Strive to do well

Monday, 11 February 2019

Dear Parent/Caregivers,

During the school year certain events require children being taken to venues around the town other than on the school grounds. These activities include going to the Club (for performances, assembly, sport etc.) local nature walks, sporting activities (e.g. tennis, golf) and church services.

These activities are always travelled to on foot under teacher supervision and are always approved.

To overcome the necessity to gain a separate Permission Note for each occasion these activities are on, I would be grateful if you could complete the "General Consent Form" below and return it to school.

Each activity will be advised well in advance either by a notice in "The Bridge" or a separate letter home.

Students may be photographed during activities throughout the year. These photographs may be used in the classroom or for publication, including Facebook, school website etc. Please indicate where these photographs may be used.

Yours faithfully,

Melanie Wait  
Principal
