Melanie's Thoughts

Year 12

Last week we said farewell to our Year 12 students with a Whole School Assembly and this week they started their final exams. From the entire school community I would like to wish them all the best in their exams and with their future endeavours. IT was a lovely day and I was so proud of the speeches presented by the class.

Book Week

This week we held our Book Week Parade with our pre-schoolers. This was a lovely day and we were so proud of all of our students explaining who their characters were. There was also a luncheon for those students who were involved in the Book Week Reading Challenge. Thank you to Mrs Frost and the Year 5/6 students who coordinated the program.

National Mental Health Week

Last week was National Mental Health Week. As part of this students from Year 3 – 12 had the opportunity to answer some survey questions focused on developing Gratitude, Empathy and

Year 12 2020

Principal: Melanie Wait

Mindfulness. Their responses were amazing and reinforced what a wonderful place Tooleybuc Central School is and that is because of the great people who are in it. I have included some of their response in this edition of The Bridge.

Something that made me smile?

- Seeing my friends and getting to catch up with them
- My puppy
- Going and doing prac in TAFE
- Being around friends and having sport in my life
- Seeing all of my great friends after a good break and doing some of my favourite things at home and at school!
- My friends and family
- Dad cracking a joke when I got home from school yesterday
- My friends and I trying to catch butterflies
- Getting into routine and everyone being as nice as they can.
- Talking to Granny

Something I would like Ms Wait to know about our school

- I always feel accepted and not judged. All my friends are kind and fun to be around.
- This school is my favourite school I have been to because compared to other schools this school works as a family.
- I love the quadrangle space now that we have lunch in there and we should have more practical ag lessons
- We all care for each other and get along well. The new uniform is really nice
- Is that our school has lot of supporting and caring people. It has a lot of opportunities eg. (sporting, education). And is a wonderful place with wonderful teachers.
- Tooleybuc Central School is an amazing school with wonderful opportunities. All of the dedicated, kind and caring staff that walk around and come into the classrooms are so bubbly and ready to talk with any problems. Tooleybuc CS is a great school!
- I think our school has a lot of kind people in it and we have such a lovely community!
- It's always very fun and cheerful.
- We have students that don't give up
- I love how it is so kind and positive and how we have such caring students and teachers
- That the people in it are honest and safe

An act of kindness

- Helping Dad to fix a shelf. He very much appreciated
- When I did the chores for mum
- That I helped clean out the pool this summer so we can swim when it's hot
- Helping someone when they were struggling
- Helping the little kids dig a hole in the sandpit after they asked for help
- As I was walking home from school a lady dropped some coins and I picked them up for her.
- I asked someone if they were okay
- Helping with the cooking
- Gave my mum a hug
- I helped a lady with her shopping

Transition Programs

Next week we will begin our Transition Programs for 2021. On Monday we will be hosting our Year 6 into 7 Transition Day and our Foundation Orientation will be on Thursday. We are looking forward to meeting all of our new students!

2021 Planning

We are currently working towards our new School Improvement Plan. Thank you to the families who complete the survey that was distributed at the end of last year. In the near future we ask for more feedback on our future directions.

Phoebe Foundation, then returned in Year 7 to Year 12

Rhys Year 7 to Year 12

Phoebe Year 5 to Year 12

Lily Year 12.

Gemma Year 9 to Year 12

Assembly

School Chaplin

You can't be grateful for that!

Sometimes when asked what I am grateful for, the moments which pop into my head I quickly write off as being 'too small' or 'not important enough'. I can find myself thinking things like 'that was such an insignificant part of my day', 'I should be grateful for the important things, like family and health' or 'that small moment of joy didn't last very long... then something went wrong anyway'. Maybe the biggest one for me is 'if I tell people *that* is what I am grateful for, they'll think I'm silly.'

Recognising these thoughts helps me to remember, that no – it is exactly these small moments that I should be recognising each day. It is easy to say I am grateful for the 'big' things

without really thinking about it. Appreciating what is unique to each day is what builds the benefits of gratitude into my life.

