Melanie's Thoughts

Attendance

Currently we are meeting regularly with the HSLO (Home School Liaison Officer) to monitor student attendance. Ideally we would like every student's attendance to be at least 95%. This would be approximately 10 days absent from school each year. Even with an attendance rate of 95% students of the thirteen years of schooling would still have had 2 and half terms off school!

Our overall attendance rate for 2018 was 90.68%.

This year our overall attendance for each term has been:

- Term 1 - 94.21%,
- Term 2 - 91.52%,
- Term 3 - 89.90%.

Some things to think about:

- **Holidays** - Try not to plan holidays during the school term. While there is paperwork to submit for extended leave this is still counted as an absence.
- **Appointments** - Can you schedule your appointments during holiday time?
- Remember every time your child is absent you **MUST** contact the school.

Some Housekeeping

End of day arrangements - please notify the school office if your end of day routine is different. If you have a change to bus routine etc., for safety reasons it is important that we know.

Uniform - Leggings, tracksuit pants and representative jumpers, shorts etc. are not part of our school uniform. Please make sure your child is in their correct uniform.

Footwear - All students from Foundation to Year 12 are expected to wear black leather shoes with their normal uniform. Not sneakers, can you please contact the school if you need support with this. (Work boots are not uniform). Sneakers are to be worn with sports uniform.

Year 7 & 8 and the Fairfax Film Project Group

2020 planning

Currently we are undertaking our planning for the 2020 school year. Subject lines have been created and we are looking forward to planning a curriculum for the rest of the subjects over the coming weeks in preparation for our 'Secondary Rollover' in Week 6, Term 4. If you know of any new enrolments or anyone that will not be here in 2020 can you please let the school know as soon as possible

Turning into Teens Program

Headspace have offered us the opportunity to run Tuning into Teens program next term. For this program to run we need to have a minimum number of parents participate. If you are interested in this program can you please let the school know as soon as possible

Parent teacher Interviews

This week we held our Parent Teacher Interviews for Semester Two. These interviews are a great opportunity to find out more about your child's progress so far this year and their goals for the upcoming term. If you would like a Parent Teacher Interview but were unable to attend this week, then please contact the school to make an appointment.

Term 4 - No Hat, No Play

Just a reminder as we heading to Term Four which is a 'No Hat, No Play' term. This means that students need to wear their school bucket hat. If you need to purchase a new bucket these are available at the Front Office for \$12.

School Chaplin

I screen, you screen, we all screen...

... but *how* should we screen?

The right amount of screen time (TV, computer, phone use, etc.) can be hard to get right... but it's really important to figure it out!

It helps to think about your child's screen use in the context of their overall health and wellbeing – for example, is online time getting in the way of their sleep and exercise? Is it impacting on their face-to-face connections with family and friends? The answers to these questions will guide you and help strike the right balance of online and offline activities for your child.

It's also worth considering things like your child's age and maturity, the kind of content they are consuming, their learning needs and your family routine. It can be easy to focus only on the clock and how long your child is spending in front of the screen, but the quality and nature of what they are doing online, and your involvement are just as important.

Let's make conscious decisions around how we use, and let our children use their screens and figure out how we should screen today.

Euripides' Alcestis.

Thursday 19th

The Main Event

7pm. Swan Hill Town Hall

The culmination of this year's Fairfax Youth Initiative,
featuring the trailer launch of "Shift F Feels" -
a new Australian film, shot in Tooleybuc.

Primary News

Assistant Principal

Louisa Frost (Assistant Principal)

It is hard to believe that we only have two weeks of term left, with so much going on time is certainly flying by.

It was great to have so many parents at our Primary Assembly last Friday. This was an opportunity to celebrate all the wonderful things we have been able to be part of this term. If you were unable to attend, you can check out the speeches the Year 5 and 6 students made in this issue of The Bridge. All the students were very excited about speaking at assembly and I am very proud of the job they all did.

Primary Assembly Award Winners

Foundation / Year One, Matthew, Charli-Ava and Chevy

Year One/Two Oliver, Maya and Ryan.

Year Three/Four Mason and Liam.

Year Five/Six Matthew and Jayla.

Primary Assembly Performance and Speakers

Year 3-4 performed for the Assembly

Year 3-4 perform at the Primary Assembly.

