Louisa's Thoughts

What a busy two weeks we have had. All of our Year 5 and 6 students had the opportunity to participate in the AFL Football and Netball Gala day at Balranald on Wednesday and from all accounts it was enjoyed by everyone there. Year 5 to 8 had the opportunity to tour Mildura SuniTafe and visit the Smart Farm on Monday, and Year 8 to 11 attended the Deni Jobs Connect day on Wednesday. This year we have a focus on promoting different careers across all year levels at the school and the students have certainly had the opportunity to view a range of options this week.

Next week we will have our school photos on Wednesday and I look forward to welcoming our Primary parents into the school on Friday to attend the Primary Assembly.

School News

Mrs Morton - Career Education & Planning and Food Technology

Hello to all students and parents. This year I am delivering Career Education to Year 8-10 students and assisting Year 11-12 with their career planning. We were successful in obtaining additional career funding this year to support careers over all year levels so I look forward to helping to organise some great career related events. I am also teaching Food Technology to Year 9-10 and TAS Food to Year 7-8 students, with Year 7's in Term 1 & 2, Year 8's in Term 3 & 4. Once again the focus shall be on students developing independent skills when working in a kitchen.

Year One/Two with Miss Hislop

Hi everyone! Stage One have settled in and begun completing some wonderful learning. As part of one of our new English units that come along with the new syllabus, Stage One students created a class book based on the book *Under the Southern Cross* by Frane Lessac. Each student used oil pastels and a paint wash to create an artwork of their favourite places in Australia. Students then typed their sentences and attached them to their artworks.

During Mathematics we have been diving into the new syllabus and have explored whole numbers, patterns, and shapes. The students have enjoyed participating in the hands-on activities to consolidate their knowledge.

We have also had a focus on respectful relationships and working together during PE, students have enjoyed using teamwork to complete activities and games, and altering them to be more inclusive.

I am loving getting to know all the students and can't wait to see all the wonderful learning the students complete throughout the rest of the term.

PDHPE with Mr McNicol

Stage 6: Sport, Lifestyle & Recreation – since the commencement of the school year students have studied the sports of badminton and bocce and are currently learning about cricket including its unique fielding positions, rules and terminology.

Stage 5: Child Studies – after completing the learning topic on inclusion and responding to diversity students are now learning about the role media and technology play in the development of young children.

PDHPE, PASS & Child Studies with Mr Guihot

Stage 4 PDHPE

In Stage Four this term, students have been learning about identity and healthy relationships. They are making good connections with the content and will soon be looking at good communication skills and puberty.

Athletics has been going well, with students showing some real talent in both shot-put and discuss.

Stage 5 PDHPE

In Stage Five this term, students have looked at the difference between physical activity and physical exercise. They have compared their levels of physical activity, to those of the National Guidelines (which say you should be doing 60min of moderate to vigorous activity per day)

In practical lessons, they have also started on Athletics and showing some true potential.

Stage 5 PASS

In PASS, students have begun looking at the different body systems. They have looked at the skeletal and muscular system so far and how they interact with each other. They will be going into more detail with these systems and looking at the various movements we perform in every-day life.

During practical lessons, they have begun the lacrosse unit and are picking it up extremely well. They are working well as a team and are always having a go, which is great to see.

Child Studies

Students have completed Core 3, Families and Communities, and are starting on Individuals and Groups. They are working well as a class and progressing smoothly through the content.

Head Teacher Report with Miss Duma

Head Teacher Report

We have had a very busy few weeks for our secondary students and a new timetable which started this week. On 17 February 10 of our secondary students volunteered to assist and officiate at the Moulamein Zone (Primary) Swimming Carnival in Swan Hill. They did a fantastic job and are to be congratulated on their efforts. Congratulations to our swimmers who competed at the Deniliquin Zone (Secondary) Swimming Carnival on 22 February. Year 7 and 8 were joined by Year 5 & 6 for their first Careers Excursion to Mildura on Monday. Year 8-11 then also attended the Deni Job Connect Expo at Deniliquin on Wednesday. A reminder to all students that this coming Wednesday is School Photos.

SPORT EVENTS

Deniliquin & Moulamein Zone Swimming Carnivals

We had 5 students compete at the Deniliquin Zone (Secondary) Swimming Carnival in Deniliquin and 18 students compete at the Moulamein Zone (Primary) Swimming Carnival in Swan Hill. All competed strongly, and were excellent team supports, encouraging and cheering each other on.

Year 5/6 AFL & Netball Gala Day

On Wednesday all of our Year 5 and 6 students were invited to participate in the new Year 5/6 AFL & Netball Gala Day in Balranald. This day allowed an opportunity for all of our students to participate in round robin games against Balranald CS, Moulamein PS, Barham PS & Wakool Burraboi PS. Selection trials for the Moulamein Zone teams were also held on this day and we have 3 boys who have been selected for the AFL team and 5 girls who have been selected for the Netball team. Congratulations to all of our students who participated in this day and we wish all the best for the zone representatives at the next level.

Upcoming representative sporting events:

- Riverina Primary Swimming Carnival - Monday 6 March @ Leeton
- Riverina Secondary Swimming Carnival – Tuesday 7 March @ Leeton
- Riverina Primary Boys & Girls Basketball Trials – Thursday 9 March
- Riverina Primary Eastern & Western AFL Trials – Friday 10 March
- Tooleybuc Central School Athletics Carnival – Monday 3 April

Moulamein District AFL and Netball Gala Day

Our Year 5/6 students travelled to Balranald on Wednesday to take part in the AFL and Netball Gala Day. Some students will be selected to advance to the Western Riverina AFL Trials at Leeton and the Western Netball Preselection at Narrandera.

AFL & Netball Advancing Students

We would like to congratulate Josh, Lucas and Wyett on their selection in the Western Riverina Australian Football Trials, and Maya, Savannah, Harper, Sophie and Patience on their selection to the next stage of the Netball Trials.

SuniTAFE Mildura & Deniliquin TAFE

This week two excursions occurred involving students from Yr. 5-11. These excursions allowed and encouraged students to explore a variety of career pathways and learn of local employment and study pathways available to them.

We thank both the Suni Tafe, Mildura campus and the Deniliquin Tafe for providing these opportunities to students. In addition, a thank you to the teachers who assisted me in accompanying the students to these wonderful career events.

I hope students take the time to discuss the knowledge they gained from these days and use this with their future career planning.

Community Notes

Headspace Webinars for Parents and Carers

upcoming sessions

headspace is offering free mental health education webinars in Term 1, 2023 for Parents and Carers in the **Murrumbidgee**. Follow the links to register.

Connecting and communicating with my young person

Date: 7 February 2023
Time: 12:00 - 1:15pm AEDT
Location: Online webinar
Registration: bit.ly/3W7SvqU

This session aims to:

- Strengthen knowledge and understanding of the mental health challenges facing young people today
- Increase awareness of your young person's emotions, thoughts, feelings, and behaviours
- Identify opportunities for connection with your young person and enhance your conversational approach
- Introduce skills and strategies to encourage and support help-seeking

Navigating uncertainty and change

Date: 7 March 2023
Time: 6:00 - 7:15pm AEDT
Location: Online webinar
Registration: bit.ly/3w6GlnC

This session aims to:

- Strengthen understanding of how young people can be affected by change and uncertainty
- Build skills and strategies to support young people who are navigating change
- Identify signs that young people may need additional support
- Build awareness of local, state, and national supports available to young people