Pause for a moment... What is the smallest, unique thing about your day that you are grateful for?

Today, I am grateful for the three minute conversation I had with someone this morning, yesterday it was a good cup of tea that was made for me, and the day before it was allowing myself to get distracted with someone by the butterflies out the window.

Small? Yes. Brief? That too. But it's moments like 'dis' that bring a smile to my face.

Liz Hindle
School Chaplain

Term 4 No Hat No Play

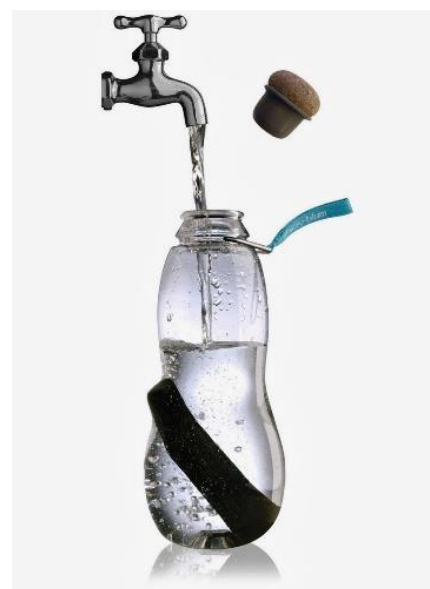

Please wear your School Uniform Hat. This is the only hat that is approved to wear at school. No caps.

Remember your water bottle

Water is very important for our health, at the moment because of Covid-19 the drink bubblers are turned off. It is important that students can access water so they are asked to bring their water bottles. Some students are forgetting.

During the holidays buy an extra water bottle that students can leave at school.

Primary News

Louisa Frost (Assistant Principal)

Foundation

Andrea Hazlett (Foundation Teacher)

Foundation read the book 'Bitsy' Through the velvety night, in whispering flight, bats hurry homeward to hide from the light. Eager to huddle away from the sun, cosy and comfortable.

All except one. Meet Bitsy, a cheeky little bat with daring dreams. Nocturnal Bitsy wants to discover what life is like when the sun comes up.

After reading the book, they then painted night skies and glued, moon, stars and their own Bitsy bats.

Year 3/4 Science

Leeta Rutherford (Science Teacher)

The students in Year 3/4 have been investigating push and pull forces. In Week 10, Term 3 and Week 1 this term they explored various hands-on tasks that involved push and pull forces which did not require direct contact among objects. They mainly used magnets in these different tasks.

Tyson

Primary Sports Uniform Day

There have been a few changes to timetables which has meant PE and Sport days have changed. Below are the new days for Sports Uniform.

Class	Mon	Tue	Wed	Thu	Fri
Found	PE				Sport
Year 1-2		PE			Sport
Year 3-4	PE			Sport	
Year 5-6		PE Every 2 nd Tue			Sport

Preschool students joined the Primary students for the Book Parade. They all took part in the Parade and explained who they were on the microphone. Well done everyone.

Secondary News

Jean Duma (Head Teacher)

Science

Leeta Rutherford (Science Teacher)

Year 9/10 Science

For the final module for this year the Year 9/10 students are exploring the dynamic Earth in the context of STEAM (Science, Technology, Engineering, Arts, Mathematics) tasks. The first task to help them begin to build their collaboration skills and get their thinking tuned in was a cup tower challenge. The aim was to build the tallest and more stable tower. Every group received 20 of the same cups.

The next challenge they will face is the scaled model domes which has to have a minimum height and can only use paper rolled to make rods and masking tape. No other tools or equipment can be used. All this is leading up to the final challenge of designing and building a scaled model of either an earthquake or flood proof building.