It was unfortunate that the weather didn't allow everyone to try out our new Ga Ga Ball pit. I know the students would have loved to teach you how to play.

Ga Ga Ball has certainly been a hit, with nearly every student in the school taking part in a game at recess and lunch each day. It has been fantastic to see all ages playing together and having fun. We are extremely grateful that the students from Swan Hill Specialist School could help provide us with this new equipment.

The students get very excited in the Ga Ga Pit

Students of all ages play in the Ga Ga Pit together.

Year 5/6

Louisa Frost (Class Teacher)

Year 5/6 students wrote and presented speeches about the events that had happened this term during the Primary Assembly.

Book Week Dress Up

In Week Five we had our annual book week celebration. Everyone made an amazing effort to dress up. Some people were Disney princesses, animals, movie characters and book characters.

Everyone showed off their costumes in the parade and we read the book *Sorry Day* which Montana will talk about.

It was a splendid day and it was full of smiles and laughs.

I would like to take this opportunity to thank the parents for buying or making the costumes, without you our students wouldn't be able to show off their costumes.

Thank you for listening to our speech. By Mahayla and Esther

PSSA Athletics Carnival

Good afternoon parents, teachers and care givers. This term students participated in the PSSA sports carnival at Tooleybuc, along with many others from the district.

In this carnival students participated in the 100m sprint, 800m run, 1500m run, 200m run, high jump, long jump, shot put, discus and relay.

Some students went on to the next stage and went well too.

Another exciting thing that happened that day was winning the whole carnival. Tooleybuc won the overall points and some of our relays had success too.

Tooleybuc Central School would like to thank all of the parents for helping with the BBQ and the canteen. Thank you for listening. By Ashby.

Year 6 RSL Excursion

Brayden - On Wednesday the 4th September 2019 5 year 6 students went to the Melbourne Shrine of Remembrance with the Swan Hill Branch of the RSL. It took 4 hours to get there and back and we had to leave from Swan Hill, as 6 other schools from the Swan Hill district also attended.

Jayla - We got a little tour around the Shrine after taking part in the battle for Australia 1941-1945 commemoration ceremony.

Brayden - The guest speaker spoke about his grandfather's experience on the island of Timor when it was taken over by the Japanese.

Jayla - We also heard about the battle of Bismarck Sea, Battle of Tulagi Island, Battle of Guadalcanal and Battle of Bougainville.

Brayden - At the start of the ceremony three planes from World War II flew over our heads and they were loud.

Thank you for listening. By Brayden and Jayla.

Nyah Sports

Hannah - Good afternoon Parents, Teachers, Students and Caregivers. On the 23rd of August 2019, Tooleybuc Central School participated in the annual Nyah Sports.

Jordan - Everyone tried their hardest, so it all came down to the final events, hurdles, sprint and relay. In the hurdles we got a great score.

Hannah - In the sprints we did awesome. Finally it came to the relay, Tooleybuc got an early lead but a few baton drops from all the teams put us in second.

Jordan - We stayed at that pace for the rest of the relay. The final average scores on the day were Tooleybuc 14.7, Nyah 14.9 and Manangatang 17.6.

Hannah- Even though we came last we all had a go and had fun.

Thank you for listening. By Jordan and Hannah.

Book Week Reading

For Book Week this year, we read the nominated books in the Australian Children's Book Council Book of the Year Award. The books were called Sorry Day, Waves, Bouncing Back and The Happiness Box. There were two others that we didn't get in time, they were Make Believe and Our Birds.

Sorry Day, written by Vass Coral and illustrated by Leffler Dub, won the competition. Miss Wait read Sorry Day out to the whole primary, at the Book Week Parade. We also had a morning tea to discuss our thoughts on the books we read.

It would be great to get more students to be involved next year.

Thank you for listening. By Montana.

Japanese

Jean Duma (LOTE Teacher)

Students in Years 5-8 have been very creative with their origami designs and learning about Mathematics in Japanese. We have been practising different mathematical operations in Japanese using the following:

+	たす	(tasu)
-	ひく	(hiku)
÷	わる	(waru)
x	かける	(kakeru)
=	は	(wa)

Year 5/6 Origami

With Spring upon us, our last few weeks of this term will focus on Sakura Matsuri – the Cherry Blossom Festival.

