise employee welfare services such as health and wellbeing programs, first aid and fire warden training, superannuation and social activities
- take part in enterprise bargaining talks where employees, management and unions discuss the development of specific work arrangements and conditions (pay and hours of work, for example)
- help implement organisational changes (such as those following from industrial relations legislation, revised job classification structures or technological changes)
- take part in strategic management.

To work as a HR Manager, it is beneficial to:

- be a good planner, organised, analytical and effective decision-making skills
- have good oral and written communication skills
- be tactful and discrete when dealing with people and confidential information.

There are a few options to become qualified as a HR Manager:

- A VET qualification; TAFE Certificate IV or diploma. The 'Australian Human Resources Institute' and the 'Recruitment and Consulting Services Association' (RCSA) also offer short courses and VET qualifications in human resources.
- A traineeship – entry requirements may vary, but employers generally require completion of Year 10.
- Completing a degree in HR Management, or Business/Commerce with a major in HR Management. To gain entry into these courses you usually need to have completed your VCE with prerequisite subjects in one or more of English and mathematics however universities have different prerequisites and some have flexible entry requirements or offer external study. (Please note: A degree in a related area such as industrial relations, psychology management or economics may also be useful in gaining employment).

## VOLUNTARY CONTRIBUTIONS 2019

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.