Careers

Kim Morton (Careers Teacher)

This week our Year 10 students are completing a virtual week of Work Experience. The week began with students completing a variety of WH&S tasks and achieving a certificate. They then chose a work place of interest and undertook a variety of tasks given to them by a person working in that industry. The students work gets assessed by industry and if successful they may win something for the best entry. Many schools across Australia are also completing this program this week. The week also involves students undertaking training in a variety of skill areas such as networking, social media and online portfolios, money literacy etc. Students will gain extra information on enhancing their resumes and interview skills and the week shall conclude with a discussion of the future of work. All students who complete the program will receive a certificate.

In addition some students are going out on Work Experience next week or at a later date and I look forward to hearing about these experiences.

Mitchell - Builder

Child Studies

In Child Studies this term we have been studying 'Play and the Developing Child'. This has included visiting the play resources which are available locally including a visit to the Mini Golf and Dinosaur, Ant and Stump at the Tooleybuc Sporting Club and a visit to the Tooleybuc Park. Students have considered the skills children can develop through the use of this equipment, namely physical, social, emotional, intellectual, and language development. In future weeks a visit shall occur to the Tooleybuc Pre School.

Child Studies at Mini Golf

Child Studies at the Giant Ant

Child Studies at the Tooleybuc Park.

Child Studies at the Tooleybuc Park

Child Studies at the Tooleybuc Park

Child Studies at the Tooleybuc Park.

UNIVERSITY News

Find your way into ACU with the new ACU Foundation Studies

The new Foundation Studies program is a pathway into all ACU undergraduate degrees on offer in 2022. This free program is currently offered to domestic students at the Blacktown Campus, but acts as a pathway to degrees at any ACU campus provided you meet minimum GPA requirements of your chosen course. Click here: <https://www.acu.edu.au/study-at-acu/admission-pathways/foundation-studies>

Book your ACU Guided Visit now!

Book now to visit the beautiful ACU campuses and check out the amazing facilities. All guided visits are capped to adhere to social distancing and COVID-19 safe practices. Register here: <https://www.acu.edu.au/student-life/experience-uni-before-you-start/explore-your-local-campus/campus-tours>

Port Macquarie Campus Tour Relunched - Stage 2 Open!

Following the opening of Stage 2 at Charles Sturt University's Port Macquarie campus, prospective students and parents can book campus tours for Monday - Friday 10am, 12pm and 2pm, and a new twilight tour at 5.30pm Thursday. Guests will be shown around by a current student with insider insights! All NSW Health COVID recommendations will be in place. Book here: <https://study.csu.edu.au/events>

Charles Sturt Virtual Study Consultations

Representatives at all campuses of Charles Sturt University provide ongoing virtual study consultations Monday - Friday 9am - 5pm. Students and their parents can book in for a 15-45 minute appointment to discuss course specifics, pathways, accommodation and more. Bookings can be made here: <https://study.csu.edu.au/contact-us/consult>

ANU - Exploring our Universe with Professor Anna Moore

17 October. 1pm

From the age of four, Professor Anna Moore knew she wanted to be an astronomer. She studied our galaxy and made a career building telescopes around the world, including Antarctica.

In this discussion, you'll learn how to use the night sky for directions, find out what you need to know about our universe and hear about the things we have discovered using big telescopes.

Finally, find out what kind of jobs you can have if you love space!

Professor Anna Moore is at the forefront of the expansion of Australia's space industry. She is director of the ANU Institute for Space (InSpace), the Advanced Instrumentation and Technology Centre and the National Space Test Facility at the ANU Mount Stromlo Observatory. Professor Moore was part of the expert reference group that created the Australian Space Agency. She is a world-leading expert in astronomical instrumentation and a global leader in the emerging field of transient infrared astronomy. Her expertise is critical to the space industry in Australia, NASA, the Scientific Committee on Antarctic Research, and other global space industry partners.

UON Festival X

13-15 November

Festival X is the School of Creative Industries graduating student experience which will be delivered virtually in 2020 on 13-15 November.

Immerse yourself in the talent of our students as they exhibit their final work and make their mark on 2020.