FOR A FINAL PERFORMANCE @ PERFORMANCE NIGHT

Secondary News

Head Teacher

Jean Duma (Head Teacher)

There are many amazing things happening for our students. Congratulations to our Year 7 and 8 students who participated in the Fairfax Film Trailer last week. We can't wait to see the finished product at the Fairfax performance night in Swan Hill next Thursday. Congratulations also to our athletes who competed at the CHS Athletics Championships in Sydney last week.

Elective lines have now been set for Stages 5 and 6 2020. All students were given a copy of their electives which needed to be signed by both student and parent and returned to myself. If this has not yet been returned please do so urgently. The elective lines are as follows:

Stage 5 2020

Elective Line 1 – Food Technology and Visual Arts

Elective Line 2 – IT Timber and Commerce

Elective Line 3 – Agriculture and Child Studies

Stage 6 2020

Elective Line 1 – Hospitality and IT Timber

Elective Line 2 – PDHPE and Computing Applications

PDHPE / PASS

Jean Duma (Class Teacher)

Throughout Terms 2 and 3, students in Stages 4 and 5 have undertaken Aquatics as part of their PE lessons. Students have participated in water safety and survival sessions progressing through the Swim Survive levels, as well as some other water activities such as aqua aerobics. I have been impressed with the willingness of students to participate in these activities and the support they have given to each other in performing rescues and other tasks for each of the respective Swim Survive levels.

Currently our focus in PASS and PDHPE theory lessons have revolved around *National Health and Physical Education Day* and *R U OK? Day* which this year are both celebrated in Thursday 12 September. Our PASS students have organised tabloid activities for students in Foundation – Year 10 that support both of these days. Our Year 7-10 students have also been creating posters and postcards promoting both of these days.

Fairfax Film Project

Megan Purtill (Drama and Creative Arts Teacher)

Week 7 saw all of Years 7 & 8 students participate in an in-school workshop with Script writer Kat Kats, and Film producer Lochie Hookway. The students attended workshops on script writing, sound recording and learned about the roles required on a film set. Each day the students were allocated different roles to perform on set from camera crew, to sound recorders, and make-up artists. Each student was able to perform different roles throughout the week. The students thrived in the hands on environment, and were eager and willing to assist each day.

By the 2nd day with Kat directing, Lochie was allowing students to run the shoots, with guidance and support from the sidelines. This was an amazing opportunity

for our students, not only gaining professional training, but being hands on in each of their various roles provided them with a great insight to future careers. The film trailer which starred two of our students, and was ALL filmed by all our Year 7/8 students, will be premiered in Swan Hill during the FAIRFAX YOUTH INITIATIVE FESTIVAL, and we invite all our families to attend THURSDAY 19TH SEPT at 7pm, Swan Hill Town Hall, this is a free event.

Year 7 & 8 filming on location.

Ella and Jordan setting up the camera.

Year 7 & 8 filming on location.

Jett and Isabella are ready to record.

Beau reflects light on Will during filming.

Zarah checks the sound equipment.

Anthony and Joshua have a final touch up before filming.

Careers

Kim Morton (Careers Teacher)

Tooleybuc Central Career News

Well done to Toby and Sean who have completed their **IT work placement**.

All **Primary industry** students are on work placement this week and I look forward to hearing about their experiences.

Work placement for **Year 10 Engineering** and **Yr 11 Automotive students** will occur in Term 4 with students currently making their choices.

Year 12 students who have almost finished their formal schooling should be updating their resumes and completing any applications required for accommodation, university special consideration, scholarships, TAFE etc.

University of Melbourne Extension Program for Current High Achieving Year 11 Students

Applications for this program open on Wed 18th September, so UOM are running an information evening at their Parkville campus. For details visit: <https://study.unimelb.edu.au/connect-with-us/events-for-future-students/all-events-listing/university-of-melbourne-extension-program-information-evening>

For all VCE/HSC Students:

Deakin Information Evenings

Dance, drama, photography and visual arts.

Date/Time: Thurs 19th Sep, 5:30 – 7pm.

Where: Burwood Campus

Cost: Free

Register: <https://www.eventbrite.com.au/e/creative-arts-and-design-information-evening-tickets-60257504819>

University of Melbourne

You can meet UOM staff and students at remaining 'Meet Melbourne' sessions in September, to find out more and to register visit:

<https://study.unimelb.edu.au/connect-with-us/events-for-future-students>

Swinburne Advice Nights

You can learn more about the preference process as well as Swinburne's offerings with their advice nights coming up:

Wantirna Advice Night –

When/Time: Tue 17th Sep, 4 pm – 6 pm.

<https://www.swinburne.edu.au/choose/events/wantirna>

Hawthorn Advice Night –

When/Time: Wed 18th Sep, 4pm – 6 pm.

<https://www.swinburne.edu.au/choose/events/hawthorn>

Aviation Advice Night –

When: Wed 18th Sep, 6pm – 8 pm.

Important VTAC Deadlines – for 2020 Course Applications

Applications:

Are now open.

Close – Monday 30th September at 5pm.

SEAS Applications

Open - Monday 5th August at 9am.

Close – October 11th at 5pm.

Scholarship Applications

Open – August 5th at 9am.

Close – October 11th at 5pm.

Change of Preferences

Close – 14th December at 4pm for December 2019 offer.

Close – 20 December 2019 at 4pm for 2020 offers.

News & Updates**Applying for Scholarships**

Have you often stumbled across the word 'scholarship' and thought either it was just more paperwork to complete or that you may not be eligible? Well to help, here is an overview on the different types of scholarships available and where to find them.

A scholarship is an award of financial aid for a student to further their education. They are awarded for many reasons and subsequently based upon various criteria, which usually reflect the values and purposes of the donor or founder of the scholarship award.

There is a wide range of institutional access and equity scholarships, such as those to support students with financial disadvantage, difficult circumstances and the need to relocate for study. Scholarships are offered by many different organisations. The places to search for scholarships are:

- VTAC - Access and equity scholarships, Indigenous Commonwealth scholarships and Academic Merit scholarships.
- Directly at institutions.

- Government, community and business organisations. For example, those administered by the Victorian Department of Education and Training. Follow this link: <https://www.eduweb.vic.gov.au/scholarships/>. The Department of Education and Training administers over 200 different student scholarship awards annually.

Depending on the type of scholarship you apply for, will determine what paperwork and evidence you will need to provide. Some categories require you to complete a written response, a statement of support or financial evidence. You can find out what is required by looking at the demonstration scholarships application before you apply.

VTAC scholarship applications close on the 11th of October at 5pm. It is important you diarise this and make note of the appropriate paperwork you will need to prepare and provide. Remember, you will never know if you don't apply! Good luck ☺

ACU Update**CAP ATAR's Released**

ATAR's for the Community Achievers Program have been released and can be found on the ACU's website here:

<https://www.acu.edu.au/study-at-acu/admission-pathways/i-volunteer-regularly/how-the-cap-is-assessed-and-offered>

Important Announcement for Bachelor of Occupational Therapy and Bachelor of Speech Pathology Applicants for 2020

Back in 2017, ACU changed their pre-requisites for the above mentioned courses by removing some subjects which was approved by their Faculty of Academic Boards. These changes were listed; in the VTAC Year 10 Guide issued in 2017 (as well as 2018 and 2019) and the VTAC future entry requirements page from July 2017 to July 2019 to assist students in choosing units of study for years 11 & 12 to meet course entry requirements.

ACU understands that some future students may have used other ACU documents such as course guides or the 2019 course browser to select their subjects, which technically leaves them ineligible for their chosen course. Students will still be required to meet the required ATAR, however to ensure the most equitable approach to all applicants, they are reviewing the eligibility of those who feel they have

been disadvantaged on a case by case basis. To enquire further you can email futurestudy.mel@acu.edu.au or call ACU directly on 03 9953 3548.

Are you interested in making an impact on future generations, their environments, and their communities?

You can gain the knowledge and skills needed to foster young people's emotional and social development through a Bachelor of Youth Work at ACU. Your work will involve helping disenfranchised individuals, playing a role in reducing youth crime, and mentoring vulnerable people with their wellbeing and mental health. This bachelor degree also allows the option to pair studies with sociology or other electives that focus on outdoor experiences, exercise and nutrition.