Walk through our interactive virtual gallery to:

- explore visual art
- watch live performances
- see short films and animations
- watch documentaries
- admire 3D artwork

In experiencing Festival X online, you will discover what is produced through the University of Newcastle's hands-on and innovative degree programs in the areas of [communication](#), [visual communication design](#) and [music](#).

<https://www.newcastle.edu.au/events/faculty-of-education-and-arts/festival-x#:~:text=Festival%20X%20is%20the%20School,make%20their%20mark%20on%202020>

UNSW - ACT Young Women in Engineering (YoWIE)

Ever wondered where studying maths and science at school can take you?

Come and experience Engineering at UNSW Canberra

FREE Three-day workshop - 13 to 15 January 2021

- Build and fly a rocket and gas turbine engine
- Design, build and fly a satellite remotely
- Disassemble and reassemble an engine
- Solder and program a circuit
- Command a robot to solve a series of tasks
- Design, build and test a dam

We are proud to present YoWIE, a three-day workshop held in January specifically for Young Women.

<https://www.unsw.adfa.edu.au/school-of-engineering-and-information-technology/yowie/act-young-women-engineering-yowie-2020>

Girls in Engineering Club

You can connect and share ideas with fellow high school girls who are also discovering the possibilities of a career in engineering. You will hear from inspiring role models, from UNSW engineering students to female engineers already making their mark on the world. They can't wait to share their stories with you and answer your questions!

By joining the club you will receive:

- Exclusive invitations to Girls in Engineering Club events
- Monthly info delivered to your email, featuring profiles of amazing female engineers, study tips and tricks, blogs from our current engineering students, and loads of info to help you explore your career options in engineering
- Opportunities to be mentored by current female engineering students at UNSW
- The chance to win prizes through participating in fun STEM activities!
- Access to a closed Facebook community to connect with likeminded girls

<https://www.engineering.unsw.edu.au/study-with-us/girls-in-engineering-club-gie>

Medical Interview Training

The Two Pieces of Your Medical Interview Success Puzzle: Med Entry provides comprehensive interview training in two parts: Medical Interview Strategy Day with Dr Ray, a Consultant Gastroenterologist with 20 years' experience in medical interview training. Second part is the mock interview which is specific to the university you are applying to. Details at:

MedEntry.edu.au

TAFE Information

The one stop shop for everything TAFE NSW

So many tools, so many resources! Make sure you check out the new TAFE NSW Online Resource to make it easy for you to guide and inform your high school students about their study and career options. It's also a great resource for parents.

<https://www.tafensw.edu.au/documents/60140/60957/CAA-Online-Resources-flyer-A4-v10.pdf>

TAFE for Music, Fashion, Art, Floristry, Photography, Sound, Design, Signs, Graphics, Film and Screen

Creative, fashion and music courses offer students a chance to explore their passions and bring their artistic ideas to life. Courses in this sector are formulated to equip you with the practical skills and background knowledge you need to accomplish detailed design tasks and utilise the latest technology within any organisation.

https://www.tafensw.edu.au/courses/arts-design-digital-media?utm_campaign=20191015%20002%20b2c%20Career%20Advisor%20edm%20october%20newsletter%20initial%20SCHOOLS%20awareness&utm_medium=email&utm_source=Eloqua

Studying TVET 2021

At TAFE NSW, you will gain work related skills and experience that is recognised and valued by employers. In many TVET courses, in addition to your theoretical training, you will also be required to complete a mandatory work placement. TVET studies can be used to help you gain a place in a TAFE NSW Higher Education course or at a university, by contributing to your ATAR. Your TVET qualification will also provide you with an industry qualification. TVET courses may also contribute towards credit or advance standing in your next TAFE NSW course. By successfully completing your TVET course, you will gain two credentials upon finishing school; one from the New South Wales Educational Standards Authority (NESA), and another from TAFE NSW

https://www.tafensw.edu.au/documents/60140/76288/TVET-Brochure.pdf?utm_campaign=20191015%20002%20b2c%20Career%20Advisor%20edm%20october%20newsletter%20initial%20SCHOOLS%20awareness&utm_medium=email&utm_source=Eloqua

Master Builders Pre-apprenticeship Program

Monday 23rd November 2020

Master Builders have created a program with a holistic approach to preparing you to become the best quality 1st year Carpentry Apprentice!