To read more, visit:

https://courses.acu.edu.au/undergraduate/bachelor_of_youth_work

Chisholm Institute Update New 'Free Tafe' Courses for 2020

Chisholm will be offering two new courses next year; 'Certificate III in Early Childhood Education and Care' and a 'Diploma of Early Childhood Education and Care'. The diploma can be used as a pathway into further studies in education at other universities including Bachelor of Education (Primary) at La Trobe.

Monash University Update Campus Tours in the September Holidays

Tours will commence at 10am and run for approximately 1.5 hours, with an opportunity to see the on-campus accommodation at Clayton and Peninsula. For more information see and to book visit: <https://www.monash.edu/campus-tours>

To tour the allied health facilities at Peninsula Campus specifically, a tour will be running on Thursday 3rd October at 11am. To register visit: <https://www.monash.edu/medicine/news/events/event/spring-break-campus-tour-peninsula>

Career Focus

Occupational Therapist

Occupational therapists assess and treat people who, due to illness, injury or circumstance, are limited in their ability to undertake everyday activities. They assist people to regain lost functions, develop their abilities and social skills as well as maintain and promote independence in their everyday lives to enhance health and wellbeing.

Occupational therapists:

- conduct tests to assess functional, emotional, psychological, developmental and physical capabilities
- plan and direct specific therapeutic programs for individuals using recreational, remedial, social, educational or vocational (job-related) activities
- select and design activities that improve an affected movement or function and help individuals to regain personal care skills
- assist people to gain or regain skills in social, leisure and work environments through graded individual or group therapy and activity programs
- monitor the progress of individuals and assist with the coordination of an appropriate health team
- assist children with disabilities to integrate into education programs in schools
- assess the ability of injured workers to return to their usual employment or perform alternative duties
- design and modify the everyday environment of clients to allow for better access and independence
- advise on the use of specialised equipment
- assess the need for, develop and run health education programs

- act as consultants to industry and government organisations
- undertake research
- teach in academic institutions, generally at tertiary level
- assist with policy development for health and other areas.

Occupational therapists may work in areas such as:

- Aged Care – providing programs and equipment for people with medical and social problems associated with ageing.
- Disabilities – working with people who have an intellectual, physical or sensory disability through planned activity programs over long periods of time.
- General medicine – working in hospitals or private practice to assess and treat individuals with physically disabling diseases or injuries.
- Occupational health – assessing the safety of work environments and injured workers, providing rehabilitation and advice about adaptations for their return to the workplace.
- Health promotion – assisting people who want to achieve a balanced and healthy lifestyle.
- Paediatrics – working in hospitals, private practices or schools to assess and treat children with disabilities, developmental delays or learning difficulties.
- Psychiatry – assessing and treating individuals with mental illness and behavioral disorders through programs involving such methods as stress management.
- Vocational rehabilitation – assisting injured workers to return to work.

To consider working as an Occupational Therapist, it is helpful to have the following skills and attributes:

- Patience
- Able to show initiative
- A flexible attitude
- Practical, innovative and observant
- Good problem-solving skills
- Good interpersonal and communication skills
- Able to maintain client confidentiality
- Able to work independently or as part of a team

To become qualified as an occupational therapist, you usually have to complete a degree in occupational therapy at university. To get into these courses you usually need to gain you VCE.

Prerequisite subjects are usually one or more of English, biology, chemistry and physics are normally required. Make sure you check course entry requirements at your chosen institutions.

Occupational therapists work in public and private healthcare settings. These may include general and children's hospitals, aged-care facilities, rehabilitation centres, day care centres, community health centres, municipal councils, primary and secondary schools, prisons, centres for people with disabilities, independent living centres and other organisations. They may also work in private practice as clinicians, consultants or as injury management advisors. Occupational therapists are due to see a 14.6% increase in employment growth in the next 5 years.

The following table outlines degree options currently available in Victoria: (This does not include single associate degrees or graduate entry courses).