During the Pre-Apprenticeship Program, you will learn how to:

- Build house frames
- Safely use hand and power tools
- Measurements and calculations for project work
- Work safely at heights
- Apply first aid
- Effectively demolish part of a structure

Most importantly, you will learn how to remain safe on site.

As this training is subsidised by the NSW Government, there is no cost to you.

Selection Criteria:

- Commitment attending full 2 weeks, 7.30am to 3.30pm, Monday to Friday
- Must have previously completed a Certificate II in Construction, Construction Pathways or TVET
 - We will need a copy of your Certificate when you enrol
- Must be signed out of school and be a minimum of 17 years old
- Have a valid driver's or riders' licence and own transport – apply if you are close to getting your licence!
- A desire to commence and complete an apprenticeship or traineeship within the building and construction.

<https://www.mbansw.asn.au/pre-apprenticeship-program>

Master Painters Australia –Bootcamp

Master Painters Group Training Company (MPGTC) run a 3 Day Bootcamp at our specifically designed training facility – this is a wonderful opportunity for those wanting to become an Apprentice Painter & Decorator. Who Should Attend? Anyone with an interest in pursuing a career in the Painting & Decorating Industry and looking for a practical training program with the opportunity to secure an apprenticeship and work with Host Trainer at the completion of the program. **Take the first step to a successful and colourful career and contact us.**

Call: 02 9758 8877. **Email:**

Traineeships Open to 2020 school leavers!

Applications close 16 November

Calling 2020 school leavers who are 18 years old (or turning 18)! Obtain your Certificate III in Individual Support (Disability), Individual Support (Ageing) or Business Administration while gaining on-the-job experience! Located throughout regional NSW, Live Better provides a diverse range of services to the elderly, people with disabilities and their families, carers, and children & families. For more information and to apply, go to:

<https://livebetter.org.au/school-leaver-traineeships/>

Panel Broadcast: Find out more about School-based Apprenticeships and Traineeships

This National Skills Week, Apprenticeship Careers Australia (ACA) hosted a panel broadcast with School-based Apprentices and Trainees. The panel of SBATs joined ACA and journalist Kate Creedon to explore how they started their apprenticeship or traineeship as they shared their own experiences and advice. Watch the broadcast recording, get ACA's guide and find out more here:

<https://bit.ly/3gl2SNi>

COLLEGE Information**Becoming a pilot: 2020 Open day postponed, individual meetings welcome**

SFC has postponed their 2020 open day but is still welcoming students who wish to visit the college over the next few months in preparation for 2021 courses. Interested in a career as a pilot? If so, contact the course advisor now for a personal tour of the campus and all the information you need on commercial pilot licence courses. Contact Tarquin Watt at tarquinw@sfcaero.com.au or 0456 500 4600

Le Cordon Bleu Sydney The Future of Hospitality Webinar

Thursday 19 November, 5.30pm – 6.30pm
Our webinar series ends on a high note with a conversation about the future of the hospitality industry. This inspiring session will bring together a panel of special guests to discuss future skills, technology and innovation, and new business opportunities in the post-COVID world.

<https://www.cordonbleu.edu/news/invitation-to-industry-voices-webinar-series/en>

Scholarships for 2021 Are Now Open at William Angliss Institute

Applications are open to 26 November. Worth up to \$4,000, William Angliss Institute's Foundation provides ongoing assistance to students and the wider community through the establishment of various scholarship programs across the Institute.