Occupational Therapy Degrees				
Institution	Campus	Course	Duration	ATAR
ACU University	Melbourne	Bachelor of Occupational Therapy	4 Years	65.50
Charles Sturt University	Albury-Wodonga	Bachelor of Occupational Therapy	4 Years	< 5 offers
CQ University	Melbourne, Online	Bachelor of Occupational Health and Safety	3 Years	< 5 offers
Deakin University	Geelong Waterfront Campus	Bachelor of Occupational Therapy	4 Years	70.00
La Trobe University	Albury Wodonga, Bendigo, Melbourne, Mildura, Shepparton	Bachelor of Applied Science/ Master of Occupational Therapy Practice	2.5 Years + 1.5 Years	70.75 – 75.2 or < 5 offers
Monash University	Peninsula	Bachelor of Occupational Therapy (Honours) (Indigenous Entry)	4 Years	< 5 offers
		Bachelor of Occupational Therapy (Honours)	4 Years	82.80

Note: * NA – Not applicable or under 5 offers were previously made. The ATAR listed is based on the lowest selection rank plus adjustment factors. As subjects, course structures and requirements can vary between institutions, it is necessary to contact your chosen institution for further information. Hens for Sale

Approximately sixteen three year old Isa Browns hens for sale \$2.00 each. Contact David McCarron at the school. 50305422.

VOLUNTARY CONTRIBUTIONS 2019

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year.

These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Current voluntary contributions including Technology Fee	Infants and Primary	\$55.00
	Years 7 + 8	\$100.00
	Years 9 + 10	\$60.00
	Years 11 + 12	\$60.00
Agriculture	Year 9 + 10 elective	\$40.00
Design and Technology Food:	Year 9 + 10 elective	\$75.00
Drama (Fairfax)	Year 9 + 10 elective	\$50.00
Industrial Technology	Year 9 + 10	\$55.00 plus materials
Primary Industries	Stage 6	\$50.00 (plus materials)

CANTEEN ROSTER

20 Sep	Mereeka Andrews	Dianne Hansford
27 Sep	Kelli Edelsten	Kathryn Foley

Thank you to all volunteers who helped in the Canteen this year. More volunteers are always welcome.

If you are unable to do duty on your rostered day please contact someone else on the roster and arrange a swap.

Canteen duty is from
10:30 am until 2.30pm.

Lunch orders are to be written on a paper bag including students name and year (with money inside). Orders are then to be taken to front office by students or sent with the rolls.

**MOTORCROSS FUNDRAISING
WANTED FLAGGIES**

Hi everyone welcome back to the 2019 school year. As next year is the major excursion year, this year will become the major year for fundraising. Any money made will help reduce the costs of the camps making it affordable for all families.

Over the last couple of years we have been flagging at Balaranld Motor cross, this has become a major fundraising opportunity with \$500.00 being made each time we flag!

So I am asking for volunteers. We need 8 volunteers for each day we flag. Those students who are 16 are welcome to help too. Please see below a list of dates:

Rd 6 22nd September

Any enquires on what is involved please contact Cindy Funnell on 0429201397. If available to help please

contact Mereeka Andrews on 0428292906

Thank you ☺

Monday, 30 Sept

10am - 11.30am

For: Ages 5+

Cost: FREE

Teddy Bear Hospital

Children will take part in a mock medical consultation scenario with medical students from Monash University. Acting as doting parents, children will bring their beloved teddy bear or soft toy to the Teddy Bear Hospital for a check-up!

Bookings essential.**Monday, 30 Sept**

1pm - 5pm

For: Ages 5+

Cost: \$2

**Minecraft Monday Dress-up Competition**

Come to our Minecraft session dressed as your favourite Minecraft character for your chance to win a fantastic robotic Hexcalator Ball Machine! (See flyer for more details) Judging will take place at 2pm. **Bookings not required.**

Monday, 30 Sept

1pm - 5pm

For: Ages 12+

Cost: \$2

**VR Pop-Up Play**

Come along and try our new Playstation virtual reality headset! Join an outlaw band of immortal pirates, and fight your way to glory across the galaxy or jump into the combat ring to fight giant robots! **Bookings not required.**

Tuesday, 1 Oct

2pm - 3pm

For: Ages 5 - 12

Cost: \$8

Woodworking Workshop

Ever popular, this hands-on activity teaches children basic woodworking skills. Volunteers from the Swan Hill Woodworking group will be on hand to help children build something to take home.