GENERAL

Camp America Info Session

18 November

Camp America run monthly information sessions for the upcoming season. Work at a summer camp in the USA and gain invaluable experience and skills in leadership, responsibility and confidence to name a few. View all our upcoming events at below or if you have questions email - info@campamerica.com.au

<https://www.campamerica.com.au/events/camp-america-online>

Meet 10 people in the event industry

We asked 10 young people who have found a home in the exhibition and event industry to tell us about their career and what makes the industry so appealing. Through their eyes you can see why many who enter the industry never leave. It's a global industry that can take you all around the world, while small enough that you feel part of our family and team.

<https://eeaa.com.au/what-we-do/our-campaigns/a-career-for-life/10-people-10-different-careers/>

Wesley Youth and Young Adult Support

Check the full range of excellent services provided by Wesley. Housing, jobs, mentoring, counselling.

We believe that strong families are at the heart of strong communities. We are dedicated to strengthening families by helping young people, like you. We do this by through both practical and emotional support.

<https://www.wesleymission.org.au/find-a-service/teenagers-and-young-adults/>

Assistants in Nursing - Their Important and Growing Role

Anyone who relishes the idea of caring for people as a living may decide that a career in the medical world is a good choice. However, not everyone is suited to becoming a medical professional such as a doctor, nurse or physiotherapist.

For people who want to help, without having one of these roles, there is the option of becoming an assistant. For instance, there are [Allied Health Courses](#) which people can take in order to qualify for a role in assistance. Allied health assistants provide assistance to health practitioners including physiotherapists, occupational therapists, podiatrists, speech pathologists and dietitians. Another option in health is to become an assistant in nursing.

<https://www.myhealthcareer.com.au/career-and-university/the-important-and-growing-role-of-assistants-in-nursing/>

2020 Ocean Talks Series at the Australian Maritime Museum

From [chasing sea monsters](#), [ocean science discoveries](#) and [indigenous stories](#) – there's something for everyone in our dynamic talk series, featuring a range of fascinating marine experts, scientists, authors, filmmakers and adventurers who will challenge everything you know about our oceans.

Our oceans are at a critical point in history, and the maritime museum has never had a more vital role in marine conservation, exploration and sharing the wonder and mystery of our oceans. Our talks offers a unique experience to immerse yourself in the cutting edge of marine science, provocative art, and controversial thought leadership – all up close and personal.

<https://www.sea.museum/whats-on/events/ocean-talks>

Macquarie Astronomical Observatory - Discover the wonders of the night sky!

11 December. 8.30pm to 10pm

The Association for Astronomy (in the Department of Physics and Astronomy at MQ) invites you to observe the cosmos with your own eyes at the Macquarie University Astronomical Observatory. View planets, moons, binary stars, star clusters and nebulae through our professionally maintained in-dome and portable telescopes. You will be guided by our experienced, passionate and knowledgeable astronomy staff... bring all your astronomy and astrophotography questions with you! To learn more about the Department, the Association or the Observatory jump to physics.mq.edu.au or goto.mq/observatory

<https://everi.events/event/11481170-a/night-sky-discovery-sessions-2020-macquarie-astronomical-observatory>

Enter the 7News NSW/ACT Young Achiever Awards

Closes 11 January 2021

The Young Achiever Awards acknowledge, encourage and most importantly promote the positive achievements of all young people throughout Australia up to and including 29 years of age as of 31st December each year. No achievement is too small (or big!) and ALL young people should be applauded for their positive impacts on our local and wider communities.

<https://awardsaustralia.com/young-achiever-awards/nsw/>

How to Apply for a Job at Woolworths

We have developed the following 'how to' guides to support external job seekers through our application process. All current Woolworths employees are asked to apply for positions through the WOW Careers internal website only. Don't forget to visit our [questions and answers](#) page should you have any further queries about working with us.

https://www.wowcareers.com.au/page/Careers/Come_and_work_for_us/How_to_apply_for_a_job

Career Pathways with Coles

At Coles Group, we're committed to attracting and employing people that represent the communities we work in. We're building a safe and supportive working environment for all team members, regardless of age, disability, race, gender identity, gender expression, sexual orientation, religion, ethnicity, family responsibilities or cultural background.

Throughout the recruitment process, we provide support for candidates to make sure nobody is disadvantaged.

If you're interested in a great career with Coles Group, across any of our brands or functions, we'd love you to apply.

<https://www.colescareers.com.au/why-work-with-us>

How to Transition to Tertiary Education - Helpful Hints for People with Autism Spectrum Disorder.

The information here was developed as two booklets. These booklets discuss many changes to expect, but cannot predict all possible

changes you may experience. Each university or TAFE is different; each campus is different; the staff are different; the students are different; and the way you experience it may be different as well. Nevertheless, a good logical approach to planning will help you cope with the transition.

<https://www.adcet.edu.au/students-with-disability/autism-transition/>

Microsoft Traineeship Program

Kickstart your career in IT with the Microsoft Traineeship Program. It is a great way to get ahead and earn while you learn. Once you've completed the traineeship, you'll have the expertise, experience, nationally accredited qualification and Microsoft global certification you need to take the next step in your career or further education. Visit:

<https://www.microsoft.com/en-au/microsoft-traineeship-program>

Teach and Learn Scholarship (Specialist Teaching Areas)

Approved teachers in NSW public schools can now be paid to study to gain additional competencies in specialist teaching areas. The Teach and Learn Scholarship (Specialist Teaching Areas) supports future teacher librarians, careers advisers and English as an Additional Language or Dialect (EAL/D) teachers. To find out more and to apply, visit:

bit.ly/SpecialistTeachingAreas

Protect yourself from viruses

Clean your hands with soap and water, or hand sanitiser.

Cover your nose and mouth when you cough or sneeze.

Avoid close contact with anyone with cold or flu-like symptoms.

Stay home if you are sick.

VOLUNTARY CONTRIBUTIONS 2019

The New South Wales Government provides much of the necessary equipment and materials for the efficient running of the school. However, to keep up to date with the latest textbooks and to supply materials for such subjects as technics, craft and food technology, parents are asked to make a voluntary contribution. These are reviewed each year and kept to an absolute minimum, and are payable at the beginning of each school year. These contributions are important in ensuring that we can optimize learning opportunities for students. Your cooperation in this regard is greatly appreciated.

Current voluntary contributions including Technology Fee	Infants and Primary	\$55.00
	Years 7 + 8	\$100.00
	Years 9 + 10	\$60.00
	Years 11 + 12	\$60.00
Agriculture	Year 9 + 10 elective	\$40.00
Design and Technology Food:	Year 9 + 10 elective	\$75.00
Drama (Fairfax)	Year 9 + 10 elective	\$50.00
Industrial Technology	Year 9 + 10	\$55.00 plus materials
Hospitality	Stage 6	\$200.00

The **Community Services Home Support Program** offers a range of services designed to support frail older people to remain independent and living in their own home.

The **Community Transport Program** can provide transport for people living remotely, that do not have access to other transport means. This type of transport is not age specific

Our **Community Transport** team are working hard to keep you moving.

Moulamein—Swan Hill Community Bus—Thursday weekly Bus will now depart from the Moulamein Business Centre at 0945am. **Wakool Express Bus**— Friday Fortnightly—Bus will depart Wakool Post Office at 09:30am **Bookings essential**— Limited seating on all bus trips.

Other transport trips in car across all districts including shopping —we can now travel into the Border Region. **Bookings essential**— Limited seating for all trips.

Call the **Transport Coordinator—Leanne. 0427 991 842**

With all transport queries and for bookings prior to trip.

These measures are to ensure we adhere to our Covid19 Safe Plan as per government directions.

While the **Meals on Wheels** program is aimed at the older consumer, it is also available to younger people who have a need for support. We have a great selection of frozen meals that include mains, soup with a bread roll and desserts.

Our meals are home cooked in a small commercial kitchen in Deniliquin and then snap frozen to maintain freshness and quality, before being delivered right to your door. Speak to one of our team if you would like to know more.