Bookings essential.**Wednesday, 2 Oct**

2pm - 3pm

For: Ages 12+

Cost: \$5

**Advanced Geometric Painting**

Join Samantha and Hannah for this fun and creative activity! Make your own special piece of artwork using canvas, watercolour paint, tape, ink and your imagination. **Bookings essential.**

Wednesday, 2 Oct

7pm

For: Ages 3 +

Cost: FREE

Twilight Tales

Have you ever wondered what happens in the library after dark? Pop on your pyjamas, grab a teddy and come find out!

We will enjoy stories and action rhymes, followed by a fun craft activity.

The session will then finish with some delicious pizza! **Bookings preferred.**

Thursday, 3 Oct

2pm - 3.30pm

For: Ages 3 - 7

Cost: \$5

Back by popular demand!

Pint -Size Scientists: Space

This exciting and interactive activity will teach children about the mysteries of outer space! Join Lisa and Rachael from Pint-Size Play as they guide children through a hands-on play activity where they will make a colourful nebula, a constellation using a geoboard and listen to astronauts reading a story from space! Plus lots more!

Learn while having fun! **Bookings essential.**

Friday, 4 Oct

5 - 8 years: 2pm - 3pm

9 + years: 3.30pm -

4.30pm

Cost: \$2

**Lego Competition**

This fun competition asks children to use their imagination to create a structure of the judge's choice.

Join one of two age categories: 5 - 8 years or 9 years and up.

Win a Toyworld voucher! **Bookings essential.**

Friday, 4 Oct

2pm - 4pm

For: Ages 5+

Cost: \$2

**Loom Bands**

Have you just discovered loom bands? Or are you already a loom band expert? Loom bands, boards and hooks are supplied to make fantastic jewellery and craft! **Bookings not required.**

TOOLEYBUC
'FUN AND GAMES WITH A CUPPA'

Pop in and have a cuppa and a game of Cards, Scrabble, Bananagrams or Rummikub or bring along your favorite board game to play while you have a cuppa and a chat.

Tuesday 3rd September
(1st Tuesdays of the Month)

10.00 am @ the Tooleybuc Home Support Office

Interested in being a volunteer driver?

Murray River Council's Community Services Team has an expanding community transport service and are now on the look-out for more volunteer drivers.

All volunteers are provided with training, ongoing support and mentoring. The amount of time someone may volunteer is completely up to the individual; every little bit counts!

If this sounds like something you'd like to get involved in, contact your local Community Services Co-Ordinator via 1300 087 004.

We value your contribution to our community.

Contact Murray River Council on 1300 087 004 or visit www.murrayriver.nsw.gov.au

**Scholarships for future teachers are now open**

The NSW Department of Education is offering a range of scholarship opportunities for high achieving students entering teacher education degrees after their HSC. Applications are now open for 2020 scholarships for future teachers.

The scholarship programs for future teachers offer a range of benefits, including financial support whilst studying and a guaranteed permanent teaching position in a NSW public school on successful completion of studies.

The scholarship programs for future teachers include:

- [Teacher Education Scholarships](#)
- [Teacher Education Scholarships - Aboriginal](#)
- [teach.Rural Scholarships](#)

teach.MathsNOW Scholarships are now open

Parents and carers, this is for you. Do you know an industry professional or current university student in a career area requiring tertiary studies in mathematics - for example, in engineering, accounting, finance or IT - who would make a great secondary mathematics teacher? The [teach.MathsNOW Scholarship](#) offers an opportunity to change career path and retrain as a mathematics teacher in a NSW public school.

teach.MathsNOW scholars will receive up to \$50,000 in equivalent upfront course contribution fees, paid part-time employment during studies and a guaranteed permanent teaching position in a NSW public school on successful completion.

To find out more about these and other great opportunities, please visit the [teach.NSW website](#) and follow the teach.NSW social channels ([Facebook](#), [Instagram](#), [Twitter](#)).

Did you know that you can make payments to your child's school online?

We have launched an online payment portal linked to the school website to make it easier for you to pay for school related expenses. This is a secure payment page hosted by Westpac.

What expenses can be paid online?

- Voluntary School and Subject Contributions
- Excursions
- Sales to Students
- Sport
- Other

How?

Log onto the School Web site at www.tooleybuc-c.schools.nsw.edu.au/
Click on 'Make a Payment' and follow the prompts to make a payment via Visa or MasterCard.