Your **Social Support** team are considering ways we can support you with a one on one visit and have a chat while still maintaining social distancing and keeping everyone safe.

One way we are thinking of is a "Letterbox Chat". If you are interested and would like to receive a visit please contact your local team member for more information.

For those who need a bit more support we are able to provide supported shopping or well being check phone calls.

Contact your local team member for information on any of these services.

Our **Home Maintenance** team have drawn up a short list of repairs that can be attended to through the program. If you are wanting to make use of this service you will need approval for **Home Maintenance from My Aged Care**—a simple process. Call your local team member if you'd like to know more.

- ⇒ House Signage, clear street no. on letters boxes/front gate/fence, for emergency services in called
- ⇒ Broken/unsecure locks on front or back entry/exit doors
- ⇒ Broken windows, as in frames/locks, NOT glass
- ⇒ Anything obstructing footpaths to/from residence, ie overgrown trees
- ⇒ Changing/replacing light globes
- ⇒ Minor floor issues, slips/trips/falls hazards
- ⇒ Flywire on screen doors and windows can be replaced if needed
- ⇒ Minor repairs from a handyman if it is a safety issue

Covid 19 Border Passes are available at www.service.nsw.gov.au

If you need help contacting Services NSW give your team member a call and we can point you in the right direction.

‘Will I be a good dad?’

is a common concern amongst new dads and dads-to-be.

The Focus on New Fathers program provides a free text message based service called SMS4dads.

Free tips, tools and links – directly to dad’s phone

To help new dads and dads-to-be navigate the changes, before and after the birth of their baby, NSW Health and the University of Newcastle have partnered to deliver SMS4dads.

Once new dads and dads-to-be are registered, they’ll receive practical tips, tools and helpful links directly to their phone.

You’re eligible:

- if you are 18 years or older
- if your partner is at least 16 weeks (four months) pregnant; or
- from your baby’s birth until they are 6 months old.

For more information

visit www.health.nsw.gov.au/focus-on-new-fathers

“Just wanted to say thanks for this project. The text messages have been invaluable and I couldn’t have known just how much I needed to receive these short and helpful messages.”

Australian Childhood Anxiety TREATMENT STUDY

Free home-based assessment and treatment for 7 to 12 year old children with fear and anxiety disorders.

Does your child become very afraid of certain situations or objects, worry about a lot of things, get very distressed, or try to avoid things they fear?

About the study

Our team at Griffith University may be able to assist you. We are conducting a nationwide study that includes the following services at no cost to families:

- A thorough assessment of your child's anxiety with a trained psychologist via the telephone;
- Your child receiving one of two kinds of home-based treatments delivered on a PC, laptop or tablet; and
- Two follow-up telephone assessments with a trained psychologist 6- and 12-months after treatment to track your child's progress.

The study aims to find out if these two treatments are as effective as each other, and which children have the best response to each kind of treatment. This will mean that there are more evidence-based treatments available for helping anxious children.

About the treatments

Each treatment involves your child completing treatment sessions at home on a PC, laptop or tablet.

Each treatment involves your child learning practical strategies to better manage anxiety.

- One treatment helps children learn to control the focus of their attention on helpful things around them.
- The other treatment helps children learn to think differently and approach things they fear.

Each treatment includes information, telephone or email support for parents in assisting their child to better manage anxiety.

Prior studies have shown that children who complete each treatment experience significant reductions in anxiety.

Contact us

This study is being funded by the National Health and Medical Research Council and is led by Professor Allison Waters and a team of experts in childhood anxiety disorders.

For more information about our study and our team, or if you would like your child to participate, please contact us:

Interested in being a volunteer driving?

Murray River Council's Community Services Team has an expanding community transport service and are now on the look-out for more volunteer drivers.

All volunteers are provided with training, ongoing support and mentoring. The amount of time someone may volunteer is completely up to the individual; every little bit counts!

If this sounds like something you'd like to get involved in, contact your local Community Services Co-Ordinator via 1300 087 004.

We value your contribution to our community
